7.3 Right to Contest. Trustor shall have the right before any delinquency occurs to contest or object to the amount or validity of any Imposition by appropriate legal proceedings, but such contest shall not be deemed or construed in any way as relieving, modifying or extending Trustor's covenant to pay any such Imposition at the time and in the manner provided in Section of this Trust Deed unless Trustor has given prior written notice to Beneficiary of Trustor's intent to so contest or object to an Imposition, and unless, at Beneficiary's option, (a) Trustor shall demonstrate to Beneficiary's satisfaction that the legal proceedings shall conclusively operate to prevent the sale of the Trust Estate, or any part thereof, to satisfy such Imposition prior to final determination of such proceedings; or (b) Trustor shall furnish a good and sufficient undertaking and sureties as may be required or permitted by law to accomplish a stay of such proceedings.

Should Beneficiary elect to appear in or defend any such action or proceeding, Trustor shall pay all costs and expenses, including costs of evidence of title and reasonable attorney's fees and costs, incurred by Beneficiary or Trustee. Trustor shall, at its cost, do, execute, acknowledge, and deliver all further deeds, conveyances, trust deeds, assignments, notices of assignments, security agreements, financing statements, transfers, acts and assurances as Beneficiary shall from time to time require, for the better perfecting, continuing, assuring, granting, conveying, assigning, transferring, and confirming unto Trustee and Beneficiary the Trust Estate, and all rights hereby granted, conveyed or assigned or intended now or hereafter so to be, or which Trustor may be or may hereafter become bound to grant, convey or assign to Trustee or Beneficiary, or for carrying out the intention or facilitating the performance of the terms of the Note or the other Loan Documents.

8.3 Reserves for Taxes and Insurance. In furtherance of the provisions of this Trust Deed and anything to the contrary herein notwithstanding, if any Event of Default shall occur and be continuing, and at Beneficiary's written request, Trustor shall deposit with Beneficiary in a non-interest bearing account, on the first day of each month, until the Note is paid in full, an amount equal to one-twelfth of the annual Impositions, as defined in this Trust Deed, as reasonably estimated by Beneficiary to pay the installment of Impositions next due on the Trust Estate, and one-twelfth of the estimated annual aggregate insurance premiums on all policies of insurance required in this Trust Deed. In such event, Trustor shall cause all bills, statements or other documents relating to the Impositions and insurance premiums to be sent to Beneficiary. Providing Trustor has deposited sufficient funds with Beneficiary pursuant to this Section Beneficiary shall pay such amounts as may be due thereunder out of the funds so deposited with Beneficiary. If at any time and for any reason the funds deposited with Beneficiary are or will be

insufficient to pay such amounts as may then or subsequently be due, Beneficiary shall notify Trustor and Trustor shall immediately deposit an amount equal to such deficiency with Beneficiary. Nothing contained herein shall cause Beneficiary to be deemed a trustee of such funds deposited with Beneficiary pursuant to this Section. Beneficiary shall not be obligated to pay any interest on any sums held by Beneficiary pending disbursement or application hereunder, and Beneficiary may impound or reserve for future payment of Impositions and insurance premiums such portion of such payments as Beneficiary may, in Beneficiary's absolute discretion, deem proper, applying the balance on the principal of or interest on the Obligations secured hereby. Should Trustor fail to deposit with Beneficiary (exclusive of that portion of the payments which has been applied by Beneficiary on the principal of or interest on the Note) sums sufficient to fully pay such Impositions and insurance premiums at least thirty days before delinquency thereof, Beneficiary, at Beneficiary's election, but without any obligation to do so, may advance any amounts required to make up the deficiency, which advances, if any, shall be secured by this Trust Deed and shall bear interest and be repayable to Beneficiary in the manner specified in this Trust Deed.

