This assignment of the Rents shall be perfected automatically without appointment of a receiver or Beneficiary becoming a mortgagee in possession.

3. OBLIGATIONS SECURED. Trustor makes the grant, conveyance, and assignment of the Property as described above for purposes of securing the following indebtedness and other obligations (collectively, "**Indebtedness**") in any order of priority that Beneficiary may choose:

- (a) payment of the indebtedness and performance of the obligations of Trustor evidenced by the following promissory note(s) (collectively "**Note**") and/ or the following continuing guaranty(s) (collectively "**Guaranty**"), and any other documents executed by Trustor in conjunction with the Note or Guaranty:

- (c) the payment and performance of the obligations set forth in any document evidencing an extension, renewal, modification, replacement, reamortization, conversion, or restatement of any Indebtedness secured by this Deed of Trust, including without limitation renewal and/or substitute notes, guaranties and loan agreements.

The Note and other documents evidencing the Indebtedness may contain variable or adjustable interest rate provisions and provisions evidencing revolving lines of credit.

The continuing validity and priority of this Deed of Trust as security for future loans or advances will not be impaired by the fact that at certain times hereafter there may be no outstanding loan or other indebtedness from Trustor to Beneficiary and/or no commitment to make loans or advances.

Notwithstanding the foregoing, this Deed of Trust does not secure any indebtedness or other obligation if the promissory note, guaranty or any other document evidencing or pertaining to the indebtedness or obligation states that it is unsecured or not secured by real property.

4. PERSONAL PROPERTY SECURITY AGREEMENT. All of the Property will be considered to the fullest extent of the law to be real property for purposes of this Deed of Trust. To the extent that any of the Property (including without limitation any Water Assets or fixtures) is, is deemed to constitute, is adjudicated to be, or declared to be personal property, this Deed of Trust shall constitute a security agreement under the California Uniform Commercial Code ("UCC"). Trustor does hereby create and grant to Beneficiary a security interest in all such personal property described in Section 1 hereof for the purpose of securing the Indebtedness; and further, grants to Beneficiary all of the rights and remedies of a secured party under the UCC and other applicable state law, which rights are cumulative. Trustor, upon demand of Beneficiary, shall assemble the personal property and make it available to Beneficiary at the Real Property or a place which is reasonably convenient to Beneficiary, and Beneficiary's expense in retaking, holding, preparing for sale, selling or the like shall be borne by Trustor, such expenses to include Beneficiary's and Trustee's attorneys' fees incurred in connection therewith. If this Deed of Trust is fully reconveyed in the real property records as pertaining to the Real Property, this Deed of Trust nonetheless shall continue in effect as a security agreement until all obligations of Trustor are satisfied, no further advances or commitments on the part of Beneficiary to make further advances are possible or exist, and Beneficiary files a termination statement in the Office of the Secretary of the State of California terminating the UCC-1 in full.

This security agreement and the security interest granted herein is supplemental to any other security agreement and security interest that may have been or that may in the future be granted by Trustor to Beneficiary under the terms of any other agreement.

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR AGREES TO EACH OF THE FOLLOWING:

5. USE OF PROCEEDS. To use loan proceeds solely for the purposes set forth in the loan application(s) or as otherwise required by Beneficiary.

To keep the Property in good condition, working order and repair; to care for the Property in accordance with standards of good husbandry and to keep all trees, vines and crops on said land properly cultivated, irrigated, fertilized, sprayed, and fumigated; not to sell, transfer, assign, encumber or convey any water or water right from the Property, or to enter into an agreement for the nonuse of water, without the prior written consent of Beneficiary; not to remove, destroy or suffer the removal or destruction of any building, fence, canal, well or other improvements or fixtures thereon; not to remove, replace or alter any horticultural or viticultural tree, vine or shrub planted thereon without the prior written consent of Beneficiary, except in the ordinary course of business; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to comply with all laws, covenants and restrictions affecting the Property; not to commit or permit waste thereof; not to commit, suffer or permit any act upon the Property in violation of law; to do all other acts which from the character or use of the Property may be reasonably necessary, the specific enumerations herein not excluding the general; to observe and perform all obligations of Trustor under any lease of the Property.

7. INSURANCE. To provide, maintain and deliver to Beneficiary, fire, extended coverage, flood, and all other types of insurance, in terms and amounts as may be required by law or Beneficiary, with loss payable endorsements (including lender loss payable endorsements) solely in favor of Beneficiary. In the event of loss, the insurance proceeds, or any part thereof, may be applied by Beneficiary, at its option, to reduce the Indebtedness or restore or repair the property damaged. Failure to obtain, maintain or deliver to Beneficiary the insurance required shall constitute an Event of Default under this Deed of Trust.

