ARTICLE 3

RESTRICTIONS ON USE OF RESIDENTIAL LOTS

Whereas the developers of Redwood Hills desires to preserve its natural qualities and amenities for the benefit of this community, they herewith set forth the following conditions and restrictions on uses of the Lots.

3.1 Use of Parcel and Roads. All parcels, except as designated here otherwise, shall be used as single family residential dwellings with associated outbuildings. All buildings are to be approved by the Architectural review committee. The roads of the subdivision shall be public roads maintained by the Home Owners Association, unless they are accepted by Klamath County as County Roads.

3.2 Design and Architectural Control. No building nor driveway shall be constructed, placed, or altered on any Lot until the construction plans and specifications (site plan) have been approved by the Architectural Review Committee as to quality of workmanship and material, harmony of external design with existing structures and as to location with respect to topography and compliance with this Declaration. The Architectural Review Committee may impose a reasonable fee to cover plan review costs.

3.3 Residence Buildings. No residence buildings shall be erected, altered, placed or permitted to remain on any Lot other than one single family dwelling not to exceed two stories in height and private garage for at least two and not more than six automobiles. A third story may be included if it is a basement. No residential building, garage or accessory building shall exceed 28 feet in height (measured at the uphill foundation/ground surface level) , regardless of the number of stories and unless approved by the Architectural Review Committee. No single family dwelling shall be less than 1,700 square feet for the main structure exclusive of porches and garages.

3.4 Accessory Buildings. In addition to the single family residence and garage described above, no more than one accessory building shall be permitted on each Lot, unless otherwise allowed herein. It shall be constructed in compliance with the set back requirements and the approved material and finishes described in these Articles. In addition thereto, said accessory building may not exceed the total square footage size of the primary residence plus the garage and porches nor exceed 28' in height unless approved by the Architectural Review Committee.

3.5 Well House Buildings. Well house facilities are encouraged to be placed within the accessory buildings or residence. If the well location is far removed from either of those then an individual well house may be constructed, provided its design, size and materials are compatible with those used on the residence.

3.6 Material and Finishes. On each individual Lot the residence, garage and accessory

buildings must be finished with the same or complimentary exterior materials. Galvanized metal, tar paper or asphalt composition siding shall not be permitted on any building or structure. No bright galvanized metal or other reflective roof surfaces shall be permitted. Asphaltic tile roofs will be permitted but only in subdued tones as approved by the Architectural Review Committee. Set back lines on the subdivision's external property lines shall be as governed by the County. A 100 foot separation is required between any well and drain field on any lot. All wells and drain fields shall be placed upon the lot in such a manner as to not impact the placement of a well or drain field on any adjoining or future lot.

Permanent earth work shall be that required for building sites, foundations and driveways. Temporary construction disturbances (i.e. for septic tanks, leach lines, utility lines, etc.) shall be restored as much as possible to the original grade or to a natural looking appearance. All construction disturbance shall be corrected so as to restore the ground terrain to a near natural appearance within 90 days following completion or occupancy of the structures built on site.

3.12 Surface Drainage. Site surface drainage shall not be so altered, constructed, accelerated or dammed on the subject property so as to adversely affect any neighboring Redwood Hills Subdivision property. All driveway construction on individual lots shall be provided with appropriate culvert construction to avoid blocking roadside ditches and impairing drainage ways.

3.12 Sewage. Sewage disposal systems shall be by septic tank and leach line fields or other permitted disposal systems. Installation and construction of sewage systems shall be pursuant to rules, regulations and permit authority of the State of Oregon, Department of Environmental Quality and its delegated authority and the Klamath County Department of Environmental Health.

No damaged, disabled or other vehicle not readily in driving condition shall be stored on the subject property except if enclosed in a closed garage or accessory building.

3.16 Commercial Venture. No commercial venture shall be allowed on any of the residential property herein which results in the maintenance, repair, storage, fabrication or salvage of vehicles, equipment or hazardous chemicals on the premises.

