Loan No.: 0596539190
Investor No.: 1703558115

Grantor is unable to pay the obligations secured by the Trust Deed and has asked Grantee to accept an absolute deed of conveyance of the Property and to forebear action against Grantor on the promissory note secured by the Trust Deed.

NOW, THEREFORE, Grantor grants, bargains, sells, and conveys to Grantee and to Grantee's successors and assigns all of the Property, with the tenements, hereditaments, and appurtenances belonging or in any way appertaining to the Property, including, but not limited to, all of Grantor's rights in any reserve accounts for the payment of taxes, insurance or other charges attributable to the Property, to have and to hold unto Grantee and Grantee's successors and assigns forever.

The true and actual consideration for this transfer consists of Grantee's waiver of Grantee's right to judgment against Grantor personally under the Promissory Note secured by the Trust Deed and Grantee's waiver of Grantee's right to deficiency judgment against Grantor. For purposes of ORS 93.030, the actual consideration consists of or includes other property or other value given or promised that is part or the whole consideration.

This Deed is absolute in effect and conveys to Grantee fee simple title in the property. This Deed does not operate as a mortgage, trust deed, trust conveyance, or security device of any kind.

This Deed does not effect or constitute a merger of the fee ownership and the lien of the Trust Deed. The fee and the lien shall remain separate and distinct. Grantee reserves Grantee's rights to foreclose the Trust Deed at any time as to any party with any claim, interest or lien on the property.

Grantor directs and authorizes Grantee to collect any rentals due with respect to the Property.

By acceptance of this Deed, Grantee covenants and agrees that Grantee forever shall forebear taking any action whatsoever to collect against Grantor on the promissory note secured by the Trust Deed, other than by foreclosure of the Trust Deed, and that in any proceeding to foreclose the Trust Deed, Grantee shall not seek, obtain, or permit a deficiency judgment against Grantor or against the heirs or assigns of Grantor.

Grantor acknowledges that the debt secured by the Deed Trust is in default, that the Trust Deed is subject to immediate foreclosure by Grantee, that Grantor is unable to pay or cure the defaults, and that Grantor therefore desires to avoid litigation by granting this Deed in Lieu of Foreclosure.

Grantor waives, surrenders, conveys and relinquishes any equity of redemption and any statutory right of redemption concerning the Property and the Trust Deed.

Grantor is not acting under misapprehension as to the legal effect of this Deed or under duress, undue influence or misrepresentation by Grantee, Grantee's agent, or attorney, or any other person.

Grantor acknowledges that the Trust Deed is valid, subsisting and binding and shall remain in force and effect.

Grantee does not expressly or impliedly agree to assume or to pay any debt, lien, charge or obligation that relates to or is attributable to the Property.

In construing this Deed, and where the context so requires, the singular includes the plural, and all grammatical changes shall be implied to make provisions of this instrument applicable equally to corporations and other business entities and to individuals.

Grantor releases Grantee from each claim which Grantor may have arising out of the Trust Deed or the promissory note it secures.

IN WITNESS WHEREOF, Grantor has executed this instrument.
