THIS TRUST DEED, made on September 26, 2016, between

Klamath Community College, as Grantor,
United States Dept. of Commerce, Economic Development Administration as Trustee, and
United States Dept. of Commerce, Economic Development Administration, as Beneficiary,

WITNESSETH: That Grantor irrevocably grants, bargains, sells and conveys to trustee, in trust, with power of sale, the property in Klamath County, Oregon, described as follows (legal description of property):

Parcel 2 of Land Partition 10-99 being a portion of parcel 3 of Minor Land Partition 25-57 situated in the E 1/2 NW 1/4 of Section 12, Township 39 South, Range 9 East of the Willamette Meridian, Klamath County, Oregon.
Excepting Therefrom that portion deeded to the State of Oregon by instrument recorded as 2012-013205, lands of Klamath County, Oregon,
 together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in any way now or hereafter appertaining, and the rents, issues and profits thereof, and all fixtures now or hereafter attached to or used in connection with the property.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of Three Million Dollars (\$3,000,000) according to the terms of an Agreement and Mortgage (Attachment I) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor: the final payment of principal and interest, if not sooner paid, to be due and payable on _____

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of the note becomes due and payable. Should the grantor either agree to, attempt to, or actually sell, convey, or assign all (or any part) of the property, or all (or any part) of grantor's interest in it without first obtaining the written consent or approval of the beneficiary, then, at the beneficiary's option*, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable. The execution by grantor of an earnest money agreement** does not constitute a sale, conveyance or assignment.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain the property in good condition and repair; not to remove or demolish any building or improvement thereon; and not to commit or permit any waste of the property.

2. To complete or restore promptly and in good and habitable condition any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require, and to pay for filing the same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies as may be deemed desirable by the beneficiary.

4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the property against loss or damage by fire and other hazards, as the beneficiary may from time to time require, in an amount not less than required per Agreement and Mortgage, written by one or more companies acceptable to the beneficiary, with loss payable to the latter. All policies of insurance shall be delivered to the beneficiary as soon as issued. If the grantor shall fail for any reason to procure any such insurance and to deliver the policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on the buildings, the beneficiary may procure the same at grantor's expense. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. To keep the property free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against the property before any part of such taxes, assessments and other charges becomes past due or delinquent and promptly deliver receipts therefor to beneficiary. Should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof. For such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described. All such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and shall constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation, and trustee and attorney fees actually incurred.

7. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed or any suit or action related to this instrument, including but not limited to its validity and/or enforceability, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney fees. The amount of attorney fees mentioned in this paragraph in all cases shall be fixed by the trial court, and in the event of an appeal from any judgment or decree of the trial court, grantor further agrees to pay such sum as the appellate court shall adjudge reasonable as the beneficiary's or trustee's attorney fees on such appeal.

It is mutually agreed that:

8. In the event that any portion or all of the property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking which are in excess of the amount required to pay all reasonable costs, expenses and attorney fees necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby. Grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation promptly upon beneficiary's request.

(CONTINUED)

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, a title insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, the United States or any agency thereof, or an escrow agent licensed under ORS 696.505 to 696.585.

*WARNING: 12 USC 1701j-3 regulates and may prohibit exercise of this option.

**The publisher suggests that such an agreement address the issue of obtaining beneficiary's consent in complete detail.

Returned at Counter

9. At any time, and from time to time upon written request of beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyances, for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plat of the property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; or (d) reconvey, without warranty, all or any part of the property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee fees for any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may, at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the property or any part thereof, in its own name sue or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney fees, upon any indebtedness secured hereby, and in such order as beneficiary may determine.

