CERTIFICATION OF TRUST

**This Certification of Trust is executed pursuant to the provisions
of §§68-114 through 68-119, *Idaho Code***

State of Idaho)
) ss.
County of Ada)

DANA S. SCHABLE and LYNN L. SCHABLE, being first duly sworn, hereby certify and declare as follows:

- (1) DANA S. SCHABLE and LYNN L. SCHABLE, husband and wife, have established a revocable inter-vivos trust (commonly referred to as a “living trust”) named THE SCHABLE FAMILY TRUST, pursuant to a Declaration of Trust and Trust Agreement dated on the 24th day of January, 2002 (hereafter referred to as the “Trust Agreement”). The trust was established under the laws of the State of Idaho.
- (2) The currently acting Co-Trustees of said trust are DANA S. SCHABLE and LYNN L. SCHABLE.
- (3) The Trust Agreement provides that upon the resignation, death, or incapacity of either Co-Trustee, the remaining Co-Trustee continues to serve as sole Trustee. In the event of the resignation, death, or incapacity of both of the original Co-Trustees, the Successor Trustee automatically succeeds to the office of Trustee. The name of the Successor Trustee is HEATHER L. DeBORDE, and if such person shall at any time be unable or unwilling to act in such capacity the Alternate Successor Co-Trustees are AMY L. WEATHERMON and STEVEN D. SCHABLE.
- (4) The trust is a revocable trust and during Grantors’ joint lifetimes either of the Grantors, acting alone, may revoke the trust. After the death of either Grantor, the surviving Grantor may revoke the trust. No other party holds the power to revoke the trust.
- (5) During Grantors’ joint lifetimes THE SCHABLE FAMILY TRUST is a “Grantor Trust” within the meaning of such term as used in the Internal Revenue Code, and all items of income and loss will be reported for tax purposes under the personal social security numbers of the Grantors. During such periods of time, no separate employer identification number is required for the trust. Accordingly, during Grantors’ joint lifetimes the identifying numbers for the Trust are Grantors’ social security numbers, and after the death of either Grantor the identifying number for the Trust is the social security number of the surviving Grantor. The social security numbers will be provided upon request to any party transacting business with the Trust who is lawfully entitled thereto.

- (6) The manner in which title to trust assets should be taken during Grantors' joint lifetimes is as follows:

DANA S. SCHABLE and LYNN L. SCHABLE, as Co-Trustees of THE SCHABLE FAMILY TRUST.

- (7) The following is a true and correct copy of the provisions of Paragraph 6.1 of Article 6 of the Trust Agreement:

ARTICLE 6

PROVISIONS RELATING TO TRUSTEE AND SUCCESSOR TRUSTEE

* * * * *

"6.1 **Powers of Trustee.** In addition to, and not in limitation of, any powers conferred upon all trustees by any applicable statute or general rules of law, Trustee shall have all of the powers, and is expressly authorized in Trustee's sole and absolute discretion to do and perform all of the acts and things, that are more fully detailed and set forth upon the attachment to this Trust Agreement captioned "POWERS OF TRUSTEE", the provisions of which are by this reference incorporated herein and made a part hereof. Whenever the office of Trustee is held by Co-Trustees, the Co-Trustees may exercise such power and authority in the manner described in Paragraphs 24 and 25 of the said "POWERS OF TRUSTEE". Pursuant to the provisions of said Paragraph 24, the original Co-Trustees hereby jointly delegate to each Co-Trustee who is also one of the Grantors of this trust, the power and authority to take the following actions without the necessity for the co-signature of any other Co-Trustee:

(A) To make deposits and withdrawals with respect to all funds of the trust estate held in any form of account by any bank, savings and loan, credit union, or other financial institution; to have access to any safe deposit box held by the trust estate at any such financial institution; and

(B) To provide instructions to any securities broker or issuer concerning the purchase, sale, or transfer of securities, or the withdrawal or transfer of cash accounts, or to conduct any other transaction involving any brokerage account maintained by this trust or its Co-Trustees with a securities broker.

The delegation of power and authority herein contained may be terminated with respect to any financial institution or securities broker by written notice signed by any Co-Trustee and delivered in person or by certified mail to such financial institution or securities broker, but until and unless such notice of termination is so given all actions taken, and all documents signed, by a Co-Trustee pursuant to the foregoing delegation of power and authority shall be binding upon this trust, the trust estate of the trust, all Co-Trustees of the trust, and all present and future beneficiaries of the trust, with the same force and effect as if all Co-Trustees had joined in taking such action or signing such documents."

