The Loan and all other amounts payable under the Note and the other Loan Documents (as defined in the Loan Agreement, defined below) are due and payable in full on or before April 1, 2019, as may be extended pursuant to the terms of the Loan Agreement. The interest rate, payment terms, or the balance due under the Note, the Loan Documents, and the indebtedness evidenced thereby may be indexed, adjusted, renewed, or renegotiated without affecting the priority of this Deed of Trust.

ARTICLE I COVENANTS AND AGREEMENTS OF GRANTOR

Grantor hereby covenants and agrees:

1.1 Maintenance of the Property. The Property shall be maintained in good condition at all times. Grantor shall promptly make all necessary repairs, replacements, and renewals so that the value of the Property shall be maintained. Grantor shall not commit or permit any waste on the Property, including without limitation, any act or failure to act that impairs the value of the Trust Estate. Grantor shall comply with all laws, ordinances, regulations, and private restrictions affecting the Property. To the extent that the Property constitutes commercial property, Grantor shall operate the Property in such manner as to prevent deterioration of the land and improvements including fences, except for reasonable wear and tear from proper use. Grantor shall not demolish or remove any improvements from the Property without the written consent of Beneficiary. Grantor shall not consent to, nor affirmatively seek to accomplish in any

way, any subdivision of the Property, any partition of the Property, including without limitation any partition under ORS Chapter 105, or any zoning change or variance affecting the Property without the prior written consent of Beneficiary.

1.2 Required Insurance. Grantor shall at all times provide, maintain, and keep in force, or cause to be provided, maintained, and kept in force, insurance as set forth in the Loan Agreement and such other insurance and in such amounts as may, from time to time, be required by Beneficiary including, without limitation, business interruption insurance or insurance covering loss of rents and flood insurance where applicable.

1.3 Delivery of Policies; Payment of Premiums; Distribution of Proceeds.

(a) All policies of insurance shall be issued by companies and in amounts in each company satisfactory to Beneficiary. All policies of insurance shall have attached thereto a lender's loss payable endorsement for the benefit of Beneficiary in form satisfactory to Beneficiary. Grantor shall furnish Beneficiary with an original policy of all policies of required insurance. If Beneficiary consents to Grantor providing any of the required insurance through blanket policies carried by Grantor and covering more than one location, then Grantor shall furnish Beneficiary with a certificate of insurance for each such policy setting forth the coverage, the limits of liability, the name of the carrier, the policy number, and the expiration date.

(b) At least 30 days prior to the expiration of each such policy, Grantor shall furnish Beneficiary with evidence satisfactory to Beneficiary of the payment of premium and the reissuance of a policy continuing insurance in force as required by this Deed of Trust. All such policies shall contain a provision that such policies will not be canceled or materially amended, which term shall include any reduction in the scope or limits of coverage without at least 30 days' prior written notice to Beneficiary. In the event Grantor fails to provide, maintain, keep in force, or deliver and furnish to Beneficiary the policies of insurance required by this section, Beneficiary may procure such insurance or single-interest insurance for such risks covering Beneficiary's interest, and Grantor will pay all premiums thereon promptly upon demand by Beneficiary and, until such payment is made by Grantor, the amount of all such premiums shall be secured by this Deed of Trust.

(c) If Grantor shall fail to obtain the insurance required by Section 1.2, make the payments required by Section 1.6, or perform or observe any of its other covenants or agreements under this Deed of Trust, Beneficiary may, without obligation to do so, obtain or pay the same or take other action that it deems appropriate to remedy such failure. All sums, including reasonable attorney fees, so expended to maintain the lien or estate of this Deed of Trust or its priority, or to protect or enforce any of Beneficiary's rights, or to recover any indebtedness secured by this Deed of Trust, shall be a lien on the Property, shall be secured by this Deed of Trust, and shall be paid by Grantor upon demand, together with interest at the Default Rate provided in the Note. No payment or other action by Beneficiary under this section shall impair any other right or remedy available to Beneficiary or constitute a waiver of any default. The following notice is given pursuant to ORS 746.201:

WARNING

Unless Grantor provides Beneficiary with evidence of the insurance coverage as required herein, Beneficiary may purchase insurance at Grantor's expense to protect Beneficiary's interest. This insurance may, but need not, also protect Grantor's interest. If the collateral becomes damaged, the coverage Beneficiary purchases may not pay any claim Grantor makes or any claim made against Grantor. Grantor may later cancel this coverage by providing evidence that Grantor has obtained property coverage elsewhere.

