The undersigned Trustee disclaims any liability for any incorrectness of the above street address or other common designation. Both the beneficiary and the trustee have elected to sell the said real property to satisfy the obligations secured by said trust deed and a notice of default has been recorded pursuant to Oregon Revised Statutes 86.735(3). The default for which the foreclosure is made is grantor's failure to pay when due, the following sums: monthly payments of \$756.37 beginning January 1, 2011; plus late charges of \$29.13 each month beginning January 1, 2011; plus advances of \$1,023.32; together with the title expense, costs, trustee's fees and attorney's fees incurred herein by reason of said default; any further sums advanced by the beneficiary for the protection of the above described real property and its interest therein; and prepayment penalties/premiums, if applicable.

Notice is further given that any person named in ORS 86.753 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the trust deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or trust deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and trust deed, together with trustee's and attorney's fees. Notice is also given that any person named in ORS 86.753 has the right to bring a court action to assert the non-existence of a default or any other defense to acceleration and sale.
