2. Uniform Commercial Code Security Agreement.

(a) To secure to Lender, the performance of the covenants and agreements of Property Operator contained in this Assignment, Property Operator hereby pledges, assigns, and grants to Lender a continuing security interest in the UCC Collateral. This Assignment constitutes a security agreement and a financing statement under the UCC. Property Operator hereby authorizes Lender to file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest without the signature of Property Operator. If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the UCC or otherwise provided at law or in equity, in addition to all remedies provided by this Assignment. Lender may exercise any or all of its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability or validity of Lender's other remedies. For purposes of the UCC, the debtor is Property Operator and the secured party is Lender. The name and address of the debtor and secured party are set forth after Property Operator's signature below which are the addresses from which information on the security interest may be obtained.

(b) Property Operator represents and warrants that: (1) Property Operator maintains its chief executive office at the location set forth after Property Operator's signature below, and Property Operator will notify Lender in writing of any change in its chief executive office within five (5) days of such change; (2) Property Operator's state of incorporation, organization, or formation, if applicable, is as set forth on Page 1 of this Assignment; (3) Property Operator's exact legal name is as set forth on Page 1 of this Assignment; (4) Property Operator's organizational identification number, if applicable, is as set forth after Property Operator's signature below; (5) Property Operator is the owner of the UCC Collateral subject to no liens, charges or encumbrances other than the lien hereof; (6) except as expressly provided in the Loan Agreement, the UCC Collateral will not be removed from the Mortgaged Property without the consent of Lender; and (7) no financing statement covering any of the UCC Collateral or any proceeds thereof is on file in any public office except pursuant hereto.

(c) All property of every kind acquired by Property Operator after the date of this Assignment which by the terms of this Assignment shall be subject to the lien and the security interest created hereby, shall immediately upon the acquisition thereof by Property Operator and without further conveyance or assignment become subject to the lien and security interest created by this Assignment. Nevertheless, Property Operator shall execute, acknowledge, deliver and record or file, as appropriate, all and every such further security agreements, financing statements, assignments and assurances as Lender shall require for accomplishing the purposes of this Assignment and to comply with the re-recording requirements of the UCC.

3. Assignment of Leases and Rents; Appointment of Receiver; Lender in Possession.

(a) As part of the consideration for Lender's consent to the Merger and the Operator Equity Transfer, Property Operator absolutely and unconditionally assigns and transfers to Lender any interest it has in all Leases and Rents. It is the intention of Property Operator to establish present, absolute and irrevocable transfers and assignments to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Property Operator. Property Operator and Lender intend these assignments of Leases and Rents to be effective immediately and to constitute absolute present assignments, and not assignments for additional security only. However, if these present, absolute and unconditional assignments of Leases and Rents are not enforceable by their terms under the laws of the Property Jurisdiction, then it is the intention of Property Operator that in this circumstance this Assignment create and perfect a lien on Leases and Rents in favor of Lender to secure the obligations of Property Operator under this Assignment and Borrower's obligations under the Loan Documents, which lien shall be effective as of the date of this Assignment.

(b) Until an Event of Default has occurred and is continuing, but subject to the limitations set forth in this Assignment, Property Operator shall have a revocable license to exercise all rights, power and authority granted to Property Operator under the Leases (including the right, power and authority to modify the terms of any Lease, extend or terminate any Lease, or enter into a new Lease, other than a Seniors Housing Facility Lease, subject to the limitations set forth in this Assignment and the Loan Agreement), and to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender, and, if applicable, to apply all Rents to pay the Facility Operating Agreement Rent, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities and Impositions (to the extent not included in Imposition Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing (and no event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing), the Rents remaining after application pursuant to the preceding sentence may be retained and distributed by Property Operator free and clear of, and released from, Lender's rights with respect to Rents under this Assignment.

(c) If an Event of Default has occurred and is continuing, without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, the revocable license granted to Property Operator pursuant to Section 3(b) shall automatically terminate, and Lender shall immediately have all rights, powers and authority granted to Property Operator under any Lease (including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease) and, without notice, Lender shall be entitled to all Rents as they become due and payable, including Rents then due and unpaid. During the continuance of an Event of Default, Property Operator authorizes Lender to collect, sue for and compromise Rents and directs each resident or tenant of the Mortgaged

Property to pay all Rents to, or as directed by, Lender, and Property Operator shall, upon Property Operator's receipt of any Rents from any sources, pay the total amount of such receipts to Lender. Although the foregoing rights of Lender are self-effecting, at any time during the continuance of an Event of Default, Lender may make demand for all Rents, and Lender may give, and Property Operator hereby irrevocably authorizes Lender to give, notice to all residents or tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No resident or tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and no resident or tenant shall be obligated to pay to Property Operator any amounts that are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each resident or tenant personally, by mail or by delivering such demand to each rental unit.

(d) If an Event of Default has occurred and is continuing, Lender is further authorized to give notice to all Third Party Payment payors (other than Medicaid payments from governmental entities) at Lender's option, instructing them to pay all Third Party Payments which would otherwise be paid to Property Operator to Lender, to the extent permitted by law.

