3. REPAIR AND MAINTENANCE:

A. The parties shall share equally the cost of operating, maintaining, repairing and replacing the well in whole or in part as needed.

B. The well will not be separately metered. The parties agree on an initial annual fee of \$100.00. This fee can be amended from time to time upon the agreement of both parties.

C. Each party shall be solely responsible for and bear all cost of (1) installation, maintenance and repair of their water transmission line or lines taking the water from the well to such party's residences or special use areas; and (2) repair to the other parties lines (water, telephone, electrical, etc.) in the event one party damages the other's utility lines during installation or maintenance of their own utility lines.

5. EASEMENTS: Owner – Lot 1 hereby grants to Owner – Lot 2, a permanent, non-exclusive easement appurtenant to their property across Owner – Lot 1's property, for the purposes of: (1) Underground piping of well water to their property; (2) Underground placement of power lines, if applicable, for their property; and, (3) Access to the well and to the buried water and power lines for service, maintenance, repair and replacement.

6. Such remedies shall be in addition to any other remedies afforded under Oregon law.

7. WELL MANAGER. Both parties agree to jointly assume all custodial duties for the care and proper maintenance of the well and appurtenant easements as referenced

above. The parties agree to share equally in all aspects in the performance of these custodial duties and to pay their prorata share of any costs incurred within 30 days.

8. ATTORNEY FEES: In the event of any litigation arising under this Agreement, the prevailing party shall recover from the losing party the prevailing party's reasonable attorney fees at trial or on appeal as adjudged by the trial or appellate court in addition to costs awarded the prevailing party by statute.

9. EFFECT OF THE AGREEMENT: The easements granted hereunder shall run with the land as to all property burdened and benefited by such easements. The rights, covenants and obligations contained in this agreement shall bind, burden and benefit each party's successors and assigns, lessees, mortgagees (or beneficiaries under a deed of trust). Upon transfer of a party's interest in its property, by deed or contract, such party shall be relieved of all personal liability for future performance of this Agreement.

10. NOTICES: Any notice required or permitted under this agreement shall be in writing and signed and deemed given when actually delivered or when deposited in the United States Mail as certified mail addressed to the party at the address indicated below such party's signature, or to such other address as may be specified from time to time by either of the parties in compliance with this provision.

11. WARRANTIES, REPRESENTATIONS AND COVENANTS: Each party warrants and represents to the other that such party has the right to enter into and perform this Agreement and covenants that such party shall not default in any obligations relating to any liens or encumbrances now or hereafter placed against such party's property so as to impair the other's rights under this Agreement.

12. ENTIRE AGREEMENT: This Agreement is the final and complete agreement of the parties with respect to the subject matter hereof, and all prior and contemporaneous agreements between the parties, both oral and written, are replaced by this agreement and such agreements are of no further force or effect. This Agreement may not be modified except in a writing signed and dated by the parties hereto.
