This assignment shall extend to and cover any and all extensions and renewals and future Leases and to any and all present and future rights against guarantor(s) of any such obligations and to any and all Rents and Profits collected under the Leases or derived from the Premises. In pursuance of this assignment, and not in lieu hereof, the Grantor shall, upon request from the Agent, execute and deliver to the Agent separate specific assignments of rents and leases covering some or all of the Leases, the terms of such assignments being incorporated herein by reference. This assignment is absolute and effective immediately and without possession; however, the Grantor shall have a revocable license to receive, collect and enjoy the Rents and Profits accruing from the Premises until an Event of Default has occurred. As to the balance of the Tangible Personalty and the Intangible Personalty, this Security Instrument shall be considered to be a security agreement which creates a security interest in such items for the benefit of the Agent. In that regard, the Grantor grants to the Agent all of the rights and remedies of a secured party under the Uniform Commercial Code and grants to the Agent a security interest in all of the Tangible Personalty and the Intangible Personalty.

The Grantor, the Trustee and the Agent covenant, represent and agree as follows:

ARTICLE I

Secured Obligations

1.1 Secured Obligations. This Security Instrument secures the prompt payment, performance and observance of all Secured Obligations (as defined in the Intercreditor Agreement), whether now existing or hereafter arising or incurred, due or to become due, direct or indirect, absolute or contingent, and howsoever evidenced, held or acquired (the "Secured Obligations"). The Secured Obligations are, in part, a revolving line of credit facility and the unpaid balance may decrease or increase from time to time and may from time to time be reduced to zero without resulting in a release, satisfaction or reconveyance of this Security Instrument.

1.2 Future Advances. The Agent and/or the Secured Creditors may advance or loan additional sums (herein "Future Advances") to the Grantor. This Security Instrument shall secure not only existing indebtedness, but also such Future Advances, with interest thereon as provided in the Secured Credit Document, whether such advances are obligatory or to be made at the option of the Agent, the Secured Creditors or otherwise, to the same extent as if such Future Advances were made on the date of execution of this Security Instrument.

ARTICLE II

Grantor's Covenants, Representations and Agreements

2.1 Title to Premises. The Grantor represents and warrants to the Agent that (i) it is the fee simple owner of the Land and is the owner of the balance of the Premises and has the right to convey the same, (ii) that as of the date hereof title to the Premises is free and clear of all liens, encumbrances and other matters except for liens, encumbrances and other matters (a) shown on the title insurance policy, if any, accepted by the Agent in connection with this Security Instrument or (b) as are expressly permitted by the Secured Credit Documents (collectively, the "Permitted Encumbrances"). The Grantor shall warrant and defend the title to the Premises except for the Permitted Encumbrances against the claims of all Persons.

2.2 Taxes and Other Charges. Subject to the Grantor's right to contest the same in accordance with Section 6.04 of the Credit Agreement, the Grantor will pay prior to delinquency all taxes, general and special assessments, insurance premiums, all other charges which are or may become a lien against the Premises, and all material permit fees, inspection fees, license fees, water and sewer charges, franchise fees and equipment rents and any other charges or fees against it or the Premises (and the Grantor, upon request by the Agent, will submit to the Agent receipts evidencing said payments).

2.3 Reimbursement. The Grantor agrees that if it shall fail to pay on or before the date that the same become delinquent any tax, assessment or charge levied or assessed against the Premises or any utility charge, whether public or private, or any insurance premium or if it shall fail to procure the insurance coverage and the delivery of the insurance certificates required hereunder, or if it shall fail to pay any other charge or fee described herein, then the Agent, at its

option, may pay or procure the same and will give the Grantor prompt notice of any such expenditures. The Grantor will reimburse the Agent upon demand for any sums of money paid by the Agent pursuant to this Section, together with interest on each such payment at the applicable default rate of interest set forth in the Secured Credit Document, and all such sums and interest thereon shall be secured hereby.