- (8) The following is a true and correct copy of the "POWERS OF TRUSTEE" attached to, and incorporated by reference in, the Trust Agreement pursuant to the provisions of said Paragraph 6.1 of Article 6:

* * * * *

POWERS OF TRUSTEE

* * * * *

The term "Grantor" as used herein shall be construed to include "Grantors" if there are two or more Grantors.

1. **Retention of Existing Investments.** To retain and hold in or as a part of the trust estate any investment or other property acquired from Grantor or Grantor's estate, with full power, nevertheless, to change and vary the form of any investment from time to time as the Trustee shall deem best.

2. **Operation of Business.** To retain, continue and operate any farm, ranch, or other business or business interest acquired from Grantor or Grantor's estate, and to do all things deemed advisable in connection therewith, including the power to incorporate or otherwise change the form of the business and to put additional capital into it, as Trustee may deem best.

3. **Management and Operation of Real Estate.** To manage, operate, repair and improve, and to rent or lease, regardless of the length of the term, any real estate forming a part of the trust estate. Trustee shall have the power to do all things necessary or advisable in connection with the management and operation of any farm or ranch properties, and any natural resource properties.

4. **Investments.** To open and maintain accounts with stock brokerage firms, and to execute all documents necessary for the opening and maintenance thereof, and on behalf of the Trust to invest the trust estate in, and to buy, sell, and trade:

Stocks, bonds, notes, options (including puts and calls, and whether or not covered by like securities held in the brokerage account), and other securities of any nature (including short sales, and sales on margin), and for such purposes Trustee may maintain and operate margin accounts with brokers, and may borrow money from any brokerage firm and pledge any securities held or purchased by Trustee to such brokers as security for loans and advances made to the Trustee; and

Any other real or personal property, including (but not limited to) precious metals or stones, commodities and commodity interests, interests in oil, gas, and mineral wells, mines, and leases, shares or interests in investment trusts and common trust funds, leaseholds or undivided fractional interests in real estate, and interests in general or limited partnerships;

as Trustee may deem advisable, even though such investments may not be of the character generally deemed permissible for investments by fiduciaries. Investments need not be diversified and may be made or retained with a view to possible increase in value. Trustee may at any time hold cash or readily marketable securities of low yield for such period as Trustee may deem advisable.

a. The Trustee is authorized to delegate all or any portion of the investment powers set forth in this Paragraph to a Deputy Trustee, pursuant to the authority granted in Paragraph 23 of these "Powers of Trustee". A Deputy Trustee to whom such investment powers have been delegated shall have the status of a Trust Advisor if such office is authorized under the laws of the jurisdiction under whose laws this Trust is created or under the laws of the jurisdiction in which the delegated powers are exercised; otherwise, a Deputy Trustee to whom such investment powers have been delegated shall have the status of an agent of the Trust as set forth in Paragraph 23 below.

b. The Trustee is authorized to appoint one or more investment managers to manage all or any part of the assets of the Trust, and to pay reasonable compensation to any such investment

manager. Trustee may delegate to an investment manager the power to acquire and dispose of assets, and investment discretion.

5. **Exercise of Conversion Rights.** To exercise any rights and privileges to convert investments or other property into other investments or other property and to subscribe for additional securities, and to hold any assets so acquired as investments of the trust estate.

6. **Voting of Securities.** To vote in person or by proxy on any stocks or other securities held by Trustee.

7. **Registration of Securities or Property.** To cause to be registered in Trustee's name, individually or as Trustee, or in the name of a nominee, any securities or other property from time to time held by Trustee, or to take and keep them unregistered, and to retain them or any part thereof in such condition that they will pass by delivery.

8. **Corporate Transactions.** To join in, or to dissent from and to oppose, the reorganization, recapitalization, consolidation, sale or merger of corporations or properties in which Trustee may be interested as Trustee upon such terms and conditions as Trustee may deem wise, and to accept any securities which may be issued upon any such reorganization, recapitalization, consolidation, sale or merger, and thereafter to hold the same.

