WHEREAS, this Agreement is given to secure the prompt payment and the performance in full when due, whether at stated maturity, by acceleration or otherwise (including the payment of amounts which would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a)) of all Secured Indebtedness (as defined in the Mortgage); and

WHEREAS, as a condition precedent to the extension of the Secured Indebtedness (as defined in the Mortgage) by Lender and pursuant to the Credit Agreement and the Notes, Lender has required Assignor, and Assignor is willing to assume and perform all of the obligations under this Agreement securing the payment and performance of all of the Secured Indebtedness.

NOW, THEREFORE, in consideration of the foregoing, the parties agree as follows:

1. **Definitions.** All capitalized words and terms used in this Agreement shall have the meanings set forth in the Credit Agreement, unless otherwise defined herein.

2. **Absolute Assignment.** Subject to the terms of this Agreement, Assignor unconditionally and absolutely assigns to Lender all of Assignor's right, title and interest in and to: (a) all leases, subleases, occupancy agreements, licenses, concessions, rental contracts and other agreements (written or oral) now or hereafter existing relating to the use or occupancy of the real property described in Exhibit A hereto (said land and project herein collectively referred to as the "Property"), together with all guarantees, letters of credit and other credit support, modifications, extensions and renewals thereof (whether before or after the filing by or against Assignor of any petition of relief under 11 U.S.C. § 101 et seq., as same may be amended from time to time (the "Bankruptcy Code")), and all related security and other deposits (collectively, the "Leases"); (b) all rents, revenues, liquidated damages following defaults under the Leases, issues, profits, income and proceeds due or to become due from tenants of the Property, including rentals and all other payments of any kind under the Leases for using, leasing, licensing, possessing, operating from, rendering in, selling or otherwise enjoying the Property (collectively, the "Rents"); (c) all of Assignor's claims and rights (the "Bankruptcy Claims") to the payment of damages arising from any rejection by a lessee of any Lease under the Bankruptcy Code; and (d) any and all other rights of Assignor in and to the items set forth in subsections (a) through (c) above, and all amendments, modifications, replacements, renewals, proceeds and substitutions thereof. This Agreement is given as security for the payment and performance of the obligations under the Loan Documents (defined below) and such assignment is presently and immediately effective. The assignment contained herein shall not itself reduce the obligations owing to Lender under the Loan Documents unless and until Lender actually receives the Rents and such Rents are applied by Lender to such obligations pursuant to Section 4 below.

3. **Rights of Lender.** Subject to the terms hereof, Lender shall have the right, power and authority to: (a) notify any person that the Leases have been assigned to Lender and that all Rents are to be paid directly to Lender, whether or not Lender has commenced or completed foreclosure or taken possession of the Property; (b) settle, compromise, release, extend the time of payment of, and make allowances, adjustments and discounts of any Rents or other obligations under the Leases; (c) enforce payment of Rents and other rights under the Leases, prosecute any action or proceeding, and defend against any claim with respect to Rents and Leases; and/or (d) perform any and all obligations of Assignor under the Leases and exercise any and all rights of Assignor therein contained to the full extent of Assignor's rights and obligations thereunder, with or without the bringing of any action or the appointment of a receiver. At Lender's request, Assignor shall deliver a copy of this Agreement to each tenant under a Lease and to each manager and managing agent or operator of the Property. Assignor irrevocably directs any tenant, manager, managing agent, or operator of the Property, without any

requirement for notice to or consent by Assignor, to comply with all demands of Lender under this Agreement and to turn over to Lender on demand all Rents which it receives.

4. **No Obligation or Liability.** Notwithstanding Lender's rights hereunder, Lender shall not be obligated to perform, and Lender does not undertake to perform, any obligation, duty or liability with respect to the Leases, Rents or Property on account of this Agreement. Lender shall have no responsibility on account of this Agreement for the control, care, maintenance or repair of the Property, for any waste committed on the Property, for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property. Lender shall not be liable for any loss sustained by Assignor resulting from Lender's failure to let the Property after an Event of Default (as defined in the Credit Agreement) or from any other act or omission of Lender in managing the Property after an Event of Default. Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession" in the absence of the taking of actual possession of the Property by Lender. In the exercise of the powers herein granted Lender, no liability shall be asserted or enforced against Lender, all such liability being expressly waived and released by Assignor.

5. **Right to Apply Rents.** Lender shall have the right, but not the obligation, to use and apply any Rents received by Lender pursuant to the terms hereof in such order and for the purposes as Lender may determine for:

(a) **Operating Expenses.** The payment of costs and expenses of the operation and maintenance of the Property, including (i) rentals and other charges payable by Assignor under any ground lease or other agreement affecting the Property; (ii) electricity, telephone, water and other utility costs, taxes, assessments, water charges and sewer rents and other utility and governmental charges levied, assessed or imposed against the Property; (iii) insurance premiums; (iv) costs and expenses with respect to any litigation affecting the Property, the Leases or the Rents; (v) wages and salaries of employees, commissions of agents and attorneys' fees and expenses; and (vi) all other carrying costs, fees, charges, reserves, and expenses whatsoever relating to the Property.