2.4 Additional Documents; Further Assurances; After-Acquired Property. At any time, and from time to time, upon request by the Agent, the Grantor will make, execute and deliver or cause to be made, executed and delivered, to the Agent and, where appropriate, to cause to be recorded and/or filed and from time to time thereafter to be rerecorded and/or refiled at such time and in such offices and places as shall reasonably be deemed desirable by the Agent any and all such other and further trust deeds, mortgages, instruments of further assurance, certificates and other documents as may, in the reasonable opinion of the Agent, be necessary or desirable in order to effectuate, complete, maintain, enlarge, or perfect, or to continue and preserve the obligations of the Grantor under the Secured Credit Documents and all other documents evidencing, securing or relating to the transactions contemplated thereby (collectively, the "Other Credit Documents") and this Security Instrument, and the liens and security interests of this Security Instrument as a first and prior lien upon all of the Premises, whether now owned or hereafter acquired by the Grantor, except to the extent such after acquired property constitutes Specific Excluded Property. The lien hereof will automatically attach, without further act, to all after acquired property attached to and/or used in the operation of the Premises or any part thereof. The Grantor hereby authorizes the Agent to prepare and file such financing statements, fixture filings, renewals or continuations thereof, amendments and supplements thereto and other instruments as the Agent may from time to time deem necessary or appropriate in order to perfect and maintain the security interests granted in the Secured Credit Documents and the documents executed in connection therewith in accordance with the Uniform Commercial Code. The Grantor hereby irrevocably makes, constitutes and appoints the Agent as the true and lawful attorney of the Grantor to take any or all of the foregoing actions in the name of the Grantor.

2.5 Sale, Transfer or Encumbrance. Except as permitted in the Secured Credit Documents, the Grantor will not sell, transfer, convey, mortgage, encumber or otherwise dispose of the Premises, the Rents and Profits or the Intangible Personalty or any part thereof or any interest therein or engage in subordinate financing with respect thereto during the term of this Security Instrument without the prior written consent of the Agent. Except as permitted by the Secured Credit Documents, the Grantor will not sell, transfer, convey, mortgage, encumber or otherwise dispose of any of the Tangible Personalty except to incorporate such into the Improvements or replace such with goods of quality and value at least equal to that replaced. In the event the Grantor sells or otherwise disposes of any of the Tangible Personalty in contravention of the foregoing sentence, the Agent's security interest in the proceeds of the Tangible Personalty shall continue pursuant to this Security Instrument.

2.6 Fees and Expenses. The Grantor will promptly pay upon demand any and all reasonable costs and expenses of the Agent and the Trustee, (a) as required under the Secured Credit Documents and (b) as necessary to protect the Premises, the Rents and Profits or the Intangible Personalty or to exercise any rights or remedies under this Security Instrument or with

respect to the Premises, Rents and Profits or the Intangible Personalty. All of the foregoing costs and expenses shall be Secured Obligations.

2.7 Leases and Other Agreements. The Grantor shall faithfully keep and perform, or cause to be kept and performed, in all material respects, all of the covenants, conditions, and agreements contained in each of the Leases and other material agreements or contracts affecting all or any portion of the Premises, now or hereafter existing, on the part of the Grantor to be kept and performed and shall at all times use commercially reasonable efforts to enforce, with respect to each other party thereto, all obligations, covenants and agreements by such other party to be performed thereunder.

2.8 Maintenance of Premises. The Grantor will abstain from and will not permit the commission of waste in or about the Premises and will maintain, or cause to be maintained (subject to reconstruction periods after the occurrence of an act of God), the Premises in good condition and repair, reasonable wear and tear excepted.

2.9 Insurance; Casualty. The Grantor shall maintain such insurance coverage and policies for the Premises required in the Secured Credit Documents and, if any part of the Improvements is located in an area having "special flood hazards" as defined in the Federal Flood Disaster Protection Act of 1973, the Grantor shall maintain a flood insurance policy naming the Agent as mortgagee in such amount, covering such risks and liabilities and with such deductibles or self-insurance retentions as are in accordance with normal industry practice. The Grantor assigns to the Agent all proceeds to which the Grantor may be entitled under such insurance policies and such proceeds shall be applied in accordance with the terms of the Secured Credit Documents.

2.10 Eminent Domain. The Grantor assigns to the Agent any proceeds or awards which may become due by reason of any condemnation or other taking for public use of the whole or any part of the Premises or any rights appurtenant thereto to which the Grantor is entitled and such proceeds or awards shall be applied in accordance with the terms of the Secured Credit Documents. The Grantor agrees to execute such further assignments and agreements as may be reasonably required by the Agent to assure the effectiveness of this Section. There is no proceeding pending for the total or partial condemnation of the Premises.