At least thirty (30) days prior to the expiration of any such policy of insurance, Trustor will deliver a policy renewing or extending such expiring insurance and written evidence demonstrating payment of the premium for such insurance. If any such policy and evidence of payment (or copies of same, if originals cannot be delivered to Beneficiary) are not so delivered to Beneficiary, without notice to or demand upon Trustor and without releasing Trustor from any obligation under this Deed of Trust, Beneficiary may (but is not obligated to), at Trustor's expense, obtain insurance in such types, on such terms and in such amounts as Beneficiary in its sole discretion shall decide, through or from any insurance agency or company acceptable to it. Any insurance obtained by Beneficiary shall be for its sole benefit and to protect the security of this Deed of Trust. The expense and cost of such insurance shall, at Beneficiary's sole option, be payable on demand or added to the Indebtedness as provided herein. Neither Trustee nor Beneficiary shall be chargeable with or responsible for the procurement or maintenance of any such insurance, the collection of any proceeds from such insurance, or the insolvency of any insurance company or underwriter.

8. DEFENSE OF TITLE. To appear in and litigate any action or proceeding purporting to affect the security hereof, the title to the Property, or the rights or powers of Beneficiary or Trustee. Beneficiary or Trustee may appear in and litigate any such action or proceedings, including any bankruptcy, partition or condemnation proceeding, affecting the Property, or Beneficiary's interest therein, in which event Trustor agrees to pay all costs and expenses thereof, including attorney's fees and costs of securing evidence of title.

9. TAXES, LIENS AND ASSESSMENTS. To pay on or before the due date all taxes and assessments affecting the Property, including all assessments upon water company stock, and all rents, assessments and charges for water appurtenant to or used in connection with the Property; to pay when due all encumbrances, charges, and liens on the Property, or any part thereof, which at any time appear to be prior or superior hereto.

10. FEES AND COSTS. In the event that Beneficiary or Trustee uses the services of attorneys, accountants, appraisers, consultants, or other professional or outside assistance, including the services of in-house counsel or any other attorney or professional who is an employee of Lender, the reasonable amount of fees, costs and expenses ("**Expenses**") incurred by Beneficiary or Trustee to use such persons in connection with any of the following shall be payable by Trustor on demand. Beneficiary or Trustee may, at its option, add the amount of such Expenses to any portion of the Indebtedness plus an appropriate amount of stock or participation certificates issued by Golden State Farm Credit, ACA ("**ACA**") required in connection with the loan (as required by federal law or regulation or the bylaws and Capital Plan of the ACA), and charge interest on such amount at the interest rate applicable to such portion of the Indebtedness. These Services include:

- (a) The preparation, modification or enforcement of this Deed of Trust, and any other agreement or document incident to the Indebtedness or to the Property;
- (b) Advising Beneficiary or Trustee concerning its legal rights and obligations with regard to this Deed of Trust and any other agreement or document incident to the Indebtedness, or to the Property, including advising Beneficiary or Trustee with regard to the extent of their rights, if any, under the provisions of the Farm Credit Act of 1971, as amended, ("**Act**"), Farm Credit Administration ("**FCA**") regulations, any policy or program of Beneficiary, or any other state or federal law;

- (c) Any litigation, dispute, proceeding, or action (whether or not dismissed, reduced to judgment, or otherwise resolved), and whether instituted by Beneficiary, Trustee or Trustor or any other person, relating to the Indebtedness, the Property or Trustor's affairs;
- (d) The furtherance of Beneficiary's or Trustee's interest in any bankruptcy, insolvency, or reorganization case or proceeding instituted by or against Trustor, including any steps to (i) modify or terminate the automatic stay, (ii) prohibit or condition Trustor's use of cash collateral, (iii) object to any disclosure statement or plan, (iv) propose or confirm a plan, and (v) prosecute or defend adversary proceedings or contested matters, and take or defend examinations or discovery, whether or not related to any adversary proceeding or contested matter and whether or not dismissed, reduced to judgment, or otherwise resolved;
- (e) The inspection, verification, protection, collection, processing, sale, liquidation, or disposition of the Property; and
- (f) Any of the type of Expenses referred to in (a) through (e) above incurred by Beneficiary or Trustee in connection with any guaranty of the Indebtedness.

