NOW, THEREFORE, in consideration of the release by KID of Land Owners' land from  
KID's charges, assessments, lien, collection, and foreclosure rights under Oregon Revised  
Statutes Chapter 545, Land Owners and Land Owners' heirs, devisees, personal  
representatives, grantees, vendees, successors, and assigns, jointly and severally represent,  
warrant, guarantee, covenant, and agree with KID and its successors and assigns as follows:

1. Land Owners are the sole owners and holders of the fee simple title to the  
above-described lands and have good right to execute this Agreement and to bind said lands as

AGREEMENT FOR RELEASE OF WATER AND DRAINAGE RIGHTS

herein agreed. If said lands are subject to any trust deed, mortgage, contract of sale, or other lien upon the land, Land Owners agree to furnish to KID a recordable agreement from the owners and holders of such instrument or lien accepting the terms of this Agreement and releasing any lien it may have against the water rights, easements, and servitudes, acknowledged, released, transferred, and conveyed by this Agreement.

2. Said lands do not have reasonable access to the system of irrigation works of KID, or have been permanently devoted to uses other than agriculture, horticulture, viticulture, or grazing, or are subject to being irrigated from another source or, it is in the best interest of KID to exclude said land from assessment and from the benefits of KID.

3. Land Owners understand and agree that by executing this Agreement, they are releasing and waiving all rights of membership in KID, including the right to receive irrigation water, the right to use the drainage system operated and maintained by KID, and the right to vote in any KID election.

4. Land Owners understand that by the execution of this Agreement said lands may lose any right to receive water under State law. They acknowledge that because of the abandonment by nonuse of any right to receive water and the continued nonuse of water under this Agreement, the lands may fail to receive any future water rights. Land Owners do hereby assign and transfer unto KID the water right, if any, appurtenant to their land and do hereby irrevocably appoint the chairperson of the Directors of KID as their attorney-in-fact to execute any and all documents that may be necessary to transfer said water right, and to exclude Land Owners' land from KID.

5. Land Owners do hereby recognize, ratify, grant, and confirm the existence of all existing rights of KID or the United States affecting Land Owners' said property, including, without limitation by this recital, all rights of way, easements, and servitudes for all irrigation and drainage facilities of the United States or KID as now constructed and located upon or affecting Land Owners' said property and do agree that KID and the United States each now own, have, and hold and shall continue to own, have, and hold a prescriptive right, right of way, easement and servitude for all percolation, seepage, leakage, overflow, flooding, or any failure or lack of drainage that now exists or that at any time heretofore has occurred or resulted from any irrigation or drainage facility now constructed or in existence on or near any part of the Land Owners' said premises.

6. Land Owners do hereby absolve, waive, and release both KID and the United States from any and all claims of liability for any damages or injuries to person or property that may have heretofore occurred or that may now be occurring in connection with the ownership, operation, or maintenance of the Klamath Project. Each consenting mortgagee or lien holder consents to Grantor's covenants in this paragraph, but does not so covenant itself.

7. Land Owners understand and agree that should they desire to be included in KID in the future, if such inclusion is possible, before such request will be granted, Land Owners will be required as a condition thereof to pay all assessments that have been exempted by this Agreement, plus the amount of all interest that would have been chargeable for nonpayment of such assessments if they had not been exempted by this Agreement.

## AGREEMENT FOR RELEASE OF WATER AND DRAINAGE RIGHTS

8. Land Owners' representations, warranties, covenants, and agreements herein set forth are covenants running with Land Owners' said land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of KID and the United States of America, and their respective successors, grantees, transferees, and assigns.

9. Land Owners do hereby acknowledge that they have read all of the foregoing instrument and consent and agree to each of the representations, warranties, covenants, and agreements contained herein.

This Agreement shall take effect upon the approval of the same by the Board of Directors of KID, and the adoption of the Resolution exempting said land from the assessments of KID.
