TO HAVE AND HOLD the same, together with all privileges, hereditaments, easements and appurtenances thereunto belonging, to the Trustee, for the benefit of the Beneficiary, as security for the Secured Obligations.

As additional security for the Secured Obligations, the Grantor hereby transfers and assigns to the Beneficiary and grants to the Beneficiary a security interest under the Uniform Commercial Code (as defined herein) in all right, title and interest of the Grantor in and to all of the following, except to the extent any of the same shall constitute Excluded Assets:

(1) All security deposits, rents, issues, profits and revenues of the Premises from time to time accruing (the "Rents and Profits") and all existing and future leases, subleases, licenses and other agreements for the use and occupancy of all or part of the Premises, together with all guarantees of the lessee's obligations thereunder (collectively, the "Leases"), whether oral or written, for a definite term or month-to-month. This assignment shall extend to and cover any and all extensions and renewals and future

Leases and to any and all present and future rights against guarantor(s) of any such obligations and to any and all Rents and Profits collected under the Leases or derived from the Premises. In pursuance of this assignment and not in lieu hereof, the Grantor shall, upon request from the Beneficiary, execute and deliver to the Beneficiary, separate specific assignments of rents and leases covering some or all of the Leases, the terms of such assignments being incorporated herein by reference. This assignment for security purposes is effective immediately and without possession; however, Grantor shall have a revocable license to receive, collect and enjoy the Rents and Profits accruing from the Premises until an Event of Default has occurred. Upon the occurrence of any Event of Default, the license shall be revoked automatically, without need of notice, possession, foreclosure or any other act or procedure, and all Rents and Profits assigned hereby shall thereafter be payable to the Beneficiary.

In that regard, the Grantor grants to the Beneficiary all of the rights and remedies of a secured party under the Uniform Commercial Code and grants to the Beneficiary a security interest in all of the Tangible Personalty and property constituting personal property. The Premises, the Rents and Profits, and the Leases, the Intangible Personalty and all of the proceeds and interests described above, together with all proceeds thereof, are collectively referred to herein as, the “Trust Property.”

The Grantor and the Beneficiary covenant, represent and agree as follows:

#### ARTICLE I

##### Secured Obligations

1.1 Secured Obligations. This Deed of Trust secures the prompt payment, performance and observance of all obligations under the Credit Agreement and the other Loan Documents, whether now existing or hereafter arising or incurred, due or to become due, direct or indirect, absolute or contingent, and howsoever evidenced, held or acquired, including without limitation, the financial accommodations described in the Recitals above (the “Secured Obligations”). The Secured Obligations are, in part, a revolving line of credit facility and the unpaid balance may decrease or increase from time to time and may from time to time be reduced to zero without resulting in a release, satisfaction or reconveyance of this Deed of Trust.

1.2 Future Advances. The Beneficiary and/or the Secured Parties may advance or loan additional sums (herein “Future Advances”) to or for the benefit of the Grantor under or in connection with the credit facility established pursuant to the Credit Agreement. This Deed of Trust shall secure not only existing indebtedness, but also such Future Advances, including but not limited to extensions and refinancings, with interest thereon as provided in the Credit Agreement, whether such advances are obligatory or to be made at the option of the Beneficiary and/or Secured Parties or otherwise, to the same extent as if such Future Advances were made on the date of execution of this Deed of Trust.

## ARTICLE II

### Grantor's Covenants, Representations and Agreements

2.1 Incorporation of Credit Agreement. The Grantor represents, warrants, covenants and agrees that each of the representations, warranties, covenants and other agreements of the Grantor under and as contained in the Credit Agreement are hereby incorporated herein in their entirety by this reference.

2.2 Title to Premises. The Grantor represents and warrants to the Beneficiary (i) it is the fee simple owner of the Land and is the owner of the balance of the Premises and has the right to convey the same, (ii) that as of the date hereof title to the Premises is free and clear of all liens, encumbrances and other matters except for liens, encumbrances and other matters as are expressly permitted by the Credit Agreement (collectively, the "Permitted Encumbrances"). The Grantor shall warrant and defend the title to the Premises except for the Permitted Encumbrances against the claims of all Persons. Upon recordation in the official real estate records in the county (or other applicable jurisdiction) in which the Premises are located this Deed of Trust will create and constitute a valid and enforceable first priority Lien and security interest (subject to the Senior Deed of Trust, as defined herein) in the Trust Property in favor of the Beneficiary for the benefit of the Secured Parties, and, to the extent any of the Trust Property shall consist of "fixtures" or other personal property, a first priority security interest therein, in each case subject to the Permitted Encumbrances and the Senior Deed of Trust, as defined herein.