The Expenses described herein and elsewhere in this Deed of Trust shall be in addition to those set forth in any Security Instrument or any other written agreement between Beneficiary and Trustor.

11. BENEFICIARY MAY ACT FOR TRUSTOR. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation to do so and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the Property, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; commence, appear in and litigate any action or proceeding purporting to affect the Property or the rights or powers of Beneficiary or Trustee, including any bankruptcy proceeding affecting the Property; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; pay such fees, charges, rents or other payments accruing under the grazing permits described in Section 14 below; and in exercising any such powers, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefore, including attorney's, accountant's, and appraisal fees, environmental fees and costs of securing evidence of title, and all amounts so expended shall be obligations of Trustor secured by this Deed of Trust. Nothing contained herein shall prohibit Beneficiary from entering the Property, at a reasonable time and upon reasonable notice to Trustor, without incurring or assuming any obligations or liabilities whatsoever, for the sole purpose of inspecting the Property.

12. SUMS EXPENDED BY BENEFICIARY. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof, with interest from date of expenditure at the same rate as is provided for in the note or notes secured by this Deed of Trust. In the event that such sums are not immediately paid, they shall be added, along with the appropriate amount of stock or participation certificates issued by the ACA required in connection with the loan, to the principal balance of the Indebtedness and shall accrue interest as therein set forth. All such sums shall be secured hereby.

13. ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.

Trustor has filed with the required agencies or bodies all notices, reports, certifications, and other documents required under applicable Federal, State and local laws, regulations, ordinances and requirements, if any, in connection with the supply of water to and use of water upon the Property, including without limitation the discharge of any water or contaminants from the Property, and has obtained all applicable permits or consents in connection therewith.

- (g) If Beneficiary obtains any information that Beneficiary believes in good faith indicates a reasonable possibility of a Release or threatened Release, or that Hazardous Substances in, on or under any nearby real property could migrate to the Property or any violation of any Environmental Laws may have occurred or could occur regarding the Property, then Trustor shall, at the expense of Trustor, promptly after a request by Beneficiary, or Beneficiary may at Trustor's expense any time prior to completion of a judicial or nonjudicial foreclosure, engage a qualified environmental engineer to conduct a comprehensive environmental assessment of the Property and prepare and submit to Beneficiary a written report containing the findings and conclusions resulting from such investigation. If Trustor or any User fails to comply fully with the terms of this section, Beneficiary may obtain affirmative injunctive relief to compel such compliance; and
- (i) If any Release or threatened Release exists or occurs before this Deed of Trust is reconveyed or foreclosed upon, or if Trustor is in breach of any of its representations, warranties or covenants as set forth in this Section 13, Trustor shall immediately give notice of the condition to Beneficiary, and Trustor shall at its own expense cause any Hazardous Substances to be cleaned up and removed from the Property, and the Property shall be restored, in compliance with all applicable Environmental Laws and other laws, ordinances, rules and regulations (the "**Remediation Work**"). 13.5. INDEMNITY OF TRUSTEE AND BENEFICIARY. Trustor and its successors and assigns shall indemnify, defend, protect, and hold harmless Beneficiary, and/or Trustee, its directors, officers, employees, agents, shareholders, successors and assigns and their officers, employees or agents, from and against any and all claims, suits, damages, foreseeable and unforeseeable consequential damages, liens, losses, liabilities, interest, judgments, cleanup costs, demands, actions, causes of action, injuries, administrative proceedings and orders, consent agreements and orders, penalties, costs and expenses (including any fees and expenses incurred in enforcing this indemnity, any out-of-pocket litigation costs, sums paid in settlement of claims, and all consultant, expert and the reasonable fees and expenses of counsel, including in-house legal services) of any kind whatsoever ("**Claims**") paid, incurred or suffered by, or asserted against Beneficiary and/or Trustee, including but not limited to Claims arising out of loss of life, injury to persons, trespass or damage to or contamination of property or natural resources, or injury to business, in connection with or arising out of the activities of Trustor on the Property, Trustor's predecessors in interest, third parties who have been invited, permitted or trespassed on the Property, or parties in a contractual relationship with Trustor, or any of them, or which directly or indirectly arise out of or result from or in any way connected with the Property, whether or not caused by Trustor or within the control of Trustor, including without limitation: (a) the presence, use, generation, treatment,

storage, disposal, Release; threatened Release, or discharge of any Hazardous Material or Contaminant at or from said Property and/or the cleanup of Hazardous Materials or Contaminants within, on or under said Property; (b) Trustor's breach of any of the representations, warranties and covenants contained herein; and (c) Trustor's violation or alleged violation of any applicable Environmental Law, regulation or ordinance.

