California does not have a "cooling off" period for the purchase of vehicles. All work done here is "custom" work. There will be no refund on product or services. Any order paid with a deposit must be paid in full upon completion of order. Failure to pay balance due at time of completion will result in forfeiture of any deposit paid, and product will remain property of California Cart Builder.

Payment schedule:

Trailer minimum required payment 50% down, 25% due at 1/2 completion, final 25% due upon completion. Truck minimum payment 70% down, 20% due at 1/2 completion, final 10% due upon completion. Equipment prices include installation and custom made mounting brackets, LPG or electrical lines, and relet components etc. for "permanent" installation. Customer supplied equipment will be charged the same installation fees unless complete installation is performed by customer. If generator is provided, unit is ONLY powered specific to the equipment listed, and may fluctuate in different altitudes. Available outlets are all on one 15amp circuit, and have several locations for convenience.

UPON REQUEST OUR UNITS MEET HUD (FEDERAL CODES AND STANDARDS) AND CALIFORNIA HEALTH CODES.