(e) If an Event of Default has occurred and is continuing, Lender may, regardless of the adequacy of Lender's security or the solvency of Property Operator, and even in the absence of waste, enter upon, take and maintain full control of the Mortgaged Property, and may exclude Property Operator and its agents and employees therefrom, in order to perform all acts that Lender, in its discretion, determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents (including through use of a lockbox, at Lender's election), the making of repairs to the Mortgaged Property and the execution or termination of Contracts providing for goods or services at or otherwise in connection with the operation, use or maintenance of the Mortgaged Property, paying fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants, obtaining (or force-placing) the insurance required by the Loan Documents, for the purposes of enforcing the assignments of Leases and Rents, protecting the Mortgaged Property or the security of this Assignment and the Mortgage Loan, or for such other purposes as Lender in its discretion may deem necessary or desirable.

(f) Notwithstanding any other right provided Lender under this Assignment or any other Loan Document, if an Event of Default has occurred and is continuing, and regardless of the adequacy of Lender's security or Property Operator's solvency, and without the necessity of giving prior notice (oral or written) to Property Operator, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in Section 3(e). If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Property Operator, by its execution of this Assignment, expressly consents to the appointment of such receiver, including the appointment of a receiver ex parte, if permitted by applicable law. Property Operator consents to shortened time consideration of a motion to appoint a receiver.

Lender or the receiver, as applicable, shall be entitled to receive a reasonable fee for managing the Mortgaged Property and such fee shall become an additional part of the Indebtedness. Immediately upon appointment of a receiver or Lender's entry upon and taking possession and control of the Mortgaged Property, possession of the Mortgaged Property and all documents, records (including records on electronic or magnetic media), accounts, surveys, plans and specifications relating to the Mortgaged Property, and all security deposits and prepaid Rents, shall be surrendered to Lender or the receiver, as applicable. If Lender or receiver takes possession and control of the Mortgaged Property, Lender or receiver may exclude Property Operator and its representatives from the Mortgaged Property.

(g) The acceptance by Lender of the assignments of the Leases and Rents pursuant to this Section 3 shall not at any time or in any event obligate Lender to take any action under this Assignment or to expend any money or to incur any expense. Lender shall not be liable in any way for any injury or damage to person or property sustained by any Person in, on or about the Mortgaged Property, provided that Lender shall not be released from liability that occurs as a result of Lender's gross negligence or willful misconduct as determined by a court of competent jurisdiction pursuant to a final, non-appealable court order. Prior to Lender's actual entry upon and taking possession and control of the Land and Improvements, Lender shall not be:

(1) obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease);

(2) obligated to appear in or defend any action or proceeding relating to any Lease or the Mortgaged Property; or

(3) responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property.

The execution of this Assignment shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Property Operator, prior to such actual entry and taking possession and control by Lender of the Land and Improvements.

(h) Lender shall be liable to account only to Borrower and Property Operator and only for Rents actually received by Lender. Lender shall not be liable to Borrower or Property Operator, anyone claiming under or through Borrower, Property Operator or anyone having an interest in the Mortgaged Property by reason of any act or omission of Lender under this Section 3, and Borrower and Property Operator hereby releases and discharges Lender from any such liability to the fullest extent permitted by law, provided that Lender shall not be released from liability that occurs as a result of Lender's gross negligence or willful misconduct as determined by a court of competent jurisdiction pursuant to a final, non-appealable court order. If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property

and collecting the Rents, any funds expended by Lender for such purposes shall be added to, and become a part of, the principal balance of the Indebtedness (and secured by this Assignment and the Security Instrument), be immediately due and payable, and bear interest at the Default Rate from the date of disbursement until fully paid. Any entering upon and taking control of the Mortgaged Property by Lender or the receiver, and any application of Rents as provided in this Assignment, shall not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Assignment or any Loan Document.

(i) Borrower and Property Operator acknowledge and agree that the exercise by Lender of any of the rights conferred in this Assignment shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

4. Assignment of Contracts and Management Agreement; Contracts Affecting the Mortgaged Property.

(a) Property Operator has entered into the Contracts identified on Exhibit B for the provision of goods or services at or otherwise in connection with the operation, use or maintenance of the Mortgaged Property. Property Operator may in the future enter into Contracts for the provision of additional goods or services at or otherwise in connection with the operation, use or maintenance of the Mortgaged Property.

(b) As consideration for the material financial benefit to be derived by Property Operator from Lender's consent to the Merger and the Operator Equity Transfer, to the extent permitted by applicable law, Property Operator pledges, grants a security interest in and assigns to Lender all of Property Operator's right, title and interest, if any, in, to and under (1) the Contracts, including Property Operator's right, power and authority to modify the terms of, extend or terminate any such Contract, and (2) the Management Agreement. To the extent permitted by applicable law, it is the intention of Property Operator to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Property Operator's right, title and interest in, to and under the Contracts and the Management Agreement. To the extent permitted by applicable law, Property Operator and Lender intend this assignment of the Contracts and the Management Agreement to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. If this present, absolute and unconditional assignment of the Contracts or the Management Agreement is not enforceable by its terms under the laws of the Property Jurisdiction, then it is the intention of Property Operator that in this circumstance this Assignment create and perfect a lien on the Contracts and the Management Agreement in favor of Lender to secure the obligations of Property Operator under this Assignment and Borrower's obligations under the Loan Documents, which lien shall be effective as of the date of this Assignment. The acceptance by Lender of this assignment of the Contracts and the Management Agreement shall not at any time

or in any event obligate Lender to take any action under this Assignment or to expend any money or to incur any expenses.