Grantor is responsible for the cost of any insurance purchased by Beneficiary. The cost of this insurance may be added to the indebtedness secured hereby. If the cost is added to the indebtedness secured hereby, the interest rate on the indebtedness secured hereby will apply to this added amount. The effective date of coverage may be the date the prior coverage lapsed or the date Grantor failed to provide proof of coverage.

The coverage Beneficiary purchases may be considerably more expensive than insurance Grantor can obtain on Grantor's own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

(d) In the event of a loss to the Property, all insurance proceeds and rights of action related to the loss are hereby assigned to Beneficiary. Grantor agrees to execute such further assignments to such proceeds and rights of action as Beneficiary may require. Grantor shall give immediate written notice to Beneficiary, and Beneficiary may, but is not obligated to, make proof of loss. At its option, in its own name, Beneficiary shall be entitled to commence, appear in and prosecute any action or proceedings or to make any compromise or settlement in connection with any such loss, which shall be binding on Grantor. Each insurance carrier is hereby authorized and directed to make payment for such loss to Grantor. Beneficiary's right to payment of insurance proceeds shall exist whether or not any such loss results in any impairment to the security of Beneficiary. The insurance proceeds shall be applied in accordance with Section 1.22 below. The payment to Beneficiary of such insurance proceeds shall not cure or waive any default or notice of default hereunder. Notwithstanding such loss, all payments under the Loan Agreement, the Note, and the other Loan Documents shall be made without reduction, modification or interruption and all applicable terms and conditions of this Deed of Trust shall be applicable to Grantor without modification or interruption.

1.4 Assignment of Policies Upon Foreclosure. In the event of foreclosure of this Deed of Trust or other transfer of title or assignment of the Trust Estate in extinguishment, in whole or in part, of the debt secured hereby, all right, title, and interest of Grantor in and to all policies of insurance required by Section 1.2 shall inure to the benefit of and pass to the successor in interest to Grantor or the purchaser or grantee of the Trust Estate.

1.5 Indemnification; Subrogation; Waiver of Offset.

(a) If Beneficiary or any of its directors, officers, employees, agents, and representatives (together with Beneficiary, hereafter collectively referred to as the "Indemnitees") is made a party defendant to any litigation concerning this Deed of Trust or the Trust Estate or any part thereof or interest therein, or the occupancy thereof by Grantor, then Grantor shall indemnify, defend, and hold Indemnitees harmless from all liability, loss, cost, or damage, by reason of said litigation, including reasonable attorney fees and expenses incurred by Indemnitees in any such litigation, whether or not any such litigation is prosecuted to judgment.

(b) Grantor waives any and all right to claim or recover against Indemnitees for loss of or damage to Grantor, the Trust Estate, Grantor's property, or the property of others under Grantor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust.

(c) All sums payable by Grantor hereunder shall be paid without notice, demand, counterclaim, setoff, deduction, or defense and without abatement, suspension, deferment, diminution, or reduction; and the obligations and liabilities of Grantor hereunder shall in no way be released, discharged, or otherwise affected (except as expressly provided herein) by reason of (i) any damage to or destruction of or any condemnation or similar taking of the Trust Estate or any part thereof; (ii) any restriction or prevention of or interference with any use of the Trust Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Property or the Improvements or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation, or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (v) any claim which Grantor has or might have against Indemnitees; (vi) any default or failure on the part of Indemnitees to perform or comply with any of the terms hereof or of any other agreement with Grantor; or (vii) any other occurrence whatsoever, whether similar or dissimilar to the foregoing and whether or not Grantor shall have notice or knowledge of any of the foregoing. Except as expressly provided herein, Grantor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution, or reduction of any sum secured hereby and payable by Grantor.

