If said lands are subject to any trust deed, mortgage, contract of sale, or other lien upon the land, Land Owners agree to furnish to KID a recordable agreement from the owners and holders of such instrument or lien accepting the terms of this Agreement and releasing any lien it may have against the water rights, easements, and servitudes, acknowledged, released, transferred, and conveyed by this Agreement.
2. Said lands do not have reasonable access to the system of irrigation works of KID, or have been permanently devoted to uses other than agriculture, horticulture, viticulture, or grazing, or are subject to being irrigated from another source or, it is in the best interest of KID to exclude said land from assessment and from the benefits of KID.

6. Land Owners do hereby absolve, waive, and release both KID and the United States from any and all claims of liability for any damages or injuries to person or property that may have heretofore occurred or that may now be occurring in connection with the ownership,

7. Land Owners understand and agree that should they desire to be included in KID in the future, if such inclusion is possible, before such request will be granted, Land Owners will be required as a condition thereof to pay all assessments that have been exempted by this Agreement, plus the amount of all interest that would have been chargeable for nonpayment of such assessments if they had not been exempted by this Agreement.

8. Land Owners' representations, warranties, covenants, and agreements herein set forth are covenants running with Land Owners' said land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of KID and the United States of America, and their respective successors, grantees, transferees, and assigns.
