Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the Trustee's sale.

In construing this notice, the singular gender includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.