1.6 Taxes. Grantor shall pay, prior to delinquency, all of the following (collectively, the "Impositions"): (a) all general and special real property taxes if not abated or otherwise exempted and assessments due and owing on the Property; (b) all other due and owing taxes and assessments and charges of every kind that are assessed upon the Property (or upon the owner and/or operator of the Property) and that create or may create a lien upon the Property (or upon any personal property or fixtures used in connection with the Property), including without limitation non-governmental levies and assessments pursuant to applicable covenants, conditions or restrictions; and (c) all license fees, taxes and assessments imposed on Beneficiary which are measured by or based upon (in whole or in part) the amount of the obligations secured by the Property. If permitted by law, Grantor may pay any Imposition in installments (together with any accrued interest). Immediately upon request of Beneficiary, Grantor shall establish with Beneficiary an escrow account or other impound in form and substance satisfactory to

Beneficiary with respect to any Imposition (whether or not delinquent) and thereafter commence monthly deposits thereto in the amount specified by Beneficiary as necessary to pay such Impositions from time to time when due and payable. Upon written demand by Beneficiary from time to time, Grantor shall (i) deliver to Beneficiary within 30 days following the due date of any Imposition, evidence of payment reasonably satisfactory to Beneficiary, and (ii) furnish to Beneficiary a written contract with a tax reporting service for the Property of a type and duration and with an independent reporting service reasonably satisfactory to Beneficiary.

1.7 Liens. Grantor shall maintain the Trust Estate free of any liens except for "Permitted Encumbrances" as defined in Section 1.11 and the lien of taxes and assessments not delinquent. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Beneficiary's interest in the Trust Estate is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within 15 days after the lien arises or, if a lien is filed, within 15 days after Grantor has notice of the filing, secure the discharge of the lien or deposit with Beneficiary cash or a sufficient corporate surety bond or other security satisfactory to Beneficiary in an amount sufficient to discharge the lien plus any costs, attorney fees, or other charges that could accrue as a result of a foreclosure or sale under the lien.

1.8 Reserves. At any time Beneficiary may require Grantor to maintain reserves for payment of taxes (including special assessments and other charges against the Trust Estate by governmental or quasi-governmental bodies) or premiums on property insurance or both. The reserves shall be created by payment each month to Beneficiary of an amount determined by Beneficiary to be sufficient to produce by the date they are due amounts equal to the estimated taxes and insurance premiums to be paid. If at the time that payments are to be made the reserve for either taxes or insurance premiums is insufficient, Grantor shall upon demand pay such additional sum as Beneficiary shall determine to be necessary to cover the required payment. If Grantor desires to carry a package plan of insurance that includes coverage in addition to that required under this Deed of Trust, Beneficiary, if allowed by law, may at its option establish and administer a reserve for that purpose. In such event the premium attributable to the required insurance coverage shall be quoted separately, and Beneficiary may permit Grantor to furnish a certificate of insurance rather than deposit the policy as required above. If at any time Beneficiary holds an insufficient amount in the insurance reserve to cover the premium for the entire package policy, Beneficiary may, at its discretion, pay only that portion of the premium attributable to the required insurance coverage. If the blanket policy does not permit such partial payment, Beneficiary may use the reserve funds for the premium on a new, separate policy providing the required insurance coverage and allow the package policy to lapse. Beneficiary shall not charge a service charge for collecting reserves and paying taxes and insurance premiums. The reserves shall not constitute a trust. Grantor agrees that Beneficiary may commingle reserve funds with other funds of Beneficiary and need not invest them for the benefit of Grantor. Grantor agrees that Beneficiary need not pay Grantor interest on reserves, unless applicable statutes require payment of interest notwithstanding any contrary agreement.

1.9 Expenditures by Beneficiary. If Grantor shall fail to comply with any provision of this Deed of Trust, Beneficiary may, at its option, on Grantor's behalf take the required action and any amount that it expends in so doing shall be added to the indebtedness secured hereby.

Amounts so added shall be payable on demand with interest at the rate specified in the Note as the Default Rate (the "Default Rate") from the date of expenditure. The rights provided for in this section shall be in addition to any other rights or any remedies to which Beneficiary may be entitled on account of the default, and Beneficiary shall not by taking the required action cure the default so as to bar it from any remedy that it otherwise would have had.

1.10 Utilities. Grantor shall pay or cause to be paid when due all utility charges which are incurred by Grantor for the benefit of the Trust Estate or which may become a charge or lien against the Trust Estate for gas, electricity, water or sewer services furnished to the Trust Estate and all other assessments or charges of a similar nature, whether public or private, affecting the Trust Estate or any portion thereof, whether or not such assessments or charges are liens thereon.