13.6. SURVIVAL. NOTWITHSTANDING ANY OTHER PROVISION OF THIS DEED OF TRUST, THE NOTE OR ANY LOAN DOCUMENTS, TRUSTOR'S REPRESENTATIONS, WARRANTIES, COVENANTS AND INDEMNITIES CONTAINED IN THIS SECTION 13 SHALL SURVIVE THE OCCURRENCE OF ANY EVENT WHATSOEVER, INCLUDING WITHOUT LIMITATION THE PAYOFF OF THE PROMISSORY NOTE SECURED HEREBY, THE RECONVEYANCE OR FORECLOSURE OF THIS DEED OF TRUST, THE ACCEPTANCE BY TRUSTEE OF A DEED IN LIEU OF FORECLOSURE, OR ANY TRANSFER OR ABANDONMENT OF THE PROPERTY.

14. GRAZING RIGHTS. If any portion of the Property described in this Deed of Trust is used by Trustor as the basis for obtaining grazing permits or other grazing rights issued by any governmental agency, including without limitation the Forest Service, U.S. Department of Agriculture or the Bureau of Land Management, U.S. Department of Interior, Trustor covenants and agrees as follows:

- (a) Said grazing permits or other rights are in good standing and have not been modified, reduced or limited in any other respect, except as fully disclosed in writing to Beneficiary;
- (b) Trustor will perform all obligations imposed as a requirement of exercise of said grazing permits or other rights and will comply with all laws, rules and regulations applicable thereto;
- (c) Trustor will take such timely action as may be required to cause the renewal or reissuance of said grazing permits or other rights from time to time as they expire during the term thereof Trustor agrees and acknowledges that the failure to renew or cause the reissuance of any said permits for any reason, whether the result of an act or omission of Trustor or for reasons beyond Trustor's control, is an Event of Default hereunder and Beneficiary shall have the right to exercise the rights set forth in this Deed of Trust; and
- (d) Trustor agrees to pay all fees, charges, rents or other payments accruing under said permits or any renewals thereof prior to delinquency. In the event Trustor fails to pay any such payment, the amount unpaid shall become a part of the Indebtedness and shall be immediately due and payable.

15. WATER TRANSFERS. For purposes of this Deed of Trust, a "Water Transfer" shall mean (1) any transfer, assignment, sale, lease, exchange, gift, encumbrance, pledge, hypothecation, alienation, grant of option to purchase, or other disposition of, directly, indirectly or in trust, voluntarily or involuntarily, by operation of law or otherwise, or the entry into a binding agreement to do any of the foregoing with respect to all or any Water Asset or (2) the material loss, restriction or curtailment of any Water Asset, including without limitation any water supply available to the Property, resulting from the implementation or interpretation of applicable Federal, State and local laws, regulations, ordinances and requirements or otherwise by operation of law. Trustor represents that Trustor is not in the business of transferring water and, therefore, any Water Transfer sale or transfer of any water or water rights is not a transfer of goods in the ordinary course of business. Trustor further agrees that in no event will any water or water rights be goods identified to a contract. Trustor hereby acknowledges that the availability of the water and the other Water Assets to the Property was a significant factor in Beneficiary's decision to extend credit to Trustor and any other persons obligated on the Indebtedness, and that any transfer or severance of water or water rights or any other Water Asset from the Property would materially harm the Property and any such transfer or severance would constitute an Event of Default under this Deed of Trust.

16. FINANCIAL INFORMATION. At Beneficiary's request, Trustor shall provide to Beneficiary financial information in a form acceptable to Beneficiary, including, when so required, a current balance sheet and profit and loss statement. In the case of multiple Trustors, financial information must be provided for each Trustor or otherwise as requested by Beneficiary. Financial information shall be provided at such times during the term of this Deed of Trust as Beneficiary may request.

IT IS MUTUALLY AGREED THAT:

16. CONDEMNATION AWARDS. Any award of damages in connection with any taking or condemnation or injury to the Property by reason of public use, or for damages resulting from private trespass or injury to the Property, is absolutely and unconditionally assigned and shall be paid to Beneficiary, under the terms and conditions of this Deed of Trust pertaining to Rents. Upon receipt of such money, Beneficiary may apply the same on the Indebtedness. Trustor agrees to execute such further documents as may be required to effect the assignments herein made as Beneficiary or Trustee may require.