9. **Purchase, Sale and Disposition of Property.** To purchase, sell, exchange, convey or dispose of, or to acquire or grant options with respect to, any property, real or personal, and any purchase or sale may be made by private contract or by public auction, and for cash or upon credit, or partly for cash and partly upon credit, as Trustee may deem best, and no person dealing with Trustee shall be bound to see to the application of any monies paid.

10. **Right to Borrow and Provide Security.** To borrow money from any financial institution or source of financing deemed appropriate by Trustee, for any purpose connected with the protection, preservation or improvement of the trust estate, whenever in Trustee's judgment advisable, and as security therefor to encumber or pledge any property forming a part of the trust estate upon such terms and conditions as Trustee may deem advisable. Trustee shall have the power to expend funds of the trust estate for the purpose of repayment of indebtedness secured by encumbrance or pledge of property forming a part of the trust estate. Trustee may pledge or encumber assets of the trust estate to collateralize the loans or other obligations of any Grantor or other beneficiary hereunder and may act as a co-borrower or guarantor with respect to loans and obligations of Grantor or any other beneficiary hereunder.

11. **Right to Make Conveyances and Encumbrances.** To make, execute, acknowledge and deliver any and all deeds, leases, and assignments and other legal instruments necessary or proper to carry out the provisions of this Agreement; and to pledge, mortgage and encumber any and all assets of the trust estate for any purpose, at any time, from time to time, on any terms and in any manner as the Trustee may, in Trustee's sole discretion, deem advisable and appropriate.

12. **Loans to Grantor's Estate.** To lend funds of the trust estate to Grantor's estate, upon such terms and conditions as Trustee shall approve.

13. **Life Insurance Policies.** To acquire as an asset of the trust estate one or more life insurance policies on the lives of any persons to whom the income of the trust is then payable, or on the life of any person in whom such income beneficiary has an insurable interest, from such companies and in such amounts as Trustee may deem advisable; to pay premiums on all policies, from income or principal or both (other than income or principal of the Survivor's Trust, if any such Trust be established hereunder), as Trustee may determine and any such insurance shall be payable to, and all incidents of ownership shall be vested in, Trustee.

14. **Insurance Proceeds; Options.** To permit the proceeds of any insurance policy payable to Trustee, or any part of such proceeds, to remain with the company under any option available under the terms of such policy, and Trustee shall not be liable for any loss resulting to the trust estate by reason of having permitted such retention.

15. **Establishment of Reserves.** To establish, from rents, profits and other income, such reserves for taxes, assessments, insurance, repairs, improvements, depreciation and maintenance of buildings and other property, as Trustee shall deem advisable and consistent with the purposes of Grantor.

16. **Distribution in Cash or Property.** Except as otherwise expressly provided elsewhere herein, to make any division or distribution in cash or in kind, or partly in cash and partly in kind, on the basis of market values at the time of such division or distribution, or if there be no recognized market value, at the fair value thereof. Any determination of recognized market value or fair value of any security or property made by Trustee for the purposes hereof shall be deemed presumptively correct. In the event Trustee elects to satisfy a pecuniary gift by distribution of property in kind:

a. If the decedent by reason of whose death property is being transferred died prior to January 1, 2010, Trustee must, unless expressly directed otherwise in the Trust Agreement, distribute assets, including cash, fairly representative of appreciation or depreciation in all of the property available for distribution in satisfaction of such pecuniary gift; or

b. If the decedent by reason of whose death property is being transferred died after December 31, 2009, Trustee shall not transfer property in satisfaction of a pecuniary gift if the carryover capital gains tax basis in that property, determined in the manner directed by Internal Revenue Code Section 1022 (after any adjustment in basis of the property made by the decedent's estate, as provided for in I.R.C. Sections 1022 and 6018), is less than the fair market value of the property at the date of the decedent's death, unless the recipient of the property makes arrangements satisfactory to Trustee to reimburse the trust estate for the income taxes Trustee will be required to pay because of gain the Trust will be required to recognize by reason of the property transfer.

17. **Payment of Expenses.** To pay any and all expenses, costs, fees (including Trustee's own fees), taxes, penalties or other charges and except as otherwise expressly provided herein to charge the same against principal or income or partly against the principal and partly against the income of the whole or any part of any trust.

18. **Reliance on Furnished Information.** To rely upon any information, affidavit, certificate, letter, notice, telegram, or other document, or upon any telephone conversation believed by Trustee to be genuine and sufficient.

