ACKNOWLEDGEMENT OF STATE FINANCIAL ASSISTANCE

The property indicated on the attached map was improved with financial assistance from the Oregon Department of Transportation under an Agreement between the Department and Basin Fertilizer & Chemical Company. The Oregon State Legislative Assembly authorized such assistance at its regular 2003 session.

The above Agreement provides for State funds to be used for the replacement and upgrading of an industrial spur track as so indicated on the attached map. The use and disposition of said property is subject to the terms of the above Agreement, a copy of which may be obtained from the Director, Oregon Department of Transportation, Room 135, Transportation Building, Salem, Oregon 97301.