17. TRUSTEE ACTIONS. At any time, without affecting the liability of any person for the payment of the Indebtedness, and without otherwise affecting the security hereof, Trustee may: (a) consent to or join in the making of any map or plat of the Property; (b) grant any easement or create any restriction thereof; (c) subordinate this Deed of Trust; (d) extend or modify the term of the loan or loans

secured hereby; and (e) reconvey without warranty, all or any part of the Property. Trustor agrees to pay reasonable Trustee's fees for any of the foregoing services.

18. COLLECTION OF RENTS. Prior to any Event of Default by Trustor in the payment, observance, performance and discharge of any condition, obligation, covenant, or agreement of Trustor contained herein, Trustor may, as the agent and fiduciary representative of Beneficiary for collection and distribution purposes only, collect and receive the Rents as they come due and payable; the Rents are to be applied by Trustor to the payment of the principal and interest and all other sums due or payable on any promissory note or guaranty secured by this Deed of Trust and to the payment of all other sums payable under this Deed of Trust and, thereafter, so long as aforesaid has occurred, the balance shall be distributed to the account of Trustor. However, Beneficiary shall have the right before or after the occurrence of any Event of Default to notify any account debtor to pay all amounts owing with respect to Rents directly to Beneficiary. Upon any such Event of Default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the Indebtedness, enter upon and take possession of the Property or any part thereof, in its own name, sue for or otherwise collect such Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any Indebtedness, and in such order as Beneficiary may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to conserve the value of the Property; also lease the same or any part thereof for such rental, term, and upon such conditions as its judgment may dictate; also prepare for harvest, remove, and sell any crops that may be growing upon the Property, and apply the proceeds thereof upon the Indebtedness.

19. TRUSTEE'S EXERCISE OF REMEDIES IS NO CURE OF DEFAULT. The entering upon and taking possession of the Property, the collection of such Rents, or the proceeds of fire and other insurance policies, or compensation or awards for any taking of or damage to the Property, and the application or release thereof as aforesaid, shall not cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant to such notice.

20. EVENTS OF DEFAULT; REMEDIES.

20.1 Events of Default. Any of the following events shall, at Beneficiary's option, constitute an event of default (an "Event of Default") hereunder:

- (a) Failure to Pay. The failure of Trustor (i) to pay any installment of principal or interest on the Indebtedness when due, or to pay the entire Indebtedness on the maturity date thereof, or (ii) to pay any other sum due under any Loan Document or any other instrument or agreement secured hereby, whether at maturity, by acceleration or as part of a prepayment or otherwise;
- (b) Failure to Perform Deed of Trust. The failure of Trustor to keep, observe and perform any other provisions of this Deed of Trust at the times and in the manner provided for herein;
- (c) Failure to Perform Other Documents. The failure of Trustor to promptly and completely observe or perform any term, condition, covenant, agreement or obligation contained in any other Loan Document or other instrument or agreement secured hereby, including any Guaranty;

20.2 Remedies. Upon the occurrence of any Event of Default, Beneficiary may, at its option:

- (a) Declare the Indebtedness, and the same shall thereupon become, immediately due and payable without any presentment, demand, protest or notice of any kind.
- (b) Terminate Trustor's right and license to collect the Rents, and exercise all rights and remedies provided for in this Deed of Trust and by applicable law for the collection of the Rents.
- (c) Employ counsel at the expense of Trustor to enforce payment of the Indebtedness and all other rights and remedies of Beneficiary under this Deed of Trust and applicable law.
- (d) Cause the Trustee to sell the Property in accordance with the power of sale granted herein and the applicable state law, and may exercise such other rights and remedies granted under this Deed of Trust or by law and equity, including but not limited to California Code of Civil Procedure Sections 726, 726.5 and 736 or similar laws of other jurisdictions, which rights and remedies shall be cumulative and not exclusive. Trustee may sell the Property either as a whole or in separate parcels, and in such order as it may determine. The purchase price shall be payable in lawful money of the United States at the time of the sale. In exercising the power of sale contained herein, Trustee may hold one or more sales of all or any portion of the Property by public announcement at the time and place of sale set forth in the notice thereof, and from time to time thereafter may postpone such sale or sales of all or any portion of the Property to the same or separate days by public announcement at such time fixed by the preceding postponement. Any person, including Trustee or Beneficiary, may purchase at such sale. Beneficiary may credit bid at any such sale, and if Beneficiary is the successful purchaser, it may apply any of the outstanding Indebtedness in settlement of the purchase price.

