together with all rights (including the rights to mining products, gravel, oil, gas, coal or other minerals), interests, easements, fixtures, hereditaments, appurtenances, and improvements now or later attached thereto (including, but not limited to, irrigations systems, including pumps, motors, electrical panels, pipe, sprinklers, and other accessories pertaining thereto; seed cleaning and storage systems, including cleaners, elevators, pipe, scales, baggers, fans, motors, electrical panels, and other accessories pertaining thereto; milking, milk handling, and milk storage systems, and other accessories pertaining thereto; manure handling systems; livestock feeding systems; whether or not attached to the real estate), the rents, issues and profits thereof, revenues and income therefrom, all water, water rights, water certificates, water permits, water allotments, and water stock pertaining thereto no matter how evidenced, and all payments at any time owing to Borrower by virtue of any sale, lease, transfer, or condemnation of any part thereof or interest therein (collectively called "the property"). This instrument constitutes a security agreement and financing statement under the Uniform Commercial Code and creates a security interest in all items which may be deemed to be personal property, including but not limited to proceeds and accessions, that are now or hereafter included in, affixed, or attached to "the property."

Borrower COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the property and that the property is unencumbered, except for encumbrances of record. Borrower warrants and will defend the title to the property against all claims and demands, subject to any encumbrances of record.

This instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform mortgage covering real property.

UNIFORM COVENANTS. Borrower COVENANTS AND AGREES as follows:

1. **Payment.** Borrower shall pay promptly when due any indebtedness to the Government secured by this instrument.
2. **Fees.** Borrower shall pay to the Government such fees and other charges that may now or later be required by Government regulations.
3. **Application of payments.** Unless applicable law or Government's regulations provide otherwise all payments received by the Government shall be applied in the following order of priority: (a) to advances made under this instrument; (b) to accrued interest due under the note; (c) to principal due under the note; (d) to late charges and other fees and charges.
4. **Taxes, liens, etc.** Borrower shall pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property and promptly deliver to the Government without demand receipts evidencing such payments.
5. **Assignment.** Borrower grants and assigns as additional security all the right, title and interest in: (a) the proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or taking by eminent domain or otherwise of any part of the property, or for conveyance in lieu of condemnation; (b) all bonuses, rentals, royalties, damages, delay rentals and income that may be due or become due and payable to the Borrower or Borrower's assigns under any existing or future oil, gas, mining or mineral lease covering any portion of the property; and (c) all rents, issues, profits, income and receipts from the property and from all existing or future leases, subleases, licenses, guaranties and any other agreements for the use and occupancy of any portion of the property, including any extensions, renewals, modifications or substitutions of such agreements. Borrower warrants the validity and enforceability of this assignment.

Borrower authorizes and directs payment of such money to the Government until the debt secured by this instrument is paid in full. Such money may, at the option of the Government, be applied on the debt whether due or not. The Government shall not be obligated to collect such money, but shall be responsible only for amounts received by the Government. In the event any item so assigned is determined to be personal property, this instrument will also be regarded as a security agreement.

Borrower will promptly provide the Government with copies of all existing and future leases. Borrower warrants that as of the date of executing this instrument no default exists under existing leases. Borrower agrees to maintain, and to require the tenants to comply with, the leases and any applicable law. Borrower will obtain the Government's written authorization before Borrower consents to sublet, modify, cancel, or otherwise alter the leases, or to assign, compromise, or encumber the leases or any future rents. Borrower will hold the Government harmless and indemnify the Government for any and all liability, loss or damage that the Government may incur as a consequence of this assignment.

Initial KJS Date 11-16-16

6. **Insurance.** Borrower shall keep the property insured as required by and under insurance policies approved by the Government and, at its request, deliver such policies to the Government. If property is located in a designated flood hazard area, Borrower also shall keep property insured as required by 42 U.S.C. § 4001 et. seq. and Government regulations. All insurance policies and renewals shall include a standard mortgagee clause.