3.17 Signs. No signs, except for street signs and the subdivision's entrance sign, shall be displayed to the public view on any Lot except one sign of not more than five square feet advertising the property for sale or rent; or signs used by the subdivision developer and/or by a home builder during the construction and sales periods; or one sign of not more than two square feet providing the names of the residents of the property. No signs advertising any on-site home business shall be allowed except as described herein. 3.19 Condition of Lot. Each owner shall maintain the Owner's residence and Lot and any other improvements thereon in a clean and attractive condition, in good repair and in such fashion as not to create a fire or other hazard. Such maintenance shall include, without limitations, painting, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces, walks and other exterior improvements and glass surfaces. All repainting or restaining and exterior remodeling shall be subject to prior review and approval by the Architectural Review Committee. 3.21 Lighting. Plans for exterior lighting shall be included in the original site plan reviewed by the Architectural Review Committee if possible. All exterior lighting or noise-making devices shall be installed or maintained on a parcel only after written approval of the Architectural Review Committee.

3.22 Utilities. Klamath County's approval conditions of this initial Redwood Hills Subdivision, Tract 1459, require that all new utility lines within the Subdivision be placed underground. Utilities on subsequent lands subdivided and/or annexed into Redwood Hills shall be as approved by Klamath County.

3.23 Firearms. Shooting of center-fire or rim-fire rifles or pistols or of rifled slugs shall not be allowed on the Subdivision lands except to protect life and property.

ARTICLE 4 MAINTENANCE OF NATURAL BEAUTY AND WILDLIFE

To help maintain the natural beauty and the natural wildlife of the area the following apply:

4.1 Natural Vegetation. All property owners are encouraged to retain the natural vegetation of the properties, especially Ponderosa Pine, Juniper trees, wild plums (bushes) and Mountain Mahogany (bushes), which are particularly desired by deer, and their continued presence will help keep deer "out of the roses". Therefore, cutting of live trees and brush species whose trunks are larger than 5" in diameter, as measured three feet from the ground along the trunk, shall require permission from the Architectural Review Committee, except when the plants or trees are located within 50' of the dwelling or outbuilding, being built or are on driveways to the home or outbuilding. Commercial timber harvesting shall not be allowed on Redwood Hills without the Architectural Review Committee's approval. Trees with commercial value which are removed during construction of residences, driveways or outbuildings may be sold or otherwise utilized by the owner without contacting the Architectural Review Committee.

4.2 Fencing. Perimeter and cross fencing is acceptable as long as the fence is not higher than 4 feet and allows deer to safely pass either under, through or over the fence. Deer-proof fencing of greater height is acceptable around residential and outbuilding compounds provided the fenced-in area covers less than 10% of the total area of the Lot.

4.3 Wildlife Conflict. The Oregon Department of Fish and Wildlife asks that the Homeowners Association, through this Declaration, alert all Owners to the human/wildlife conflicts inherent with rural subdivisions such as Redwood Hills. Accordingly, Lot Owners are advised as follows:

- (a) Owners should be aware that cougars and rattlesnakes are known

to exist in the area and can be a danger to humans, pets and livestock.

(b) Artificial feeding of deer, raccoons and skunks shall not be allowed.

(c) The county leash law shall be adhered to in order to discourage dogs from running free in the Subdivision.

(d) Ornamental plantings will create an attractive nuisance situation with deer and are discouraged.

(e) The above fencing specifications shall be followed to permit deer passage without causing injury to the animals.

ARTICLE 5 ARCHITECTURAL REVIEW COMMITTEE

5.1 Architectural Review. No improvement shall be commenced, erected, placed or altered on any Lot, except Lots owned by Declarant and under construction pursuant to Tract 1459, until the construction plans and specifications showing the nature, shape, heights, materials, colors and proposed location of the improvement have been submitted to and approved in writing by the Architectural Review Committee. It is the intent and purpose of this Declaration to assure quality of workmanship and materials, to assure harmony of external design with the existing improvements and as to location with respect to topography and finished grade elevations, and to avoid plan repetition. The procedure and specific requirements for review and approval of residential construction may be set forth in design guidelines adopted from time to time by the Architectural Review Committee. The Committee may charge a reasonable fee to cover the cost of processing the application. In all cases which the Architectural Review Committee consents is required by this Declaration, the provisions of this Article shall apply.

5.2 Committee Decision. The Architectural Review Committee shall render its decision with respect to the construction proposal within thirty (30) working days after it has received all material required by it with respect to the application. In the event the Committee fails to render its approval or disapproval within forty-five (45) working days after the Committee has received all material required by it with respect to the proposal, approval will not be required and the related provisions of this Declaration shall be deemed to have been fully complied with.