8.4 Performance in Trustor's Stead. Should Trustor fail to make any payment or to do any act as provided in this Trust Deed, then Beneficiary or Trustee, but without any obligation to do so, and after written notice to Trustor but without releasing Trustor from any obligation hereof, may: (a) make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof (Beneficiary or Trustee being authorized to enter upon the Trust Estate for such purposes); (b) commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; or (c) pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be superior to the lien of this Trust Deed; and in exercising any such powers, incur any liability, or expend such reasonable amounts as Beneficiary may deem necessary therefor, including costs of evidence of title, employment of attorneys, and payment of reasonable attorney's fees and costs. All such amounts expended by either or both Trustee or Beneficiary shall, at the election of Beneficiary, be added to the principal indebtedness secured by this Trust Deed and shall accrue interest in accordance with the terms of the Note. Trustor hereby waives and releases all claims or causes of action which may hereafter arise in favor of Trustor against Beneficiary by reason of any action taken by Beneficiary pursuant to any power or authority granted in this Section except for Beneficiary's gross negligence or willful misconduct.

8.5 Repayment of Advances. Trustor shall immediately repay to Beneficiary sums, with interest thereon as provided in the Note, which at any time may be paid or advanced by Beneficiary for the payment of insurance premiums, Impositions, title searches, title reports or abstracts, and any other advances made by Beneficiary which are reasonably necessary or desirable to maintain this Trust Deed as a prior, valid, and subsisting lien upon the Trust Estate, to preserve and protect Beneficiary's interest in this Trust Deed or to preserve, repair, or maintain the Trust Estate. All such advances shall be wholly optional on the part of Beneficiary, and Trustor's obligation to repay the same, with interest, to Beneficiary shall be secured by the lien of this Trust Deed.

8.6 No Removal of Fixtures. Trustor shall not, during the existence of this Trust Deed and without the written consent of Beneficiary, remove from the Real Property or the Improvements, any fixture, structure, or other improvement at any time affixed or constructively affixed to the Real Property or the Improvements or any portion thereof, or any Personalty, except in the ordinary course of Trustor's business.

8.7 Further Assurance. Trustor authorizes Beneficiary to file or record, as appropriate, such further instruments, including without limitation Uniform Commercial Code Financing Statements and Continuation Statements, and do such further acts as may be necessary or as may be reasonably required by Beneficiary to carry out more effectively the purposes of this Trust Deed and to subject to the lien, security interest and mortgage created or intended to be created hereby any property, rights, or interests covered or intended to be covered by this Trust Deed. Trustor authorizes (to the extent such authorization is valid under applicable law) Beneficiary to file such Uniform Commercial Code Financing Statements and Continuation Statements as Beneficiary may deem necessary in order to perfect, or continue the perfection of, the security interests created by this Trust Deed. Trustor agrees not to change Trustor's name, location or state of organization from that set forth in this Trust Deed without 30 days prior written notice to Beneficiary.

8.8 Attornment. Trustor shall assign to Beneficiary, as additional security for Trustor's performance of the Obligations, any and all existing or future lease agreements entered into by Trustor, as landlord, which pertain to the Property or the Improvements, or any portion thereof, and all such leases shall contain a covenant on the part of the tenant thereunder, enforceable by Beneficiary, obligating such tenant, upon request of Beneficiary, to attorn to and become a tenant of Beneficiary, or any purchaser from Trustee or through foreclosure of this Trust Deed, for the unexpired term, and subject to the terms and conditions, of such future lease agreements. The assignments of lease shall be in form and content satisfactory to Beneficiary.

8.9 No Further Encumbrances. As an express condition of Beneficiary making the loan secured by this Trust Deed, Trustor shall not further encumber, pledge, mortgage, hypothecate, place any lien, charge or claim upon, or otherwise (other than the Permitted Exceptions) give as security the Trust Estate or any interest therein nor cause or allow by operation of law the encumbrance of the Trust Estate or any interest therein without the written consent of Beneficiary even though such encumbrance may be junior to the encumbrance created by this Trust Deed. Encumbrance of the Trust Estate contrary to the provisions of this Section without the express written consent of Beneficiary, shall constitute an Event of Default and at Beneficiary's option, Beneficiary may declare the entire balance of principal and interest immediately due and payable, whether the same be created by Trustor or an unaffiliated third party asserting a judgment lien, mechanic's or materialmen's lien or any other type of encumbrance or title defect.