(c) Until Lender gives notice to Property Operator of Lender's exercise of its rights under this Section 4, Property Operator shall have all rights, power and authority granted to Property Operator under any Contract (except as otherwise limited by this Section 4 or any other provision of this Assignment), including the right, power and authority to modify the terms of any Contract or extend or terminate any Contract. If an Event of Default has occurred and is continuing, at the option of Lender, the permission given to Property Operator pursuant to the preceding sentence to exercise all rights, power and authority under Contracts shall terminate.

(d) Upon Lender's delivery of notice to Property Operator of an Event of Default, Lender shall immediately have all rights, powers and authority granted to Property Operator under any Contract and the Management Agreement, including the right, power and authority to modify the terms of, extend or terminate any such Contract or the Management Agreement.

5. Assignment of Licenses.

As consideration for the material financial benefit to be derived by Property Operator from Lender's approval of the Facility Operating Agreement, to the extent permissible under applicable law and regulation, Property Operator pledges, grants a security interest in and assigns to Lender to secure Property Operator's obligations under this Assignment and Borrower's obligations under the Loan Documents all of Property Operator's right, title and interest, if any, in and to all Licenses and any other agreements or permits of any nature whatsoever now or hereafter obtained or entered into by Property Operator with respect to the occupancy, use, operation, maintenance and administration of the Mortgaged Property as a Seniors Housing Facility.

6. Subordination to Mortgage Lien.

The Facility Operating Agreement is and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of this Assignment, the Security Instrument and the other Loan Documents, and to all renewals, modifications, consolidations, replacements and extensions thereof, and to all advances heretofore made or which may hereafter be made pursuant to the Security Instrument (including all sums advanced for the purposes of (a) protecting or further securing the lien of the Security Instrument, curing defaults by Borrower under the Loan Documents or for any other purposes expressly permitted by the Security Instrument, or (b) constructing, renovating, repairing, furnishing, fixturing or equipping the Mortgaged Property).

7. Property Operator Fee Subordination.

If Property Operator is a Borrower Affiliate, Property Operator agrees that any fees payable to Property Operator by Borrower pursuant to the Facility Operating Agreement shall be subordinated in right to the prior payment in full of the Indebtedness. If Property Operator is not a Borrower Affiliate, Property Operator agrees that any fees payable to Property Operator by Borrower pursuant to the Facility Operating Agreement shall be subordinated in right of payment to the prior payment in full of monthly debt service and funding of escrows and reserves as required under the Loan Documents, and the payment of all operating expenses and capital expenditures incurred in connection with the operation and management of the Mortgaged Property. Notwithstanding anything in this Assignment to the contrary, to the extent following an Event of Default Manager continues to provide services under the Management Agreement, whether at Lender's request or as otherwise required under any applicable licensing or regulatory requirement, Lender shall pay Manager any management fees due under the Management Agreement that accrue after Manager has received notice of the Event of Default (the "**Post-Default Management Fees**").

8. Operator Representations and Warranties.

Operator represents and warrants to Lender as follows as of the date of this Assignment:

(a) Operator has unconditionally accepted delivery of the Mortgaged Property pursuant to the terms of the Operating Lease and is operating the Mortgaged Property as a Seniors Housing Facility;

(b) the Facility Operating Agreement Terms set forth on Exhibit D are true and correct in all respects;

(c) the Operating Lease does not provide for free Facility Operating Agreement Rent, partial Facility Operating Agreement Rent, Facility Operating Agreement Rent concessions of any kind, the advance payment of Facility Operating Agreement Rent other than as set forth in Section 9(I), or Facility Operating Agreement Rent abatement or offsetting of Facility Operating Agreement Rent;

(d) no Facility Operating Agreement Rent has been paid for more than thirty (30) days in advance;

(e) all required payments of Facility Operating Agreement Rent, if any, have been made prior to the date hereof;

10. Operator Covenants.

Operator covenants with Lender that during the term of this Assignment:

(a) Except in connection with a Ventas Transfer (as defined in the Loan Agreement), Operator shall not transfer the responsibility for the operation and management of the Mortgaged Property or the Licenses, including, permitting the Transfer of a direct or indirect Controlling Interest in Operator, to any other person or entity without the prior written consent of Lender, or change its name, change its jurisdiction or organization, or cause or permit a conversion of Operator from one type of entity into another type of entity without Lender's prior written consent, which consent will not be unreasonably withheld provided that any such change does not invalidate any of the Licenses;

(b) Operator will cooperate with Lender, including attendance at any meetings requested by Lender (after reasonable prior notice), furnishing financial statements of Operator (in connection with the operation of the Mortgaged Property) and operating statements for the Mortgaged Property, and allowing Lender to undertake inspections of the Mortgaged Property;