1.11 Warranty; Defense of Title. Grantor warrants that Ground Lessor holds merchantable title to the Property in fee simple (the "Fee Title Estate") and Ground Lessee holds a merchantable leasehold title to the Property (the "Leasehold Estate"), each free of all encumbrances other than the encumbrances described on Exhibit C attached hereto (hereinafter referred to as "Permitted Encumbrances"). Grantor warrants and will forever defend the title against the claims, other than Permitted Encumbrances, of all persons. In the event any action or proceeding is commenced that questions each Grantor's respective title interest or the interest of Beneficiary under this Deed of Trust, Grantor shall defend the action at Grantor's expense. Grantor shall pay any sums and do any other acts necessary to prevent a default or prevent any action or condition which with the lapse of time, the giving of notice, or any other action of a creditor, would be a default or enable any creditor to declare a default or foreclose any Permitted Encumbrance.

1.12 Condemnation. In the event any of the Property, or any part thereof, shall be damaged or taken by reason of any public improvement or condemnation proceedings, Grantor agrees that such proceeds or awards shall be payable to Beneficiary to be applied in accordance with Section 1.22 below. Should said proceeds exceed said balance owing, any such excess shall be paid to Grantor. All such proceeds and rights of action are hereby assigned to Beneficiary, and Beneficiary shall be entitled, along with Grantor, to commence, appear in and prosecute any action or proceedings or to make any compromise or settlement in connection with any such taking or damage. Grantor agrees to execute such further assignments of any such proceeds and rights of action as Beneficiary may require.

1.13 Imposition of Tax. The following shall constitute taxes to which this paragraph applies: (a) a specific tax upon deeds of trust or upon all or any part of the indebtedness secured by a deed of trust; (b) a specific tax on the owner of property covered by a deed of trust which the taxpayer is authorized or required to deduct from payments on the deed of trust; (c) a tax on premises covered by a deed of trust chargeable against Beneficiary under the deed of trust or the holder of the note secured; and (d) a specific tax on all or any portion of the indebtedness secured hereby or on payments of principal and interest made by a Grantor under a deed of trust. If any federal, state, or local tax to which this paragraph applies is enacted subsequent to the date of this Deed of Trust, this shall have the same effect as a default and Beneficiary may exercise any or all of the remedies available to it in the event of a default under this Deed of Trust unless the following conditions are met: (i) Grantor may lawfully pay the tax or charge imposed and

(ii) Grantor pays the tax or charge within 30 days after notice from Beneficiary that the tax law has been enacted.

1.14 Inspections. Beneficiary, or its agents, representatives or workmen, are authorized to enter at any reasonable time upon or in any part of the Property for the purpose of inspecting the same and for the purpose of performing any of the acts it is authorized to perform under the terms of any of the Loan Documents.

1.15 No Waiver. By accepting payment of any obligation herein mentioned after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other obligations herein mentioned or to declare default for failure so to pay.

1.16 Accounting. Grantor will keep and maintain or will cause to be kept and maintained in accordance with sound accounting practice accurate and proper books of record and account relating to the Property. Grantor shall permit Beneficiary to examine the books of account and other records of Grantor, to discuss the affairs, finances and accounts of Grantor and to be informed as to the same by Grantor, all at such reasonable times and intervals as Beneficiary may desire. Grantor will, at its own cost and expense, furnish to Beneficiary all financial reports and information as set forth in, and in accordance with, Section 7.12 of the Loan Agreement. In the event Grantor fails to furnish any of the financial statements hereinabove required, Beneficiary may, after the expiration of any applicable notice and cure period, cause an audit to be made of Grantor's books and records, at Grantor's sole cost and expense.

1.17 Repayment of Advances. Upon receipt of notice, Grantor shall repay immediately all sums expended or advanced under this Deed of Trust by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the Default Rate, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within 10 days of such notice will, at Beneficiary's option, constitute an event of default hereunder; or Beneficiary may, at its option, commence an action against Grantor for the recovery of such expenditure or advance and interest thereon, and in such event Grantor agrees to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee at trial and on appeal.

1.18 Use of Property. The Property is not used principally for agricultural purposes and is not Grantor's residence.

1.19 Use of Loan Proceeds. The proceeds of the credit evidenced by the Loan Documents will not be used for personal, family, or household purposes.