19. **Employment of Others.** To employ agents, attorneys, investment advisors, and other persons whose services may be required or advisable in the administration of the trust estate and to pay them reasonable compensation.

20. **Arbitration of Differences.** To submit to final arbitration any matter of difference with others.

21. **Settlement and Enforcement of Claims.** To compromise, compound and settle any obligation due to or from the trust estate (including Grantor's estate where appropriate); to reduce the rate of interest on, and to extend or otherwise modify, or to foreclose upon default or otherwise enforce, any such obligation; to enforce or to abstain from the enforcement of any right, obligation or claim; and to abandon, if in Trustee's absolute discretion Trustee shall deem it advisable, any property, real or personal, which may at any time form a part of the trust estate and of the beneficiaries thereof, either before or after default.

22. **Depositories and Investment of Cash.** To create and maintain and invest in savings accounts, checking accounts, certificates of deposit, money market funds, and all other forms of cash reserves and deposits, including safety deposit boxes, whether or not interest bearing, and to maintain said cash accounts and reserves with any institution or depository deemed appropriate by the Trustee. If the office of Trustee is held by Co-Trustees, and all Co-Trustees shall so instruct the depository, checks and withdrawals may be signed and made by any one Co-Trustee without the co-signature of any other Co-Trustee. Such accounts and deposits shall be titled in the name or names designated by the Trustee. Trustee may appoint a Deputy Trustee or Deputy Trustees pursuant to the authority granted in Paragraph 23 below, to function as would the Trustee in connection with any cash accounts or reserves including the authority to make deposits to and withdrawals from such cash accounts and reserves.

23. **Deputy Trustees.** Trustee shall have the power to appoint one or more Deputy Trustees to assist Trustee in the administration of this Trust, and to perform any act of administration of this Trust on behalf of Trustee. Trustee may delegate to a Deputy Trustee such power and authority as the Trustee shall elect, subject to the following terms and conditions:

a. The appointment shall be made by written instrument, signed by the Trustee. No other formalities are required.

b. A Deputy Trustee must exercise all delegated power and authority in a fiduciary capacity.

c. A Deputy Trustee shall have the legal status of an agent of this Trust with respect to acts and conduct of the Deputy Trustee that are within the scope of the power and authority delegated by the Trustee.

d. Unless appointed by a Trustee who is also a Grantor, a Deputy Trustee must have the same qualifications as a successor Trustee appointed in event of vacancy in the office of Trustee, as provided elsewhere herein.

e. Trustee may not delegate to a Deputy Trustee the responsibility or authority to determine whether discretionary distributions of principal or income shall be made to beneficiaries, or to determine the timing or amounts of any such discretionary distributions. Trustee's discretion relating to distributions to beneficiaries must be exercised solely by the Trustee.

f. A Deputy Trustee shall account solely to the Trustee for the income and principal of any assets entrusted to it.

g. Trustee may appoint a bank trust department or a trust company as a Deputy Trustee, and may delegate to such Deputy Trustee the power and authority to invest and reinvest cash or other liquid assets of the trust estate delivered to it by Trustee. Such a Deputy Trustee is expressly authorized and empowered to invest such cash or other liquid assets in, and to commingle the same with, common trust funds maintained by it for the investment of trust funds held by such corporate Trustee. Any other investments must be approved by Trustee.

h. If at any time the trust estate includes real estate, or an ownership interest in a proprietorship business or closely-held corporation, that the Trustee is unwilling or legally unable to accept or hold in trust solely by reason of the location of the real estate, or the difficulty or inconvenience to the Trustee of managing a particular parcel of real estate, or business, or investment in a closely-held corporation, Trustee shall not liquidate such asset except with the consent of a majority in interest of the then-current beneficiaries entitled to receive the income of the trust estate. If such consent cannot be obtained, Trustee shall appoint one or more Deputy Trustees to hold and manage such specific asset or assets, and account to the Trustee for the income and principal thereof at reasonable intervals determined by the Trustee. A Deputy Trustee appointed under the provisions of this subparagraph shall, from and after its appointment, and without any assignment or other act by any person, have all the title, interest, rights and powers with respect to the particular asset or assets entrusted to it, that are by the provisions of this Agreement vested in the Trustee. Trustee shall have no liability to any beneficiary hereunder with respect to the consequences of maintaining such asset or assets as a part of the trust estate, or any losses occasioned thereby. Nothing herein contained shall, however, be construed to require that Trustee obtain the consent of beneficiaries before liquidating an asset or investment if the Trustee has determined that holding such asset or investment involves an unreasonable risk of loss and would be imprudent and not in the best interests of the beneficiaries. By way of illustration and not limitation, if Trustee for legal or policy reasons determines that it cannot hold and manage real property located in another State, the management of such property shall be entrusted to a Deputy Trustee unless a majority in interest of the income beneficiaries consent to sale and liquidation of the property; but if Trustee determines that a particular investment involves a high degree of risk and constitutes an imprudent investment of trust funds, Trustee may liquidate the investment