7. **Advances by Government.** The Government may at any time pay any other amounts required by this instrument to be paid by Borrower and not paid by Borrower when due, as well as any cost for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. Advances shall include, but not be limited to, advances for payments of real property taxes, special assessments, prior liens, hazard insurance premiums, and costs of repair, maintenance, and improvements. All such advances shall bear interest at the same rate as the note which has the highest interest rate. All such advances, with interest, shall be immediately due and payable by Borrower to the Government without demand. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any secured debt to the Government, in any order the Government determines.

8. **Protection of lien.** Borrower shall pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and its priority and the enforcement or compliance with this instrument and the note. Such expenses include, but are not limited to: costs of evidence of title to, and survey of, the property, costs of recording this and other instrument, attorneys' fee, trustees' fees; court costs, and expenses of advertising, selling, and conveying the property.

9. **Authorized purposes.** Borrower shall use the loan evidenced by the note solely for purposes authorized by the Government.

10. **Repair and operation of property.** Borrower shall: (a) maintain improvements in good repair; (b) make repairs required by the Government; (c) comply with all farm conservation practices and farm management plans required by the Government; and (d) operate the property in a good and husbandlike manner. Borrower shall not (e) abandon the property; (f) cause or permit waste, lessening or impairment of the property; or (g) cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals without the written consent of the Government, except as necessary for ordinary domestic purposes.

11. **Legal compliance.** Borrower shall comply with all laws, ordinances, and regulations affecting the property.

12. **Transfer or encumbrance of property.** Except as provided by Government regulations, the Borrower shall not lease, assign, sell, transfer, or encumber, voluntarily or otherwise, any of the property without the written consent of the Government. The Government may grant consents, partial releases, subordinations, and satisfactions in accordance with Government regulations.

13. **Inspection.** At all reasonable times the Government may inspect the property to ascertain whether the covenants and agreements contained in this instrument are being performed.

14. **Hazardous substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substances on or in the property. The preceding sentence shall not apply to the presence, use, or storage on the property of small quantities of hazardous substances that are generally recognized to be appropriate to normal use and maintenance of the property. Borrower covenants that Borrower has made full disclosure of any such known, existing hazardous conditions affecting the property. Borrower shall not do, nor allow anyone else to do, anything affecting the property that is in violation of any federal, state, or local environmental law or regulation. Borrower shall promptly give the Government written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the property and any hazardous substance or environmental law or regulation of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with applicable environmental law and regulations. As used in this paragraph, "hazardous substances" are those substances defined as toxic or hazardous substances by environmental law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "environmental law" means Federal laws and regulations and laws and regulations of the jurisdiction where the property is located that relate to health, safety or environmental protection.

15. **Adjustment; release; waiver; forbearance.** In accordance with Government regulations, the Government may (a) adjust the interest rate, payment, terms or balance due on the loan, (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance, (c) extend or defer the maturity of, and renew and reschedule the payments on the note, (d) release any party who is liable under the note from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any and all of this can and will be done without affecting the lien or the priority of this instrument or Borrower's liability to the Government for payment of the note secured by this instrument unless the Government provides otherwise in writing. HOWEVER, any forbearance by the Government - whether once or often - in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

16. **Graduation.** If the Government determines that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such a loan in sufficient amount to pay the note secured by this instrument and to pay for stock necessary to be purchased in a cooperative lending agency in connection with such loan.

17. **Forfeiture.** Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in the Government's good faith judgment could result in forfeiture of the property or otherwise materially impair the lien created by this instrument or the Government's security interest. Borrower may cure such default by causing the action or proceeding to be dismissed with a ruling that precludes forfeiture of the Borrower's interest in the property or other material impairment of the lien created by this security instrument or the Government's security interest.

18. **False statement.** Borrower also shall be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to the Government (or failed to provide the Government with any material information) in connection with the loan evidenced by the note.

19. **Cross Collateralization.** Default under this instrument shall constitute default under any other security instrument held by the Government and executed or assumed by Borrower. Default under any other such security instrument shall constitute default under this instrument.