1.20 Access Laws.

(a) Grantor agrees that the Property shall at all times strictly comply with the applicable requirements of the Americans with Disabilities Act of 1990 (including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities); the Fair Housing Amendments Act of 1988; all other federal and state and local laws

and ordinances related to disabled access; and all rules, regulations, and orders issued pursuant thereto; all as amended from time to time (collectively the "Access Laws"). At any time after completion of construction of the Property, Beneficiary may require Grantor to provide a certificate of compliance with the Access Laws and indemnification in a form reasonably acceptable to Beneficiary. Beneficiary may also require a certificate of compliance with the Access Laws from an architect, engineer, or other third party acceptable to Beneficiary.

(b) Notwithstanding any provisions set forth herein or in any other Loan Document, Grantor shall not alter or permit any tenant or other person to alter the Property in any manner which would increase Grantor's responsibilities for compliance with the Access Laws without the prior written approval of Beneficiary. In connection with any such approval, Beneficiary may require a certificate of compliance with the Access Laws from an architect, engineer, or other person acceptable to Beneficiary.

(c) Grantor agrees to give prompt notice to Beneficiary of any claims of violations of any Access Laws and of the commencement of any proceedings or investigations which relate to compliance with any of the Access Laws.

(d) Grantor shall indemnify and hold harmless Beneficiary from and against any and all claims, demands, damages, costs, expenses, losses, liabilities, penalties, fines, and other proceedings, including without limitation reasonable attorney fees and expenses arising directly or indirectly from or out of or in any way connected with any failure of the Property to comply with any of the Access Laws. The obligations and liabilities of Grantor under this section shall survive any termination, satisfaction, assignment, judicial or nonjudicial foreclosure, or delivery of a deed in lieu of foreclosure.

1.21 Wetlands. Grantor hereby covenants, represents, and warrants that, (a) to the best of Grantor's knowledge, it is in compliance with all federal, state, and local laws relating to "Wetlands" as defined in 33 C.F.R. Section 328.3, as hereinafter amended, and in any comparable state and/or local law, statute or ordinance, rule or regulation pertaining to such Wetlands, and (b) Grantor shall not perform or cause to be performed any excavation or fill activity or other acts which would in any way destroy, eliminate, alter, obstruct, interfere with or otherwise affect any Wetlands, unless such acts conform with permits issued in compliance with such laws.

1.22 Restoration After Condemnation or Casualty; Application of Insurance Proceeds; Remargining.

(a) Any proceeds collected ("Proceeds") under any casualty insurance policy or as a result of condemnation proceedings or settlements described in this Deed of Trust shall be held in an account approved by Beneficiary and (subject to Section 1.12) disbursed by Beneficiary to Grantor as provided below, but only upon fulfillment of each of the following conditions ("Restoration Conditions") within 120 days following the occurrence of the damage for which the Proceeds are collected:

(i) Grantor shall have demonstrated to Beneficiary's reasonable satisfaction that the Proceeds (together with amounts deposited by Grantor pursuant to subparagraph (b)) will be adequate to repair or replace the improvements to an affordable housing complex substantially similar and to restore the value of the Property, within a time period reasonably determined by Beneficiary, to at least the value it had immediately prior to sustaining the damage or condemnation giving rise to the Proceeds. Such demonstration shall include delivery to Beneficiary of (i) plans and specifications reasonably satisfactory to Beneficiary and (ii) a construction contract in form and content, and with a contractor, reasonably satisfactory to Beneficiary.

(ii) To the extent that the Proceeds are insufficient to accomplish the restoration required above, Grantor shall have delivered funds or one or more binding commitments from subordinate lenders reasonably acceptable to Beneficiary ("Shortfall Funds") in the amount of such shortfall, which funds shall be assigned to Beneficiary as security for Grantor's obligation hereunder and held and disbursed in the same manner as the Proceeds.

(iii) Grantor shall have executed such documents as Beneficiary requires to evidence and secure Grantor's obligation to use all amounts disbursed for the diligent restoration of the Property.

(iv) No Event of Default shall remain uncured (other than any Event of Default which relates to such casualty and will be cured by completion of the repair or restoration).

