Notice is further given that any person named in ORS 86.753 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the Beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred), together with costs, Trustee's and attorney's fees, by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Trust Deed, at any time prior to five days before the date last set for sale.

Without limiting the Trustee's disclaimer of representations or warranties, Oregon law requires the Trustee to state in this notice that some residential property sold at a Trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the Trustee's sale.

In construing this notice, the singular gender includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.