without the consent of beneficiaries unless such liquidation has been expressly prohibited elsewhere in this Trust Agreement.

i. No Deputy Trustee shall have any liability to any beneficiary of this Trust with respect to any act or omission of the Trustee that appointed such Deputy Trustee.

All Deputy Trustees shall serve at the pleasure of the Trustee, and Trustee may terminate the appointment and authority of a Deputy Trustee at any time and for any reason deemed sufficient by Trustee. Trustee shall give written notice of such termination to all parties known to Trustee to have been dealing with the terminated Deputy Trustee, and if management of any real estate was entrusted to the terminated Deputy Trustee, Trustee shall cause a notice of termination of the appointment of the Deputy Trustee to be recorded in the public records of each jurisdiction in which such real estate is located. Nothing contained in this Paragraph 23 shall be construed to limit or contravene the express provisions of Paragraphs 4 and 22 above as the same relate to Deputy Trustees.

24. **Delegation of Powers to Certain Co-Trustees.** Whenever the office of Trustee is held by Co-Trustees, the Co-Trustees may by unanimous written agreement delegate the authority and responsibility for exercise of certain of these powers, and the authority to perform certain duties and responsibilities of the Trustee (including but not limited to the signing of checks; providing orders to securities brokers or investment advisors, and the execution of any documents) to one or more designated Co-Trustees. Any document executed by fewer than all of the Co-Trustees in conformity with the provisions of this Paragraph shall be binding upon this Trust, its Trustee, its trust estate, and all beneficiaries hereunder. Whenever evidence of delegation of authority under the provisions of this Paragraph has been furnished to a party, such party may thereafter, until and unless written notice to the contrary from any Grantor or Co-Trustee is actually received by such party, conclusively presume that all acts and transactions of the Co-Trustee or Co-Trustees to whom such authority was delegated (so long as they are within the scope of the delegation of authority) have in all respects been duly and regularly authorized and all consents required under the provisions of Paragraph 25 below with respect to such acts and transactions have been properly obtained.

25. **Exercise of These Powers by Co-Trustees.** Whenever the office of Trustee is occupied by two Co-Trustees, such Co-Trustees must exercise the powers of Trustee by unanimous consent. If at any time the office of Trustee shall be held by more than two Co-Trustees, and such Co-Trustees shall be unable to agree with respect to any matter relating to the administration of this Trust, the decision and actions of a majority of the Co-Trustees shall be controlling.

26. **Environmental Matters.** Trustee may withhold distribution of any real estate to a beneficiary until receiving from that beneficiary an indemnification agreement in which the beneficiary agrees to indemnify the Trustee against any claims filed against the Trustee as an "owner" or "operator" of such property under the provisions of any federal, state, or local environmental laws or regulations duly promulgated thereunder. Trustee may set aside and administer as a separate trust estate any property, or interests in property, whenever Trustee determines, based upon such information as shall be available to Trustee, that such property may or could cause potential liability under any federal, state, or local environmental law.

* * * * *

- (9) No other provisions of said Trust Agreement vary, modify, or limit the provisions set forth herein. The trust has not been revoked, modified, or amended in any manner to make the statements in this certification incorrect.
- (10) Pursuant to § 68-117, *Idaho Code*, any transaction, and any lien created thereby, entered into between the Trustee and a person or entity acting in good faith in reliance upon the facts stated in this Certification of Trust, is fully enforceable against the assets of the Trust, unless such person or entity has actual knowledge that the representations contained herein are incorrect, or that the Trustee is acting outside the scope of the Trust.
