THIS GRANT PROGRAM AGREEMENT, hereinafter referred to as "Agreement" is made and entered into by and between the STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "ODOT," and the City of Klamath Falls, acting by and through elected officials, hereinafter referred to as "Recipient," hereinafter individually referred to as the "Party" and collectively referred to as the "Parties."

**RECITALS**

1. By the authority granted in Oregon Revised Statute (ORS) 190.110, 366.572, and 366.576, state agencies may enter into agreements with counties, cities, and units of local government for the performance of any or all functions and activities that a party to the agreement, its officers, or agents have the authority to perform.
2. By the authority granted in *ConnectOregon* Partnership – Program Administration Agreement No. 26593, between the Oregon Department of Aviation and ODOT, incorporated herein and by this reference made a part hereof, ODOT may enter into this Agreement for the performance of work on Projects.
3. Pursuant to ORS 367.080 through 367.086, there is established the Multimodal Transportation Fund, separate and distinct from the General Fund, allowing for the issuance of lottery bonds for the purpose of financing grants and loans to fund Transportation Projects to public bodies and private entities that involve air, marine, rail or public transit. The Multimodal Transportation Fund Program is focused on improving the connections between air, rail, marine and transit modes of transportation to reduce transportation costs to businesses, remove key bottlenecks, and increase connectivity.
4. Pursuant to Enrolled House Bill 2001, Sections 9 and 10, The Oregon State Legislature authorized the Oregon Transportation Commission to allocate five percent of the net proceeds from the \$100,000,000 lottery bond sale for the biennium beginning July 1, 2009. Five percent of the net proceeds of the \$100,000,000 sale of lottery bonds are allocated to Rural Airports in Section 10(1) of Chapter 865, OL 2009.

Recipient/ODOT  
Agreement No.26971

5. The receipt and use of Multimodal Transportation Funds and the execution of this Agreement by Recipient are subject to conditions imposed by ORS 367.080 through 367.086 and Oregon Administrative Rule (OAR) Chapter 731 Division 35.
6. The Oregon Transportation Commission approved the projects to be funded under the Multimodal Transportation Fund Program at its August 2010 meeting. The OTC has set specific conditions on all approved projects and the inability to meet these OTC conditions may result in a loss of project funding. Final approval for the Project is subject to meeting all the OTC conditions as stated below.
7. Safety is of paramount concern to ODOT. ODOT encourages Recipients of *ConnectOregon* grant funds to have safety as a high priority for all phases of work.

**DEFINITIONS**

which is attached hereto by reference and made a part hereof. The anticipated date of completion for this Project is November 30, 2010.

If the Project is not completed in accordance with, or consistent with, the Application No. 2010-RA-010, and documents provided by the Recipient to ODOT prior to the execution of the Agreement, incorporated by reference into this Agreement, and this Agreement, as they each may be amended, Recipient shall pay back all of the *ConnectOregon* III grant funds to ODOT. Any funds disbursed but not used for the approved Project must be returned to ODOT.
3. The term of this Agreement is effective on the date all required signatures are obtained and shall terminate five (5) years from the date of execution unless extended by a fully executed amendment. 4. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
5. ODOT and Recipient are the only Parties to this Agreement and, as such, are the only Parties entitled to enforce its terms. Nothing in this Agreement gives or shall be construed to give or provide any benefit, direct, indirect or otherwise to third persons unless such third persons are expressly identified by name and specifically described as intended to be beneficiaries of its terms.
6. ODOT and Recipient hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
- 7a. The laws of the State of Oregon without giving effect to its conflicts of law principles govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Agreement No.26971

- c. Notwithstanding subsection (b), if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This section applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This section is also not a waiver by the State of Oregon of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.
8. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
9. This Agreement, Project application and documents provided by the Recipient to ODOT prior to the execution of the Agreement, and attached exhibit constitute the entire agreement between the Parties on the subject matter hereof. In the event of a conflict, the body of this Agreement and the attached Exhibit A will control over the Project application and documents provided by the Recipient to ODOT. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision.

**THE PARTIES**, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