11. The entering upon and taking possession of the property, the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder, or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in grantor's performance of any agreement hereunder, time being of the essence with respect to such payment and/or performance, the beneficiary may declare all sums secured hereby immediately due and payable. In such event, the beneficiary may elect to proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed by advertisement and sale, or may direct the trustee to pursue any other right or remedy, either at law or in equity, which the beneficiary may have. In the event the beneficiary elects to foreclose by advertisement and sale, the beneficiary or the trustee shall execute and cause to be recorded a written notice of default and election to sell the property to satisfy the obligation secured hereby whereupon the trustee shall fix the time and place of sale, give notice thereof as then required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.752 to 86.815.

13. After the trustee has commenced foreclosure by advertisement and sale, and at any time prior to 5 days before the date the trustee conducts the sale, the grantor or any other person so privileged by ORS 86.778 may cure the default or defaults. If the default consists of a failure to pay, when due, sums secured by the trust deed, the default may be cured by paying the entire amount due at the time of the cure other than such portion as would not then be due had no default occurred. Any other default that is capable of being cured may be cured by tendering the performance required under the obligation or trust deed. In any case, in addition to curing the default or defaults, the person effecting the cure shall pay to the beneficiary all costs and expenses actually incurred in enforcing the obligation of the trust deed, together with trustee and attorney fees not exceeding the amounts provided by law.

14. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale or the time to which the sale may be postponed as provided by law. The trustee may sell the property either in one parcel or in separate parcels and shall sell the parcel or parcels at auction to the highest bidder for cash, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of: (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney; (2) to the obligation secured by the trust deed; (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority; and (4) the surplus, if any, to the grantor, or to any successor in interest entitled to such surplus.

16. Beneficiary may, from time to time, appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by beneficiary, which, when recorded in the mortgage records of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

The grantor covenants to and agrees with the beneficiary and the beneficiary's successors in interest that the grantor is lawfully seized in fee simple of the real property and has a valid, unencumbered title thereto, except as may be set forth in any addendum or exhibit attached hereto, and that the grantor will warrant and forever defend the same against all persons whomsoever.

WARNING: Unless grantor provides beneficiary with evidence of insurance coverage as required by the contract or loan agreement between them, beneficiary may purchase insurance at grantor's expense to protect beneficiary's interest. This insurance may, but need not, also protect grantor's interest. If the collateral becomes damaged, the coverage purchased by beneficiary may not pay any claim made by or against grantor. Grantor may later cancel the coverage by providing evidence that grantor has obtained property coverage elsewhere. Grantor is responsible for the cost of any insurance coverage purchased by beneficiary, which cost may be added to grantor's contract or loan balance. If it is so added, the interest rate on the underlying contract or loan will apply to it. The effective date of coverage may be the date grantor's prior coverage lapsed or the date grantor failed to provide proof of coverage. The coverage beneficiary purchases may be considerably more expensive than insurance grantor might otherwise obtain alone and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are (choose one):*

(a) ~~primarily for grantor's personal, family or household purposes (see Important Notice below).~~

(b) for an organization, or (even if grantor is a natural person) are for business or commercial purposes.

This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, personal representatives, successors and assigns. The term beneficiary shall mean the holder and owner, including pledgee, of the contract secured hereby, whether or not named as a beneficiary herein.

In construing this instrument, where the context so requires, the singular includes the plural, and all grammatical changes shall be made so that this instrument shall apply equally to businesses, other entities and to individuals.

IN WITNESS WHEREOF, grantor has executed this instrument the date stated above; any signature on behalf of a business or other entity is made with the authority of that entity.

***IMPORTANT NOTICE:** Delete, by lining out, whichever warranty (a) or (b) is inapplicable. If warranty (a) is applicable and the beneficiary is a creditor as such word is defined in the Truth-in-Lending Act and Regulation Z, the beneficiary **MUST** comply with the Act and Regulation by making required disclosures. If compliance with the Act is not required, disregard this notice.