8.10 Due on Sale. Other than (a) a transfer by devise, descent or by operation of law upon the death of a joint tenant; (b) a transfer of Personalty in the ordinary course of Trustor's business; or (c) the grant of any leasehold interest of three years or less not containing an option

to purchase, Trustor shall not sell, convey or otherwise transfer the Trust Estate or any part thereof or interest therein, without the prior written consent of Beneficiary. If the Trust Estate, or any part thereof, or any interest therein, is sold, conveyed or otherwise transferred without the prior written consent of Beneficiary, or if Trustor be divested of title to the Trust Estate, or any part thereof or interest therein, in any manner, whether voluntarily or involuntarily, then the full principal indebtedness of the Note and the other Obligations, at the option of Beneficiary and without demand or notice, shall immediately become due and payable. It is expressly acknowledged and agreed that any transfer of more than 10% of the capital stock, partnership or member interests of Trustor, as the case may be, shall constitute a transfer of the entire Trust Estate within the meaning of this Section.

8.11 Evidence of Title. Trustor shall deliver to, pay for and maintain with Beneficiary until the indebtedness secured hereby is paid in full, such evidence of title as Beneficiary may require, including abstracts of title or policies of title insurance and any extensions or renewals thereof or supplements or endorsements thereto.

8.12 Additional Collateral. If, at any time, the value of all of the Trust Estate, based on an appraisal acceptable to Beneficiary, is not sufficient to establish a ratio between the total amount of the Obligations then due and owing and the value of all of the Trust Estate equal to or less than 100%, Trustor shall provide Beneficiary with such additional collateral as is necessary so that the total value of all collateral securing Trustor's performance of the Obligations is sufficient to establish a ratio between the total amount of the Obligations then due and owing and the value of all such collateral of no more than 100%.

8.13 Compliance With Laws. Trustor shall comply with all laws, ordinances, regulations, easement agreements, covenants, conditions, and restrictions (including laws relating to hazardous wastes and/or protection of the environment, or species of plants or animals protected by federal, state, local or other law) affecting the Trust Estate. Trustor shall not cause, permit nor suffer any violation of any of the foregoing and shall pay all response costs, fees, or charges of any kind in connection therewith and defend, indemnify, and hold harmless Beneficiary with respect thereto.

8.14 Financial Statements. Trustor shall keep adequate books and records of account of the Trust Estate and its own financial affairs sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles. Beneficiary shall have the right to examine, copy and audit Trustor's records and books of account at all reasonable times. Trustor shall furnish to Beneficiary copies of its financial statements and other financial information satisfactory to Beneficiary at the time and in the manner provided in the Loan Agreement.

8.15 Inspections. Beneficiary, and its agents, representatives and employees, are authorized, but not obligated, to enter at any reasonable time upon the Real Property for the purpose of inspecting the same, and for the purpose of performing any of the acts it or Trustor is authorized to perform under the terms of this Trust Deed or any other Loan Document.

8.16 No Merger. If the Trust Estate is under any lease or any portion thereof which constitutes a part of the Trust Estate shall at any time become vested in one owner, this Trust Deed and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger and, in such event, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Trust Deed on the Trust Estate pursuant to the provisions of this Trust Deed, any leases or subleases then existing and created by Trustor shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at any such foreclosure sale shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant.