- (e) Beneficiary may resort to and realize upon the security hereunder and any other real or personal property security now or hereafter held by Beneficiary for the obligations secured hereby in such order and manner as Beneficiary may, in its sole discretion, determine; or may resort to any or all such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawful nonjudicial proceedings, or both. If the Indebtedness is also secured by personal property, fixtures or crops, Beneficiary may enforce its security interest in the personal property, fixtures and crops and its lien under this Deed of Trust in any manner and in any order or sequence permitted by applicable law.
- (f) As a matter of right and without notice to Trustor or anyone claiming under Trustor, and without regard to the then value of the Trust Estate or the interest of Trustor therein, to apply to any court having jurisdiction to appoint a receiver or receivers of the Property, and Trustor hereby unconditionally and irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided in this Deed of Trust and shall continue as such and exercise all such powers until the later of (i) the date of confirmation of sale of the property, (ii) the disbursement of all proceeds of the Property collected by such receiver and the payment of all expenses incurred in connection therewith, and (iii) the termination of such receivership with the consent of Beneficiary or pursuant to an order by a court of competent jurisdiction.
- (g) Exercise any and all remedies available to a secured party under the UCC in such order and in such manner as Beneficiary, in its sole discretion, may determine, and in addition to any of Beneficiary's rights under the UCC or applicable law:
 - (i) Beneficiary may (A) upon written notice, require Trustor to assemble any or all of the Property that is personal property and make it available to Beneficiary at a place designated by Beneficiary; (B) without prior notice, enter upon the Property or other place where any of the personal property may be located and take possession of, collect, sell, and dispose of any or all of the personal property and store the same at locations acceptable to Beneficiary at Trustor's expense; (C) sell, assign and deliver at any place or in any lawful manner all or any part of the personal property and bid and become the purchaser at any such sales; and
 - (ii) Beneficiary may for the account of Trustor and at Trustor's expense: (A) operate, use, consume, sell or dispose of the Personal Property as Beneficiary deems appropriate for the purpose of performing any or all of the obligations secured by this Deed of Trust; (B) enter into any agreement, compromise, or settlement, including insurance claims, which Beneficiary may deem desirable or proper with respect to any of the personal property; and (C) endorse and deliver evidences of title for, and receive, enforce and collect by legal action or otherwise, all indebtedness and obligations now or hereafter owing to Trustor in connection with or on account of any or all of the personal property.
- (h) Commence an action to foreclose this Deed of Trust as a mortgage, seek a deficiency judgment in the manner provided for by applicable law, and to specifically enforce any of the covenants hereof, or otherwise to enforce the same. Trustor acknowledges that the covenants of Trustor shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought by Beneficiary under this purpose, Trustor waives the defense of laches and any applicable statute of limitations.
- (i) Exercise all other rights and remedies provided herein, in any Loan Document or other document or agreement now or hereafter securing all or any portion of the obligations secured hereby, or provided by law.
- (j) Trustor, for itself and for all parties claiming through or under Trustor, and for all parties who may acquire a lien on or interest in the Property including any personal property hereby waives all rights to have the Property, including any personal property and/or any other property, which is now or later may be security for the Indebtedness ("Other Property") marshaled upon any foreclosure of the lien of this Deed of Trust or on a foreclosure of any other lien or security interest against any security for the lien of this Deed of Trust or on a foreclosure of any other lien or security interest against any security for any of the Indebtedness. Beneficiary shall have the right to sell, and any court in which foreclosure proceedings may be brought shall have the right to order a sale of, the Property and any or all of the personal property or Other Property as a whole or in separate parcels, in any order that Beneficiary may designate. Beneficiary may proceed in any sequence to exercise its rights hereunder with respect to all or any portion of the Property and all or any portion of the personal property, and to exercise its rights with respect to all or any portion of the personal property in accordance with the provisions of the UCC. Beneficiary may elect to sell some or all of the personal property together with all or any portion of the Property which comprises real property to be sold in one or more combined sales, pursuant to applicable provisions of the UCC.

20.3 Trustor agrees to pay to Beneficiary immediately and without demand all costs and expenses incurred by Trustee and Beneficiary pursuant to this section (including, without limitation, court costs and attorneys' fees, whether incurred in litigation or not) with interest from the date of expenditure until said sums have been paid at the highest rate of interest then applicable to the principal balance of the Note as specified therein. In addition, Trustor shall pay to Trustee all trustee's fees hereunder and shall reimburse Trustee for all expenses incurred in the administration of this trust, including, without limitation, any attorneys' fees.

