Box 58900, Salt Lake City, Utah 84158 ("Grantee"), its agents, contractors and employees, the right and privilege of using a parcel of land for the purpose of constructing a 36" Natural Gas Pipeline ("construction workspace"), which property is situated in Klamath County, State of Oregon, and more particularly described below:

That certain parcel, or parcels, of land lying in Section 27, Township 40 South, Range 12 East of the Willamette Meridian, Klamath County, Oregon, being more fully described in the attached Exhibit "A-1".

Also known by County Assessor Parcel Number(s): **R891661**

The approximate location of the construction workspace is designated on Exhibit "A" attached hereto and made a part of this agreement.

Grantee agrees that within a reasonable time following the completion of its work and subject to weather and/or soil conditions, Grantee will as near as practicable restore said construction workspace to its original contours. Grantee will compensate Grantor for adequately documented damages, directly resulting from its work including timber, growing crops, pasture and livestock and is more clearly defined in the Damage Agreement dated 6/23/16. Damages to other real or personal property will be repaired by Grantee or the Grantor will be compensated for such repairs. Specific conditions, which will apply only to the initial construction of facilities, are described in Exhibit "B" attached hereto and made a part of this agreement.

The term of this construction stipulation agreement begins upon execution and expires five years from that date.

Grantee will possess the above-described rights and such rights will be binding upon Grantor, its heirs, legal representatives and successors in title.