(b) Any Proceeds and Shortfall Funds shall be held by Beneficiary in the Disbursement Account under the Loan Agreement and disbursed in accordance with the disbursement procedures thereof and related provisions of this Deed of Trust and all other disbursement provisions then customarily required by Beneficiary. Any amounts remaining undisbursed following completion of such restoration shall be returned to Grantor up to the amount of any Shortfall Funds deposited by Grantor, and any other amounts remaining shall either be paid to Grantor or applied, at Beneficiary's direction, against any obligations to Beneficiary that are secured by a lien on the Property, as Beneficiary elects in its absolute discretion.

(c) Subject to subparagraph (e) below, in the event that Grantor cannot or fails to fulfill the Restoration Conditions within 120 days (unless a longer period is necessary due to a delay in receipt of insurance proceeds or otherwise agreed to in writing by Beneficiary prior to the 120th day) following the date on which the damage occurs, the Proceeds shall be applied against any obligations to Beneficiary that are secured by a lien on the Property, and the selection of which such obligations to apply the Proceeds against shall be made by Beneficiary in its absolute discretion.

(d) Nothing herein shall be construed to excuse Grantor from repairing and restoring all damage to the Property in accordance with other Loan Document provisions, regardless of whether insurance proceeds are available or sufficient.

(e) In the event the improvements cannot be so rebuilt or restored, then the Proceeds shall be applied against the outstanding balance of principal, interest and other charges owing (regardless of whether then payable) under the Loan Agreement, the Note, the other Loan Documents and this Deed of Trust. Should the Proceeds exceed such balance owing, any such excess shall be paid to Grantor. Should the Proceeds be less than such balance owing, the deficiency shall be paid by Grantor to Beneficiary within 60 days of demand by Beneficiary

1.23 Leasehold Mortgage Provisions.

(a) Representations, Covenants, and Warranties. Grantor represents, covenants, and warrants:

(i) That the Ground Lease is in full force and effect and has not been modified or amended in any manner whatsoever;

(ii) That there are no defaults under the Ground Lease, and no event has occurred, that, with the giving of notice, the passage of time, or both, would constitute a default under the Ground Lease;

(iii) That all rents, additional rents, and other sums due and payable under the Ground Lease have been paid in full to the extent they were payable before the date of this Deed of Trust; and

(iv) That neither Ground Lessee nor the Ground Lessor has commenced any action or given or received any notice for the purpose of terminating the Ground Lease,

(b) The Ground Lease. Ground Lessee and Ground Lessor shall have the following duties and responsibilities:

(i) Ground Lessee shall: (A) pay or cause to be paid all rents, additional rents, and other charges required to be paid by Ground Lessee under and pursuant to the provisions of the Ground Lease, as and when those rents or other charges are payable; and (B) diligently perform and observe all of the terms, covenants, and conditions of the Ground Lease on the part of Ground Lessee thereunder, to be performed and observed promptly when due under the terms of the Ground Lease;

(ii) Ground Lessor and Ground Lessee shall promptly notify Beneficiary of the giving of any notice by Ground Lessor to Ground Lessee of any default by Ground Lessee in the performance or observance of any of the terms, covenants, or conditions of the Ground Lease on the part of Ground Lessee under the Ground Lease, to be performed or observed, and deliver to Beneficiary a true copy of each such notice.

(iii) Ground Lessor and Ground Lessee shall not, without the prior consent of Beneficiary, surrender or accept surrender of the Leasehold Estate, or terminate or cancel the Ground Lease or modify, change, supplement, alter, or amend the Ground Lease, in any respect, either orally or in writing, and Ground Lessee hereby assigns to Beneficiary, as

further security for the payment of the obligations secured hereby and for the performance and observance of the terms, covenants, and conditions of this Deed of Trust, all of the rights, privileges, and prerogatives of Ground Lessee under the Ground Lease to surrender the Leasehold Estate or to terminate, cancel, modify, change, supplement, alter, or amend the Ground Lease, and any such surrender of the Leasehold Estate or termination, cancellation, modification, change, supplement, alteration, or amendment of the Ground Lease without the prior consent of Beneficiary shall be null and void and of no force and effect.