(c) Operator acknowledges that it has received from Borrower and reviewed a fully executed copy of the Loan Agreement, the Security Instrument and the Environmental Indemnity Agreement and covenants therein and agrees to comply with all Operating Covenants, including arranging for the escrow of Taxes and insurance with Lender and providing insurance coverage in accordance with Lender's requirements if such escrows and provision of insurance coverage is required of Operator under the Operating Lease. In the event Operator fails to so use and operate the Mortgaged Property according to the Operating Covenants, Lender shall have the right to enforce the Operating Covenants directly against Operator upon Borrower's failure to do so, in accordance with the provisions of the Security Instrument, the Loan Agreement and this Assignment. The parties agree that Operator's failure to comply with the Operating Covenants and its other obligations under this Assignment shall constitute an Event of Default hereunder;

(d) if (1) Operator fails to perform any of its obligations under this Assignment or causes a default under the Facility Operating Agreement, or (2) any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security, rights or interests under the Loan Agreement or any Loan Document, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Environmental Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender may, at its option, make such appearances, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Operator and to protect the Mortgaged Property, Lender's security, rights or interest, including (A) payment of fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants, (B) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (C) procurement of the insurance required by the Loan Agreement and (D) payment of any amounts required under this Assignment, the Loan Agreement, or the Facility Operating Agreement which Operator has failed to pay. Any amounts disbursed by Lender under this Section 10, or under any other provision of this Assignment that treats such disbursement as being made under this Section 10, due to Operator's failure to perform its obligations, shall be immediately due and payable to Lender from Operator. The foregoing provisions shall not require Lender to incur any expense or take any action;

(e) if, by reason of its exercise of any right or remedy under the Facility Operating Agreement, Operator acquires by right of subrogation or otherwise a lien on the Mortgaged Property which (but for this subsection) would be senior to the lien of the Security Instrument, then, in that event, such lien shall be subject and subordinate to the lien of the Security Instrument and this Assignment;

(f) until Operator receives notice (or otherwise acquires actual knowledge) of an Event of Default, Operator shall be entitled to retain for its own account any payments or fees made pursuant to the Facility Operating Agreement, subject to the terms of this Assignment, provided that if Operator is an Affiliated Operator, notice to Borrower of an Event of Default shall be deemed to be notice to Operator for purposes of this provision;

(g) after Operator or Borrower receives notice (or otherwise acquires actual knowledge) of an Event of Default, Operator will not accept or retain any payments or fees made pursuant to the Facility Operating Agreement without Lender's prior written consent;

(h) if, after Operator or Borrower receives notice (or otherwise acquires actual knowledge) of an Event of Default, Operator receives any payments or fees pursuant to the Facility Operating Agreement other than from Lender, or if Operator receives any other payment or distribution of any kind from Borrower or from any other person or entity other than from Lender in connection with the Facility Operating Agreement which Operator is not permitted by this Assignment to retain for its own account, such payment or other distribution will be received and held in trust for Lender and unless Lender otherwise notifies Operator, will be promptly

remitted in readily available funds to Lender, properly endorsed to Lender, to be applied to amounts due under the Loan Documents in such order and in such manner as Lender shall determine. Operator hereby irrevocably designates, makes, constitutes and appoints Lender (and all persons or entities designated by Lender) as Operator's true and lawful attorney in fact with power to endorse the name of Operator upon any checks representing payments referred to in this subsection;

(i) during the term of this Assignment, Operator will not commence, or join with any other creditor in commencing any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings with respect to Borrower, without Lender's prior written consent;

(j) Operator will deliver to Lender at the address indicated below and at the same time as such notice is given to Borrower, any notice of default under the Operating Lease;

(k) Operator will not seek to terminate the Operating Lease by reason of any default of Borrower without prior written notice to Lender and the lapse of such time as was offered to Borrower under the Operating Lease in which to remedy the default, and the lapse of thirty (30) days after the expiration of such time as Borrower was permitted to cure such default; provided, however, that with respect to any default of Borrower under the Operating Lease which cannot be remedied within such time, if Lender commences to cure such default within such time and thereafter diligently proceeds with such efforts and pursues the same to completion, Lender shall have such time as is reasonably necessary to complete curing such default. Notwithstanding the foregoing, in the event either Lender or Borrower do not cure or commence curing such default within the time provided to Borrower under the Operating Lease and the nature of the default threatens Operator's ability to conduct its daily business or threatens to materially or adversely damage its property located on the Mortgaged Property, Operator shall be permitted to exercise its rights under the Operating Lease;

(l) Operator will not pay Facility Operating Agreement Rent more than thirty (30) days in advance of the date on which the same are due or to become due under the Operating Lease;

(m) Operator will certify promptly in writing to Lender in connection with any proposed assignment of the Mortgage Loan, whether or not any default on the part of Borrower then exists under the Operating Lease and will execute such estoppel certificates and subordination agreements as Lender shall reasonably require;

(n) Operator shall not create, incur, assume or suffer to exist any lien on the Mortgaged Property or any part of the Mortgaged Property or pledge any interest in the Mortgaged Property or any part of the Mortgaged Property, including the Leases, Rents and Contracts;

(o) Operator shall not without the prior written consent of Lender (1) terminate, amend or modify any of the terms or provisions of the Facility Operating Agreement, (2) assign its rights under the Facility Operating Agreement, (3) in connection with any Facility Operating Agreement that is a master lease covering more than one property, add or release any property subject to the Facility Operating Agreement, or (4) transfer the Facility Operating Agreement. Within five (5) days of Operator's receipt, Operator shall give Lender written notice of any notice or information that Operator receives which indicates that any party (A) is in default under the terms of the Facility Operating Agreement, (B) is amending, modifying or terminating the Facility Operating Agreement or (C) is otherwise discontinuing its operation and management of the Mortgaged Property;