2.3 Taxes and Other Charges. Except as otherwise permitted in the Credit Agreement, the Grantor will pay prior to delinquency all taxes, general and special assessments, insurance premiums, all other charges which are or may become a lien against the Premises, and all material permit fees, inspection fees, license fees, water and sewer charges, franchise fees and equipment rents and any other charges or fees against it or the Premises (and the Grantor, upon request by the Beneficiary, will submit to the Beneficiary receipts evidencing said payments).

2.4 Reimbursement. The Grantor agrees if it shall fail to pay on or before the date the same become delinquent, any tax, assessment or charge levied or assessed against the Premises or any utility charge, whether public or private, or any insurance premium or if it shall fail to procure the insurance coverage and the delivery of the insurance certificates required hereunder, or if it shall fail to pay any other charge or fee described herein, or if any representation or warranty on the part of the Grantor contained herein shall be breached, then the Beneficiary, at its option, may pay or procure the same and will give the Grantor prompt notice of any such expenditures; provided, however, the

Beneficiary shall in no event be bound to inquire into the validity of any tax, Lien, imposition or other obligation which the Grantor fails to pay or perform as and when required hereby and which the Grantor does not contest in accordance with the provisions of the Credit Agreement. The Grantor will reimburse the Beneficiary upon demand for any sums of money paid by the Beneficiary pursuant to this Section, together with interest on each such payment at the applicable rate of interest set forth in the Credit Agreement, and all such sums and interest thereon shall be secured hereby. Neither the provisions of this Section nor any action taken by the Beneficiary pursuant to the provisions of this Section shall prevent any such failure to observe any covenant contained in this Deed of Trust nor any breach of warranty from constituting an Event of Default.

2.5 Stamp and Other Taxes. The Grantor shall pay any United States documentary stamp taxes, with interest and fines and penalties, and any deed of trust recording taxes, with interest and fines and penalties, that may hereafter be levied, imposed or assessed under or upon or by reason hereof or the Secured Obligations or any instrument or transaction affecting or relating to either thereof and in default thereof as set forth in Section 10.5 of the Credit Agreement and the Beneficiary may advance the same and the amount so advanced shall be payable by the Grantor to the Beneficiary in accordance with provisions of Section 2.4 herein.

2.6 Additional Documents; Further Assurances; After-Acquired Property. At any time, and from time to time, upon request by the Beneficiary, the Grantor will make, execute and deliver or cause to be made, executed and delivered, to the Beneficiary and, where appropriate, to cause to be recorded and/or filed and from time to time thereafter to be rerecorded and/or refiled at such time and in such offices and places as shall reasonably be deemed desirable by the Beneficiary any and all such other and further trust deeds, deeds of trust, or similar instruments of further assurance, certificates and other documents as may, in the reasonable opinion of the Beneficiary, be necessary or desirable in order to effectuate, complete, maintain, enlarge, or perfect, or to continue and preserve the obligations of the Grantor under the Credit Agreement, this Deed of Trust, and the other Loan Documents, and the liens and security interests of this Deed of Trust as a first and prior lien (subject to the Senior Deed of Trust, as defined herein) upon all of the Trust Property, whether now owned or hereafter acquired by the Grantor, except to the extent such after acquired property constitutes Excluded Assets. The lien hereof will automatically attach, without further act, to all after acquired property attached to and/or used in the operation of the Trust Property or any part thereof. The Grantor hereby authorizes the Beneficiary to prepare and file such financing statements, fixture filings, renewals or continuations thereof, amendments and supplements thereto and other instruments as the Beneficiary may from time to time deem necessary or appropriate in order to perfect and maintain the security interests granted in the Credit Agreement and the documents executed in connection therewith in accordance with the Uniform Commercial Code. The Grantor hereby irrevocably makes, constitutes and appoints the Beneficiary as

the true and lawful attorney of the Grantor to take any or all of the foregoing actions in the name of the Grantor.

2.7 Sale, Transfer or Encumbrance. Except as permitted in the Credit Agreement, the Grantor will not sell, transfer, convey, mortgage, encumber or otherwise dispose of the Premises, the Trust Property or any part thereof or any interest therein or engage in subordinate financing with respect thereto during the term of this Deed of Trust without the prior written consent of the Beneficiary. Except as permitted by the Credit Agreement, the Grantor will not sell, transfer, convey, mortgage, encumber or otherwise dispose of any of the Tangible Personalty except to incorporate such into the Improvements or replace such with goods of quality and value at least equal to that replaced. In the event the Grantor sells or otherwise disposes of any of the Tangible Personalty in contravention of the foregoing sentence, the Beneficiary's security interest in the proceeds of the Tangible Personalty shall continue pursuant to this Deed of Trust.

