Notice is further given that for reinstatement or payoff quotes requested pursuant to ORS 86.757 and 86.759 must be timely communicated in a written request that complies with that statute addressed to the trustee's "Urgent Request Desk" either by personal delivery to the trustee's physical offices (call for address) or by first class, certified mail, return receipt requested, addressed to the trustee's post office box address set forth in this notice. Due to potential conflicts with federal law, persons having no record legal or equitable interest in the subject property will only receive information concerning the lender's estimated or actual bid. Lender bid information is also available at the trustee's website, www.northwesttrustee.com. Notice is further given that any person named in ORS 86.753 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the trust deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or trust deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and trust deed, together with trustee's and attorney's fees not exceeding the amounts provided by said ORS 86.753. Requests from persons named in ORS 86.753 for reinstatement quotes received less than six days prior to the date set for the trustee's sale will be honored only at the discretion of the beneficiary or if required by the terms of the loan documents.