(p) Operator will comply in all respects with its obligations under the Facility Operating Agreement;

(q) Operator shall promptly inform Lender in writing (and shall deliver to Lender copies of any related written communications, complaints, orders, judgments and other documents) relating to the commencement of any rulemaking or disciplinary proceeding or the promulgation of any proposed or final rule which would have, or may reasonably be expected to have, a material adverse effect on Operator's ability to operate and manage the Mortgaged Property or on the Mortgaged Property itself; the receipt of notice from any Governmental Authority having jurisdiction over Property Operator that (1) Operator is being placed under regulatory supervision, (2) any License, permit, charter, membership or registration material to the conduct of Operator's business or the Mortgaged Property is to be suspended or revoked or (3) Operator is to cease and desist any practice, procedure or policy employed by Operator in the conduct of its business, and such cessation would have, or may reasonably be expected to have, a material adverse effect on the Mortgaged Property;

(r) Operator will not use the Mortgaged Property for the storage, treatment, manufacturing, generation, disposal or release into the environment of any petroleum product or substance which is classified as a hazardous substance, pollutant or contaminant under CERCLA or other applicable federal, state and local laws and regulations except for the safe and lawful use and storage of quantities of pre-packaged supplies, cleaning materials, petroleum products, and medical products and devices customarily used in the operation and maintenance of comparable Senior Housing Facilities;

(s) Operator shall not look to Lender, any mortgagee in possession, or successor in title to the Mortgaged Property for accountability for any security deposit or other deposit held by Borrower;

(t) Operator shall fully perform all of its obligations under the Contracts, and Operator shall not amend, modify, assign, sell, pledge, transfer, mortgage or otherwise encumber its interests in any of the Contracts so long as this Assignment is in effect, or consent to any

transfer, assignment or other disposition thereof without the written approval of Lender. Each Contract entered into by Operator subsequent to the date hereof, the average annual consideration of which, directly or indirectly, is at least \$20,000, shall provide: (1) that it shall be terminable for cause; and (2) that it shall be terminable, at Lender's option, upon the occurrence and continuance of an Event of Default;

(u) If no regulatory or licensing requirements currently apply to the Mortgaged Property and Operator is in all respects legally authorized to operate the Mortgaged Property as a Seniors Housing Facility without a License as of the date hereof as set forth on Exhibit C, and if any licensing or similar regulatory requirement is imposed upon or otherwise becomes applicable to the Mortgaged Property, Operator shall obtain all Licenses required to lawfully operate the Mortgaged Property as a Seniors Housing Facility or shall ensure such licenses are obtained, and notify Loan Servicer of such licensing requirements, and shall maintain such Licenses in full force and effect, or shall ensure such Licenses are maintained in full force and effect;

(v) Neither Borrower nor Operator shall permit more than sixty percent (60%) of the Mortgaged Property's effective gross income to be derived from units relying on Medicaid payments. If Borrower or Operator is a Medicaid Participant as of the date hereof, Borrower and Operator shall execute the form of Medicaid reserve agreement and depository agreement as Lender may require. If Borrower or Operator become a Medicaid Participant after the date hereof, Borrower and Operator shall execute the form of Medicaid reserve agreement and depository agreement as Lender may require;

(w) Operator covenants and agrees that it will not perform any acts and has not executed, and shall not execute any instrument which would prevent Lender from exercising its rights under this Assignment;

(x) if Operator is a HIPAA Covered Entity, Operator shall at all times remain in substantial compliance with HIPAA requirements, including those concerning privacy, breach notification, security and billing standards.

11. Manager Covenants.

Manager covenants with Lender that during the term of this Assignment:

(a) Manager shall not transfer the responsibility for the management of the Mortgaged Property to any other person or entity without the prior written consent of Lender, which consent will not be unreasonably withheld provided that any such change does not invalidate any of the Licenses;

(b) Manager will cooperate with Lender, including attendance at any meetings requested by Lender (after reasonable prior notice), furnishing financial statements of Manager

(in connection with the management of the Mortgaged Property) and operating statements for the Mortgaged Property, and allowing Lender to undertake inspections of the Mortgaged Property;

(c) Manager acknowledges that it has received from Operator and reviewed a fully executed copy of the Loan Agreement, the Security Instrument and the Environmental Indemnity Agreement and covenants therein and agrees to comply with all Operating Covenants, including arranging for the escrow of Taxes and insurance with Lender and providing insurance coverage in accordance with Lender's requirements if such escrows and provision of insurance coverage is required of Manager under the Management Agreement. In the event Manager fails to so use and operate the Mortgaged Property according to the Operating Covenants, Lender shall have the right to enforce the Operating Covenants directly against Manager upon Operator's failure to do so, in accordance with the provisions of the Security Instrument, the Loan Agreement and this Assignment. The parties agree that Manager's failure to comply with the Operating Covenants and its other obligations under this Assignment shall constitute an Event of Default hereunder;