AGREEMENT AND MORTGAGE

WHEREAS, Klamath Community College (hereinafter "Mortgagor"), whose address is 7390 S. 6th St. Klamath Falls, OR 97603, has applied to, received and accepted from the United States Department of Commerce, Economic Development Administration (hereinafter "EDA") an award in the amount of Three Million Dollars (\$3,000,000) (hereinafter "Award Amount") pursuant to a Financial Assistance Award (hereinafter "Award Agreement") entered into by the parties on August 26, 2015, and bearing EDA Project Number 07-01-07208 (the "Project"); and

WHEREAS, pursuant to the application (hereinafter "Award Application") filed by Mortgagor requesting said award and pursuant to the Award Agreement, the Award Amount is to be used for the purpose of making improvements consisting of new construction of a building entitled "Work Skills Technology Center"

on the real property described in Exhibit "A," attached hereto and made a part hereof (hereinafter the "Property"); and

WHEREAS, any transfer or conveyance of a project by a recipient of a Financial Assistance Award must have the prior written approval of EDA. However, EDA, under authority of the Public Works and Economic Development Act of 1965, as amended (42 U.S.C. § 3121 *et seq.*) is not authorized to permit transfer or conveyance of a project to parties which are not eligible to receive EDA Financial Assistance Awards unless EDA is repaid its share of the fair market value of the project or unless the authorized purpose of the EDA Financial Assistance Award was to develop land in order to lease it for a specific use, in which case EDA may authorize the lease(s) of the project if certain conditions are met; and

WHEREAS, the aforesaid Award Agreement from EDA provides the authorized purpose for which the Award Amount may be used while further providing, inter alia, that Mortgagor will not sell, mortgage, or otherwise use or alienate any right to, or interest in the Property, (other than by a lease permitted by the Award Agreement), or use the Property for purposes other than, and different from, those purposes set forth in the Award Agreement and the Award Application made by Mortgagor, such alienation or use being prohibited by 13 C.F.R. part 314, or by 2 CFR 200 (hereinafter the "Regulations") as may be amended from time to time; and

WHEREAS, the value of said right to repayment under the terms of the Regulations is difficult to establish; and

WHEREAS, at this time, Mortgagor and EDA desire to establish a value for EDA's share of the Project in the event that the Property is used, transferred or alienated in violation of the Award Agreement, or the Regulations;

NOW THEREFORE, Mortgagor does hereby mortgage, warrant, grant and convey unto EDA, its successors and assigns, a mortgage on said Property to secure a debt that shall become due and payable by Mortgagor to EDA upon the use, transfer, or alienation of the Property, or interest therein, in violation of the Award Agreement or in violation of the Regulations, as such Award Agreement or Regulations may be amended from time to time, provided, however, that the lien and encumbrance of this AGREEMENT AND MORTGAGE shall terminate and be of no further force and effect 20 years from the date hereof, which period of years has been established as the useful life of the improvements to

the Property. The amount of the lien, encumbrance and debt created by this Agreement shall be the amount determined by EDA, pursuant to the Regulations. Mortgagor does hereby acknowledge that said debt shall accrue and be due and payable upon any use, transfer, or alienation prohibited by the Award Agreement or the Regulations, as such may be amended from time to time, and does, moreover, agree that such debt shall be extinguished only through the full payment thereof to the United States.

Mortgagor further covenants and agrees as follows:

1. Lease of Property:

If the Award Application and Award Agreement authorize Mortgagor to lease the Property, all lease arrangements must be consistent with the authorized general and special purpose of the Award, said lease arrangements will provide adequate employment and economic benefits for the area in which the Property is located; said lease arrangements must be consistent with EDA policies concerning, but not limited to, nondiscrimination and environmental requirements, and that the proposed Lessee is providing adequate compensation to Mortgagor for said lease. Any lease agreements entered into by Mortgagor of the Property shall be subordinate, junior and inferior to this AGREEMENT AND MORTGAGE.

2. Charges; Liens:

Mortgagor shall protect the title and possession of the Property, pay when due all taxes, assessments, and other charges, fines and impositions now existing or hereafter levied or assessed upon the Property and preserve and maintain the priority of the lien hereby created on the Property including any improvements hereafter made a part of the realty.

