CERTIFICATE OF TRUST (ORS 128.860)

- a. The Trustor is: JUANITA FAIRCLO, aka JUANITA S. GOODE,
- b. The currently acting Successor Co-Trustees are:

EILEEN GIBBONS and
KEITH D. GOODE

3. **Trust Powers.**

The powers of the Trustee are as follows:

The Trustee is empowered to do all things appropriate for the orderly administration of the trust subject to the Trustee's power and control, unless otherwise specifically provided herein. Without limiting this general power, and without limitation of other powers hereby granted or otherwise possessed by the Trustee, including those specified in the Uniform Trustees' Powers Act in effect in Oregon as it may be amended from time to time, the Trustee shall have the following powers and discretion, which the Trustee shall exercise in such manner and upon such terms and conditions as the Trustee shall deem necessary, desirable or convenient:

Powers of the Trustee. In accordance with the terms of the Trust, Trustee shall have all powers conferred upon a Trustee by Oregon law as now existing or as later amended. In addition, the Trustee shall have the following powers:

- a. **Manage and Dispose of Assets.** To manage, maintain, improve, lease, grant options on, encumber, sell, exchange or otherwise dispose of part or all of the Trust Estate in any manner and on any terms the Trustee considers beneficial to the Trust Estate.
- b. **Retain Assets.** To retain any property for as long as the trustee considers such retention to be of probable benefit to the Trust Estate and to the Trust beneficiaries.
- c. **Make Investments.** To invest and reinvest the trust estate in common or preferred stocks, bonds, mutual funds, common trust funds, secured and

unsecured obligations, mortgages and other property, real or personal, which the Trustee considers advisable and in the best interest of the Trust Estate, whether or not authorized by law for the investment of trust funds.

- d. **Receive Compensation.** To receive reasonable compensation for the Trustee's own services and reimbursement for expenses incurred in administering the Trust Estate.
- e. **Loans.**
 - (1) **Loans to Trust.** The trustee shall have the power, in the Trustee's sole discretion, to advance funds to any Trust herein created for any Trust purpose. Such advances, together with interest at current rate, shall be a first lien on and shall be repaid out of principal and as an expense of the Trust and shall reimburse the Trustee from principal or accumulated income for any loss or expense incurred by reason of the Trustee's ownership or holding of any property in this Trust.
 - (2) **Loans to Beneficiaries.** The Trustee may, at any time and upon successive occasions, loan such sums to the beneficiaries, or any of them, as the trustee shall deem advisable and in the best interests of the beneficiaries. Such loans, if made, shall bear interest at the prevailing rate and shall be unsecured or secured, as the Trustee, in Trustee's sole discretion, may direct; provided, however, that the Trustee shall have wide discretion in the making or the denial of any such loan and the Trustee's judgment in the matter shall be conclusive and binding upon any beneficiary requesting any such loan.
- f. **Purchase Assets and Make Loans.** To purchase assets at their fair market value (as determined by the Trustee) from Trustor's probate estate or Trust Estate and to make secured or unsecured loans to Trustor's probate estate or the Trust Estate for any reason which the Trustee believes will benefit Trustor's probate estate or the Trust Estate.
- g. **Make elections, Decisions and Distributions.** To make any election or decision available under federal or state tax laws, to make pro-rata or non-pro-rata distributions, without regard to any differences in tax bases of assets distributed, and to make distributions in cash, in specific property, in undivided interests in property, or partly in cash and partly in property. The good faith decision of the Trustee in the exercise of these powers shall be conclusive and binding upon all parties, and the trustee need not make any adjustments among beneficiaries because of any election, decision or distribution.
- h. **Choose Manner of Making Distributions.** To make any distribution in any of the following ways to a beneficiary who is a minor, incompetent, under

legal disability or considered by the Trustee to be unable to handle property if paid to him directly, without liability to the trustee:

- (1) Directly to the beneficiary.
 - (2) To the beneficiary's guardian or conservator, to a custodian under the Oregon gifts to minors law or to any other fiduciary.
 - (3) To any person or organization furnishing health care, education, support or maintenance.
- i. **Do Other Act.** Except as otherwise provided in this instrument, to do all acts that might legally be done by an individual in absolute ownership and control of property and which, in the Trustee's judgment, are necessary or desirable for the proper and advantageous management of the Trust Estate.
- j. **Not Necessarily Diversify.** The Trustee shall not be required to sell or dispose of any investment solely because the retention thereof may prevent adequate diversification of investment or may result in a higher concentration of the value of the Trust Estate in such investment that the Trustee would ordinarily permit.
- k. **To Distribute Non-Pro-Rata.** Upon any division or distribution of the Trust Estate, to partition, allot and distribute the Trust Estate in kind at valuations determined by the Trustee and to cause any share to be composed of cash, property or undivided interests in property different in kind from any other share and to sell such property as the Trustee may deem appropriate.
- l. **Retain Non-Income Producing Assets.** To retain any assets or investment even though said assets or investment is not income producing.
- m. **Tax Elections and Deductions.** The Trustee shall have sole discretion to:
- (1) Claim deductions available to Trustor or Trustor's estate on inheritance or estate tax returns or on state or federal income tax returns;
 - (2) Use date-of-death valuations or alternate valuation date values for estate tax purposes; and
 - (3) Make any other election or decision available under federal or state tax laws.