(iv) Ground Lessor and Ground Lessee agree that if Ground Lessee shall default in the performance or observance of any term, covenant, or condition of the Ground Lease on the part of Ground Lessee, as ground lessee under the Ground Lease, to be performed or observed, then, without limiting the generality of the other provisions of this Deed of Trust, and without waiving or releasing Ground Lessee from any of its obligations hereunder, Beneficiary or its designee shall have the right, but shall be under no obligation, to pay any sums and to perform any act or take any action as may be appropriate to cause all of the terms, covenants, and conditions of the Ground Lease on the part of Ground Lessee under the Ground Lease to be performed or observed or to be promptly performed or observed on behalf of Ground Lessee, to the end that the rights of Ground Lessee in, to, and under the Ground Lease shall be kept unimpaired and free from default, even if the existence of such event of default or its nature is questioned or denied by Ground Lessee or by any party on behalf of Ground Lessee. If Beneficiary shall make any payment or perform any act or take any action in accordance with the preceding sentence, then the payment, performance, or action shall not remove or waive, as between Grantor and Beneficiary, the corresponding default under the terms of this Deed of Trust. In any such event, subject to the rights of tenants and other occupants under the Leases, Beneficiary and any person designated by Beneficiary shall have, and are hereby granted, the right to enter upon the Real Property at any time and from time to time for the purpose of taking any such action. Beneficiary may pay and expend such sums of money as Beneficiary deems necessary for any such purpose and upon so doing shall be subrogated to any rights of Ground Lessor under the Ground Lease. Ground Lessee hereby agrees to pay to Beneficiary immediately and without demand, all those sums so paid and expended by Beneficiary, together with interest thereon from the day of that payment at the default interest rate under the Note. All sums so paid and expended by Beneficiary and the interest on those sums shall be secured by this Deed of Trust.

(v) If Ground Lessor shall deliver to Beneficiary a copy of any notice of default sent by Ground Lessor to Ground Lessee, as ground lessee under the Ground Lease, that notice shall constitute full protection to Beneficiary for any action taken or omitted to be taken by Beneficiary or its designee, in good faith, in reliance on that notice.

(vi) Ground Lessee will not subordinate or consent to the subordination of the Ground Lease or the Leasehold Estate to any mortgage, deed of trust, lease, or other interest on or in Ground Lessor's interest in all or any part of the Real Property, unless, in each such case, the written consent of Beneficiary shall have been first had and obtained.

(c) Leases. Each Lease hereafter made and entered into by Ground Lessee shall provide that:

(i) In the event of the termination of the Ground Lease, the Lease shall not terminate or be terminable by the tenant under the Lease;

(ii) In the event of any action for the foreclosure of this Deed of Trust, the Lease shall not terminate or be terminable by the tenant under the Lease by reason of the termination of the Ground Lease unless the tenant is specifically named and joined in any such action and unless a judgment is obtained therein against the tenant; and

(iii) If the Ground Lease is terminated as aforesaid, the tenant shall attorn to Ground Lessor or to the purchaser at the sale of the Leasehold Estate on such foreclosure, as the case may be.

(d) No Merger of Fee Title Estate and Leasehold Estate. So long as any obligations are outstanding under the Loan Documents, unless Beneficiary shall otherwise consent in writing, the Fee Title Estate and the Leasehold Estate shall not merge but shall always be kept separate and distinct, notwithstanding the union of such estates in Ground Lessor, Ground Lessee, Beneficiary, or in any other person by purchase, operation of law, or otherwise. Beneficiary reserves the right, at any time, to release from the lien of this Deed of Trust portions of the Property, including, but not limited to, the Leasehold Estate or the Fee Title Estate, with or without consideration, at Beneficiary's election, without waiving or affecting any of its rights hereunder or under the Loan Documents, and any such release shall not affect Beneficiary's rights in connection with the portion of the Property not so released.

(e) Ground Lessee's Acquisition of Fee Estate. If Ground Lessee, so long as the obligations under the Loan Documents remain outstanding, shall become the owner and holder of the Fee Title Estate, the lien of this Deed of Trust shall be spread to cover Ground Lessee's interest in the Fee Title Estate. In such event, Ground Lessee agrees, at its sole cost and expense, to: (i) execute any and all documents or instruments necessary to subject its Fee Title Estate to the lien of this Deed of Trust; (ii) provide Beneficiary a title insurance policy which shall insure that the lien of this Deed of Trust is a first lien on Ground Lessee's Fee Title Estate; and (iii) pay all reasonable attorney fees incurred by Beneficiary in connection with the above.