5.3 Committee Discretion. The Architectural Review Committee may, at its sole discretion, withhold consent to any proposed work if the Committee finds the proposed work would be inappropriate for the particular Lot or incompatible with the design standards that the Committee intends for Redwood Hills. Consideration such as siting, shape, size, color, design, height, solar access, impairment of the view from other Lots within Redwood Hills or other effects on the enjoyment of other Lots, disturbance of existing terrain and vegetation, wildlife protection and any other factors which the Committee reasonably believes to be relevant, may be

taken into account by the Committee in determining whether or not to consent to any proposed work.

5.4 Variance. The Architectural Review Committee may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Architectural Review Committee from denying a variance in other circumstances. For purposes of this section, the inability to obtain approval of any governmental agency, the issuance of any permit, the cost of compliance, or the terms of any financing shall not necessarily be considered a hardship warranting a variance.

5.5 Membership: Appointment and Removal. Initially, the Architectural Review Committee shall consist of as many persons, but not less than three, as the Declarant may from time to time appoint. On or before August 1, 2008, the Declarant will appoint three Redwood Hills Subdivision lot owners, and preferably an owner/resident, to serve on the Committee for a period of one, two and three years, respectively. The Declarant may continue to have a representative on the Committee if the representative is also a lot owner of the Subdivision. Once Committee positions are filled by three owners the succeeding representatives shall be designated by a majority vote of the Redwood Hills Homeowners Association in annual meetings. Members of the Architectural Review Committee shall not be entitled to any compensation for services performed pursuant to the provisions of this Declaration.

5.6 Majority Action. Except as otherwise provided in this Declaration, a majority of the members of the Architectural Review Committee shall have the power to act on behalf of the Committee, without the necessity of a meeting and without the necessity of consulting the remaining members of the Committee. The Committee may render its decision only by written instrument setting forth the action taken by the consenting members.

5.7 Liability. Neither the Architectural Review Committee nor any member of the Committee shall be liable to any owner, occupant, builder or developer for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the Committee or a member of the Committee, provided only that the member has, in accordance with the actual knowledge possessed by him or her, acted in good faith.

5.8 Nonwaiver. Consent by the Architectural Review Committee to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing its right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

5.9 Appeal. At any time after Declarant has delegated appointment of the members of the Architectural Review Committee, any owner adversely affected by action of the Architectural Review Committee may appeal such action to the Board of Directors of the Homeowners

Association. Appeals shall be made in writing within twenty (20) days of the Committee's action and shall contain specific objections or mitigating circumstances justifying the appeal. A final, conclusive decision shall be made by the Board of Directors of the Homeowners Association within twenty (20) working days after receipt of such notification. If the Board of Directors of the Homeowners Association does not make a decision within thirty (30) days after receipt, the appeal shall be deemed approved.

5.10 Effective Period of Consent. The Architectural Review Committee's consent to any proposed work shall automatically be revoked two years after issuance unless construction of the work has been commenced or the owner has applied for and received an extension of time from the Committee.

ARTICLE 6 LAND DESIGNATION AND PROPERTY RIGHTS

6.1 Use and Occupancy. The Owner of a Lot in Redwood Hills shall be entitled to the exclusive use and benefit of such Lot, except as otherwise expressly provided in this Declaration. The Lot shall be bound by and the Owner shall comply with the restrictions made applicable to such Lot by this Declaration or by any supplement to this Declaration.

6.2 Easements Reserved. In addition to any easements shown on the recorded plats as set forth in the real property records of Klamath County, Declarant hereby reserves the following easements for the benefit of Declarant and the Association:

6.2.1 Right of Entry. Declarant, the Architectural Review Committee and any representative of the Association authorized by it may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of determining whether or not the use and/or improvements of such Lot are then in compliance with this Declaration. In addition, the utility service provider and its agents or employees shall have authority to access all parts of the Owners's Lot on which common utilities (electricity and telephone) may be located, for the purpose of operating, maintaining or constructing such facilities, inspecting the condition of the facilities, and completing repairs. The Owner will be given advance notice if possible. In the case of an emergency, as determined solely by the utility service provider, no prior notice will be required. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot.