(d) if (1) Manager fails to perform any of its obligations under this Assignment or causes a default under the Management Agreement, or (2) any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security, rights or interests under the Loan Agreement or any Loan Document, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Environmental Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender may, at its option, make such appearances, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Manager and to protect the Mortgaged Property, Lender's security, rights or interest, including (A) payment of fees and out-of-pocket expenses of attorneys, accountants, inspectors and consultants, (B) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (C) procurement of the insurance required by the Loan Agreement and (D) payment of any amounts required under this Assignment, the Loan Agreement, or the Management Agreement which Manager has failed to pay. Any amounts disbursed by Lender under this Section 11, or under any other provision of this Assignment that treats such disbursement as being made under this Section 11, due to Manager's failure to perform its obligations, shall be immediately due and payable to Lender from Manager. The foregoing provisions shall not require Lender to incur any expense or take any action;

(e) if, by reason of its exercise of any right or remedy under the Management Agreement, Manager acquires by right of subrogation or otherwise a lien on the Mortgaged Property which (but for this subsection) would be senior to the lien of the Security Instrument, then, in that event, such lien shall be subject and subordinate to the lien of the Security Instrument and this Assignment;

(f) until Manager receives notice (or otherwise acquires actual knowledge) of an Event of Default, Manager shall be entitled to retain for its own account any payments or fees

made pursuant to the Management Agreement, subject to the terms of this Assignment, provided that if Manager is an Affiliated Manager, notice to Borrower of an Event of Default shall be deemed to be notice to Manager for purposes of this provision;

(g) after Manager or Borrower receives notice (or otherwise acquires actual knowledge) of an Event of Default, Manager will not accept or retain any payments or fees (other than Post Default Manager Fees, if any) made pursuant to the Management Agreement without Lender's prior written consent;

(h) if, after Manager or Borrower receives notice (or otherwise acquires actual knowledge) of an Event of Default, Manager receives any payments or fees pursuant to the Management Agreement other than from Lender, or if Manager receives any other payment or distribution of any kind from Operator or from any other person or entity other than from Lender in connection with the Management Agreement which Manager is not permitted by this Assignment to retain for its own account, such payment or other distribution will be received and held in trust for Lender and unless Lender otherwise notifies Manager, will be promptly remitted in readily available funds to Lender, properly endorsed to Lender, to be applied to amounts due under the Loan Documents in such order and in such manner as Lender shall determine. Manager hereby irrevocably designates, makes, constitutes and appoints Lender (and all persons or entities designated by Lender) as Manager's true and lawful attorney in fact with power to endorse the name of Manager upon any checks representing payments referred to in this subsection;

(i) during the term of this Assignment, Manager will not commence, or join with any other creditor in commencing any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings with respect to Borrower, without Lender's prior written consent;

(j) Manager will deliver to Lender at the address indicated below and at the same time as such notice is given to Borrower, any notice of default under the Management Agreement;

(k) Manager will not seek to terminate the Management Agreement by reason of any default of Operator without prior written notice to Lender and the lapse of such time as was offered to Operator under the Management Agreement in which to remedy the default, and the lapse of thirty (30) days after the expiration of such time as Borrower was permitted to cure such default; provided, however, that with respect to any default of Operator under the Management Agreement which cannot be remedied within such time, if Lender commences to cure such default within such time and thereafter diligently proceeds with such efforts and pursues the same to completion, Lender shall have such time as is reasonably necessary to complete curing such default. Notwithstanding the foregoing, in the event either Lender or Borrower do not cure or commence curing such default within the time provided to Operator under the Management Agreement and the nature of the default threatens Manager's ability to conduct its daily business

or threatens to materially or adversely damage its property located on the Mortgaged Property, Manager shall be permitted to exercise its rights under the Management Agreement;

(l) Manager will certify promptly in writing to Lender in connection with any proposed assignment of the Mortgage Loan, whether or not any default on the part of Operator then exists under the Management Agreement and will execute such estoppel certificates and subordination agreements as Lender shall reasonably require;

(m) Manager shall not create, incur, assume or suffer to exist any lien on the Mortgaged Property or any part of the Mortgaged Property or pledge any interest in the Mortgaged Property or any part of the Mortgaged Property, including the Leases, Rents and Contracts;

(n) Manager shall not without the prior written consent of Lender (1) terminate, amend or modify any of the terms or provisions of the Management Agreement, (2) assign its rights under the Management Agreement, or (3) transfer the Management Agreement. Within five (5) days of Manager's receipt, Manager shall give Lender written notice of any notice or information that Manager receives which indicates that any party (A) is in default under the terms of the Management Agreement, (B) is amending, modifying or terminating the Management Agreement or (C) is otherwise discontinuing its management of the Mortgaged Property;

(o) Manager will comply in all respects with its obligations under the Management Agreement;

(p) Manager shall promptly inform Lender in writing (and shall deliver to Lender copies of any related written communications, complaints, orders, judgments and other documents) relating to the commencement of any rulemaking or disciplinary proceeding or the promulgation of any proposed or final rule which would have, or may reasonably be expected to have, a material adverse effect on Manager's ability to manage the Mortgaged Property or on the Mortgaged Property itself; the receipt of notice from any Governmental Authority having jurisdiction over Manager that (1) Manager is being placed under regulatory supervision, (2) any License, permit, charter, membership or registration material to the conduct of Manager's business or the Mortgaged Property is to be suspended or revoked or (3) Manager is to cease and desist any practice, procedure or policy employed by Manager in the conduct of its business, and such cessation would have, or may reasonably be expected to have, a material adverse effect on the Mortgaged Property;