20. **Highly erodible land; wetlands.** Any loan secured by this instrument will be in default if Borrower uses any loan proceeds for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity as provided in 7 C.F.R. part 1940, subpart G, or any successor Government regulation.

21. **Non-discrimination.** If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, disability, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, disability, familial status or age.

22. **Notices.** Notices given under this instrument shall be sent by certified mail unless otherwise required by law. Such notices shall be addressed, unless and until some other address is designated in a notice, in the case of the Government to the State Executive Director of the Farm Service Agency at the mailing address shown above, and in the case of Borrower at the address shown in the Government's Finance Office records (which normally will be the same as the mailing address shown above).

23. **Governing law; severability.** This instrument shall be governed by Federal law. If any provision of this instrument or the note or its application to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this instrument or the note which can be given effect without the invalid provision or application. The provisions of this instrument are severable. This instrument shall be subject to the present regulations of the Government, and to its future regulations not inconsistent with the express provisions hereof. All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

24. **Successors and assigns; joint and several covenants.** The covenants and agreements of this instrument shall bind and benefit the successors and assigns of Government and Borrower. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this instrument but does not execute the Note: (a) is co-signing this instrument only to mortgage, grant and convey that Borrower's interest in the property under this instrument; (b) is not personally obligated to pay the sums secured by this instrument; and (c) agrees that the Government and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this instrument or the note without that Borrower's consent.

25. **No merger.** If this instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the property, the leasehold and the fee title shall not merge unless the Government agrees to the merger in writing. If the property is conveyed to the Government, title shall not merge (unless the Government elects otherwise) and the lien provided under this instrument shall not be affected by such conveyance.

26. **Time is of the essence.** Time is of the essence in the Borrower's performance of all duties and obligations under this instrument.

NON-UNIFORM COVENANTS. Borrower further COVENANTS AND AGREES as follows:

27. **Default; death; incompetence; bankruptcy.** Should default occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the Borrower die or be declared incompetent, or should the Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any debt to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of, and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument and sell the property as prescribed by law; and (e) enforce any and all other rights and remedies provided herein or by present or future law.

28. **State law.** Borrower agrees that the Government will not be bound by any present or future State laws (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of any action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws.

29. **Assignment of leases and rents.** Borrower agrees that the assignment of leases and rents in this instrument is immediately effective on the recording of this instrument. Upon default, the Borrower will receive any rents in trust for the Government, and Borrower will not commingle the rents with any other funds. Any amounts collected shall be applied at the Government's discretion first to costs of managing, protecting and preserving the property, and to any other necessary related expenses. Any remaining amounts shall be applied to reduce the debt evidenced by the note(s). Borrower agrees that the Government may demand that Borrower and Borrower's tenants pay all rents due or to become due directly to the Government if the Borrower defaults and the Government notifies Borrower of the default. Upon such notice, Borrower will endorse and deliver to the Government any payments of rents. If the Borrower becomes subject to a bankruptcy, then Borrower agrees that the Government is entitled to receive relief from the automatic stay in bankruptcy for the purpose of enforcing this assignment.

30. **Application of foreclosure proceeds.** The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with this instrument, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all other debt to the Government secured by this instrument, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other debt of Borrower to the Government, and (f) any balance to Borrower. If the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government may pay its share of the purchase price by crediting such amount on any debts of Borrower owing to the Government, in the order prescribed above.

