- A. Grantor and Grantee have entered into that certain Right-of-Way and Easement Agreement, dated [2/20/2016 ("Easement Agreement");
- B. The Easement Agreement pertains to certain real property more particularly described in Exhibit B hereto ("**Property**");
- C. Pursuant to the Easement Agreement, Grantee will, among other things, construct a pipeline, cathodic equipment and/or appurtenances, which may be constructed above or below ground, including but not limited to valves and metering equipment, electrical and/or communications cable, underground conduit, splicing boxes, and roads (collectively, the "Facilities") and, in connection therewith, requires certain construction workspace ("Construction Workspace"). NOW THEREFORE,

It is understood and agreed by Grantor and Grantee that the Construction Workspace is to be used by Grantee, its affiliates, and their contractors and designees in connection with the construction of the Facilities. Upon completion of the above described work and final restoration of the Construction Workspace, Grantee's interest in said land will revert to Grantor, except as provided by the Easement Agreement.

Grantee agrees that within a reasonable time following the completion of its work and subject to weather and/or soil conditions, Grantee will as near as practicable restore said Construction Workspace to its original contours. Impacts to real or personal property will be repaired by Grantee or the Grantor will be compensated for such repairs. Specific conditions, which will apply only to the initial construction of the Facilities, are described in Exhibit C attached hereto and made a part of this Agreement.

The term of this Agreement begins upon the Effective Date and expires on the fifth anniversary of the Effective Date ("Expiration Date"). At the election of Grantee, the term of this Agreement may be extended by up to five years following the Expiration Date in exchange for additional rental payments ("Extension Payments"). The Extension Payments shall be calculated by increasing by five percent (5%) the initial rental payment made in exchange for this Agreement and dividing that amount by five. Each Extension Payment made by Grantee to Grantor shall entitle Grantee to an additional year of Construction Workspace beyond the Expiration Date, for a total extension of up to five years.

Grantee will possess the above-described rights and such rights will be binding upon Grantor, its heirs, legal representatives and successors in title. Either party may record this Agreement in the records of real property in the county where the Property is located.