(q) Manager will not use the Mortgaged Property for the storage, treatment, manufacturing, generation, disposal or release into the environment of any petroleum product or substance which is classified as a hazardous substance, pollutant or contaminant under CERCLA or other applicable federal, state and local laws and regulations except for the safe and lawful use

and storage of quantities of pre-packaged supplies, cleaning materials, petroleum products, and medical products and devices customarily used in the operation and maintenance of comparable Senior Housing Facilities;

(r) Manager shall not look to Lender, any mortgagee in possession, or successor in title to the Mortgaged Property for accountability for any security deposit or other deposit held by Operator, if any;

(s) Manager shall fully perform all of its obligations under the Contracts, and Manager shall not amend, modify, assign, sell, pledge, transfer, mortgage or otherwise encumber its interests in any of the Contracts so long as this Assignment is in effect, or consent to any transfer, assignment or other disposition thereof without the written approval of Lender. Each Contract entered into by Manager subsequent to the date hereof, the average annual consideration of which, directly or indirectly, is at least \$20,000, shall provide: (1) that it shall be terminable for cause; and (2) that it shall be terminable, at Lender's option, upon the occurrence and continuance of an Event of Default;

(t) If no regulatory or licensing requirements currently apply to the Mortgaged Property and Manager is in all respects legally authorized to manage the Mortgaged Property as a Seniors Housing Facility without a License as of the date hereof as set forth on Exhibit C, and if any licensing or similar regulatory requirement is imposed upon or otherwise becomes applicable to the Mortgaged Property and Manager, Manager shall obtain all Licenses required to lawfully manage the Mortgaged Property as a Seniors Housing Facility or shall ensure such licenses are obtained, and notify Loan Servicer of such licensing requirements, and shall maintain such Licenses in full force and effect, or shall ensure such Licenses are maintained in full force and effect;

(u) Manager shall not permit more than sixty percent (60%) of the Mortgaged Property's effective gross income to be derived from units relying on Medicaid payments. If Manager is a Medicaid Participant as of the date hereof, Manager shall execute the form of Medicaid reserve agreement and depository agreement as Lender may require. If Manager becomes a Medicaid Participant after the date hereof, Manager shall execute the form of Medicaid reserve agreement and depository agreement as Lender may require;

(v) Manager covenants and agrees that it will not perform any acts and has not executed, and shall not execute any instrument which would prevent Lender from exercising its rights under this Assignment;

(w) if Manager is a HIPAA Covered Entity, Manager shall at all times remain in substantial compliance with HIPAA requirements, including those concerning privacy, breach notification, security and billing standards.

12. Events of Default; Remedies.

(a) The occurrence of any one or more of the following shall constitute an Event of Default under this Assignment: (1) a default, a breach of a covenant or a failure to perform any obligation under this Assignment; (2) the failure of any representation or warranty in this Assignment to be true and correct when made; (3) any "Event of Default" listed in Section 14.01 of the Loan Agreement; or (4) a default by Borrower or Operator under the Operating Lease or the Management Agreement. Borrower and Operator hereby acknowledge that any default by Borrower or Operator under this Assignment, the Operating Lease or the Management Agreement which continues beyond any applicable cure period shall constitute an Event of Default hereunder and under the Loan Agreement. Borrower and Manager hereby acknowledge that any default by Manager under this Assignment which continues beyond any applicable cure period shall constitute an Event of Default hereunder and under the Loan Agreement.

(b) Upon receipt by Property Operator of written notice from Lender that an Event of Default has occurred under the Loan Documents, Lender shall have the right to exercise all rights as owner of the Mortgaged Property under the Facility Operating Agreement, and Property Operator shall pay to Lender directly all Rents and other sums due under the Facility Operating Agreement. Lender shall be entitled to mandate the use of a lockbox bank account or other depository account, to be maintained under the control and supervision of Lender, for all income of the Mortgaged Property, including but not limited to Rent, service charges, insurance payments and Third Party Payments. In order to induce Lender to lend funds under the Loan Agreement and approve the Facility Operating Agreement, Borrower and Property Operator hereby agree that at the option of Lender upon the occurrence of an Event of Default, Property Operator shall continue to provide all necessary services required under any applicable licensing or regulatory requirements. Property Operator agrees to fully cooperate with Lender and any receiver as may be appointed by a court, in performing these services until such time as Lender has arranged for a replacement provider of the necessary services, and in arranging an orderly transition of operating and management responsibilities to the receiver or a replacement provider of the necessary services. Borrower and Property Operator agree to cooperate with Lender in arranging an orderly transfer to a replacement Property Operator of all Licenses and governmental approvals necessary or reasonably required to operate the Mortgaged Property as a Seniors Housing Facility, and to execute promptly all applications, assignments, consents and documents requested by Lender to facilitate such transition. Notwithstanding anything in this Assignment to the contrary, to the extent following an Event of Default Manager continues to provide services under the Management Agreement, whether at Lender's request or as otherwise required under any applicable licensing or regulatory requirement, provided that Property Operator has complied with the foregoing requirement to pay to Lender directly all Rent and other sums due under the Facility Operating Agreement, Lender shall, if and only to the extent required by the Management Agreement, (a) make available to Manager the funds necessary to manage the Mortgaged Property under any applicable licensing or regulatory requirement or

under the Management Agreement including, without limitation, the funds necessary to pay the salaries of Manager's employees and (b) pay Manager any Post-Default Management Fees, if any.

