WARNING: Unless buyer provides seller with evidence of insurance coverage as required by the contract or loan agreement between them, seller may purchase insurance at buyer's expense to protect seller's interest. This insurance may, but need not, also protect buyer's interest. If the collateral becomes damaged, the coverage purchased by seller may not pay any claim made by or against buyer. Buyer may later cancel the coverage by providing evidence that buyer has obtained property coverage elsewhere. Buyer is responsible for the cost of any insurance coverage purchased by seller, which cost may be added to buyer's contract or loan balance. If it is so added, the interest rate on the underlying contract or loan will apply to it. The effective date of coverage may be the date buyer's prior coverage lapsed or the date buyer failed to provide proof of coverage. The coverage seller purchases may be considerably more expensive than insurance buyer might otherwise obtain alone and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.