### CONDEMNATION AWARDS

If the Trust Estate or any portion thereof should be taken or damaged by reason of any public improvement or condemnation proceeding, Beneficiary shall be entitled to all compensation, awards, and other payments or relief therefor, and shall be entitled at Beneficiary's option to commence, appear in, and prosecute in Beneficiary's own name any action or proceeding, and to make any compromise or settlement, in connection with such taking. Trustor shall promptly give notice to Beneficiary of any condemnation proceeding or any taking for public improvement. All such compensation, awards, damages, causes of action, proceeds, or other payments are hereby assigned to Beneficiary, which may, after deducting therefrom all costs and expenses (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorney fees, incurred by Beneficiary in connection with such compensation, awards, damages, rights of action, proceeds, or other payments, release any and all moneys so received by Beneficiary or apply the same, or any portion thereof, on any of the Obligations (whether or not then due) secured by this Trust Deed. Beneficiary shall have no obligation to apply proceeds of condemnation to restore or repair damage to the Trust Estate regardless of whether such taking has a significant adverse impact on the operation of the remaining portion of the Trust Estate. Trustor shall execute and deliver to Beneficiary such further assignments of such compensation, awards, damages, causes of action, proceeds, or other payments as Beneficiary may from time to time require.

### ASSIGNMENT OF LEASES, RENTS AND INCOME

10.1 Assignment. Trustor hereby absolutely assigns to Trustee all right, title and interest of Trustor in and to all leases now existing or hereafter entered into by Trustor and demising the whole or any part of the Trust Estate, and does hereby further assign any and all rents, subrents, storage unit rents and other amounts received for the use of any storage units in

the Trust Estate, including the Improvements, and any and all storage unit rental agreements and arrangements now owned or hereafter acquired, and all proceeds from such rents, covering the Trust Estate or any portion thereof; now or hereafter existing or entered into, together with issues, royalties, income, profits and security deposits of and from the Trust Estate. Until the occurrence of an Event of Default, Trustor may, under a temporary revocable license granted hereby, collect and use all such rents, subrents, storage unit rents, issues, royalties, income, and profits which become payable prior to default. Upon the occurrence of an Event of Default, Trustor's license to collect and use any of such proceeds shall immediately cease without further action by or on behalf of any party, and Beneficiary shall have the right, with or without taking possession of the Trust Estate, and either in person, by agent, or through a court-appointed receiver (Trustor hereby consents to the appointment of Beneficiary or Beneficiary's designee as such receiver), to sue for or otherwise collect all such rents, subrents, storage unit rents, issues, royalties, income, and profits, including those past due and unpaid. Any sums so collected, after the deduction of all costs and expenses of operation and collection (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorney's fees, shall be applied toward the payment of the Obligations. Such right of collection and use of such proceeds by Beneficiary shall obtain both before and after the exercise of the power of sale provisions of this Trust Deed, the foreclosure of this Trust Deed and throughout any period of redemption. The rights granted under this Section shall in no way be dependent upon and shall apply without regard to whether all or a portion of the Trust Estate is in danger of being lost, removed, or materially injured, or whether the Trust Estate or any other security is adequate to discharge the obligations secured by this Trust Deed. Beneficiary's failure or discontinuance at any time to collect any of such proceeds shall not in any manner affect the right, power, and authority of Beneficiary thereafter to collect the same. Neither any provision contained herein, nor the Beneficiary's exercise of Beneficiary's right to collect such proceeds, shall be, or be construed to be, an affirmation by Beneficiary of any tenancy, lease, sublease, option, or other interest in the Trust Estate, or an assumption of liability under, or a subordination of the lien or charge of this Trust Deed to, any tenancy, lease, sublease, option, or other interest in the Trust Estate. All tenants, lessees, sublessees and other persons which have any obligation to make any payment to Trustor in connection with the Trust Estate or any portion thereof are hereby authorized and directed to pay the rents, subrents, storage unit rents, issues, royalties, income, and profits payable by them with respect to the Trust Estate, or any part thereof, directly to Beneficiary on the demand of Beneficiary. Beneficiary's receipt of such rents, subrents, storage unit rents, issues, royalties, income, and profits shall be a good and sufficient discharge of the obligation of the tenant, lessee, sublessee, or other person concerned to make the payment connected with the amount so received by the Trustee.

If and when an Event of Default is cured by Trustor, the license shall be reinstated on the date such cure occurs.