2.8 Fees and Expenses. The Grantor will promptly pay upon demand any and all reasonable costs and expenses of the Beneficiary and the Trustee, (a) as required under the Credit Agreement and (b) as necessary to protect the Trust Property or to exercise any rights or remedies under this Deed of Trust or with respect to the Trust Property. All of the foregoing costs and expenses shall be Secured Obligations.

2.9 Leases and Other Agreements. The Grantor shall faithfully keep and perform, or cause to be kept and performed, in all material respects, all of the covenants, conditions, and agreements contained in each of the Leases and other material agreements or contracts affecting all or any portion of the Premises, now or hereafter existing, on the part of the Grantor to be kept and performed and shall at all times use commercially reasonable efforts to enforce, with respect to each other party thereto, all obligations, covenants and agreements by such other party to be performed thereunder.

2.10 Maintenance of Premises. The Grantor will abstain from and will not permit the commission of waste in or about the Premises and will maintain, or cause to be maintained (subject to reconstruction periods after the occurrence of an act of God), the Premises in good condition and repair, reasonable wear and tear excepted.

2.11 Insurance; Casualty. The Grantor shall maintain such insurance coverage and policies for the Premises required in the Credit Agreement and, if any part of the Improvements is located in an area having "special flood hazards" as defined in the Federal Flood Disaster Protection Act of 1973, the Grantor shall maintain a flood insurance policy naming the Grantor as beneficiary in such amount, covering such risks and liabilities and with such deductibles or self-insurance retentions as are in accordance with normal industry practice. The Grantor assigns to the Beneficiary as security for the Secured Obligations all proceeds to which the Grantor may be entitled under such insurance

policies and all such proceeds shall be applied to the Secured Obligations or disbursed in accordance with the terms of the Credit Agreement.

2.12 Eminent Domain. The Grantor assigns to the Beneficiary as security for the Secured Obligations any proceeds or awards which may become due by reason of any condemnation or other taking for public use of the whole or any part of the Premises or any rights appurtenant thereto to which the Grantor is entitled and such proceeds or awards shall be applied to the Secured Obligations or disbursed in accordance with the terms of the Credit Agreement. The Grantor agrees to execute such further assignments and agreements as may be reasonably required by the Beneficiary to assure the effectiveness of this Section. In the event any Governmental Authority shall require or commence any proceedings for the demolition of any buildings or structures comprising a part of the Premises, or shall commence any proceedings to condemn or otherwise take pursuant to the power of eminent domain a material portion of the Premises, the Grantor shall promptly notify the Beneficiary of such requirement or commencement of proceedings (for demolition, condemnation or other taking). There is no proceeding pending for the total or partial condemnation of the Premises.

2.13 Releases and Waivers. The Grantor agrees that no release by the Beneficiary of any portion of the Premises, Trust Property, no subordination of any lien, no forbearance on the part of the Beneficiary or the Secured Parties to collect on the Secured Obligations, or any part thereof, no waiver of any right granted or remedy available to the Beneficiary or the Trustee and no action taken or not taken by the Beneficiary or the Trustee shall in any way have the effect of releasing the Grantor from full responsibility to the Secured Parties and the Beneficiary for the complete discharge of each and every of the Grantor's obligations hereunder. The obligations of Grantor contained in this Section shall survive the termination hereof and the discharge of the Grantor's other obligations under this Deed of Trust and the other Loan Documents.

2.14 Authorizations; Restrictions. All material certifications, permits, licenses, authorizations, orders, exemptions, franchises and/or approvals, including, without limitation, certificates of completion and occupancy, licenses, permits required in order to use, occupy or operate all or any portion of the Premises for its current purpose (the "Authorizations") have been obtained and are in full force and effect. Except to the extent permitted by the Credit Agreement, the Grantor will not amend, supplement, cancel, surrender, allow to expire (other than expiration of the term thereof), terminate, release or waive any Authorization or any material provision thereof without the prior written consent of the Beneficiary. Except to the extent permitted by the Credit Agreement, the Grantor will not initiate, join in, or consent to any material change in the current use of the Premises or in any zoning ordinance, private restrictive covenant, assessment proceedings or other public or private restriction limiting or restricting the uses that may be made of the

Premises or any part thereof or any operations thereon without the prior written consent of the Beneficiary.