Any such election or decision may be made, regardless of the effect thereof on any beneficiary or on any interest passing under this Trust or otherwise

and without adjustment between income and principal or among beneficiaries.

- n. **Powers Regarding Securities.** Trustee shall have, with respect to securities, all the rights, powers and privileges of an owner, including the right to vote stock, give proxies, pay assessments and other sums deemed by the Trustee to be necessary for the protection of the Trust Estate; to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations and, in connection therewith, to deposit securities with and transfer title to any protective or other committee under such terms as the Trustee may deem advisable; to exercise or sell stock subscription or conversion rights; to open an account with a brokerage firm of the choosing of the Trustee in the Trustee's name, in Trustee's own behalf, for the purpose of purchasing and selling of all kinds of securities and authorizing such brokerage firm to act upon any orders, including margin orders, options, both covered and uncovered, instructions with respect to such accounts and/or the delivery of securities or money therefrom and received from said Trustee; and to retain as an investment any securities or other property received through the exercise of any of the foregoing powers. The Trustee is further authorized to sign, deliver and/or receive any documents necessary to carry out the powers contained within this paragraph.
- o. **Determination of Income and Principal.** Trustee shall have the power and the authority to determine income and principal and how receipts and disbursements, including the fees of the Trustee, shall be credited, charged or apportioned as between income and principal; however, all such determination shall be made in accordance with the law of the State of Oregon and the decision and the accounts of the Trustee in accordance with said provisions shall be binding upon all persons in interest.

Notwithstanding the foregoing, the Trustee shall:

- (1) Allocate to principal all dividends or other payments made by any corporation or mutual investment company which are designated by the company as a distribution of capital gains;
- (2) Where a premium has been paid or a discount received in connection with the purchase of a bond, amortize such premium or discount by making an appropriate charge or credit to income as the case may be; and
- (3) Charge income from time-to-time with a reasonable reserve for:
 - (a) Depreciation of all income-producing depreciable real or personal property and capital improvements and extraordinary repairs on income-producing property;

(b) Depletion of all depletable natural resources; and

(c) All intangible property having a limited economic life.

Such allocations and charges need not be made, however, if written consents are obtained from all income beneficiaries and remaindermen, vested or contingent, living and competent to act.

- p. **Right of Trustee to Probate Trust Assets.** Notwithstanding any other provision of this Trust, the Trustee, in Trustee's sole discretion, may direct the executor of the Will of the Trustor to subject to the jurisdiction of the probate court all assets, up to and including all Trust assets, as though no living transfers had been made to the trust.
- q. **Compromise Claims.** The trustee may compromise or otherwise adjust any claims or litigation against or in favor of the trust.
- r. **Adjustment for Tax Consequences.** The Trustee shall have, in the Trustee's absolute discretion, the power to take any action and to make any election to minimize the tax liabilities of this Trust and of its beneficiaries and to allocate benefits among the various beneficiaries and to make adjustments in the rights of any beneficiaries or between the income and principal amounts, to compensate for the consequence of any tax election or any investment or administrative decision that the Trustee believes has had the effect of directly or indirectly preferring one beneficiary or a group of beneficiaries over others.
- s. **Gifts.** To make gifts from this Trust to the Trustor's children, grandchildren and great-grandchildren.
- t. **Resignation.** The Trustee shall have the right to resign at any time, without court approval, by giving written notice to the successor Trustee or, if there is no successor, to the beneficiaries; provided, however, that, if any such beneficiaries are minors, notice shall be given to their legal guardians or to the persons having the care of custody of the minor beneficiaries.
- u. **Discretionary Termination.** Any time that a Trust or Trust share created under this Agreement has, in the judgment of the Trustee, a value so low that the expenses of maintaining the Trust cannot be reasonably justified, the Trustee may, in Trustee's discretion, but is not required to, terminate such Trust or Trust Share. In case of such termination, the Trustee shall distribute forthwith the share so terminated to the primary beneficiaries thereof.
