CREATION OF AN ACCESS AND PUBLIC UTILITY EASEMENT

KNOW ALL MEN by these presents that ROBERT A STEWART AND KENNETH W. MARLTON do hereby create an access easement and public utility easement over and across Parcels 1, 2 and 3 of Land Partition 19-99 situated in the SE1/4 of the NW1/4 of Section 1, Township 39 South, Range 9, E.W.M., Klamath County, Oregon

Said easement is for the benefit Land Partition 19-99 and that tract of land described in Volume M05 at page ~~68460~~ ⁶⁹⁴⁶⁰ microfilm records of Klamath County, Oregon owned by KLAMATH CASCADE GROUP LLC AND JERRY O. ANDERSON AND ELIZABETH ANDERSON.

All parcels have the right to require removal of any obstructions including structures, trees and vegetation that may be placed on or near the roadway easement. At no time may any permanent structures be placed within the easement or any other obstruction, which interferes with the use of the roadway. The grading, gravel, snow removal costs, shall be equally shared by all the parcel owners. Should the parties decide to pave the roadway the costs shall be shared equally between all parcel owners. The public utilities and sewer easements are also within the roadway easement and each parcel shall be responsible for their own utilities within the easement. Any maintenance of those utilities and sewer will require the parcel owner to replace the easement in the condition it was prior to the work being done. Any grading, paving on general maintenance of the easement will be by a majority vote of the parcel owners.

Said easement is described in the attached Exhibit "A" and a map is attached as Exhibit "B" to help identify the access and public utility easement.

Utilities shall have the right to install, maintain, and operate their equipment above and below ground and all other related facilities within the public utility easement identified on this plat map as may be necessary or desirable in providing utility services within and without the parcels identified herein, including the right of access to such facilities and the right to require removal of any obstructions including structures, trees and vegetation that may be placed within the public utility easement. The utility may require the lot owner to remove all structures within the public utility easement at the lot owner's expense, or the utility may remove such structures at the lot owner's expense. At no time may any permanent structures be placed within the public utility easement or any other obstruction, which interferes with the use of the public utility easement without the prior written approval of the utilities with facilities in the public utility easement.

The period of this easement shall be for perpetuity. This easement shall bind and inure for the benefit of, as the circumstances may require, not only to the Grantors but also to their heirs, successors and assigns.

Dated this 21 day of February 2007.