6.2.2 Utility Easements. Easements for installation and maintenance of utilities and potential drainage facilities may be reserved over portions of certain Lots, as shown on or described in the recorded plat. Within the easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities.

6.3 Consolidation of Lots. The Owner of two adjoining Lots, may elect to consolidate such Lots into one Lot. The consolidation shall be effectuated by the owner recording in the deed records of Klamath County a declaration stating that the two Lots are consolidated. Thereafter,

the consolidated Lots shall constitute one Lot for all purposes of this Declaration, including voting rights and assessments.

6.4 Additional Partitions of Lots. The Owner of a Lot or lots, may elect to further partition their Lot into smaller Lots. The Owner of a Lot who desires to partition shall obtain, at the Owners' sole cost, the approval of the Klamath County Planning Department and shall file all appropriate requests with the Klamath County Planning Department and obtain County approval for the partition.

Such Association, its successors and assigns, shall be organized under the name "Redwood Hills Homeowners Association" or such similar name as Declarant shall designate, and shall have such property, powers and obligations as are set forth in this Declaration for the benefit of the Subdivision and all owners of property located therein.

7.1. Organization. Declarant shall, before the first Lot is conveyed to an owner, organize the Association as a Subchapter C corporation under the corporation laws of the State of Oregon. The Articles of Incorporation of the Association shall provide for its perpetual existence, but in the event the Association is at any time dissolved, whether inadvertently or deliberately, it shall automatically be succeeded by an unincorporated association of the same name. In that event all of the property, powers and obligations of the incorporated association existing immediately prior to its dissolution shall thereupon automatically vest in the successor unincorporated association, and such vesting shall thereafter be confirmed as evidenced by appropriate conveyances and assignments by the incorporated association. To the greatest extent possible, any successor unincorporated association shall be governed by the Articles of Incorporation and Bylaws of the Association as if they had been made to constitute the governing documents of the unincorporated association.

7.2 Membership. Every owner of one or more Lots within the Subdivision shall, immediately upon creation of the Association and thereafter during the entire period of such owner's ownership of one or more Lots within the Subdivision, be a member of the Association. Such membership shall commence, exist and continue simply by virtue of such ownership, shall expire automatically upon termination of such ownership, and need not be confirmed or evidenced by any certificate or acceptance of membership.

Each Lot Owner shall be able to cast their voting unit regardless of whether a living structure has been erected upon the Lot. All assessments shall be divided equally among lot owners. All liability for common expenses and common profits shall be allocated evenly among lot owners.

7.3.2 Classes of Voting Membership. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Class B member and shall be entitled to one voting unit for each Lot owned.

Class B. The Class B member shall be the Declarant and shall be entitled to three times the voting unit per Lot owned by the Declarant, i.e., Declarant shall receive three votes for each Lot owned by Declarant. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(1) Declarant has completed development of all Lots representing 75% of the voting units computed in accordance with this section and have sold and conveyed to Owners other than Declarant; or

(2) At such earlier time as Declarant may elect in writing to terminate Class B membership.

7.4 General Powers and Obligations, the Association shall have, exercise and perform all of the following powers, duties and obligations:

7.4.1 The powers, duties and obligations granted to the Association by this Declaration and those powers enumerated in ORS 94.630.

removal) by the Homeowners Association when specifically requested in writing by an individual having rights to said private driveway. The charge for maintaining private driveways shall be an additional fee, beyond the normal Homeowners Association dues, and shall be paid by the specific Homeowners Association member requesting the driveway service.

7.4.5 Any additional or different powers, duties and obligations necessary or desirable for the purpose of carrying out the functions of the Association pursuant to this Declaration or otherwise promoting the general benefit of the Owners within the Subdivision.

7.4.6 The powers and obligations of the Association may from time to time be amended, repealed, enlarged or restricted by changes in this Declaration made in accordance with the provisions herein, accompanied by changes in the Articles of Incorporation or Bylaws of the Association.

7.47 The Homeowners Association shall be responsible for the maintenance and operation of the well and fire suppression tank referred to in Article 6.6 herein. The Declarant has entered into various agreements with nearby property owners to provide water for fire protection use which Declarant hereby assigns to the Homeowners Association which shall honor said agreements fully.