**10.2 Application of Payments.** If at any time during the term of this Trust Deed Beneficiary receives or obtains a payment, installment, or sum which is less than the entire amount then due under the Note secured by this Trust Deed and under all other instruments further evidencing or securing the Obligations, then Beneficiary shall, except as provided

otherwise in the Note and notwithstanding any instructions which may be given by Trustor, have the right to apply such payment, installment, or sum, or any part thereof, to such of the items or obligations then due from Trustor or to Beneficiary as Beneficiary may in Beneficiary's sole discretion determine.

10.3 No Waiver of Rights by Collection of Proceeds. The entering upon and taking possession of the Trust Estate or any portion of the Trust Estate or the collection of rents, subrents, storage unit rents, issues, royalties, income, profits, proceeds of fire and other insurance policies, or compensation or awards for any taking or damaging of the Trust Estate, or the application or release thereof as aforesaid, shall not cure or waive any Event of Default or notice of default hereunder, shall not invalidate any act done pursuant to such notice of default, and shall not operate to postpone or suspend the obligation to make, or have the effect of altering the size of, any scheduled installments provided for in any of the Obligations secured by this Trust Deed.

10.4 Indemnification. Trustor shall indemnify, pay, protect, defend and hold Beneficiary harmless from and against all claims, demands, judgments, liabilities, actions, costs, and fees (including reasonable attorney's fees) arising from or related to receipt by Beneficiary of the rents, subrents, storage unit rents, issues, royalties, income and profit from the Trust Estate or any portion of the Trust Estate, except those liabilities arising from Beneficiary's own gross negligence and willful misconduct.

## ARTICLE XI

### EVENTS OF DEFAULT AND REMEDIES

11.1 Event of Default. Fifteen days after written notice from Beneficiary to Trustor for monetary defaults and 30 days after written notice from Beneficiary to Trustor for non-monetary defaults, if such defaults are not cured within such 15 day period or if Trustor does not cure a non-monetary default with the 30 day period (or, if such non-monetary default is not capable of being cured within thirty (30) days in a commercially reasonable manner, if Trustor has not commenced to cure such default and thereafter diligently prosecutes such cure to completion no later than 90 days after the occurrence of such non-monetary default), respectively, each of the following shall constitute an event of default ("*Event of Default*") under this Trust Deed:

(a) Failure to Make Payment. If Trustor shall fail to make any payment due and payable under the terms of the Note, this Trust Deed, or any other Loan Document.

(b) Non-Monetary Default. Except as provided otherwise in this Trust Deed, Trustor's failure to observe and perform any of the terms, covenants, or conditions to be observed or performed in the Note, this Trust Deed or any other Loan Document.

(c) Loan Agreement. Any Event of Default occurs under the Loan Agreement.

(d) False Warranty. Any material representation or warranty of Trustor contained in the Note, this Trust Deed or any other Loan Document was untrue when made.

(e) Insolvency, Etc. If (a) Trustor commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of Trustor or Trustor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for Trustor or for all or any substantial part of Trustor's property; (b) any guarantor of the Note commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of such guarantor or such guarantor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for such guarantor or for any substantial part of such guarantor's property; or (c) any such case, proceeding, or other action is commenced against either Trustor or any guarantor of the Note.

(f) Failure to Pay Debts. Trustor fails to pay Trustor's debts as they become due, admits in writing Trustor's inability to pay Trustor's debts, or makes a general assignment for the benefit of creditors.

(g) Failure to Perform Other Obligations. A default by Trustor under the terms of any other promissory note, deed of trust, security agreement, undertaking or arrangement between Trustor and Beneficiary now existing or entered into hereafter.

(h) Cross Default. A default by Trustor under any other agreement or arrangement between the parties to the Note now existing or entered into hereafter.