3. DEBTOR WARRANTS, COVENANTS, AND AGREES THAT:

- (a) Debtor is the absolute and exclusive owner of the above-described collateral, and any marks or brands used to describe livestock are the holding brands and carry the title, although the livestock may have other marks or brands, and such collateral is free from all liens, encumbrances, security and other interests except (1) any existing liens, encumbrances, security or other interests in favor of Secured Party which shall remain in full force and effect; (2) any applicable landlord's statutory liens; and (3) other liens, encumbrances, security or other interests previously disclosed to Secured Party in the loan application, farm operating plan or other loan documents. Debtor will defend the collateral against the claims and demands of all other persons.
- (b) Statements contained in Debtor's loan application and related loan documents are true and correct and that Debtor's name, as stated in the loan application and in this Security Agreement, is Debtor's complete legal name; and Debtor will (1) use the loan funds for the purposes for which they were or are advanced; (2) comply with such farm operating plans as may be agreed upon from time to time by Debtor and Secured Party; (3) care for and maintain collateral in a good and husbandlike manner; (4) insure the collateral in such amounts and manner as may be required by Secured Party, and if Debtor fails to do so, Secured Party, at its option, may procure such insurance; (5) permit Secured Party to inspect the collateral at any reasonable time; (6) not abandon the collateral or encumber, conceal, remove, sell or otherwise dispose of it or of any interest in the collateral, or permit others to do so, without the prior written consent of Secured Party; (7) not permit the collateral to be levied upon, injured or destroyed, or its value to be impaired, except by using harvested crops in amounts necessary to care for livestock covered by this Security Agreement; and (8) maintain accurate records of the collateral, furnish Secured Party any requested information related to the collateral and allow Secured Party to inspect and copy all records relating to the collateral.
- (c) Debtor will pay promptly when due all (1) indebtedness evidenced by the Note and any indebtedness to Secured Party secured by this Security Agreement; (2) rents, taxes, insurance premiums, levies, assessments, liens, and other encumbrances, and costs of lien searches and maintenance and other charges now or later attaching to, levied on, or otherwise pertaining to the collateral or this security interest; (3) filing or recording fees for instruments necessary to perfect, continue, service, or terminate this security interest; and (4) fees and other charges now or later required by regulations of the Secured Party.
- (d) Secured Party is authorized to file financing statements describing the collateral, to file amendments to the financing statements and to file continuation statements.
- (e) Debtor will immediately notify Secured Party of any material change in the collateral or in the collateral's location; change in Debtor's name, address, or location; change in any warranty or representation in this Security Agreement; change that may affect this security interest or its perfection; and any event of default.
- (f) Secured Party may at any time pay any other amounts required in this instrument to be paid by Debtor and not paid when due, including any costs and expenses for the preservation or protection of the collateral or this security interest, as advances for the account of Debtor. All such advances shall bear interest at the rate borne by the Note which has the highest interest rate.
- (g) All advances by Secured Party as described in this Security Agreement, with interest, shall be immediately due and payable by Debtor to Secured Party without demand and shall be secured by this Security Agreement. No such advance by Secured Party shall relieve Debtor from breach of the covenant to pay. Any payment made by Debtor may be applied on the Note or any indebtedness to Secured Party secured hereby, in any order Secured Party determines.
- (h) In order to secure or better secure the above-mentioned obligations or indebtedness, Debtor agrees to execute any further documents, including additional security instruments on such real and personal property as Secured Party may require and to take any further actions reasonably requested by Secured Party to evidence or perfect the security interest granted herein or to effectuate the rights granted to Secured Party herein.

