DEFAULT BY BORROWER:

There are continuing and uncured defaults by M & L Enterprises, Inc. (the "Borrower") that based on the provisions of the Trust Deed and the written documents for Loan No. 30035069 including the adjustable rate promissory note dated and effective as of May 31, 2005 (the "Note"), authorize the foreclosure of the Trust Deed and the sale of the Property described above, which uncured and continuing defaults include but are not necessarily limited to the following:

1. Borrower's failure to pay to Beneficiary, when and in the full amounts due, monthly installments as set forth on the Note secured by said Trust Deed. Monthly installments in the approximate amount of \$1,545.50, which includes principal and interest, are due for the months of August through December of 2012 and January through June 2012 and each and every month thereafter until paid. Late charges and other fees through and including June 25, 2012 total \$5,265.98. 2. As to the defaults which do not involve payment of money to the Beneficiary of the Trust Deed, the Borrower must cure each such default. Listed below are the defaults which do not involve payment of money to the Beneficiary of the Trust Deed. Opposite each such listed default is a brief description of the action necessary to cure the default and a description of the documentation necessary to show that the default has been cured. The list does not exhaust all possible other defaults; any and all defaults identified by Beneficiary or the Successor Trustee that are not listed below must also be cured.