20.4 All remedies are cumulative and none are exclusive; no election by Beneficiary to pursue one remedy or item of collateral shall be deemed to be a release or waiver of any other item of collateral or a release or modification of the liability of Trustor or any guarantor to pay all Indebtedness or perform in full all obligations to Beneficiary. The procedures governing the enforcement by Beneficiary of its foreclosure and provisional remedies against Trustor shall be governed by the laws of the state in which the Property is located. Nothing contained herein shall be construed to provide that the substantive law of the state in which the Property is located shall apply to the Beneficiary's rights and the Trustor's obligations hereunder or under the promissory note(s), which are and shall continue to be governed by the substantive law of the state in which the promissory note was executed.

21. NON-WAIVER. The failure on the part of the Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right, and the waiver by Beneficiary of any Event of Default shall not constitute a waiver of any other or subsequent Events of Default. Subsequent acceptance of any payment by the holder hereof shall not be deemed a waiver of any Event of Default by Trustor, or of Beneficiary's rights hereunder as the result of any sale, agreement to sell, conveyance, or alienation, regardless of holder's knowledge of such Event of Default, sale, agreement to sell, conveyance, or alienation at the time of acceptance of such payment.

22. SUCCESSORS AND ASSIGNS. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of any note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

23. SUBSTITUTE TRUSTEE. Beneficiary may, from time to time or at any time, substitute a Trustee or Trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office of the Recorder of the county in which the Property herein described is situated, it shall be conclusive evidence of the appointment of such Trustee or Trustees, and such new Trustee or Trustees shall succeed to all of the powers and duties of the Trustee or Trustees named herein.

24. DUE ON SALE OR TRANSFER.

24.1. In the event the herein-described Property, (including any existing or subsequently acquired or created Water Asset), or any part thereof, or any interest therein, is transferred or agreed to be transferred, without Beneficiary's prior written consent, all Indebtedness, irrespective of the maturity dates, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. Any Water Transfer without Beneficiary's prior written consent shall be deemed such a transfer. As used herein, "transferred" means sold, conveyed, alienated, exchanged, transferred by gift, further encumbered, pledged, hypothecated, made subject to an option to purchase; or otherwise disposed of, directly or indirectly, or in trust, voluntarily or involuntarily, by Trustor or by operation of law or otherwise. Failure to exercise such option shall not constitute a waiver of the right to exercise this option in the event of subsequent transfer or subsequent agreement to transfer.

24.2. If Trustor is an entity other than a natural person (such as a corporation or other organization), then all Indebtedness, irrespective of the maturity date, at the option of Beneficiary, and without demand or notice, shall become immediately due and payable if: (a) a beneficial interest in Trustor is transferred; (b) there is a withdrawal or removal of a general partner of a partnership or a manager of a limited liability company; (c) there is a transfer in the aggregate of more than 25% of the voting stock of Trustor if Trustor is a corporation, or there is a transfer in the aggregate of more than 25% of the partnership interests or membership interests if Trustor is a partnership, limited liability company or similar entity; or (d) Trustor is dissolved or its existence as a legal entity is terminated.

25. SEVERABILITY. In the event any one or more of the provisions contained in this Deed of Trust or in any promissory note, guaranty, or other document secured hereby shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Deed of Trust or said promissory note or guaranty, but this Deed of Trust and said promissory notes or guaranties shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

26. NOTICES TO TRUSTOR. The undersigned Trustor agrees that he/she is entitled only to those notices required by applicable law and requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address set forth below.

27. EXHIBITS. All exhibits to this Deed of Trust are considered to be incorporated into and made a part of this Deed of Trust.

28. JOINT AND SEVERAL LIABILITY AND LEGAL ENTITY WARRANTY AND CERTIFICATION. If Trustor consists of more than one person, each will be jointly and severally liable for the faithful performance of all of Trustor's obligations under this Deed of Trust. If Trustor is a legal entity, Trustor (and any person signing this Deed of Trust in a representative capacity on behalf of Trustor) represents, warrants and certifies that Trustor is duly constituted under applicable laws and in good standing; that Trustor has the power, authority, and appropriate authorization to execute this Deed of Trust and enter into the transactions described herein and that, when executed, this Deed of Trust, and any document executed by Trustor in connection herewith, shall be valid and legally binding on

Trustor. If Trustor is a trust, each trustee executing this Deed of Trust on behalf of the trust also represents, warrants and certifies that this Deed of Trust and any document executed in connection herewith is being executed by all the currently acting trustees of the trust and that the trust has not been revoked, modified, or amended in any manner which would cause any of the foregoing to be incorrect.

