SECTION 1. LIMITATION AND SUBORDINATION OF RIGHTS GRANTED.

(a) The rights granted to the Licensee are subject and subordinate to the prior and continuing right and obligation of the Licensor to use and maintain its entire railroad right of way, and are also subject to the right and power of the Licensor to construct, maintain, repair, renew, use, operate, change, modify or relocate railroad tracks, signal, communication, fiber optics or other wire lines, pipelines and other facilities upon, along or across any or all parts of said right of way, any of which may be freely done at any time by the Licensor without liability to the Licensee or to any other party for compensation or damages.

(b) The Licensee's rights are also subject to all outstanding superior rights (including those in favor of licensees, lessees of said right of way, and others) and the right of the Licensor to renew and extend the same, and are granted without covenant of title or quiet enjoyment.

(c) It is expressly stipulated that the Road Crossing is to be a strictly private one and is not intended for public use. The Licensee, without expense to the Licensor, will take any and all necessary action to preserve the private character of the Road Crossing and prevent its use as a public road.

SECTION 2. MAINTENANCE AND USE.

(a) The Licensor, at the sole expense of the Licensee, shall maintain the portion of the Road Crossing lying between the rails of the tracks and for one (1) foot on the outside of each rail; provided, however, that such maintenance work shall be limited to that required for the safe and efficient operation of its tracks, and such other maintenance as the Licensor has agreed to perform on specific request of the Licensee. The Licensee, at its own expense, shall maintain the remaining portion of the Road Crossing and shall keep the rail flangeways clear of obstructions.

(b) The Licensee shall, at its sole expense, maintain, repair, renew and replace any gates, cattle guards, drainage facilities, traffic signs or devices, identification signs approved by the Licensor or other appurtenances shown on Exhibit "A". The Licensee shall, at its own expense, install and thereafter maintain any such appurtenances that may subsequently be required by the Licensor, by law, or by any public authority having jurisdiction. The Licensee shall control vegetation along the right of way on each side of the crossing so that the Licensee's line of sight to approaching trains is not impaired or obstructed by vegetation. All work performed by the Licensee on the right of way shall be done to the satisfaction of the Licensor.

(c) The Licensee shall require all vehicles approaching the crossing to stop a safe distance from the tracks before crossing the tracks. The Licensee shall keep any gate affording access to the Road Crossing closed and locked at all times except during the time of actual passage through it onto or from the Road Crossing. The Licensee shall not do, suffer or permit anything which will or may obstruct, endanger or interfere with, hinder or delay the maintenance and operation of the Licensor's railroad tracks or appurtenant facilities or the facilities or equipment of others lawfully using the Licensor's property. The Licensee shall adequately supervise and police use of said Road Crossing so that no person, vehicle or livestock stops or stands on the Licensor's tracks or attempts to cross the Licensor's railroad tracks when a railroad train, engine, equipment, or car is approaching or occupying the Road Crossing.

SECTION 3. MODIFICATION OR RELOCATION OF ROAD CROSSING.

(a) Whenever the Licensor deems it necessary or desirable in the furtherance of its railroad operating requirements or for the improvement and use of its property to modify or relocate the Road Crossing:

(2) the Licensee shall, at the Licensee's sole expense, modify or move the remaining portion of the Road Crossing and the appurtenances thereto.

(b) All the terms of this agreement shall govern the continued maintenance and use of the Road Crossing as modified or relocated pursuant to this section.

SECTION 4. PROTECTION OF FIBER OPTIC CABLE SYSTEMS.

(a) Fiber optic cable systems may be buried on the Licensor's property. Licensee shall telephone the Licensor at 1-800-336-9193 (a 24-hour number) to determine if fiber optic cable is buried anywhere on the Licensor's premises to be used by the Licensee. If it is, Licensee will telephone the telecommunications company(ies) involved, arrange for a cable locator, and make arrangements for relocation or other protection of the fiber optic cable prior to beginning any work on the Licensor's premises.

(b) In addition to the liability terms elsewhere in this Agreement, the Licensee shall indemnify and hold the Licensor harmless against and from all cost, liability, and expense whatsoever (including, without limitation, attorneys' fees and court costs and expenses) arising out of or in any way contributed to by any act or omission of the Licensee, its contractor, agents and/or employees, that causes or in any way or degree contributes to (1) any damage to or destruction of any telecommunications system by the Licensee, and/or its contractor, agents and/or employees, on Licensor's property, (2) any injury to or death of any person employed by or on behalf of any telecommunications company, and/or its contractor, agents and/or employees, on Licensor's property, and/or (3) any claim or cause of action for alleged loss of profits or revenue by, or loss of service by a customer or user of, such telecommunication company(ies).

SECTION 5. INDEMNITY.

The Licensee assumes the risk of and shall indemnify and hold harmless the Licensor and other railroad companies which use the property of the Licensor, their officers, agents and employees, against and from any and all loss, damages, claims, demands, actions, causes of action, costs, attorneys' fees, fines, penalties and expenses of whatsoever nature (hereinafter "Loss") which may result from: (1) injury to or death of persons whomsoever, (including officers, agents and employees of the Licensor and of the Licensee, as well as other persons); (2) loss of or damage to property whatsoever (including damage to property of or in the custody of the Licensee and damage to the roadbed, tracks, equipment or other property of or in the custody of the Licensor and such other railroad companies, as well as other property); or (3) the Licensee's failure to comply with any federal, state or local law, regulation, or enactment; when such Loss is due to or arises in connection with or as a result of:

(a) the construction of the Road Crossing;

(b) any work done by the Licensee on or in connection with the Road Crossing;

(c) the use of said Road Crossing by the Licensee, or the officers, agents, employees, patrons or invitees of the Licensee, or by any other person;

(d) the use of said Road Crossing by the Licensee's successors or assigns or the officers, agents, employees, patrons or invitees of the Licensee's successors or assigns until the Licensee either complies with the provisions of Section 8 or terminates the agreement as provided in Section 6; or

(e) the breach of any covenant or obligation assumed by or imposed on the Licensee pursuant to this agreement, or the failure of the Licensee to promptly and fully do any act or work for which the Licensee is responsible pursuant to this agreement;

regardless of whether such Loss is caused solely or contributed to in part by the negligence of the Licensor, its officers, agents or employees.

(b) This agreement may be terminated by either party on thirty (30) days' written notice to the other party.

SECTION 7. REMOVAL OF ROAD CROSSING.

(a) Upon termination of this agreement howsoever, the Licensor shall, at the sole expense of the Licensee, remove said Road Crossing and restore the premises of the Licensor to a condition comparable to that existing immediately prior to the construction of said Road Crossing.

(b) In the event of the removal of the Road Crossing as in this section provided, the Licensor shall not be liable to the Licensee for any damage sustained by the Licensee for or on account of such removal, and such removal shall not prejudice or impair any right of action for damage, or otherwise, which the Licensor may have against the Licensee.

The Licensee shall not assign this agreement, or any interest therein to any purchaser, lessee or other holder of the property served by the crossing or to any other person, without the written consent of the Licensor. If the Licensee fails to secure the Licensor's consent to any assignment, the Licensee will continue to be responsible for obligations and liabilities assumed herein.