2.15 Assignment of Leases and Grantor Collection of Rents and Profits.

(a) The Grantor hereby authorizes and directs any lessees or tenants of the Premises that, upon written notice from the Beneficiary, all Rents and Profits and all payments required under the Leases or in any way respecting same, shall be made directly to the Beneficiary as they become due. The Grantor hereby relieves said lessees and tenants from any liability to the Grantor by reason of said payments being made to the Beneficiary. Nevertheless, until the Beneficiary notifies in writing said lessees and tenants to make such payments to the Beneficiary, the Grantor shall be entitled to collect all such Rents and Profits and/or payments. The Beneficiary is hereby authorized to give such notification upon the occurrence of any Event of Default and to maintain it in effect during the continuance thereof.

(b) Any and all Rents and Profits collected by the Beneficiary may be applied in the manner set forth in the Credit Agreement. Receipt by the Beneficiary of such Rents and Profits shall not constitute a waiver of any right the Beneficiary may enjoy under this Deed of Trust, the Credit Agreement or under the laws of the state in which the Premises is located, nor shall the receipt and application thereof cure any default hereunder nor affect any foreclosure proceeding or any sale authorized by this Deed of Trust, the Credit Agreement and the laws of the state in which the Premises is located, except to the extent that the amount so applied is sufficient to cure such default in full and all other conditions to the cure of such default set forth herein or in the Credit Agreement have been fully satisfied.

(c) The Beneficiary does not consent to, does not assume and shall not be liable for any obligation of the lessor under any of the Leases and all such obligations shall continue to rest upon the Grantor as though this assignment had not been made. The Beneficiary shall not be liable for the failure or inability to collect any Rents and Profits.

(d) The Grantor and the Beneficiary agree (i) this Deed of Trust shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (ii) the security interest created by this Deed of Trust extends to property of the Grantor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and Profits, and (c) such security interest shall extend to all rents acquired by the estate after the commencement of any case in bankruptcy.

2.16 Compliance with Law. The Grantor will comply in all material respects with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all governmental authorities in respect of the ownership of all or any portion

of the Premises (including applicable statutes, regulations, orders and restrictions relating to environmental standards and controls).

2.17 Inspection. The Grantor will permit the Beneficiary, or its agents, at all reasonable times and with reasonable prior notice to enter and pass through or over the Premises and all books and records located thereon provided, for the purpose of inspecting same; provided the Grantor shall have the right to be present during any discussions with accountants.

The Grantor warrants the name and address of the “Debtor” (which is the Grantor), are as set forth in the introductory paragraph of this Deed of Trust; and a statement indicating the types, or describing the items, of collateral is set forth hereinabove. The Grantor warrants the Grantor’s exact legal name is correctly set forth in the preamble of this Deed of Trust. #### Event of Default

An event of default (“Event of Default”) shall exist under the terms of this Deed of Trust upon the occurrence and during the continuance of an “Event of Default” as defined in the Credit Agreement.

### ARTICLE IV

#### Remedies in Case of an Event of Default

4.1 If any Event of Default shall have occurred and be continuing, the Beneficiary may at its option, in addition to any other action permitted under this Deed of Trust or the Credit Agreement or any other Loan Document or by law, statute or in equity, take one or more of the following actions to the greatest extent permitted by local law:

(a) with or without entry, personally or by its agents or attorneys, or by the Trustee at the direction of the Beneficiary (as so required by applicable law) (A) sell the Trust Property and all estate, right, title and interest, claim and demand therein at one or more sales in one or more parcels, in accordance with the provisions of Section 4.3 hereof or (B) institute and prosecute proceedings for the complete or partial foreclosure of the Lien and security interests created and evidenced hereby; or

(b) take such steps to protect and enforce its rights whether by action, suit or proceeding at law or in equity for the specific performance of any covenant, condition or agreement in the Credit Agreement and the other Loan Documents, or in aid of the execution of any power granted in this Deed of Trust, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy or otherwise as the Beneficiary shall elect.

4.2 Acceleration of Secured Obligations. Upon the occurrence and during the continuance of an Event of Default, the entire balance of all or any portion of the Secured Obligations, including all accrued interest, shall, at the option of the Beneficiary, become immediately due and payable.

4.3 Sale of Trust Property if Event of Default Occurs.

(a) If any Event of Default shall have occurred and be continuing, the Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) may institute an action to foreclose this Deed of Trust or take such other action as may be permitted and available to the Beneficiary at law or in equity for the enforcement of the Credit Agreement and realization on the Trust Property and proceeds thereon through power of sale (if then available under applicable law) or to final judgment and execution thereof for the Secured Obligations, and in furtherance thereof the Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) may sell the Trust Property at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law or statute or in equity. The Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) may execute and deliver to the purchaser at such sale a conveyance of the Trust Property in fee simple or otherwise, as appropriate, and an assignment or conveyance of all the Grantor's interest in the Leases and the Trust Property, each of which conveyances and assignments shall contain recitals as to the Event of Default upon which the execution of the power of sale herein granted depends, and the Grantor hereby constitutes and appoints the Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) the true and lawful attorney in fact of the Grantor to make any such recitals, sale, assignment and conveyance, and all of the acts of the Beneficiary and/or Trustee at the direction of the Beneficiary as such attorney in fact are hereby ratified and confirmed. The Grantor agrees that such recitals shall be binding

