The undersigned hereby certifies that no assignments of the Trust Deed by the Trustee, Nathan F. Further, no action has been instituted to recover the debt, or any part thereof, now remaining secured by the Trust Deed, or, if such action has been instituted, such action has been dismissed except as permitted by ORS 86.735(4).

There is a default by Grantor or other person owing an obligation, performance of which is secured by the Trust Deed or by the successor in interest, with respect to provisions therein which authorize sale in the event of such provision. The default for which foreclosure is: **Failed to pay the principal balance which became all due and payable based upon the move-out by all mortgagors from the property, ceasing to use the property as the principal residence**

By reason of said default, the Beneficiary has declared all sums owing on the obligation secured by said Trust Deed immediately due and payable, said sums being the following:

1. Principal balance of **\$235,500.66**
2. **\$5,546.87** in Unpaid Interest through February 4, 2016.

Notice hereby is given that the Beneficiary and Trustee, by reason of default, have elected and do hereby elect to

Notice is further given that any person named in ORS 86.753 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the Beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred), together with costs, Trustee's and attorney's fees, by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Trust Deed, at any time prior to five days before the date last set for sale.

Without limiting the Trustee's disclaimer of representations or warranties, Oregon law requires the Trustee to state in this notice that some residential property sold at a Trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the Trustee's sale.

In construing this notice, the singular gender includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.
