This Trust Deed shall secure payment and performance of a Security Agreement dated December 10, 2009, plus advances made after that date and other agreements between the parties to the Security Agreement. The principal amount due under the Security Agreement as of December 10, 2009 is \$2,503,555.61.

Grantor shall keep any buildings now on the premises or which may hereafter be placed thereon insured against loss or damage by fire, with extended coverage, for their full insurable value with Beneficiary listed as a named insured or loss payee. Time is of the essence hereof. Default by Grantor of any of Grantor's obligations in the Security Agreement or other loan agreements with Beneficiary or this Trust Deed will entitle Beneficiary to declare the full unpaid balance of the Security Agreement, together with any other sums secured by this Trust Deed, immediately due and payable, in which case failure of the Grantor to pay the full amount declared to be due within ten (10) days from the date of such declaration shall be a material breach of this Trust Deed.

Should Grantor default, Beneficiary, in addition to any other legal or equitable remedies, may deliver to its Trustee a written notice of default and election to sell the property. Upon such delivery, the Beneficiary shall deposit with the Trustee this Trust Deed and all documents evidencing expenditures, whereupon the Trustee shall fix the time and place of sale and give notice thereof as then required by law.

If legal expenses are incurred in a trustee's sale of the property, the Trustee and Beneficiary shall be entitled to recover such expenses. If litigation arises from this document, the prevailing party shall be entitled to recover attorneys' fees at all levels of litigation.

Date: February 26 , 2010.
