THIS INDENTURE between MICHAEL MENEFEE, MARSHA MENEFEE, and ALTUS CONSTRUCTION, INC., an Oregon corporation, hereinafter called Grantors, and OBERTO AND ASSOCIATES RETIREMENT PLAN EFFECTIVE DATE OF PLAN 10/1/81 FBO BARBARA OBERTO BRENEISER, hereafter called Grantee; WITNESSETH:

The true and actual consideration for this conveyance stated in terms of dollars is \$ -0- . However, the actual consideration consists of other value or promises given, which is the whole consideration.

Whereas, the title to the real property hereinafter described is vested in fee simple in Grantor, Altus Construction, Inc., subject to the lien of a trust deed recorded in the Official Records of Jackson County, Oregon, as Document No. M06-09789 reference to those records hereby being made, and the note and indebtedness secured by the trust deed are now owned by Grantees, on which note and indebtedness there is now owing and unpaid the principal sum of \$56,677.58 plus interest thereon at the rate of 14.0% per annum from October 30, 2006, until paid, the same being now in default and the trust deed being now subject to immediate foreclosure, and whereas Grantor, being unable to pay the same, has requested Grantees accept

This Deed does not effect a merger of the fee ownership of the property and the lien of the trust deed. The fee and the trust deed lien shall hereafter remain separate and distinct. The parties do not intend to affect the subrogation rights of any third parties.

Grantor covenants to and with Grantees and Grantees' heirs, successors and assigns, that:

(1) This deed is absolute in effect and conveys fee simple title of the premises above described to Grantees and does not operate as a mortgage, trust conveyance, or security of any kind. Grantor is the owner of the premises, free of all encumbrances except the trust deed executed in favor of Grantees, dated May 3, 2006, but signed May 9, 2006, and recorded on May 15, 2006, as Document No. M06-09789, of the Official Records of Jackson County, Oregon, the easements, restrictions, covenants, and encumbrances set forth in Exhibit A attached hereto and incorporated by reference herein.

(5) Grantees may retain all payments previously made on the secured debt with no duty to account therefor.

(6) Grantor does hereby waive, surrender, convey, and relinquish any equity of redemption and statutory rights of redemption concerning the real property and mortgage described above.

(7) Grantor is not acting under any misapprehension as to the effect of this deed, nor under any duress, undue influence, or misrepresentation of Grantees, Grantees' agent or attorney, or any other person,.

(8) That this deed is not given as a preference over other creditors of Grantor and that at this time there is no person, partnership or corporation, or other entity, other than Grantees, interested in the property directly or indirectly, in any manner whatsoever, except as set forth above.

(9) Simultaneously with the execution of this estoppel deed, Grantor shall deliver to Grantees, and hereby assigns all ownership interest therein to Grantees, all plat maps, plans, blueprints, specifications, permits and other documents necessary or useful to complete the construction of the house upon the real property hereby conveyed.

(10) Immediately following execution of this estoppel deed, Grantor shall deliver to Grantees, in care of their attorneys, Jacobson, Thierolf & Dickey, P.C., copies of all contracts and invoices from any and all subcontractors and other persons who performed work or provided material for labor to or upon the real property or the partially constructed house thereon, together with the names and addresses of such persons and any warranties of their work or materials.