4. IT IS FURTHER AGREED THAT:

- (a) Until default, Debtor may retain possession of the collateral.
- (b) **Default** shall exist under this Security Agreement if Debtor fails to perform or discharge any obligation or to pay promptly any indebtedness secured by this Security Agreement or to observe or perform any covenants or agreements in this Security Agreement or in any supplementary agreement contained, or if any of Debtor's representations or warranties herein prove false or misleading, or upon the death or incompetency of the parties named as Debtor, or upon the bankruptcy or insolvency of any one of the parties named as Debtor. Default shall also exist if any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands, as described in 7 CFR Part 1940, Subpart G, Exhibit M or any successor regulation. Upon any default:
- (1) Secured Party, at its option, with or without notice as permitted by law may (a) declare the unpaid balance on the Note and any indebtedness secured by this Security Agreement immediately due and payable; (b) enter upon the premises and cultivate and harvest crops, take possession of, repair, improve, use, and operate the collateral or make equipment usable, for the purpose of protecting or preserving the collateral or this lien, or preparing or processing the collateral for sale, and (c) exercise any sale or other rights accorded by law. Secured Party may disclaim all warranties relating to title, possession, quiet enjoyment, merchantability, fitness or the like in any disposition of the collateral;
 - (2) Debtor (a) agrees to assemble the collateral and make it available to Secured Party at such times and places as designated by Secured Party; and (b) waives all notices, exemptions, compulsory disposition and redemption rights;
 - (3) A default shall exist under any other security instrument held by Secured Party and executed or assumed by Debtor on real or personal property. Likewise, default under such other security instrument shall constitute default under this Security Agreement.
- (c) Proceeds from disposition of collateral shall be applied first on expenses of retaking, holding, preparing for sale, processing, selling and the like and for payment of reasonable attorneys' fees and legal expenses incurred by Secured Party, second to the satisfaction of prior security interests or liens to the extent required by law and in accordance with current regulations of the Secured Party, third to the satisfaction of indebtedness secured by this Security Agreement, fourth to the satisfaction of subordinate security interests to the extent required by law, fifth to any obligations of Debtor owing to Secured Party and sixth to Debtor. Any proceeds collected under insurance policies shall be applied first on advances and expenditures made by Secured Party, with interest, as provided above, second on the debt evidenced by the Note, unless Secured Party consents in writing to their use by Debtor under Secured Party's direction for repair or replacement of the collateral, third on any other obligation of Debtor owing to Secured Party, and any balance shall be paid to Debtor unless otherwise provided in the insurance policies. Debtor will be liable for any deficiency owed to Secured Party after such disposition of proceeds of the collateral and insurance.
- (d) It is the intent of Debtor and Secured Party that to the extent permitted by law and for the purpose of this Security Agreement, no collateral covered by this Security Agreement is or shall become realty or accessioned to other goods.
- (e) Debtor agrees that the Secured Party will not be bound by any present or future State exemption laws. Debtor expressly **WAIVES** the benefit of any such State laws.
- (f) Secured Party may comply with any applicable State or Federal law requirements in connection with the disposition of the collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the collateral.
- (g) This Security Agreement is subject to the present regulations of the Secured Party and to its future regulations not inconsistent with the express provisions of this Security Agreement.
- (h) If any provision of this Security Agreement is held invalid or unenforceable, it shall not affect any other provisions, but this Security Agreement shall be construed as if it had never contained such invalid or unenforceable provision.
- (i) The rights and privileges of Secured Party under this Security Agreement shall accrue to the benefit of its successors and assigns. All covenants, warranties, representations, and agreements of Debtor contained in this Security Agreement are joint and several and shall bind personal representatives, heirs, successors, and assigns.

- (j) If at any time it shall appear to Secured Party that Debtor may be able to obtain a loan from other credit sources, at reasonable rates and terms for loans for similar purposes and periods of time, Debtor will, upon Secured Party's request, apply for and accept such loan in sufficient amount to pay the Note and any indebtedness secured by this Security Agreement. Debtor will be responsible for any application fees or purchase of stock in connection with such loan. The provisions of this paragraph do not apply if the Note secured by this Security Agreement is for a Conservation Loan.
- (k) Failure of the Secured Party to exercise any right, whether once or often, shall not be construed as a waiver of any covenant or condition or of the breach of such covenant or condition. Such failure shall also not affect the exercise of such right without notice upon any subsequent breach of the same or any other covenant or condition.
- (l) **SECURED PARTY HAS INFORMED DEBTOR THAT DISPOSAL OF PROPERTY COVERED BY THIS SECURITY AGREEMENT WITHOUT THE CONSENT OF SECURED PARTY, OR MAKING ANY FALSE STATEMENT IN THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT, MAY CONSTITUTE A VIOLATION OF FEDERAL CRIMINAL LAW.**
- (m) Debtor(s) acknowledge(s) that Secured Party loaned money to me/us to purchase items of collateral that serve as security for my/our loan, thereby, giving Secured Party a Purchase Money Security Interest in those items of collateral listed in Part 2 with an asterisk*.