11.2 Acceleration; Notice. Time is of the essence hereof. Upon the occurrence of any Event of Default under this Trust Deed, at Beneficiary's option and in addition to any other remedy Beneficiary may have under the Note, Beneficiary may declare all sums secured hereby immediately due and payable and elect to have the Trust Estate sold in the manner provided herein, but in all cases, consistent with the Oregon Trust Deed Act, currently ORS 86.705-86.795, which governs the foreclosure of this Trust Deed by advertisement and sale. In the event Beneficiary elects to sell the Trust Estate, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause the Trust Estate to be sold to satisfy the obligations hereof, and Trustee shall file such notice for record in the office of the County Recorder of the County wherein the Trust Estate is located. Beneficiary shall also deposit with Trustee the Note and all documents evidencing expenditures secured by this Trust Deed.

11.3 Exercise of Power of Sale. After the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Trust Estate on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels, and in such order as Beneficiary may determine (but subject to any statutory right of Trustor to direct the order in which such property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price

payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause deemed expedient and in accordance with applicable law, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; provided, if the sale is postponed for longer than 72 hours beyond the day designated in the notice of sale, notice of the time, date and place of sale shall be given in the same manner as the original notice of sale. Trustee shall execute and deliver to the purchaser a Trustee's Deed conveying the Property so sold, but without any covenant of warranty, express or implied. The recitals in the Trustee's Deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of (a) the costs and expenses of exercising the power of sale and of the sale, including the payment of Trustee's and attorney's fees and costs; (b) cost of any evidence of title procured in connection with such sale; (c) all sums expended under the terms hereof in conjunction with any default provision hereunder, not then repaid, with accrued interest at the rate then provided for in the Note; (d) all sums then secured by this Trust Deed, including interest and principal on the Note; and (e) the remainder, if any, to the person or persons legally entitled thereto, or Trustee, in Trustee's discretion, may deposit the balance of such proceeds with the County Clerk of the County wherein the Trust Estate is located.

11.4 Surrender of Possession. Trustor shall surrender possession of the Trust Estate to the purchaser immediately after the sale of the Trust Estate as provided in this Trust Deed, in the event such possession has not previously been surrendered by Trustor.

11.5 UCC Remedies. Notwithstanding anything to the contrary in Sections and of this Trust Deed, Beneficiary, with regard to all Personalty, including fixtures, chattels, equipment, inventory, and personal property, conveyed to Trustee under this Trust Deed, shall have the right to exercise, from time to time, any and all rights and remedies available to Beneficiary, as a secured party under the Oregon Uniform Commercial Code, and any and all rights and remedies available to Beneficiary under any other applicable law. Upon written demand from Beneficiary, Trustor shall, at Trustor's expense, assemble such fixtures, chattels, equipment, inventory, and personal property and make them available to Beneficiary at a reasonably convenient place designated by Beneficiary. Beneficiary shall have the right to enter upon any premises where the Personalty or records pertaining to the Personalty may be and take possession of the Personalty and records relating to the Personalty. Beneficiary may sell, lease or otherwise dispose of any or all of the Personalty and, after deducting the reasonable costs and out-of-pocket expenses incurred by Beneficiary, including, without limitation, (a) reasonable attorney's fees and legal expenses, (b) transportation and storage costs, (c) advertising of sale of the Personalty, (d) sale commissions, (e) sales tax, (f) costs for improving or repairing the Personalty, and (g) costs for preservation and protection of the Personalty, apply the remainder to pay, or to hold as a reserve against, the Obligations.

11.6 Foreclosure as a Mortgage. If an Event of Default occurs hereunder, Beneficiary shall have the option to foreclose this Trust Deed in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such

proceedings all costs and expenses incident thereto, including reasonable attorney's fees and costs in such amounts as shall be fixed by the court.

11.7 Receiver. If an Event of Default occurs, Beneficiary, as a matter of right and without regard to the interest of Trustor therein, shall have the right upon notice to Trustor to apply to any court having jurisdiction to appoint a receiver or receivers of the Trust Estate and Trustor hereby irrevocably consents to such appointment. Any such receiver or receivers shall have all the usual powers and duties of a receiver and shall continue as such and exercise all such powers until completion of the sale of the Trust Estate or the foreclosure proceeding, unless the receivership is sooner terminated.

