COMMERCIAL LEASE AGREEMENT

This Commercial Lease Agreement (this "Agreement") is made and entered into as of July 1, 2005 (the "Effective Date"), by and between MARTA C. CARPENTER ("Landlord" or "Carpenter") and THE NEW ALGAE COMPANY ("Tenant" or "New Algae").

RECITALS

A. Marta and Daryl Kollman, as landlord, and Tenant (or its predecessor-in-interest), as tenant, entered into those certain leases described on *Exhibit A* attached hereto (collectively, the "Leases") for the properties described on said Exhibit (the "Properties"). At the time of the execution of the leases on *Exhibit A*, Marta and Daryl Kollman were married and were sole owners and employees of Tenant.

B. Since the execution of the Leases, Daryl Kollman has been terminated, Marta and Daryl Kollman have divorced, and Marta Kollman has changed her name to Marta C. Carpenter. Since the execution of the Leases, the Tenant has undergone a restructuring and is now a wholly-owned subsidiary of Cell Tech International Incorporated, a corporation of Delaware ("Cell Tech").

C. Ms. Carpenter continues to be employed as President of Tenant and Cell Tech (collectively, the "Company"). Ms. Carpenter continues to work towards a restructuring of the Company's obligations to its creditors and is actively pursuing the infusion of additional needed operating capital. Mr. Kollman has filed eviction actions against Tenant for failure to pay rent pursuant to the Leases and is generally hostile toward Tenant's continued occupancy of the Properties.

D. For several years, Marta Carpenter has agreed to forbear the collection of rent owed her by New Algae under the Leases, and has granted the Company broad permission to continue occupying the Properties notwithstanding the terms of the Leases. Ms. Carpenter has done this because she desires to assist the Company in continuing its on-going business operations to preserve jobs for Company employees and to permit the Company an opportunity to restructure its operations and work out acceptable arrangements with its creditors.

E. Tenant is defending Kollman's claims to the Properties. The Company asserts a good faith dispute with Kollman on the amounts allegedly due him on past due rent under the Leases.

F. Ms. Carpenter has requested that the majority shareholder of Cell Tech infuse substantial additional funds to assist in the continued operations and restructuring of the Company's debts. The majority shareholder is willing to invest such additional funding, so long as the Tenant obtains continued rights to Landlord's interest in the Properties.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Incorporation of Lease Terms.** Except as modified by the Forbearance Agreement (defined below) or this Agreement, the terms of the Leases (including without limitation the rent terms) are incorporated into this Agreement.

2. **Term.** The term of the leasehold estates provided for in this Agreement shall be ten years from the Effective Date. Tenant shall also have the option to renew the leasehold estates provided for in this Agreement for an additional ten (10) years, so long as it provides notice to Carpenter of the exercise of such option on or before January 1, 2015. On a per-property basis, either Tenant or Carpenter shall be entitled to terminate this Agreement and any of the leasehold estates provided hereby by transmitting written notice to the other party of such termination on one year's notice.

3. **Setoffs.** To the extent Tenant performs Landlord's obligations under this Agreement (as set forth in the Leases and incorporated herein), including without limitation the performance of Landlord's obligations concerning repairs, maintenance, utilities, insurance and taxes relating to the Properties, or to the extent Tenant otherwise provides benefits to Landlord for which Landlord should properly account to Tenant, then Tenant shall be entitled to a setoff against rent otherwise due under this Agreement. Tenant shall be responsible for maintaining an accounting of such setoffs. Tenant shall be entitled to charge Landlord a reasonable management fee for its costs in maintaining such accounting, and Tenant shall be entitled to treat such fee as an additional setoff to rent. The parties acknowledge and agree that this paragraph is consistent with their course of dealing since the Leases were originally executed. Any disagreement concerning setoffs to rent or the management fee shall be resolved pursuant to the dispute resolution procedure set forth in paragraph 8 below.

4. **Proration.** Notwithstanding this term and any provision in the Leases to the contrary, basic rent due under this Agreement shall be prorated, if necessary, to take into account the possibility that the tenancies granted to Tenant under this Agreement are less than the entire leasehold estates of the Properties. The parties

shall negotiate in good faith to determine the amount of such proration. If agreement on the proration cannot be reached within a reasonable period of time after it is first raised by one of the parties hereto, the parties shall resolve the dispute pursuant to the dispute resolution procedure set forth in paragraph 8 below.

5. **Other Claimants to Rent.** Carpenter agrees to account to the Internal Revenue Service, as appropriate, for any rents paid to her under this Agreement. Subject to any restrictions imposed by the Internal Revenue Service or the law, Carpenter also agrees to account to Kollman, as appropriate, for any share of any rent paid to Carpenter under this Agreement to which Kollman is entitled.

6. **Assignment and Subletting.** Notwithstanding any provision in the Leases to the contrary, Tenant shall have the right, without Landlord's consent, to permit Cell Tech to operate at the Properties and/or to assign this Agreement or sublet the Properties to Cell Tech.

7. **Forbearance Agreement.** This Agreement shall be subject to all terms and conditions of that certain Forbearance Agreement executed by Carpenter and Cell Tech on or about November 12, 2004 (the "Forbearance Agreement").

8. **Dispute Resolution.** Unless Tenant and Carpenter otherwise agree, any dispute relating to or arising out of this Agreement shall be resolved pursuant to the dispute resolution procedure set forth in this paragraph. In the event of such dispute, the parties shall cooperate in good faith to select a respected member of the Oregon State Bar to who will resolve the dispute on a summary basis, and whose ruling will be effective, binding and enforceable in the same manner as a ruling of an arbitrator under the laws of the State of Oregon.

9. **Miscellaneous.** This Agreement may be executed in multiple counterparts, each of which shall be deemed an original. This Agreement shall be governed by Oregon law. This Agreement may not be modified except in a writing signed by both parties. If any provision of this Agreement is deemed invalid or illegal, the remainder of this Agreement shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party.

//

IN WITNESS WHEREOF, Landlord and Tenant have executed this
Commercial Lease Agreement as of the Effective Date provided for above.