and conclusive upon the Grantor and that any assignment or conveyance to be made by the Beneficiary and/or Trustee at the direction of the Beneficiary shall divest the Grantor of all right, title, interest, equity and right of redemption, including any statutory redemption, in and to the Trust Property. (c) The Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) may, in its sole discretion, adjourn from time to time any sale by it to be made under or by virtue hereof by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and, the Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law), without further notice or publication except as required under applicable law, may make such sale at the time and place to which the same shall be so adjourned.

(d) If the Premises are comprised of more than one parcel of land, the Beneficiary and/or Trustee at the direction of the Beneficiary (as so required by applicable law) may, in its sole discretion, take any of the actions authorized by this Section 4.3 in respect of any individual parcel, any number of individual parcels or all parcels collectively to the extent allowed under applicable law.

4.4 Proceeds of Sale. Following a foreclosure sale made under or by virtue of this Article IV, the proceeds of such sale shall, subject to applicable law, be applied in accordance with the Credit Agreement.

4.5 Delivery of Possession Upon Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale, the Grantor or the Grantor's heirs, devisees, representatives, successors or assigns are occupying or using the Premises, or any part thereof, each and all immediately shall become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; and the purchaser at such sale, notwithstanding any language herein apparently to the contrary, shall, to the maximum extent permitted by law, have the sole option to demand possession immediately following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the property (such as an action for forcible detainer) in any court having jurisdiction.

## ARTICLE V

### Additional Rights and Remedies of Beneficiary

5.1 Rights Upon Maturity or an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Beneficiary, immediately and without additional notice and without liability therefor to the Grantor, except for its own gross negligence or willful misconduct, and to the extent permitted by law, may do or cause to be done any or all of the following: (a) personally, or by its agents or attorneys, and where applicable law so requires, with the Trustee enter into and upon and take physical possession of the Premises together with the books, records and accounts of the Grantor relating thereto and, exclude the Grantor, its agents and servants wholly therefrom, (b) exercise its right to collect the Rents and Profits; (c) enter into contracts for the completion, repair and maintenance of the Improvements thereon; (d) expend any income or Rents and Profits derived from the Premises for payment of any taxes, insurance premiums, assessments and charges for completion, repair and maintenance of the Improvements, preservation of the lien of this Deed of Trust and satisfaction and fulfillment of any liabilities or obligations of the Grantor arising out of or in any way connected with the construction of Improvements on the Premises whether or not such liabilities and obligations in any way affect, or may affect, the lien of this Deed of Trust; (e) enter into leases demising the Premises or any part thereof; (f) take such steps to protect and enforce the specific performance of any covenant, condition or agreement in this Deed of Trust, the Credit Agreement, or the other Loan Documents, or to aid the execution of any power herein granted; (g) generally, supervise, manage, and contract with reference to the Premises as if the Beneficiary were equitable owner of the Premises; (h) seek the appointment of a receiver as provided in Section 5.2 below; (i) exercise any or all of the remedies available to a secured party under the Uniform Commercial Code, including, but not limited to, selling, leasing or otherwise disposing of any fixtures and personal property

which is encumbered hereby at public sale, with or without having such fixtures or personal property at the place of sale, and upon such terms and in such manner as the Beneficiary may determine; (j) exercise any or all of the remedies of a secured party under the Uniform Commercial Code with respect to the Tangible Personalty and Intangible Personalty; and (k) enforce any or all of the assignments or collateral assignments made in this Deed of Trust as additional security for the Secured Obligations. The Grantor also agrees any of the foregoing rights and remedies of the Beneficiary may be exercised at any time independently of the exercise of any other such rights and remedies, and the Beneficiary may continue to exercise any or all such rights and remedies until the Event(s) of Default are cured and waived in accordance with the terms of the Credit Agreement or until foreclosure and the conveyance of the Premises or until the Secured Obligations (other than contingent indemnity obligations) are satisfied or paid in full and all Commitments (as defined in the Credit Agreement) are terminated.

