#### **PAYMENT OF PRINCIPAL AND INTEREST**

Borrower fully acknowledges and thus agrees to promptly pay the principal and interest indebtedness evidenced in the Note and late charges as provided in the Note.

### ***ESCROW FUNDS***

There may be Periodic Payments due under this Deed of Trust, until such time as the Principal Amount has been paid in full, and there is no longer any money owing. As such, the Borrower herein agrees to pay to the Lender, James C Meakin, additional monies (the "Escrow Funds") to provide for the payment of the following "Escrow Items":

- a) Any and all yearly property and/or schools taxes, assessments or other items, which are considered a priority over this Deed of Trust as an encumbrance and/or lien on the Property;
- b) Lease Payment, if any, which may be associated with the Property;
- c) Payment for any and all insurance premiums related with the Property, including but not limited to, Mortgage Insurance which may be required by the Lender.

It is the responsibility of the Borrower to ensure that the Lender is made aware of any and all monies that require payments with regards to this Section. Upon the request of the Lender, the Borrower shall provide any receipts, bills, and/or invoices verifying or validating such payments to the Lender. Should the Borrower fail to make said payments in a timely manner, the Lender, at its discretion, make any and all past due payments of the aforementioned "Escrow Items," and as such, the Borrower shall then be obligated to repay the Lender for any such amount paid. The Lender shall have the option to waive any of the Borrower's obligations to repay monies to the Lender for any and all "Escrow Items" as it may deem fit by providing to the Borrower written notice of said waiver.

If the Lender provides no such waiver, it then becomes the responsibility of the Borrower to make immediate payment directly to the Lender, when and where payable as designated by the Lender, for the full amount due for any and all Escrow Items. Should the Borrower be obligated to ensure payment of "Escrow Items" directly, and said Borrower fails to ensure such payments are made in a timely fashion, then the Lender reserves the right under this Section to make payment for such amounts and Borrower shall be obligated to repay the Lender for any such amount.

It is the responsibility of the Borrower to collect and deposit "Escrow Funds" in accordance with the Real Estate Settlement Procedures Act ("RESPA"). The Lender shall provide an estimate of the amount of the "Escrow Funds" due in accordance with applicable State and/or Federal Law. Should there be a surplus of funds held in escrow, as defined in the RESPA, the Lender shall then provide to the Borrower the excess funds in accordance with the RESPA guidelines. However,

should there be a deficiency of said funds held in escrow, then the Lender shall immediately notify the Borrower in writing of such deficiency and the Borrower, at that time, must make immediate payment to the Lender any amount necessary to offset the deficiency.

Once payment has been made in full of all "Escrow Items," the Lender shall then promptly refund to the Borrower any excess funds which may be held by the Lender.

#### ***PAYMENT OBLIGATION***

The Borrower does hereby agree to pay any and all monies that are due and payable pursuant to this Deed of Trust and all additional amounts that are secured by this Deed of Trust without abatement (lowering the amount or rate), off-set or counterclaim. However, if the Borrower later makes a claim against the Lender, either by abatement, off-set or counterclaim, the Borrower herein agrees that any such claim filed shall not in any way reduce or postpone their obligation to may all payments as provided for by this Trust.

#### ***PAYMENT APPLICATION***

Any and all payments submitted by the Borrower and received by the Lender shall first be applied towards the payment of the interest calculated at the aforementioned Interest Rate, and the balance of the monies paid shall then be applied towards the payment of the Principal Amount. All received payments shall be applied in the order in which it became due and payable. However, in the event that the Borrower defaults on any payment the Lender shall then have the right to apply any payment received, while in default, as the Lender deems necessary.

#### ***ADDITIONAL CHARGES AND ENCUMBRANCES***

Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. It shall be the sole responsibility of the Borrower to ensure that all payments are made for any and all taxes, assessments, charges, fines, and all other obligations or impositions be attributable to the Property. The Trustee shall then reconvey said Property without warranty to the person or persons legally entitled to the Property. The "entitled" person or persons shall be solely responsible to pay any associated costs for the recording of said Property. In addition, the Lender reserves the right to charge

"entitled" person or persons a fee for reconveying the Property. This fee only applies when said fee is first paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

### ***SALE WITH CONSENT***

The Trustee guarantees and states that they will not sell, transfer, assign, or otherwise dispose of all or any part of said Property or any interest in the Property without the prior written consent of the Lender. At the request of the Lender, the Borrower shall provide to the Lender: 1) a copy of the obtained insurance policy; 2) any and all receipts of paid premiums and renewal notices.

In the event of a loss, it shall be the obligation of the Borrower to provide prompt written notice to the acquired insurance carrier and to the Lender, as well. Lender may make proof of loss if not made promptly by Borrower. In addition, unless otherwise agreed to in writing by the Lender and Borrower, any insurance proceeds received must be applied to any restoration or repair of said

property, as long as the restoration and/or repairs ~~are~~ deemed economically feasible. However, should the restoration and/or repairs be deemed not economically feasible, then the insurance proceeds shall be applied to the balance of this Trust, despite whether or not any balance of the Trust is due, and any excess, if any, shall be paid to the Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair for the Property or to the sums secured by this Deed of Trust.
