Together with the right of ingress and egress for Grantee, its contractors, or agents, to the right of way from adjacent lands of Grantor for all activities in connection with the purposes for which this easement has been granted; and together with the present and (without payment therefore) the future right to keep the right of way clear of all brush, trees, timber, structures, buildings and other hazards which might endanger Grantee's facilities or impede Grantee's activities.

At no time shall Grantor place or store any flammable materials (other than agricultural crops) or light any fires, on or within the boundaries of the right of way.