5.2 Appointment of Receiver. If any of the Secured Obligations are not paid upon maturity or upon the occurrence and continuance of an Event of Default, the Beneficiary as a matter of right shall be entitled to the appointment of a receiver or receivers for all or any part of the Trust Property, to take possession of and to operate the Trust Property, and to collect the rents, issues, profits, and income thereof, all expenses of which shall become Secured Obligations, whether such receivership be incident to a proposed sale (or sales) of such property or otherwise, and without regard to the value of the Trust Property or the solvency of any Person or Persons liable for the payment of any Secured Obligations, without any showing of insolvency, fraud or mismanagement on the part of the Grantor, and without the necessity of filing any judicial or other proceedings other than the proceeding for appointment of a receiver, and the Grantor does hereby irrevocably consent to the appointment of such receiver or receivers, waives any and all defenses to such appointment, and agrees not to oppose any application therefor by the Beneficiary. Nothing herein is to be construed to deprive the Beneficiary of any other right, remedy or privilege it may have under the law to have a receiver appointed. Any money advanced by the Beneficiary in connection with any such receivership shall be a demand obligation (which obligation the Grantor hereby promises to pay) owing by the Grantor to the Beneficiary pursuant to this Deed of Trust. Any receiver appointed pursuant to the provisions of this subsection shall have the usual powers and duties of receivers in such matters.

5.3 Waivers. No waiver of any Event of Default shall at any time thereafter be held to be a waiver of any rights of the Beneficiary stated anywhere in this Deed of Trust, the Credit Agreement or any of the other Loan Documents, except in respect of such Event of Default, nor shall any waiver of a prior Event of Default operate to waive any subsequent Event(s) of Default. All remedies provided in this Deed of Trust, in the Credit Agreement and in the other Loan Documents are cumulative and may, at the election of the

Beneficiary, be exercised alternatively, successively, or in any manner and are in addition to any other rights provided by law.

5.4 Marshalling. The Grantor hereby waives, in the event there is a foreclosure of this Deed of Trust or the enforcement by the Beneficiary of any other rights and remedies hereunder, any right otherwise available in respect to marshalling of assets which secure any Secured Obligations and any other indebtedness secured hereby or to require the Beneficiary to pursue its remedies against any other such assets.

5.5 Protection of Trust Property. If the Grantor fails to perform the covenants and agreements contained in this Deed of Trust, the Credit Agreement or any of the other Loan Documents, and such failure continues beyond any applicable grace, notice and cure periods, except in the case of an emergency in which event the Beneficiary may act immediately, then the Beneficiary may take such actions, including, but not limited to, disbursements of such sums, as the Beneficiary in its sole reasonable discretion deems necessary to protect the Beneficiary's interest in the Trust Property.

5.6 Remedies Not Exclusive. No remedy conferred upon or reserved to the Beneficiary and/or Trustee by this Deed of Trust is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Deed of Trust or now or hereafter existing at law or in equity. Any delay or omission of the Beneficiary to exercise any right or power accruing on any Event of Default shall not impair any such right or power and shall not be construed to be a waiver of or acquiescence in any such Event of Default. Every power and remedy given by this Deed of Trust may be exercised from time to time concurrently or independently, when and as often as may be deemed expedient by the Beneficiary in such order and manner as the Beneficiary, in its sole discretion, may elect. If the Beneficiary accepts any monies required to be paid by the Grantor under this Deed of Trust after the same become due, such acceptance shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums secured by this Deed of Trust or to declare an Event of Default with regard to subsequent defaults. If the Beneficiary accepts any monies required to be paid by the Grantor under this Deed of Trust in an amount less than the sum then due, such acceptance shall be deemed an acceptance on account only and on the condition that it shall not constitute a waiver of the obligation of the Grantor to pay the entire sum then due, and the Grantor's failure to pay the entire sum then due shall be and continue to be a default hereunder notwithstanding acceptance of such amount on account.

THE BENEFICIARY AND THE GRANTOR FURTHER ACKNOWLEDGE THEY HAVE BEEN REPRESENTED (OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF THIS DEED OF TRUST AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF THEIR OWN FREE WILL, AND THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.

6.12 Concerning Beneficiary.

(a) The Beneficiary has been appointed as Administrative Agent pursuant to the Credit Agreement. The actions of the Beneficiary hereunder are subject to the provisions of the Credit Agreement. The Beneficiary shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including, without limitation, the release or substitution of the Trust Property), in accordance with this Deed of Trust and the Credit Agreement. The Beneficiary may resign and a successor Beneficiary may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Beneficiary by a successor Beneficiary, that successor Beneficiary shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Beneficiary under this Deed of Trust, and the retiring Beneficiary shall thereupon be discharged from its duties and obligations under this Deed of Trust. After any retiring

Beneficiary's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Deed of Trust while it was the Beneficiary.