29. NON-MERGER. No merger will occur as a result of Beneficiary acquiring any other estate in or any other lien on the Property, unless Beneficiary consents to a merger in writing.

30. MISCELLANEOUS. As used herein, the word "including" means "including without limitation" and/or "including but not limited to". The captions used in this Deed of Trust are for convenience only and do not define or limit any terms or provisions. No listing of any specific collateral, items, instances or other matters in any way limits the scope or generality of any language of this Deed of Trust. "Loan Document" means any loan agreement, guaranty, Security Instrument, and any and all other writings or agreements executed in connection with the loan or the Note, and all amendments, modifications and restatements thereof. "Security Instrument" means this Deed of Trust, any other deed of trust given in connection with the Note, and any security agreement or other document granting Beneficiary a lien on, or security interest in any real or personal property as security for the Note, and all amendments, modifications and restatements thereof.

31. FIXTURE FILING. This Deed of Trust constitutes a financing statement filed as a fixture filing pursuant to Section 9502(c) of the UCC, as amended or re-codified from time to time, covering any portion of the Property which now is or later may become a fixture attached to the Real Property or any improvements. In that regard, Trustor is the "Debtor" and Beneficiary is the "Secured Party".

32. REQUEST FOR NOTICE. Trustor hereby requests that a copy of any notice of default and any notice of sale hereunder be mailed to it at the address set forth below. That address is also the mailing address of Trustor as debtor under the UCC. Beneficiary's address given in the introductory paragraph of this Deed of Trust is the address for Beneficiary as secured party under the UCC.

33. JUDICIAL REFERENCE. It is the desire and intention of the parties to agree upon a mechanism and procedure under which any controversy, breach or dispute arising out of or related to this Deed of Trust may be resolved in a prompt and expeditious manner. Accordingly, where an action is pending before a court of any judicial district in the State of California, whether commenced by Trustor, Trustee or Beneficiary, each shall each have the right to require that any controversy, breach, dispute or counterclaim arising out of this Deed of Trust and all other loan documents executed by Trustor, or relating to the interpretation of any term or provision of such documents, whether sounding in tort, contract or otherwise, including any related transaction and its or their negotiation, execution, collateralization, servicing, administration, and its or their modification, amendment or enforcement, or any alleged agreements, promises or representations in connection therewith, be heard by a single referee by consensual general reference pursuant to the provision of the California Code of Civil Procedure, Sections 638 et. seq. The parties shall agree upon a single referee who is a retired superior court judge and who shall have the power to decide all issues of fact and law and to issue all legal and equitable relief appropriate under the circumstances. The judicial reference shall be conducted in accordance with the rules of procedure, evidence and discovery that apply to a trial in superior court. The referee shall report a statement of decision which either party may file with the clerk or judge and have judgment entered thereon. If the parties are unable to agree upon a referee within ten (10) days of a written request to do so by any party, then any party may thereafter seek to have a referee appointed pursuant to the Code of Civil Procedure Sections 638 and 640. The parties shall promptly and diligently cooperate with one another and the referee, and shall perform such acts as may be necessary to obtain prompt and expeditious resolution of the dispute or controversy in accordance with the terms hereof. The fees and costs of the judicial reference proceeding shall initially be borne equally by the parties to the dispute. However, the prevailing party in such proceedings shall be entitled to recover its contribution to the fees and costs and its reasonable attorney's fees as items of recoverable costs. This section shall not limit the right of any party to (a) exercise self-help remedies including without limitation, set-off or self-help remedies under the Uniform Commercial Code, (b) non-judicial foreclosure against any real or personal property collateral by power of sale or otherwise, (c) obtain provisional or ancillary remedies, including but not limited to injunctive relief, attachment, garnishment or appointment of a receiver, from a court of competent jurisdiction before, after or during the pendency of any reference proceedings. The exercise of a remedy does not waive the right of either party to resort to reference.

The parties acknowledge their understanding that this agreement to use judicial reference results in a waiver of the right to a jury trial. Each of the parties represents that each has reviewed this agreement for judicial reference and the resulting waiver of the right to a jury trial, and each knowingly and voluntarily has agreed to it and the resulting waiver of the right to a jury trial.