(b) **Loan Payments.** The payment of interest, principal or other amounts payable pursuant to Assignor's obligations under (i) the Credit Agreement; (ii) the Deed of Trust, Assignment of Rents and Leases, Security Agreement, and Fixture Filing of even date, executed by Assignor for the benefit of Lender and relating to the Property (the "Mortgage"); (iii) all other documents, guaranty agreements, and instruments evidencing, governing and securing the Loan and (iv) any and all modifications, amendments or extensions thereof or replacements or substitutions therefor (the Credit Agreement, the Mortgage, the Notes, such other documents and instruments, and such modifications, amendments, extensions, replacements, and substitutions thereof being herein collectively called the "Loan Documents") (for purposes of clarification, the Indemnity Agreement Regarding Environmental Matters from Assignor for the benefit of Assignee is not secured by this Agreement); and

(c) **Enforcement or Defense.** The payment of costs and expenses of enforcing or defending the terms of this Agreement or the rights of Lender hereunder, and collecting any Rents.

6. **No Waiver.** The exercise or nonexercise by Lender of the rights granted in this Agreement or the collection and application of Rents by Lender or its agent shall not be a waiver of any default by Assignor under this Agreement or any other Loan Document. No action or failure to act by Lender with respect to any obligations of Assignor under the Loan Documents, or any security or guaranty given for the payment or performance thereof, shall in any manner affect, impair or prejudice any of Lender's rights and privileges under this Agreement, or discharge, release or modify any of Assignor's duties or obligations hereunder.

7. **Revocable License.** Notwithstanding that this Agreement is an absolute assignment of the Rents and Leases and not merely the collateral assignment of, or the grant of a lien or security interest in the Rents and Leases subject to the terms hereof, Lender grants to Assignor a revocable license to collect and receive the Rents and to retain, use and enjoy such Rents. Such license shall be automatically revoked upon the occurrence of any Event of Default and Lender shall immediately be entitled to receive and apply all Rents, whether or not Lender enters upon and takes control of the Property; provided, however, that Lender may at any time, and from time to time, reinstate the revocable license. Prior to such revocation, Assignor shall apply any Rents which it receives to the payment of debt service on the Notes and other payments due under the Credit Agreement, taxes, assessments, water charges, sewer rents and other governmental charges levied, assessed or imposed against the Property, insurance premiums, operation and maintenance charges relating to the Property, and other obligations of lessor under the Leases before using such proceeds for any other purpose. Lender is hereby granted and assigned by Assignor the right, at its option, upon the revocation of the license granted herein to enter upon the Property in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license herein granted may be applied in the manner set forth in Section 5 above.

8. **Term.** This Agreement shall continue in full force and effect until (a) all amounts due under the Loan Documents are paid in full, and (b) all other obligations of Assignor under the Loan Documents are fully satisfied.

9. **Appointment.** Assignor irrevocably appoints Lender its true and lawful attorney in fact, which appointment is coupled with an interest, to exercise any or all of the rights or powers described herein with the same force and effect as if exercised by Assignor, and Assignor ratifies and confirms any and all acts done or omitted to be done by Lender, its agents, servants, employees or attorneys in, to or about the Property.

10. **Liability of Lender.** Lender shall not in any way be liable to Assignor for any action or inaction of Lender, its employees or agents under this Agreement.

11. **Indemnification.** Assignor shall indemnify, defend and hold harmless Lender from and against all liability, loss, damage, cost or expense which it may incur under this Agreement or under any of the Leases, including any claim against Lender by reason of any alleged obligation, undertaking, action, or inaction on its part to perform or discharge any terms, covenants or conditions of the Leases or with respect to Rents, and including reasonable attorneys' fees and expenses, but excluding any claim to the extent caused by Lender's gross negligence or willful misconduct. Any amount covered by this indemnity shall be payable on

demand, and shall bear interest from the date of demand until the same is paid by Assignor to Lender at a rate equal to the Default Rate (as defined in the Notes).

12. **Modification.** This Agreement may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of such change is sought.

13. **Bankruptcy.**

(a) Upon or at any time after the occurrence of a Event of Default, Lender shall have the right to proceed in its own name or in the name of Assignor in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Assignor, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Assignor a petition under the Bankruptcy Code, and Assignor, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Assignor shall give Lender not less than ten (10) days' prior notice of the date on which Assignor shall apply to the bankruptcy court for authority to reject the Lease. Lender shall have the right, but not the obligation, to serve upon Assignor within such ten-day period a notice stating that (i) Lender demands that Assignor assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Assignor the notice described in the preceding sentence, Assignor shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

14. **Authority.** Assignor represents and warrants that it has full power and authority to execute and deliver this Agreement and the execution and delivery of this Agreement has been duly authorized and does not conflict with or constitute a default under any law, judicial order or other agreement affecting Assignor or the Property.

15. **Liability.** If Assignor consists of more than one person, the obligations and liabilities of each such person hereunder shall be joint and several.

16. **Headings, Etc.** The headings and captions of various paragraphs of this Agreement are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

17. **Notices.** Any notice required or permitted to be given under this Agreement shall be (a) in writing, (b) sent in the manner set forth in the Credit Agreement, and (c) effective in accordance with the terms of the Credit Agreement.

18. **Successors and Assigns.** This Agreement shall inure to the benefit of Lender and its successors and assigns and shall be binding on Assignor and its successors and assigns.

19. **Governing Law; Severability.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of Oregon. The invalidity, illegality or unenforceability of any provision of this Agreement shall not affect or impair the validity, legality or enforceability of the remainder of this Agreement, and to this end, the provisions of this Agreement are declared to be severable.

20. **Conflict.** If any conflict or inconsistency exists between the absolute assignment of the Rents and the Leases in this Agreement and the assignment of the Rents and Leases as security in the Mortgage, the terms of this Agreement shall control.

21. **Counterparts.** This Agreement may be executed in multiple counterparts to be recorded in each county in which a portion of the Property is located, each of which shall constitute an original, but all of which shall constitute one document.