7.5 Assessments. The Association shall adopt budgets and impose and collect Assessments as provided in this Declaration.

7.6 Enforcement. The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of this Declaration and the Policies and Procedures adopted by the Association, including, without limitation, enforcement of the decisions of the Architectural Review Committee.

7.7 Employment of Agents, Advisers and Contractors. The Association, through its Board of Directors, may employ the services of any person or corporation as managers, hire employees to manage, conduct and perform the business, obligations and duties of the Association, employ professional counsel and obtain advice from such persons or firms or corporations necessary or convenient for the management, maintenance and operation of the Subdivision.

The Association may acquire, hold title to and convey, with or without consideration, real and personal property and interest therein, including but not limited to easements across all or any portion of the Subdivision, except as otherwise limited herein.

7.9 Liability. A member of the Board of Directors or an officer of the Association shall not be liable for the Association or any member of the Association for any damage, loss or prejudice suffered or claimed on account of any action or failure to act in the performance of his or duties, except for acts of gross negligence or intentional acts. In the event any member of the

Board of Directors or any officer of the Association is made a party to any proceeding because the individual is or was a director or officer of the Association, the Association shall indemnify such individual against liability and expenses incurred for the maximum extent permitted by law.

7.10 Interim Board. Declarant shall have the right to appoint an interim board of three directors, who shall serve as the Board of Directors of the Association until replaced by a majority vote of those entitled to cast votes at an annual or special meeting of the homeowners association.

7.11 Turnover Meeting. Declarant shall call a meeting of the Association for the purpose of turning over administrative responsibility for the Subdivision not later than 120 days after Lots representing 75% of the total lots in the Subdivision have been sold and conveyed to Owners other than the Declarant. If the Declarant fails to call the turnover meeting as required by this section, any Owner or mortgagee of a Lot may call the meeting by giving notice as provided in the Bylaws.

7.12 Transitional Advisory Committee. Pursuant to ORS 94.604, not later than the 60th day after the declarant has conveyed the lots representing 50 percent of the votes in Redwood Hills, the declarant or the owners of lots in the community shall form a transitional advisory committee. The committee shall operate in accordance with ORS 94.604.

ARTICLE 8 ASSESSMENTS

8.1 Purpose of Assessments. The assessments levied by the Association shall be used to maintain the roads within the Subdivision and to review proposed construction plans. Sufficient dues shall be collected annually from the Owner of each parcel to allow good maintenance of the roads and good snow plowing during the winter months as well as maintenance of the well and fire tank. Each Lot Owner shall pay the same amount regardless of the size of the parcel and whether a residence has been constructed upon the parcel.

8.2 Types of Assessments. The Association may levy annual assessments, and may levy special assessments and individual assessments, all as more particularly described below.

8.3 Apportionment of Assessments. All Lot Owners, including those Lots owned by the Declarant, shall pay equal assessments. All Lot Owners shall pay the prorata share of the annual assessments, special assessments, and emergency assessments commencing upon the date such Lots are made subject to this Declaration. The prorata share shall be based upon the total amount of each such assessment divided by the total number of assessment Lots subject to the assessment.

8.4 Annual Assessments. The Board of Directors of the Association shall from time to time and at least annually, prepare an operating budget for the Association, taking into account the current costs of maintenance and services for future needs of the Association and any previous over—assessments.

8.5 Special Assessments. In addition to the annual assessment authorized above, the Board of Directors may levy during any fiscal year a special assessment applicable to that year only, for the purpose of deferring all or any part of the cost of any construction or reconstruction, unexpected repair or acquisition or replacement of a capital improvement or for any other one—time expenditure not to be paid for out of annual assessments. Special assessments which in the aggregate in any fiscal year exceed an amount equal to 5% of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by a majority vote of the Homeowners Association.

8.6 Individual Assessments. Any common expense or any part of a common expense benefitting fewer than all of the Lots may be assessed exclusively against the Lots benefitted. Individual assessments include any default assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or any policy and procedures of the Association for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, individual assessments shall be due thirty (30) days after the Board of Directors has given written notice thereof to the Owners subject to individual assessments.

8.7 Annexation of Additional Property. If additional properties are annexed to the Redwood Hills Subdivision, the Lots included therein shall become subject to assessments from the date of such annexation. All other Lots shall pay such assessments in the amount then being paid by other Lots in the Subdivision. The Board of Directors of the Association, however, at its option, may elect to recompute the budget based upon the additional Lots subject to the assessment.

