THIS TRUST DEED, made on April 10, 2008, between  
Brandon C. Roberts

, as Grantor,  
First American Title Insurance Company, as Trustee, and  
Larry L. Blomquist and Judy L. Blomquist, Trustees of the Blomquist  
Family Trust, UAD 3/9/04, as Beneficiary,

## WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to trustee, in trust, with power of sale, the property in  
Klamath County, Oregon, described as:

See attached Exhibit "A"

SUBJECT TO all liens and encumbrances of record and those apparent upon  
the land.

together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in any way  
now or hereafter appertaining, and the rents, issues and profits thereof, and all fixtures now or hereafter attached to or used in con-  
nection with the property.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of \$400,000.00  
owed by Roberts Diversified Enterprises, Inc. to Beneficiary  
Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the final  
payment of principal and interest, if not sooner paid, to be due and payable on January 23, 2012.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of the note becomes due and payable.  
Should the grantor either agree to, attempt to, or actually sell, convey, or assign all (or any part) of the property, or all (or any part) of grantor's interest in it without  
first obtaining the written consent or approval of the beneficiary, then, at the beneficiary's option\*, all obligations secured by this instrument, irrespective of the matu-  
rity dates expressed therein, or herein, shall become immediately due and payable. The execution by grantor of an earnest money agreement\*\* does not constitute a  
sale, conveyance or assignment.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain the property in good condition and repair; not to remove or demolish any building or improvement thereon; and not to  
commit or permit any waste of the property.

2. To complete or restore promptly and in good and habitable condition any building or improvement which may be constructed, damaged or destroyed there-  
on, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property; if the beneficiary so requests, to join in exe-  
cuting such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require, and to pay for filing the same in the proper public office  
or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the property against loss or damage by fire and other haz-  
ards, as the beneficiary may from time to time require, in an amount not less than \$ full value, written by one or more  
companies acceptable to the beneficiary, with loss payable to the latter. All policies of insurance shall be delivered to the beneficiary as soon as issued. If the grantor  
shall fail for any reason to procure any such insurance and to deliver the policies to the beneficiary at least fifteen days prior to the expiration of any policy of insur-  
ance now or hereafter placed on the buildings, the beneficiary may procure the same at grantor's expense. The amount collected under any fire or other insurance pol-  
icy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount  
so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invali-  
date any act done pursuant to such notice.

5. To keep the property free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against the  
property before any part of such taxes, assessments and other charges becomes past due or delinquent and promptly deliver receipts therefor to beneficiary. Should  
the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing  
beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set  
forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt  
secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof. For such payments, with interest as aforesaid, the prop-  
erty hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described. All such  
payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this  
trust deed immediately due and payable and shall constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee incurred in con-  
nection with or in enforcing this obligation, and trustee and attorney fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or pro-  
ceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed or any suit or action related to this instrument, including  
but not limited to its validity and/or enforceability, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney fees. The amount  
of attorney fees mentioned in this paragraph in all cases shall be fixed by the trial court, and in the event of an appeal from any judgment or decree of the trial court,  
grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of the property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it  
so elects, to require that all or any portion of the monies payable as compensation for such taking which are in excess of the amount required to pay all reasonable  
costs, expenses and attorney fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable  
costs and expenses and attorney fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied  
upon the indebtedness secured hereby. Grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such  
compensation promptly upon beneficiary's request.

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney who is an active member of the Oregon State Bar, a bank, trust company or savings and loan  
association authorized to do business under the laws of Oregon or the United States, a title insurance company authorized to insure title to real property of this state, its subsidiaries,  
affiliates, agents or branches, the United States or any agency thereof, or an escrow agent licensed under ORS 696.505 to 696.585.

\*WARNING: 12 USC 1701j-3 regulates and may prohibit exercise of this option.  
\*\*The publisher suggests that such an agreement address the issue of obtaining beneficiary's consent in complete detail.

9. At any time, and from time to time upon written request of beneficiary, payment of its fees and expenses of recording of this deed and the note for subordination (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plat of the property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; or (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the person or persons legally entitled thereto, and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may, at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the property or any part thereof, in its own name and use or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney fees, upon any indebtedness secured hereby, and in such order as beneficiary may determine. The entering upon and taking possession of the property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder, or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby, or in grantor's performance of any agreement hereunder, time being of the essence with respect to such payment and/or performance, the beneficiary may declare all sums secured hereby immediately due and payable. In such event, the beneficiary may elect to proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed by advertisement and sale, or may direct the trustee to pursue any other right or remedy, either at law or in equity, which the beneficiary may have. In the event the beneficiary elects to foreclose by advertisement and sale, the beneficiary shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant cash, payable at the time of sale. The trustee may sell the property either in one parcel or in separate parcels and shall sell the parcel or parcels at auction to the highest bidder for provided by law. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale or the time to which the sale may be postponed as provided by law. The trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of: (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney; (2) to the obligation secured by the trust deed; (3) to all persons having recorded liens subsequent to the interest of the trustee in interest entitled to such surplus.

16. Beneficiary may, from time to time, appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by beneficiary, which, when recorded in the mortgage records of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

The grantor covenants to and agrees with the beneficiary and the beneficiary's successors in interest that the grantor is lawfully seized in fee simple of the real property and has a valid, unencumbered title thereto, except as may be set forth in any addendum or exhibit attached hereto, and that the grantor will warrant and forever defend the same against all persons whomsoever.

**WARNING:** Unless grantor provides beneficiary with evidence of insurance coverage as required by the contract or loan agreement between them, beneficiary may purchase insurance at grantor's expense to protect beneficiary's interest. This insurance may, but need not, also protect grantor's interest. If the collateral becomes damaged, the coverage purchased by beneficiary may not pay any claim made by or against grantor. Grantor may later cancel the coverage by providing evidence that grantor has obtained property coverage elsewhere. Grantor is responsible for the cost of any insurance coverage purchased by beneficiary, which cost may be added to grantor's contract or loan balance. If it is so added, the interest rate on the underlying contract or loan will apply to it. The effective date of coverage may be the date grantor's prior coverage lapsed or the date grantor failed to provide proof of coverage. The coverage beneficiary purchases may be considerably more expensive than insurance grantor might otherwise obtain alone and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are (choose one):

(a) ~~entirely for the personal, family or household use of the borrower and no part of the proceeds are to be used for any other purpose.~~

(b) For an organization, or (even if grantor is a natural person) are for business or commercial purposes.

In constituting this trust deed, it is understood that the grantor, trustee and/or beneficiary may each be more than one person, that if the context so requires, the singular shall be taken to mean and include the plural, and that generally all grammatical changes shall be made, assumed and implied to make the provisions here-apply equally to corporations and to individuals.

**IN WITNESS WHEREOF,** the grantor has executed this instrument the day and year first written above.

**\*IMPORTANT NOTICE:** Delete, by lining out, whichever warranty (a) or (b) is inapplicable. If warranty (a) is applicable and the beneficiary is a creditor as such word is defined in the Truth-in-Lending Act and Regulation Z, the beneficiary **MUST** comply with the Act and Regulation by making required disclosures. If compliance with the Act is not required, disregard this notice.