11.8 No Remedy Exclusive. No remedy conferred upon or reserved to Beneficiary under this Trust Deed shall be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Trust Deed or any other Loan Document, or now or hereafter existing at law or in equity or by statute.

11.9 Rights upon Default. In making the Loan, Beneficiary has relied upon the rights available to Beneficiary under this Trust Deed upon the occurrence of an Event of Default, including, but not limited to, the rights to accelerate the payment of any and all amounts secured by this Trust Deed, to sell the Property encumbered by this Trust Deed pursuant to the power of sale granted hereunder, the right to foreclose this Trust Deed as a mortgage, and the right to have a receiver appointed.

12.7 Binding Effect. This Trust Deed shall be binding upon Trustor and Trustor's successors and assigns. This Trust Deed shall inure to the benefit of Beneficiary, and Beneficiary's successors and assigns, and the holders of any of the Obligations secured hereby.

12.8 Waivers. Any waiver by Beneficiary of any Event of Default under this Trust Deed shall not waive or affect any other Event of Default hereunder, whether such Event of Default is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, or covenants of Trustor under this Trust Deed, shall be deemed to have been waived by Beneficiary, unless such waiver is evidenced by an instrument in writing signed by an officer of Beneficiary and directed to Trustor specifying such waiver.

12.9 Successor Trustee. From the time the substitution is filed for record, the new Trustee shall succeed to all the powers, duties, authority and title of Trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made in the manner provided by law.

12.10 Acceptance of Trust. Trustee accepts this Trust when this Trust Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of any pending sale under any other deed of trust or any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

12.11 Attorney's Fees and Expenses. Except as expressly provided otherwise herein or by law, the parties shall each pay their own attorneys fees and costs incurred in connection with this transaction. With respect to any dispute relating to this Trust Deed, or in the event that a suit, action, arbitration, or other proceeding of any nature whatsoever, including (without limitation), any proceeding under the U.S. Bankruptcy Code and involving issues peculiar to federal bankruptcy law or any action seeking a declaration of rights or an action for rescission, is instituted to interpret or enforce this Trust Deed or any provision of this Trust Deed, the prevailing party shall be entitled to recover from the losing party its reasonable attorney's, paralegal's, accountant's and other expert's and professional fees and all other fees, costs and expenses actually incurred and reasonably necessary in connection therewith including (without limitation) deposition and expert fees and costs incurred in creating exhibits and reports, as determined by the judge or arbitrator at trial or other proceeding, or on any appeal or review, in addition to all other amounts provided by law. As used in this Trust Deed, the "prevailing party" shall be that parties in whose favor the balance of the issues were decided. In making the determination of who is the prevailing party, the parties agree that an award of money damages shall be one factor in the judge's, arbitrator's or other authority's decision but shall not be the only factor. Other factors for the judge, arbitrator or other authority to consider shall include, but not be limited to, the number, size and importance of claims asserted by the party in whose favor a monetary award was made but on which the party did not prevail, the size of any monetary

award in relation to the amount requested and the resolution of non monetary issues. For purposes of this Trust Deed, the term attorney fees includes all charges of the prevailing party's attorneys and their staff (including without limitation legal assistants, paralegals, word processing, and other support personnel) and any postpetition fees in a bankruptcy court. For purposes of this Trust Deed, the term fees and expenses includes but is not limited to long-distance telephone charges; expenses of facsimile transmission; expenses for postage (including costs of registered or certified mail and return receipts), express mail, or parcel delivery; mileage and all deposition charges, including but not limited to court reporters' charges, appearance fees, and all costs of transcription; and costs incurred in searching records. 12.12 Request for Notice. Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address for Trustor specified in Section of this Trust Deed.

12.13 Limitation on Damages. Beneficiary and its officers, directors, employees, representatives, agents, and attorneys, shall not be liable to Trustor or any Guarantor for consequential, special, or other non-compensatory damages arising from or relating to any breach of contract, tort, or other wrong in connection with or relating to this Trust Deed or the Trust Estate regardless of whether Beneficiary may have been advised of the possibility of such damages.

12.14 Preferential Transfers.
