3. License to Collect Rents. This Assignment is absolute and effective immediately. Nevertheless, so long as there is no default by Assignor in the payment of the principal sum, interest and any indebtedness described in the Note and Deed of Trust (the "Indebtedness") and by the Security Instruments or in the performance of any obligation, covenant or agreement herein or contained in the Note and Security Instruments or in the Lease on the part of Assignor to be performed, Assignee grants Assignor the right under a revocable license granted hereby (but limited as provided in the following paragraph) to collect, but not prior to accrual, all of the rents arising from or out of the Lease, or any renewals, extensions and replacements thereof, or from or out of the Real Property or any part thereof; and Assignor will receive such rents and will hold them, as well as the right and license to receive them, as a trust fund for Assignee to be applied, **firstly** to the payment of taxes and assessments upon the Real Property before penalty or interest is due thereon; **secondly** to the cost of insurance, maintenance and repairs required by the terms of the Deed of Trust; **thirdly** to the satisfaction of all obligations specifically set forth in the Lease; and **fourthly** to the payment of interest, principal and other fees and costs becoming due on the Note and Deed of Trust, before using any part of the same for any other purposes.

4. Performance and Termination of License. Upon the permitted conveyance by Assignor and its successors and assigns of the fee title of the Real Property, all right, title, interest and powers granted under the license aforesaid automatically passes to and may be exercised by each such subsequent owner; and upon or at any time after default in the payment of any Indebtedness or in the observance or performance of any obligation, term, covenant, condition or warranty herein, in the Note and Deed of Trust or in the Lease, Assignee, at its option and without notice, has the complete right, power and authority hereunder to exercise and enforce any or all of the following rights and remedies at any time:

- (a) to terminate the license granted to Assignor to collect the rents without taking possession of the Real Property, and to demand, collect, receive, sue for, attach and levy against the rents in Assignee's own name; to give proper receipts, releases and acquittances therefor; and after deducting all necessary and proper costs and expenses of operation and collection as determined by Assignee, including attorney's fees (whether incurred at trial, on appeal, discretionary review, or otherwise), to apply the net proceeds thereof, together with any funds of Assignor deposited with Assignee, upon any Indebtedness and in such order as Assignee may determine;
- (b) to declare all sums of the Indebtedness immediately due and payable and, at its option, exercise all or any of the rights and remedies contained in the Note and Deed of Trust;
- (c) without regard to the adequacy of any security or the solvency of Assignor, with or without any action or proceeding through any person or by agent, or by the trustee under the Deed of Trust, or by a receiver to be appointed by a court, and without regard to Assignor's possession, to enter upon, take possession of, manage and operate the Real Property or any part thereof, make, modify, enforce, cancel, or accept surrender of any lease now or hereafter in effect on the Real Property or any part thereof; remove and evict any lessee or tenant; increase or decrease rents; decorate, clean and repair; and otherwise do any act or incur any reasonable costs or expenses as Assignee deems proper to protect the Lease and/or rents, as fully and to the same extent as Assignor could do if in possession; and in such event, to apply the rents so collected in such order as Assignee deems proper to the operation and management of the Real Property, including the payment of reasonable management, brokerage and attorneys fees (whether incurred at trial, on appeal, discretionary review or otherwise), payment of the indebtedness under the Note and Deed of Trust, and payment to a reserve fund for replacements, which fund will not bear interest; and
- (d) require Assignor to transfer all security deposits to Assignee, together with all records evidencing such deposits.

5. Present Assignment. This Assignment constitutes a perfected, absolute and present assignment, subject to the revocable license granted above. Any security deposits received by Assignor prior to an event of default are assigned to and will be promptly paid over to Assignee immediately upon the occurrence of an event of default. Any rents which accrue prior to an event of default under the Deed of Trust but are paid thereafter will be promptly paid to the Assignee. Except as permitted in Section 2 above, Assignor hereby releases and surrenders to Assignee all rights to amend, modify or in any way alter the Leases without the prior written consent of the Assignee.

