In that trust deed the real property therein and hereinafter described was conveyed by the grantor to the trustee to secure, among other things, the performance of certain obligations of the grantor to the beneficiary. The grantor thereafter defaulted in performance of the obligations secured by said trust deed as stated in the notice of default hereinafter mentioned and such default still existed at the time of the sale hereinafter described.

By reason of said default, the owner and holder of the obligations secured by said trust deed, being the beneficiary therein named, or his successor in interest, declared all sums so secured immediately due and owing. A notice of default containing an election to sell the real property and to foreclose the trust deed by advertisement and sale to satisfy the asserting grantor's obligations was recorded on October 19, 2011, in the Records of Klamath County, in Volume 2011, Page 011715, to which reference now is made.

After the recording of notice of default, the undersigned trustee gave notice of the time for and place of sale of said real property as fixed by the trustee and as required by law. Copies of the Notice of Sale were served pursuant to ORCP 7D(2) and 7D(3) or mailed by both first class and certified mail with return receipt requested, to the last known addresses of the persons or their legal representatives, if any, named in ORS 86.740(1) and 86.740(2)(a), at least 120 days before the date the property was sold. A copy of the notice of sale was mailed by first class and certified mail with return receipt requested to the last known address of the fiduciary or personal representative of any person named in ORS 86.740(1), promptly after the trustee received knowledge of the of the disability, insanity or death of any such person. Copies of the notice of sale were served in accordance with ORS 86.750(1) upon occupants of the property described in the trust deed at least 120 days before the date the property was sold. If the foreclosure proceedings were stayed and released from the stay, copies of an amended notice of sale in the form required by ORS 86.755(6) were mailed by registered or certified mail to the last known address of those persons listed in ORS 86.740 and 86.750(1) and to the address provided by each person who was present at the time and place set for the sale which was stayed within 30 days after the release from the stay. The trustee published a copy of the notice of sale in a newspaper of general circulation in each county in which the said real property is situated, once a week for four successive weeks. The last publication of the notice occurred more than twenty days prior to the date of sale. The mailing, service and publication of the notice of sale are shown by affidavits and/or proofs of service duly recorded prior to the date of sale in the county records, those affidavits and proofs, together with the Notice of Default and Election to Sell and the notice of sale, being now referred to and incorporated in and made a part of this deed as if fully set forth herein. The undersigned trustee has no actual notice of any person, other than the persons named in those affidavits and proofs as having or claiming a lien on or interest in the real property, entitled to notice pursuant to ORS 86.740(1)(b) or (1)(c).

The true and actual consideration for this conveyance is \$207,941.73.