2.11 Releases and Waivers. The Grantor agrees that no release by the Agent or the Trustee of any portion of the Premises, the Rents and Profits or the Intangible Personalty, no subordination of any lien, no forbearance on the part of the Secured Creditors or the Agent to collect on the Secured Obligations, or any part thereof, no waiver of any right granted or remedy available to the Agent or the Trustee and no action taken or not taken by the Agent or the Trustee shall in any way have the effect of releasing the Grantor from full responsibility to the Secured Creditors and the Agent for the complete discharge of each and every of the Grantor's obligations hereunder.

2.12 Authorizations; Restrictions. All material certifications, permits, licenses, authorizations, orders, exemptions, franchises and/or approvals, including, without limitation, certificates of completion and occupancy, licenses, permits required in order to use, occupy or

operate all or any portion of the Premises for its current purpose (the “Authorizations”) have been obtained and are in full force and effect. Except to the extent permitted by the Secured Credit Documents, the Grantor will not amend, supplement, cancel, surrender, allow to expire (other than expiration of the term thereof), terminate, release or waive any Authorization or any material provision thereof without the prior written consent of the Agent. The Grantor will not initiate, join in, or consent to any material change in the current use of the Premises or in any zoning ordinance, private restrictive covenant, assessment proceedings or other public or private restriction limiting or restricting the uses that may be made of the Premises or any part thereof or any operations thereon without the prior written consent of the Agent, if any such action could reasonably be expected to have a Material Adverse Effect (as defined in the Credit Agreement).

2.13 Assignment of Leases and Grantor Collection of Rents and Profits.

(a) The Grantor hereby authorizes and directs any lessees or tenants of the Premises that, upon written notice from the Agent, all Rents and Profits and all payments required under the Leases, or in any way respecting same, shall be made directly to the Agent as they become due. The Grantor hereby relieves said lessees and tenants from any liability to the Grantor by reason of said payments being made to the Agent. Nevertheless, until the Agent notifies in writing said lessees and tenants to make such payments to the Agent, the Grantor shall be entitled to collect all such Rents and Profits and/or payments. The Agent is hereby authorized to give such notification upon the occurrence of any Event of Default and to maintain it in effect during the continuance thereof.

(b) Any and all Rents and Profits collected by the Agent may be applied in the manner set forth in the Secured Credit Documents. Receipt by the Agent of such Rents and Profits shall not constitute a waiver of any right that the Agent may enjoy under this Security Instrument, the Secured Credit Documents or under the laws of the state in which the Premises is located, nor shall the receipt and application thereof cure any default hereunder nor affect any foreclosure proceeding or any sale authorized by this Security Instrument, the Secured Credit Documents and the laws of the state in which the Premises is located, except to the extent that the amount so applied is sufficient to cure such default in full and all other conditions to the cure of such default set forth herein or in the Secured Credit Documents have been fully satisfied.

(c) The Agent does not consent to, does not assume and shall not be liable for any obligation of the lessor under any of the Leases and all such obligations shall continue to rest upon the Grantor as though this assignment had not been made. The Agent shall not be liable for the failure or inability to collect any Rents and Profits.

2.14 Compliance with Law. Except to the extent permitted in the Secured Credit Documents, the Grantor will comply in all material respects with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all governmental authorities in respect of the ownership of all or any portion of the Premises (including applicable statutes, regulations, orders and restrictions relating to environmental standards and controls).

2.15 Inspection. The Grantor will permit the Agent, or its agents, to enter and pass through or over the Premises for the purpose of inspecting same to the extent permitted in Section 6.10 of the Credit Agreement.

2.16 Security Agreement. This Security Instrument shall be construed as a security agreement under the Uniform Commercial Code with respect to the security interests granted herein. The Grantor warrants that the name and address of the “Debtor” (which is the Grantor), are as set forth in the introductory paragraph of this Security Instrument; and a statement indicating the types, or describing the items, of collateral is set forth hereinabove. The Grantor’s organizational identification number is 065300-18. The Grantor warrants that the Grantor’s exact legal name is correctly set forth in the preamble of this Security Instrument. The Grantor will not, without providing thirty (30) days prior written notice to the Agent and without filing such amendments to any previously filed financing statements as the Agent may require, change its registered legal name, be party to a merger, consolidation or other change in structure or use any trade name other than the trade names set forth for the Grantor in the Security Agreement, or take any other action which would necessitate the amendment, correction or re-filing of any financing statement.