(b) The Beneficiary shall be deemed to have exercised reasonable care in the custody and preservation of the Trust Property in its possession if such Trust Property is accorded treatment substantially equivalent to that which the Beneficiary, in its individual capacity, accords its own property consisting of similar property, instruments or interests, it being understood that neither the Beneficiary nor any of the Secured Parties shall have responsibility for taking any necessary steps to preserve the rights against any person with respect to any Trust Property.

(c) The Beneficiary shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Deed of Trust and its duties hereunder, upon advice of counsel selected by it.

(d) The term "Lenders," "Lender" or any similar terms shall, unless the context clearly otherwise indicates, include the Beneficiary in its individual capacity as Lender. The Beneficiary may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Grantor or any Affiliate of Grantor to the same extent as if the Beneficiary were not acting as Administrative Agent.

6.13 Beneficiary Appointed Attorney-in-Fact. The Grantor hereby appoints the Beneficiary its attorney-in-fact, with full power and authority in the place and stead of the Grantor and in the name of the Grantor, or otherwise, from time to time in the Beneficiary's discretion to take any action and to execute any instrument consistent with the terms hereof and the other Loan Documents which the Beneficiary may deem necessary or advisable to accomplish the purposes hereof (but the Beneficiary shall not be obligated to and shall have no liability to the Grantor or any third party for failure to so do or take action). The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

6.14 Continuing Security Interest; Assignment. This Deed of Trust shall create a continuing Lien on and security interest in the Trust Property and shall (i) be binding upon the Grantor, its successors and assigns and (ii) inure, together with the rights and remedies of the Beneficiary hereunder, to the benefit of the Beneficiary for the benefit of the Secured Parties and each of their respective successors, transferees and assigns. No other Persons shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), any Secured Party may assign or otherwise transfer any indebtedness held by it secured by this Deed of Trust to any other

person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Lender, herein or otherwise, subject, however, to the provisions of the Credit Agreement. The Grantor agrees that its obligations hereunder and the security interest created hereunder shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of all or any part of the Secured Obligations is rescinded or must otherwise be restored by the Secured Party upon the bankruptcy or reorganization of any Lender or otherwise.

6.15 Termination; Release. When all the Secured Obligations (other than contingent indemnity obligations) have been paid in full and the Commitments of the Lenders to make any loan or to issue any under the Credit Agreement shall have expired or been sooner terminated in accordance with the provisions of the Credit Agreement, this Deed of Trust shall terminate. Upon termination hereof or any release of the Trust Property or any portion thereof in accordance with the provisions of the Credit Agreement, the Beneficiary shall, upon the request and at the sole cost and expense of the Grantor, forthwith assign, transfer and deliver to the Grantor, against receipt and without recourse to or warranty by the Beneficiary, such of the Trust Property to be released (in the case of a release) as may be in possession of the Beneficiary and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Trust Property, proper documents and instruments (including UCC-3 termination statements or releases) acknowledging the termination hereof or the release of such Trust Property, as the case may be.

6.16 Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by the Grantor therefrom, shall be effective unless the same shall be done in accordance with the terms of the Credit Agreement and unless in writing and signed by the Beneficiary. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by the Grantor from the terms of any provision hereof shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Deed of Trust or any other Loan Document, no notice to or demand on the Grantor in any case shall entitle the Grantor to any other or further notice or demand in similar or other circumstances.

6.17 No Claims Against the Beneficiary. Nothing contained in this Deed of Trust shall constitute any consent or request by the Beneficiary, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof, nor as giving the Grantor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Beneficiary in respect thereof or any claim that any Lien based on

the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

6.18 State Specific Provisions. In the event of any inconsistencies between this Section and any of the other terms and provisions of this Deed of Trust, the terms and provisions of this Section shall control and be binding.

(a) The Beneficiary may foreclose this Deed of Trust like a mortgage and obtain a decree foreclosing the Grantor's interest in all or any part of the Premises. The Beneficiary may also direct the Trustee, and the Trustee shall be empowered, to foreclose the Premises by advertisement and exercise of sale under applicable law. Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify the Trustee and request that the Trustee commence such proceedings.

(i) Upon receipt of such notice from the Beneficiary, the Trustee shall cause to be recorded, published and delivered to the Grantor and served on occupant such Notice of Default and Election to Sell as shall then be required by law and by this Deed of Trust. The Trustee shall, without demand on the Grantor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Premises at the time and place of sale fixed by the Trustee in said Notice of Sale, either as a whole, or in separate lots or parcels or items as the Trustee shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. The Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the Premises so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof in favor of a purchaser for value in good faith relying on them. Any person, including the Grantor or the Beneficiary but excluding the Trustee, may purchase at such sale and the Grantor hereby covenants to warrant and defend the title of such purchaser or purchasers. In addition, the Beneficiary may credit bid at any such sale an amount up to and including the full amount of the Secured Obligations, including, without limitation, accrued and unpaid interest, principal, charges, advances made hereunder and the Trustee's fees and expenses.

