

EASEMENT AMENDMENT

This Easement Amendment is executed this 1st day of August, 2005, by **Midstate Electric Cooperative, Inc.**, an Oregon cooperative corporation, the record holder of the easement on or across the real property described below.

This Easement Amendment is made to give a more specific legal description to an existing easement of record over the real property described below. It does not expand the area, but rather restricts the area of the existing easement. Likewise it does not replace the existing easement, but rather modifies the extents of the original easement, which was recorded in the records of **Klamath County**, State of Oregon, on **May 22nd, 1967**, in Volume No. **M-67**, at Page **3804**, and refers to property that is located in:

Portion: Section 7 and Section 18, Township 24 South, Range 07 East, WM

Tax Maps: 24 07 07C, 24 07 07D & 24 07 18A

The description of the extents of the original easement following the phrase "...more particularly described as follows:" is hereby amended to read:

Brewers Ranchos the SE 1/4 of the SW 1/4 and the SW 1/4 of the SE 1/4 of Sec 7 and the NW 1/4 of the NE 1/4 of Section 18, all in T 24 S, R 7 E, W.M. in Klamath County, **EXCEPTING** there from, the following described parcel:

Beginning at a 2-inch iron pipe with a 2-1/2" diameter brass cap stamped "T.E.C. S1/16 C-C S7 1971" marking the Center-South one-sixteenth corner of Section 7; thence South 89°51'23" East along the 1/16 line 1329.87 feet to a 2" iron pipe with a 2-1/2" diameter brass cap stamped "T.E.C. SE1/16 S7 1971"; thence South 01°14'00" West 1315.61 feet along the one-sixteenth line to a 2" iron pipe with a 2-1/2" diameter brass cap stamped "T.E.C. E1/16 S7/S18 1971"; thence continuing along the one-sixteenth line South 01°03'02" West 1070.58 feet to a point on the Northerly right-of-way line of Highway 58, said point marked by a 5/8"x30" rebar with a yellow plastic cap stamped "TYE ENGINEERING", a point witnessed by a found 5/8" rebar with a 1-1/2" aluminum cap stamped "PLS290 1/16 COR" which bears South 01°03'02" West 243.44 feet, said point also being the beginning of a non-tangent 5690.00 foot radius curve to the right (the radius point of which bears North 41°32'09" East); thence Northwesterly along said curve 2687.34 feet, subtended by a chord which bears North 34°35'22" West 2662.43 feet to a 5/8"x 30" rebar with a yellow plastic cap stamped "TYE ENGINEERING"; thence leaving said right-of-way line South 89°48'27" East 227.06 feet to a point on the one-sixteenth line, said point marked by a 5/8"x30" rebar with a yellow plastic cap stamped "TYE ENGINEERING"; thence North 00°42'44 East along the one-sixteenth line 198.00 feet to the Point of the Beginning.

The remaining portions of the original document remain in full effect.