ARTICLE III

Event of Default

An event of default (“Event of Default”) shall exist under the terms of this Security Instrument upon the occurrence and during the continuance of an “Event of Default” as defined in the Intercreditor Agreement.

ARTICLE IV

Acceleration; Foreclosure

4.1 Acceleration of Secured Obligations. Upon the occurrence and during the continuance of an Event of Default, the entire balance of all or any portion of the Secured Obligations, including all accrued interest, shall, at the option of the Agent, become immediately due and payable.

4.2 Foreclosure. Upon the occurrence and during the continuance of an Event of Default, the Agent may foreclose or cause the Trustee to foreclose the lien of this Security Instrument by judicial or nonjudicial proceeding in a manner permitted by applicable law. To the maximum extent permitted by law, the Grantor hereby waives any statutory right of redemption in connection with such foreclosure proceeding.

4.3 Proceeds of Sale. Following a foreclosure sale, the proceeds of such sale shall, subject to applicable law, be applied in accordance with the Intercreditor Agreement.

4.4 Delivery of Possession After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale, the Grantor or the Grantor's heirs, devisees, representatives, successors or assigns are occupying or using the Premises, or any part thereof, each and all immediately shall become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; and the purchaser at such sale, notwithstanding any language herein apparently to the contrary, shall, to the maximum extent permitted by law, have the sole option to demand possession immediately following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the property (such as an action for forcible detainer) in any court having jurisdiction.

ARTICLE V

Additional Rights and Remedies of Agent

5.1 Rights Upon Maturity or an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Agent, immediately and without additional notice and without liability therefor to the Grantor and to the extent permitted by law, except for its own gross negligence or willful misconduct, may do or cause to be done any or all of the following: (a) take physical possession of the Premises; (b) exercise its right to collect the Rents and Profits; (c) enter into contracts for the completion, repair and maintenance of the Improvements thereon; (d) expend any income or Rents and Profits derived from the Premises for payment of any taxes, insurance premiums, assessments and charges for completion, repair and maintenance of the Improvements, preservation of the lien of this Security Instrument and satisfaction and fulfillment of any liabilities or obligations of the Grantor arising out of or in any way connected with the construction of Improvements on the Premises whether or not such liabilities and obligations in any way affect, or may affect, the lien of this Security Instrument; (e) enter into leases demising the Premises or any part thereof; (f) take such steps to protect and enforce the specific performance of any covenant, condition or agreement in this Security Instrument, the Secured Credit Documents, or the Other Credit Documents, or to aid the execution of any power herein granted; (g) generally, supervise, manage, and contract with reference to the Premises as if the Agent were equitable owner of the Premises; (h) seek the appointment of a receiver as provided in Section 5.2 below; (i) exercise any or all of the remedies available to a secured party under the Uniform Commercial Code, including, but not limited to, selling, leasing or otherwise disposing of any fixtures and personal property which is encumbered hereby at public sale, with or without having such fixtures or personal property at the place of sale, and upon such terms and in such manner as the Agent may determine; (j) exercise any or all of the remedies of a secured party under the Uniform Commercial Code with respect to the Tangible Personalty and Intangible Personalty; and (k) enforce any or all of the assignments or collateral assignments made in this Security Instrument as additional security for the Secured Obligations. The Grantor also agrees that any of the foregoing rights and remedies of the Agent may be exercised at any time independently of the exercise of any other such rights and remedies, and the Agent may continue to exercise any or all such rights and remedies until the Event(s) of Default are cured or waived with the consent of the Secured Creditors or until foreclosure and the conveyance of the

Premises or until the Secured Obligations are satisfied or paid in full and all Commitments (as defined in the Credit Agreement) are terminated.

