In consideration of the mutual promises and agreements exchanged, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed by and among the parties as follows:

1. The current outstanding principal balance of the Credit Agreement as of March 5, 2009 is \$193,264.25.

2. Obligor has requested that certain terms of the Credit Agreement and Security Instrument be modified. Lender has agreed to make certain modifications. Therefore, the following paragraphs of the Credit Agreement are amended as follows:

**Change of Credit Limit.** Beginning with the Effective Date of this Agreement, the Credit Limit is modified to be as follows:

FROM the previous Credit Limit of \$175,000.000 (the "Previous Credit Limit")  
TO the new Credit Limit of \$70,500.00 (the "New Credit Limit"),  
Constituting a decrease of \$104,500.00.

3. Except as otherwise expressly modified hereby, all terms and provisions of the Credit Agreement and Security Instrument are ratified and confirmed and shall remain in full force and effect, enforceable in accordance with their terms as hereby modified. To the extent of any conflict between the Credit Agreement and Security Instrument, on the one hand, and this Agreement, on the other hand, this Agreement shall control. Obligor represents and warrants that as of the effective date of this Agreement no default exists in the Credit Agreement or Security Instrument.

4. Obligor hereby agrees to observe, comply with and perform all of the obligations, terms and conditions under or in connection with the Credit Agreement and Security Instrument as previously executed by Obligor, as modified hereby. Obligor hereby reaffirms to USAA FSB each of the representations, warranties, covenants, and agreements contained in the Credit Agreement, Security Instrument, or any or all other documents executed by Obligor in connection with the Loan, with the same force and effect as if each were separately stated herein. This Agreement is not intended to be a satisfaction and replacement of the existing obligation, but rather a modification, amendment, and supplement of the existing obligation.

5. Obligor hereby acknowledges and agrees that the liens and security interests of the Security Instrument and any other documents and instruments executed in connection with the Loan securing the Credit Agreement are valid and subsisting liens and security interests and are superior to all other liens and security interests against the Real Property or Property and any other collateral to which they attach, with the sole exception of the indebtedness secured by encumbrances of record on the date of the Security Instrument and of which Obligor made Lender aware prior to closing of the

Loan (if any and if such indebtedness is still unsatisfied), and they are hereby renewed and extended and carried forward in full force and effect.

6. This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, representatives, successors and assigns.

7. In the event the enforceability or validity of any portion of this Agreement, the Credit Agreement, the Security Instrument, or any other documents executed in connection with the Loan, all as modified hereby, is challenged or questioned, such provision shall be construed in accordance with and shall be governed by whichever applicable federal or state law would uphold or would enforce such challenged or questioned provision.

8. THIS AGREEMENT AND ALL OF THE LOAN DOCUMENTS, AS HERETOFORE OR HEREIN MODIFIED, REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OR PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

9. In the event the term, "Obligor," represents more than one person, then the terms of this Modification Agreement are undertaken by each and every person, and all duties under this Modification Agreement are joint and several. All references to the singular include the plural; all references to the masculine include the feminine.
