**FINDINGS**

**RELEVANT REVIEW CRITERIA, FACTS AND ANALYSIS, AND PROPOSED FINDINGS:** *This proposal is being reviewed according to the provisions of the Klamath Falls Community Development Ordinance (Chapters 10-14), specifically Sections 13.105 to 13.104, regarding Annexation.*

- 1) *The annexation will not encroach upon agricultural ground.*  
Staff Response: This annexation will not encroach on agricultural lands. This property is zoned for general commercial uses. This property is already in a developed area and adjacent to county general commercial properties to the north and west. Adjacent property to the east and south are zoned General Commercial in the City.
  
- 2) *The annexation will not encroach upon forestland.*  
Staff Response: This annexation will not encroach upon forestland. This property is zoned for general commercial uses. This property is already in a developed area and adjacent to general commercial properties in all directions. No forestry operations take place in the area.
  
- 3) *The annexation will help conserve open space and protect natural resources.*  
Staff Response: This annexation will help conserve open space. This annexation will make it possible to develop existing general commercial within the Urban Growth Boundary.
  
- 4) *The annexation will not adversely affect the quality of the community's air, water, and land resources.*  
Staff Response: The property in question is in a developed area. The development of the property will not affect quality of the community air, water, and land resources. The development of the land will improve the property and the area.
  
- 5) *The annexation will not endanger life or property from natural disasters or hazards.*  
Staff Response: The topography of the lot is flat, so the development of this land poses no threat to the area. This annexation will not endanger life or property from natural disaster or hazard. Nor will the proposed retail or professional offices affect any natural disaster or hazard.
  
- 6) *The annexation will help satisfy the citizen's recreation needs.*  
Staff Response: This annexation will not enhance nor distract from citizen's recreation needs, therefore is not applicable.
  
- 7) *The annexation will help satisfy the community's housing need.*  
Staff Response: Not applicable. The property is already zoned for general commercial use; therefore the annexation of the property will not increase or detract from the communities commercial needs.
  
- 8) *The annexation will diversify and improve the community economy.*  
Staff Response: This annexation will provide the community with general commercial property. Development of this lot will provide economic opportunities for individuals in the building industry, and once developed employment opportunities will exist at the new retail stores. The communities Commercial needs will be met.
  
- 9) *The annexation will create a timely, orderly, and efficient arrangement of public facilities and services.*

Staff Response: This annexation will create a timely, orderly and efficient arrangement of public facilities and services. There are services already available to adjacent properties.

10) *The annexation will help provide a safe, convenient and economic transportation system.*

Staff Response: This annexation will help provide a safe, convenient and economic transportation system. The property proposed for annexation fronts Washburn Way, a major arterial in the Klamath Falls Urban area. The annexation reduces commercial sprawl as the area proposed would be connected by Washburn Way. Once developed, the property could be accessed by Washburn Way or via the frontage easement. Adjacent properties are developed and adequately served by Basin Transit Service.

11) *The annexation will aid in conserving energy.*

Staff Response: This annexation will aid in conserving energy. Once developed, it will help create "in-fill" within the urban area, and therefore use of existing public facilities and services.

12) *The annexation will promote an orderly and efficient transition from rural to urban land uses*

Staff Response: The property in question is in an area developed with urban land uses. This area contains commercial and industrial developments and a few dwellings on urban sized lots.

Proposed Finding This annexation conforms to the Comprehensive Plan based on the analysis. This criterion is met.
