That as a condition precedent to recording the Warranty Deed and this Affidavit, the Grantor(s) have vacated the property and surrendered possession to the Grantee;

That the parties intend that the deed of trust or mortgage described above survive and not merge with the fee interest transferred by the Warranty Deed;

That at the time of making said Warranty Deed no proceedings in bankruptcy or receivership have been instituted by or against the Grantor(s), that the Grantor(s) were solvent, that said Warranty Deed was not given as a preference against any other of the Grantor(s)' creditors, and that the Grantor(s) have no other creditors whose rights would be prejudiced by such conveyance;

That at the time of making said Warranty Deed there was no other person or persons, firms, or corporations, other than the Grantee, who were interested either directly or indirectly in said real property; that the Grantor(s) were not obligated upon any bond or other mortgage whereby any liens were created or exist against the above described real property; that all labor and material used in the construction of improvements or repairs on the above described real property have been paid for and there were no unpaid labor or material claims against the above described real property or the improvements located

thereon; that the Grantor(s) agree to pay on demand to the Grantee, its successors and/or assigns, all amounts secured by any and all liens not disclosed herein, but created or known by the Grantor(s), together with costs, loss and attorney's fees, that the Grantee may incur in connection with such undisclosed liens;

This Affidavit is made for the benefit of the Grantee in said Warranty Deed, **FEDERAL NATIONAL MORTGAGE ASSOCIATION**, its successor and assigns, and all other parties hereafter dealing with or who may acquire any interest in the property herein described and particularly for the benefit of the title insurer which insures the title to said property in reliance thereon, and shall bind the respective successors, executors, administrators and assigns of the undersigned;

The Grantor(s) have read and fully understands the above terms and is not acting under misapprehensions regarding the effect of this Deed, nor are the Grantor(s) under any duress, undue influence, or misrepresentations of the Grantee, the Grantee's agents, lawyers, or any other person, and it is the intent of the Grantor(s) to convey and by said Deed did convey to the Grantee therein all my right, title and interest absolutely in and to the premises described in said Deed; and

That the undersigned will testify, declare, depose or certify before any competent tribunal, officer or person, in any case now pending or which may hereafter be instituted, to the truth of the particular facts set forth herein.