6. Default Not Cured By Collection. The collection of rents and application as aforesaid and/or the entry upon and taking possession of the Real Property will not cure or waive

any default; or waive, modify or affect any notice of default required under the Note and Deed of Trust; or invalidate any act done pursuant to such notice. The enforcement of any right or remedy by Assignee, once exercised, will continue until Assignee has collected and applied such rents as may have cured (for the time) the original default. Although the original default be cured and the exercise of any such right or remedy be discontinued, the same or any other right or remedy hereunder will not be exhausted and may be reasserted at any time and from time to time following any subsequent default. The rights and powers conferred on Assignee hereunder are cumulative and not in lieu of any other rights and powers otherwise granted Assignee.

7. Effect of Assignment. The acceptance by Assignee of this Assignment, with all of the rights, powers, privileges and authority so created, is not, prior to entry upon and taking possession of the Real Property by Assignee, deemed or construed to constitute Assignee a "Mortgagee in Possession."

Assignee is not liable for any loss sustained by Assignor resulting from Assignee's failure to let the Real Property after default or from any act or omission of Assignee in managing the Real Property after default unless such loss is caused by the willful misconduct and bad faith of Assignee. Assignee is not obligated to perform or discharge, nor does Assignee undertake to perform or discharge any obligation, duty, or liability under the Lease, or under or by reason of this Assignment, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any lessee and not assigned and delivered to Assignee. This Assignment does not operate to place responsibility for the control, care, management or repair of the Real Property upon Assignee, nor for the carrying out of any of the terms and conditions of the Lease; nor does it operate to make Assignee responsible or liable for any waste committed on the Real Property by the tenants or any parties, or for any dangerous or defective condition of the Real Property, or for any negligence in the management, upkeep, repair or control of the Real Property, resulting in loss or injury or death to any tenant, licensee, employee or stranger.

8. Indemnification. Assignor hereby agrees to defend, indemnify and hold Assignee harmless from any and all liability, loss, damage and expense which Assignee may incur under, by reason of, or in defense of any and all claims and demands whatsoever that may be asserted against Assignee by third parties arising out of the Lease, including, but not limited to, any claims by any tenants of credit for rental for any period under any lease more than one (1) month in advance of the due date thereof paid to and received by Assignor but not delivered to Assignee. Should Assignee incur any such liability, loss, damage or expense, the amount thereof (including attorneys fees, whether incurred at trial, on appeal, discretionary review or otherwise) with interest thereon at the Default Rate (as defined in the Note) will be payable by Assignor to Assignee immediately without demand, and are secured by the Deed of Trust.

9. Termination of Assignment, Payment of Rent. Upon payment in full of the principal sum, interest and the Indebtedness and by the Security Instruments, this Assignment will become null and be void and of no effect, but the affidavit, certificate, letter or statement of any officer, agent or attorney of Assignee showing any part of said principal, interest or indebtedness to remain unpaid will be and constitute conclusive evidence of the validity, effectiveness and continuing force of this Assignment and any person may, and is hereby authorized to, rely thereon.

Assignor hereby authorizes and directs the lessee named in the Lease or any other or future lessee or occupant of the premises described therein or in the Deed of Trust, upon receipt from Assignee of written notice to the effect that Assignee is then the holder of the Note and Security Instruments and that a default exists thereunder or under this Assignment, to pay over to Assignee all rents, income, contract rights, issues, security deposits and profits arising or accruing under the Lease or from the premises described therein or in the Deed of Trust and to continue to do so until otherwise notified by Assignee.

10. Assignee's Right to Deal With Security. Assignee may take or release security for the payment of the principal sum, interest and any Indebtedness and by the Security Instruments, may release any party primarily or secondarily liable therefor and may apply any security held by it to the satisfaction of such principal sum, interest or indebtedness without prejudice to any of its rights under this Assignment.

11. Cross Default. Breach of any term, covenant, or condition herein contained by Assignor constitutes a default under the Note and each of the Security Instruments, and a default under any of said documents constitutes a default hereunder.

12. No Waiver. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the powers and rights granted it hereunder will be deemed to be a waiver by Assignee of its rights and remedies under the Note and Security Instruments. This Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms of the Note and Security Instruments. The right of Assignee to collect the principal sum, interest, and any Indebtedness and by the Security Instruments, and to enforce any security therefore held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

13. Conflict With Deed of Trust. In the case of any conflict between the terms of this instrument and the terms of the Deed of Trust, the terms of this Assignment prevail.
