1. To keep the property in good condition and repair; to permit no waste thereof; to complete any building, structure or improvement being built or about to be built thereon; to restore promptly any building, structure or improvement thereon which may be damaged or destroyed; and to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property.
2. To pay before delinquent all lawful taxes and assessments upon the property; to keep the property free and clear of all other charges, liens or encumbrances impairing the security of this Deed of Trust.
3. To keep all buildings now or hereafter erected on the property described herein continuously insured against loss by fire or other hazards in an amount not less than the total debt secured by this Deed of Trust. All policies shall be held by the Beneficiary, and be in such companies as the Beneficiary may approve and have loss payable first to the Beneficiary, as its interest may appear, and then to the Grantor. The amount collected under any insurance policy may be applied upon any indebtedness hereby secured in

- such order as the Beneficiary shall determine. Such application by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, all rights of the Grantor in insurance policies then in force shall pass to the purchaser at the foreclosure sale. If grantor fails to provide beneficiary with evidence of insurance coverage, beneficiary may purchase insurance at grantor's expense to protect the beneficiary's interest. This coverage may, but need not, protect the grantor's interest too. If the collateral is damaged, the coverage purchased by the beneficiary may not pay any claim made by or against the Grantor. The Grantor may cancel the forced insurance coverage by providing evidence of insurance. Grantor is responsible for the cost of any insurance purchased by the beneficiary, and the cost shall be added to the loan balance. If added to the loan balance, the expense will be subject to the underlying interest rate. The effective date of coverage may be the date the Grantor's prior coverage lapsed or the date upon which the grantor failed to provide proof of coverage. Insurance purchased by the beneficiary may be more expensive than the grantor could otherwise obtain and may not satisfy any need for the Grantor's property damage or any other applicable mandatory liability insurance requirements. Unless you [Grantor] provide us [Beneficiary] with evidence of the insurance coverage as required by our contract or loan agreement, we may purchase insurance at your expense to protect our interest. This insurance may, but need not, also protect your interest. If the collateral becomes damaged, the coverage we purchase may not pay any claim you make or any claim made against you. You may later cancel this coverage by providing evidence that you have obtained property coverage elsewhere. You are responsible for the cost of any insurance purchased by us. The cost of this insurance may be added to your contract or loan balance. If the cost is added to your contract or loan balance, the interest rate on the underlying contract or loan will apply to this added amount. The effective date of coverage may be the date your prior coverage lapsed or the date you failed to provide proof of coverage. The coverage we purchase may be considerably more expensive than insurance you can obtain on your own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.
4. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.
 5. To pay all costs, fees and expenses in connection with this Deed of Trust, including the expenses of the Trustee incurred in enforcing the obligation secured hereby and Trustee's and attorney's fees actually incurred, as provided by statute.
 6. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other charges against the property herein above described, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.

IT IS MUTUALLY AGREED THAT:

1. In the event any portion of the property is taken or damaged in any eminent domain proceeding, the entire amount of the award or such portion as may be necessary to fully satisfy the obligation secured hereby, shall be paid to Beneficiary to be applied to said obligation.
2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.
3. The Trustee shall reconvey all or any part of the property covered by this Deed of Trust to the person entitled thereto, on written request of the Grantor and the Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.
4. Upon default by Grantor in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Oregon, at public auction to the highest bidder. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of the sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the persons entitled thereto.

In the event of the death, incapacity, disability or resignation of Trustee, Beneficiary may appoint in writing a successor trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. ASSIGNMENT OF RENTS AND LEASES

As part of the consideration for the indebtedness evidenced by the Note, and/or other agreement which the attached Deed of Trust secures, Grantor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property, including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable.

Grantor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Beneficiary or Beneficiary's agents, provided, however, that prior to 15 days written notice by certified mail given by Beneficiary to Grantor of the breach by Grantor of any covenant or agreement of Grantor in this Instrument, Grantor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Grantor, to apply the rents and revenues so collected to the sums secured by this Instrument with the balance, so long as no such breach has occurred, to the account of Grantor, it being intended by Grantor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Grantor of the breach by Grantor of any covenant or agreement of Grantor in this Instrument, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all rents and revenues of the Property as specified herein as the same become due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Grantor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Grantor of the breach of Grantor shall contain a statement that Beneficiary exercises its rights to such rents. Grantor agrees that commencing with delivery of such written notice of Grantor's breach by Beneficiary to Grantor, each tenant of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefore, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Grantor.

Grantor hereby covenants that Grantor has not executed any prior assignment of said rents unknown to Beneficiary, and Grantor has not performed, and will not perform any acts or has not executed, and will not execute, any instrument which would prevent Beneficiary from exercising its rights herein and that at the time of execution of this Instrument there has been no anticipation of prepayment of any of the rents of the Property for more than two months prior to the due dates of such rents.

Grantors covenants that Grantor will not hereafter collect or accept payment of any rents of the Property more than two months prior to the due dates of such rents. Grantor further covenants that Grantor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

 Initials

Upon Grantor's breach of any covenant or agreement of Grantor in this Instrument, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof, including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Instrument. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Grantor's breach of any covenant or agreement of Grantor in this Instrument, Grantor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Grantor of the breach by Grantor of any covenant or agreement of Grantor in this Instrument shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Grantor as lessor or landlord of the Property and then to the sums secured by this Instrument. Beneficiary or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Beneficiary shall not be liable to Grantor, anyone claiming under or through Grantor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Agreement.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes shall become indebtedness of grantor to Beneficiary secured by this Instrument. Unless Beneficiary and Grantor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Grantor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to applicable law, or no interest rate is specified on the note or agreement which this Deed of Trust and Assignment secures, in which event such amounts shall bear interest at the highest rate which may be collected under applicable law in a consumer type transaction. Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment or rents of the rents of the Property shall terminate at such time as this Instrument ceases to secure indebtedness held by Beneficiary.