3. Hazard Insurance:

Mortgagor shall insure and keep insured all improvements now or hereafter created upon the Property against loss or damage by fire and windstorm and any other hazard or hazards included within the term "extended coverage." The amount of insurance shall be the full insurable value of said improvements. Any insurance proceeds received by Mortgagor due to loss shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and the security of this Mortgage is not thereby impaired. If such restoration or repair is not economically feasible or if the security of this Mortgage would be impaired, Mortgagor shall use said insurance proceeds to compensate EDA for its fair share. EDA's fair share shall be a percentage of said insurance proceeds equal to its award percentage in the total cost of the award program for which the damaged or destroyed real property was acquired or improved.

4. Preservation and Maintenance of the Property:

Mortgagor shall keep the Property in good condition and repair and shall not permit or commit any waste, impairment, or deterioration of the Property.

5. Inspection:

EDA may make or cause to be made reasonable entries upon and inspection of the Property.

6. Condemnation:

The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taxing of the Property, or part thereof, or for any conveyance in lieu of condemnation shall be used by Mortgagor to compensate EDA for its fair share. EDA's fair share shall be the percentage of said condemnation proceeds equal to its award percentage in the total cost of the award program for which the condemned property was acquired or improved.

7. Forbearance by EDA Not a Waiver:

Any forbearance by EDA in exercising any right or remedy hereunder, or otherwise affordable by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy hereunder.

8. Recording of Mortgage – Mortgagee's Copy:

Mortgagor shall record this AGREEMENT AND MORTGAGE in the County where the Property is located, thereby securing to EDA an estate in the Property and any other place where recording is required under applicable law. Mortgagee shall be furnished a conformed copy of this Mortgage at the time of execution, and after recordation thereof.

9. Remedies Cumulative:

All remedies provided in this Mortgage are distinct and cumulative to any other right or remedy under this Mortgage or afforded by law or equity, and may be exercised concurrently, independently or successively.

10. Notice:

Any Notice from EDA to Mortgagor provided for in this Mortgage shall be mailed by certified mail to Mortgagor's last known address or at such address as Mortgagor may designate to EDA by certified mail to EDA's address, except for any Notice given to Mortgagor in the manner as may be prescribed by applicable law as provided hereafter in this Mortgage.

11. Remedies:

Upon Mortgagor's breach of any covenant or agreement herein, EDA, its designees, successors or assigns may declare the entire indebtedness secured hereby immediately due, payable and collectible. This AGREEMENT and MORTGAGE may be enforced by the Secretary of Commerce of the United States of America, the Assistant Secretary of Commerce for Economic Development or their designees, successors or assigns, by and through a foreclosure action brought either in a United States District Court, or in any State Court having jurisdiction, but such action shall not be deemed to be a waiver of the aforesaid debt or of any possible further or additional action to recover repayment thereof.

After any breach on the part of Mortgagor, EDA, its designees, successors or assigns shall, upon bill filed or the proper legal proceedings being commenced for the foreclosure of this Mortgage, be entitled, as a matter of right, to the appointment by any competent court, without notice to any party, of a receiver of the rents, issues and profits of the Property, with power to lease and control the Property, and with such

other powers as may be deemed necessary.

12. Governing Law; Severability:

This AGREEMENT AND MORTGAGE shall be governed by applicable Federal law and nothing contained herein shall be construed to limit the rights the EDA, its designees, successors or assigns is entitled to under applicable Federal law. In the event that any provision or clause of this instrument conflicts with applicable law, such conflict shall not affect other provisions of this instrument, which can be given effect without the conflicting provision, and to this end the provisions of this instrument are declared to be severable.

IN WITNESS WHEREOF, Mortgagor has hereunto set its hand and seal on this the 1 day of September, 20 16.

A completed duly recorded copy of this Agreement and Mortgage shall be forwarded to EDA.