5.2 Appointment of Receiver. If any of the Secured Obligations are not paid upon maturity or upon the occurrence and continuance of an Event of Default, the Agent as a matter of right shall be entitled to the appointment of a receiver or receivers for all or any part of the Premises, to take possession of and to operate the Premises, and to collect the rents, issues, profits, and income thereof, all expenses of which shall become Secured Obligations, whether such receivership be incident to a proposed sale (or sales) of such property or otherwise, and without regard to the value of the Premises or the solvency of any Person or Persons liable for the payment of any Secured Obligations, and the Grantor does hereby irrevocably consent to the appointment of such receiver or receivers, waives any and all defenses to such appointment, and agrees not to oppose any application therefor by the Agent. Nothing herein is to be construed to deprive the Agent of any other right, remedy or privilege it may have under the law to have a receiver appointed. Any money advanced by the Agent in connection with any such receivership shall be a demand obligation (which obligation the Grantor hereby promises to pay) owing by the Grantor to the Agent pursuant to this Security Instrument.

5.3 Waivers. No waiver of any Event of Default shall at any time thereafter be held to be a waiver of any rights of the Agent stated anywhere in this Security Instrument, the Secured Credit Documents or any of the Other Credit Documents, except in respect of such Event of Default, nor shall any waiver of a prior Event of Default operate to waive any subsequent Event(s) of Default. All remedies provided in this Security Instrument, in the Secured Credit Documents and in the Other Credit Documents are cumulative and may, at the election of the Agent, be exercised alternatively, successively, or in any manner and are in addition to any other rights provided by law.

5.4 Marshalling. The Grantor hereby waives, in the event of foreclosure of this Security Instrument or the enforcement by the Agent of any other rights and remedies hereunder, any right otherwise available in respect to marshalling of assets which secure any Secured Obligations and any other indebtedness secured hereby or to require the Agent to pursue its remedies against any other such assets.

5.5 Protection of Premises. The Grantor hereby reaffirms and reconfirms that this Security Instrument is and shall continue as security for the Secured Obligations (as defined herein) and shall continue to act as a fixture filing under the Uniform Commercial Code.

6.11 State Specific Provisions. In the event of any inconsistencies between this Section and any of the other terms and provisions of this Security Instrument, the terms and provisions of this Section shall control and be binding.

(a) The Agent may foreclose this Security Instrument like a mortgage and obtain a decree foreclosing the Grantor's interest in all or any part of the Premises. The Agent may also direct the Trustee, and the Trustee shall be empowered, to foreclose the Premises by advertisement and exercise of sale under applicable law. Should the Agent elect to foreclose by exercise of the power of sale herein contained, the Agent shall notify the Trustee and request that the Trustee commence such proceedings.

(i) Upon receipt of such notice from the Agent, the Trustee shall cause to be recorded, published and delivered to the Grantor and served on occupant such Notice of Default and Election to Sell as shall then be required by law and by this Security Instrument. The Trustee shall, without demand on the Grantor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Premises at the time and place of sale fixed by the Trustee in said Notice of Sale, either as a whole, or in separate lots or parcels or items as the Trustee shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. The Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the Premises so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof in favor of a purchaser for value in good faith relying on them. Any person, including the Grantor or the Agent but excluding the Trustee, may purchase at such sale and the Grantor hereby covenants to warrant and defend the title of such purchaser or purchasers. In addition, the Agent may credit bid at any such sale an amount up to and including the full amount of the Secured Obligations, including, without limitation, accrued and unpaid interest, principal, charges, advances made hereunder and the Trustee's fees and expenses.

(ii) After deducting all costs, fees and expenses of the Trustee and of this Security Instrument, including costs of evidence of title in connection with sale, the Trustee shall apply the proceeds of sale in accordance with the provisions of ORS 86.765 and otherwise in accordance with the provisions of the Intercreditor Agreement.

(iii) The Trustee may postpone sale of all or any portion of the Premises by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale; provided, however, any such postponement may be only for one or more periods totaling not more than 180 days from the original sale date.

(b) The Agent may proceed in any sequence to exercise its rights hereunder with respect to all or any portion of the Premises.