(ii) After deducting all costs, fees and expenses of the Trustee and of this Deed of Trust, including costs of evidence of title in connection with sale, the Trustee shall apply the proceeds of sale in accordance with the provisions of ORS 86.794.

(iii) The Trustee may postpone sale of all or any portion of the Premises by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement, or

may, in its discretion, give a new notice of sale; provided, however, any such postponement may be only for one or more periods totaling not more than 180 days from the original sale date.

(b) The Beneficiary may proceed in any sequence to exercise its rights hereunder with respect to all or any portion of the Premises.

(c) Should the Beneficiary elect to cause any of the Trust Property that is subject to the Uniform Commercial Code as adopted in Oregon to be disposed of, it may dispose of any part thereof in any manner now or hereafter permitted by the Uniform Commercial Code as adopted in Oregon, or in accordance with any other remedy provided by applicable law. Any such disposition may be conducted by an employee or agent of the Beneficiary or the Trustee. Any person, including both the Grantor and the Beneficiary, except for the Trustee, shall be eligible to purchase any part or all of such Trust Property at such disposition. Any such disposition may be either by public or private sale as the Beneficiary may elect, subject to the provisions of applicable law. The Beneficiary shall also have the rights and remedies of a secured party under the Uniform Commercial Code as adopted in Oregon, or otherwise available at law or in equity. In furtherance of the foregoing, it is agreed that the expenses of retaking, holding, preparing for sale, selling or the like shall be borne by the Grantor and shall include the Beneficiary's and the Trustee's reasonable attorneys' fees and legal expenses. The Grantor, upon demand of the Beneficiary, shall assemble such Premises and make it available to the Beneficiary at the Land, a place which is hereby deemed to be reasonably convenient to the Beneficiary and the Grantor. The Beneficiary shall give the Grantor at least ten (10) days' prior written notice of the time and place of any public sale or other disposition of such personalty or of the time of or after which any private sale or other intended disposition is to be made, and if such notice is sent to the Grantor, in the same manner as provided for the mailing of notices herein, it is hereby deemed that such notice shall be and is reasonable notice to the Grantor.

(d) This Deed of Trust constitutes a financing statement filed as a fixture filing pursuant to the provisions of ORS 79.0502, with respect to those portions of the Premises consisting of goods which are or are to become fixtures relating to the Premises. The Grantor grants to the Beneficiary a security interest in all existing and future goods which are now or in the future become fixtures relating to the Premises and proceeds thereof. The Grantor covenants and agrees that the filing of this Deed of Trust in the real estate records of the county where the Land is located shall also operate from the date of such filing as a fixture filing in accordance with ORS 79.0502. Without the prior written consent of the Beneficiary, the Grantor shall not create or suffer to be created pursuant to the Uniform Commercial Code as adopted in Oregon, any other security interest in such items, including replacements and additions thereto, other than as permitted pursuant to the terms of the Credit Agreement.

(e) The Grantor waives to the extent permitted by law, (i) the benefit of all laws now existing or that may hereafter be enacted providing for any appraisal before sale of any portion of the Premises, and (ii) all rights of redemption, valuation, appraisal, stay of execution, notice of election to mature or declare due the whole of the secured indebtedness and marshaling in the event of foreclosure of the liens hereby created.

(f) If, for any reason, the Beneficiary shall elect to substitute for the Trustee herein named (or for any successor to said Trustee), without limiting the Beneficiary's right to use any other procedure authorized or permitted by applicable law, the Beneficiary shall have the right to appoint successor Trustee(s) by duly acknowledged written instruments, and each such successor Trustee, immediately upon recordation of an instrument so appointing said successor Trustee, shall become successor in title to the portion of the Trust Property conveyed to the Trustee for the uses and purposes of this Deed of Trust, with all the powers, duties and obligations conferred on the Trustee in the same manner and to the same effect as though said successor Trustee were named herein as the Trustee. If more than one Trustee has been appointed, each of such Trustees and each successor thereto shall be, and hereby is, empowered to act independently.

(g) WRITTEN AGREEMENTS. UNDER OREGON LAW, MOST AGREEMENTS, PROMISES AND COMMITMENTS MADE BY US (SECURED PARTIES) CONCERNING LOANS AND OTHER CREDIT EXTENSIONS WHICH ARE NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES, OR SECURED SOLELY BY GRANTOR'S RESIDENCE, MUST BE IN WRITING, EXPRESS CONSIDERATION AND BE SIGNED BY US TO BE ENFORCEABLE.