8.8 Creation of Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Subdivision, does hereby covenant and each Owner of any Lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed a covenant to pay to the Association all assessments or other charges as may be fixed, established and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such assessments and charges, together with any interest, expenses or attorneys' fees imposed shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment or charge is made. Such assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment or charge became due. Such liens and personal obligations shall be enforced in the manner set forth below.

ARTICLE 9 ENFORCEMENT

9.1 Non-qualifying Improvements and Violation of General Protective Covenants. In the event any Owner constructs or permits to be constructed on his Lot an improvement contrary to the provisions of this Declaration, or causes or permits any improvement, activity, condition or nuisance contrary to the provisions of this Declaration to remain uncorrected or unabated on the

Owner's Lot, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations of this Declaration and shall require the Owner to remedy or abate the same in order to bring his Lot, the improvements thereon and the uses thereof, into conformance with this Declaration. If the Owner is unable, unwilling or refuses to comply with the Association's specific directives for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard and within sixty (60) days of written notice to the Owner, then the Association acting through its Board of Directors, shall have the right to do any or all of the following:

9.1.1 Assess reasonable fines against such Owner in the manner and amount the Board deems appropriate in relation to the violation, which fines shall constitute individual assessments for purposes of this Declaration;

9.1.2 Enter the offending Lot and remove the cause of such violation, or alter, repair or change the item which is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done, which amount shall be payable to the Board of Directors as an individual assessment, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings, or

9.1.3 Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

9.2 Default in Payment of Assessments; Enforcement of Lien. If an assessment or other charge levied under this Declaration is not paid within thirty (30) days of its due date, such assessment or charge shall become delinquent and shall bear interest from the due date at the rate of nine (9) percent per annum. In such event the Association may exercise any or all of the following remedies;

9.2.1 The Association may suspend such Owner's voting rights until such amounts, plus other charges under this Declaration, are paid in full and may declare all remaining installments of any annual assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from the Owner's Lot.

9.2.2 The Association shall have a lien against each Lot for any assessment levied against the Lot, including any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot from the date on which the assessment is due. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 94.704 to 94.716, as the same may be amended, shall apply to the Association's lien. The lien shall be foreclosed in accordance with the provisions regarding the foreclosure of liens under ORS Chapter 88. The Association, through its duly authorized agents, may bid on the Lot at such foreclosure sale, and may acquire and hold, lease, mortgage and convey the Lot.

9.2.3 The Association may bring an action to recover a money judgment for unpaid assessments under this Declaration without foreclosing or waiving the lien described in paragraph (9.2.2 above). Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

9.3 The Association shall have any other remedy available to it by law or in equity.

9.4 Notification of First Mortgagee. The Board of Directors shall notify any first mortgagee of any individual Lot of any default in performance of this Declaration by the Lot Owner which is not cured within sixty (60) days after notice of default to the Owner. Any sale or transfer of any Lot subject to a lien shall not affect the assessment lien and shall not release the Lot from any liability from any assessment or charges.

9.5 Expenses and Attorneys' Fees. A late charge may be charged for each delinquent assessment in an amount established from time to time by resolution of the Board of Directors of the Association not to exceed thirty percent (30%) of such assessment. In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice, and a fee for preparing the notice of lien established from time to time by resolution of the Board of Directors of the Association. In the event the Association shall bring any suit or action to enforce this Declaration, or to collect any money due under this Declaration or to foreclose a lien the Owner-defendant shall pay to the Association all costs and expenses incurred by it in connection with such suit or action, including a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable attorneys' fees at trial and upon appeal.

9.6 Non-exclusiveness and Accumulation of Remedies. An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted under this Declaration or permitted by law. The remedies provided in this Declaration are not exclusive. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

The owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner himself.

10.7.2 The property included in any such annexation shall thereby become a part of Redwood Hills and this Declaration. Declarant and the association shall have and shall accept and exercise administration of this Declaration with respect to such additional property.

10.7.3 Upon annexation, additional Lots so annexed shall be entitled to the same voting rights as other lot owners in Redwood Hills as set forth in Article 7 of this Declaration.

10.8 Nonwaiver. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