(c) Should the Agent elect to cause any of the Premises which is subject to the Uniform Commercial Code as adopted in Oregon to be disposed of, it may dispose of any part thereof in any manner now or hereafter permitted by the Uniform Commercial Code as adopted in Oregon, or in accordance with any other remedy provided by applicable law. Any such disposition may be conducted by an employee or agent of the Agent or the Trustee. Any person, including both the Grantor and the Agent, shall be eligible to purchase any part or all of such Premises at such disposition. Any such disposition may be either by public or private sale as the Agent may elect, subject to the provisions of applicable law. The Agent shall also have the rights and remedies of a secured party under the Uniform Commercial Code as adopted in Oregon, or otherwise available at law or in equity. In furtherance of the foregoing, it is agreed that the expenses of retaking, holding, preparing for sale, selling or the like shall be borne by the Grantor and shall include the Agent's and the Trustee's reasonable attorneys' fees and legal expenses. The Grantor, upon demand of the Agent, shall assemble such Premises and make it available to the Agent at the Land, a place which is hereby deemed to be reasonably convenient to the Agent and the Grantor. The Agent shall give the Grantor at least ten (10) days' prior written notice of the time and place of any public sale or other disposition of such personalty or of the time of or after which any private sale or other intended disposition is to be made, and if such notice is sent to the Grantor, in the same manner as provided for the mailing of notices herein, it is hereby deemed that such notice shall be and is reasonable notice to the Grantor.

(d) This Security Instrument constitutes a financing statement filed as a fixture filing pursuant to the provisions of ORS 79.0502, with respect to those portions of the Premises consisting of goods which are or are to become fixtures relating to the Premises. The Grantor grants to the Agent a security interest in all Premises existing and future goods which are now or in the future become fixtures relating to the Premises and proceeds thereof. The Grantor covenants and agrees that the filing of this Security Instrument in the real estate records of the county where the Land is located shall also operate from the date of such filing as a fixture filing in accordance with ORS 79.0502. Without the prior written consent of the Agent, the Grantor shall not create or suffer to be created pursuant to the Uniform Commercial Code as adopted in Oregon, any other security interest in such items, including replacements and additions thereto, other than as permitted pursuant to the terms of the Secured Credit Documents or the Other Credit Documents.

(e) The Grantor waives to the extent permitted by law, (i) the benefit of all laws now existing or that may hereafter be enacted providing for any appraisal before sale of any portion of the Premises, and (ii) all rights of redemption, valuation, appraisal, stay of execution, notice of election to mature or declare due the whole of the secured indebtedness and marshaling in the event of foreclosure of the liens hereby created.

(f) Section 1445 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), or any comparable Section of the Oregon Revised Statutes, provide that a transferee of a U.S. real property interest must withhold tax if the transferor is a foreign person. To inform the Agent that the withholding of tax will not be required in the event of the disposition of the Premises pursuant to the terms of this Security Instrument, the Grantor hereby certifies, under penalty of perjury, that:

(i) The Grantor is not a foreign corporation, foreign partnership, foreign trust or foreign estate, as those terms are defined in the Internal Revenue Code and the regulations promulgated thereunder;

(ii) The Grantor's U.S. employer identification number is as follows: 93-0496342; and

(iii) The Grantor's principal place of business is 401 Harbor Isles Blvd., Klamath Falls, Oregon 97601.

It is understood that the Agent may disclose the contents of this certification to the Internal Revenue Service and the Oregon taxing authority and that any false statement contained herein could be punished by fine, imprisonment or both. The Grantor covenants and agrees to execute such further certificates, which shall be signed under penalty of perjury, as the Agent shall reasonably require. The covenant set forth herein shall survive the foreclosure of the lien of this Security Instrument or acceptance of a deed in lieu thereof.

(g) If, for any reason, the Agent shall elect to substitute for the Trustee herein named (or for any successor to said Trustee), without limiting the Agent's right to use any other procedure authorized or permitted by applicable law, the Agent shall have the right to appoint successor Trustee(s) by duly acknowledged written instruments, and each such successor Trustee, immediately upon recordation of an instrument so appointing said successor Trustee, shall become successor in title to the Premises for the uses and purposes of this Security Instrument, with all the powers, duties and obligations conferred on the Trustee in the same manner and to the same effect as though said successor Trustee were named herein as the Trustee. If more than one Trustee has been appointed, each of such Trustees and each successor thereto shall be, and hereby is, empowered to act independently.

Whether or not any court action is involved, all reasonable expenses incurred by the Agent that are necessary at any time in the Agent's opinion for the protection of its interest or the enforcement of its rights shall become a part of the obligations payable on demand and shall bear interest from the date of expenditure until repaid at the applicable rate of interest provided in the Secured Credit Documents. Expenses covered by this section include (without limitation) the cost of searching records, obtaining title reports, surveyors' reports, attorneys' opinions, title insurance, and fees for the Trustee.