(c) If an Event of Default has occurred and is continuing, Lender shall have the right any time thereafter to terminate the Facility Operating Agreement without cause and without liability by giving written notice to Property Operator of its election to do so. Lender's notice shall specify the date of termination, which shall not be less than thirty (30) days after the date of such notice, except such lesser notice as Lender deems to be appropriate in the event of an emergency or impairment of Lender's collateral. Such termination right shall (1) supersede any limitation on termination rights contained in the Facility Operating Agreement, (2) serve as consideration for the material benefit derived by Property Operator from Lender's approval of the Facility Operating Agreement and the making of the Mortgage Loan, and (3) become effective pursuant to Lender's right after an Event of Default occurs and continues to exercise all rights of Borrower and/or Operator under the Facility Operating Agreement, as the case may be.

(d) On the effective date of termination of the Facility Operating Agreement, Property Operator shall turn over to Lender all books and records relating to the Mortgaged Property and the residents and tenants (copies of which may be retained by Property Operator, at Property Operator's expense), together with such authorizations and letters of direction addressed to residents, tenants, suppliers, employees, banks and other parties as Lender may reasonably require. A final accounting of unpaid fees (if any) due to Property Operator under the Facility Operating Agreement shall be made within sixty (60) days after the effective date of termination, but Lender shall not have any liability or obligation to Property Operator for unpaid fees or other amounts payable under the Facility Operating Agreement (other than with respect to Post-Default Manager Fees, if any) which accrue before Lender acquires title to the Mortgaged Property, or before Lender becomes a mortgagee in possession.

(e) If an Event of Default has occurred and is continuing, Property Operator will furnish promptly to Lender evidence of deposits and withdrawals from any account held or controlled by Property Operator relating to the Mortgaged Property.

(f) If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Assignment or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.

(g) From and after the occurrence of an Event of Default, Lender or its designee may (in Lender's sole discretion) terminate Property Operator's authority to collect Accounts and notify the residents and account debtors that the Accounts have been assigned to Lender and, either in its own name or that of Property Operator, or both, demand, collect (including, without

limitation, through any lockbox arrangement prescribed by Lender), receive, receipt for, sue for or give acquittance for any or all amounts due or to become due in respect of the Accounts, and may also, in its discretion, file any claim, institute any proceeding or take any other action that Lender may deem necessary or appropriate to protect and realize upon the security interest of Lender in the Accounts. All of Lender's collection expenses shall be charged to Borrower's account and added to the Indebtedness. If Lender is collecting the Accounts as above provided, Lender shall have the right to receive, endorse, assign and deliver in Lender's name or Property Operator's name any and all checks, drafts and other instruments for the payment of money relating to the Accounts, and Property Operator hereby waives notice of presentment, protest and non-payment of any instrument so endorsed. If Lender is collecting the Accounts directly as above provided, Property Operator hereby constitutes Lender or Lender's designee as Property Operator's attorney-in-fact with power with respect to the Accounts to: (1) endorse Property Operator's name upon all notes, acceptances, checks, drafts, money orders or other evidences of payment that may come into Lender's possession; (2) notify the U.S. Post Office to change the address for delivery of mail addressed to Property Operator for the Mortgaged Property to such address as Lender may designate; and (3) receive, open and dispose of all such mail addressed to Property Operator.

(h) If an Event of Default has occurred and is continuing, Lender may, without demand and without advertisement or notice, at any time or times, sell and deliver any or all Personalty held by or for it at public or private sale, for cash, upon credit or otherwise, at such prices and upon such terms as Lender, in its sole discretion, deems advisable. Subject to the provisions of applicable law, Lender may postpone or cause the postponement of the sale of all or any portion of the Personalty by announcement at the time and place of such sale, and such sale may, without further notice, be made at the time and place to which the sale has been postponed or Lender may further postpone such sale by announcement made at such time and place. Without in any way limiting the foregoing, Lender shall, if an Event of Default has occurred and is continuing, have the right, in addition to all other rights provided herein or by law, to enter without legal process upon the Mortgaged Property (provided that such entry be done lawfully) for the purpose of taking possession of the Personalty, and the right to maintain such possession on the Mortgaged Property or to remove the Personalty or any part thereof to such other places as Lender may desire. Whether or not Lender exercises its right to take possession of the Personalty, Property Operator shall, upon Lender's demand, promptly assemble the Personalty and make it available to Lender at the Mortgaged Property.

As consideration for the material financial benefit to be derived by Property Operator and Borrower as a result of Lender's approval of the Facility Operating Agreement and providing the Mortgage Loan to Borrower, Property Operator and Borrower acknowledge receipt of good and valuable consideration for Property Operator's and Borrower's entry into this Assignment.