(f) Bankruptcy. If the Ground Lessor or Ground Lessee become the subject of a proceeding under the Bankruptcy Code or any other law affecting creditor's rights:

(i) Ground Lessor and Ground Lessee, immediately after obtaining notice thereof, shall give notice thereof to Beneficiary;

(ii) All the agreements, assignments, and other provisions set forth in Section 25.8 of the Ground Lease shall control the rights and obligations of Ground Lessor, Ground Lessee, and Beneficiary;

(iii) If the Ground Lease is terminated for any reason in the event of the rejection or disaffirmance of the Ground Lease under the Bankruptcy Code or any other law

affecting creditor's rights, any property not removed by Grantor as permitted or required by the Ground Lease, shall at the option of Beneficiary be deemed abandoned by Grantor, provided that Beneficiary may remove any such property required to be removed by Grantor pursuant to the Ground Lease, and all costs and expenses associated with such removal shall be paid by Grantor within five days of receipt by Grantor of an invoice for the costs and expenses associated with such removal; and

(iv) If the Ground Lease is for any reason whatsoever terminated before the natural expiration of its term, and if, under any provisions of the Ground Lease or otherwise, Beneficiary or its designee shall acquire from Ground Lessor another lease of the Real Property, Ground Lessee shall have no right, title, or interest in or to such other lease or the leasehold estate created thereby.

(g) Lender Provisions. Ground Lessor acknowledges and agrees that Beneficiary is a "Lender" and the "Active Lender" as such terms are used in the Ground Lease and Beneficiary is entitled to all the rights, privileges, and benefits afforded to a Lender and the Active Lender under the terms of the Ground Lease. In the event of any conflict between the terms of the Ground Lease and this Deed of Trust, the terms of this Deed of Trust shall control.

ARTICLE II SECURITY AGREEMENT; FIXTURE FILING

2.1 Creation of Security Interest. Grantor hereby grants to Beneficiary a security interest in (a) the Personal Property, including without limitation any and all property of similar type or kind hereafter located on or at the Property, (b) the Cash Collateral, and (c) any other item or portion of the Trust Estate in which a security interest may be granted under the Oregon Uniform Commercial Code, for the purpose of securing all obligations of Grantor contained in any of the Loan Documents. Grantor hereby consents to the filing by Beneficiary of one or more financing statements and renewals and amendments thereof pursuant to the Oregon Uniform Commercial Code in form satisfactory to Beneficiary, and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable.

2.2 Warranties, Representations, and Covenants of Grantor. Grantor hereby warrants, represents and covenants as follows:

(a) Except for the security interest granted hereby or by any of the Permitted Encumbrances, Grantor is, and as to portions of the Trust Estate to be acquired after the date hereof will be, the sole owner of the Trust Estate, free from any adverse lien, security interest, encumbrance or adverse claims thereon of any kind whatsoever, other than Permitted Encumbrances. Grantor will notify Beneficiary of, and will defend the Trust Estate against, all claims and demands of all persons at any time claiming the same or any interest therein, subject to the Permitted Encumbrances that are listed as Senior Liens on the attached Exhibit B.

(b) Except for residential leases handled in the ordinary course of business pursuant to the requirements of the Loan Agreement, Grantor will not lease, sell, convey or in

any manner transfer the Personal Property, the Cash Collateral, or any other portion of the Trust Estate, without the prior written consent of Beneficiary.

(c) The Personal Property is not used or bought for personal, family or household purposes.

(d) The Personal Property will be kept on or at the Property and Grantor will not remove the Personal Property from the Property without the prior written consent of Beneficiary, except such portions or items of Personal Property which are consumed or worn out in ordinary usage, all of which shall be promptly replaced by Grantor with an article of equal suitability owned by Grantor free and clear of any lien or security interest except for Permitted Encumbrances or such as may be approved in writing by Beneficiary.

(e) Grantor maintains a place of business in the State of Oregon, and Grantor will immediately notify Beneficiary in writing of any change in its place of business.

(f) At the request of Beneficiary, Grantor hereby authorizes Beneficiary to file one or more financing statements and renewals and amendments thereof pursuant to the Oregon Uniform Commercial Code in form satisfactory to Beneficiary, and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable.

(g) All covenants and obligations of Grantor contained herein relating to the Trust Estate shall be deemed to apply to the Personal Property and the Cash Collateral whether or not expressly referred to herein.

(h) This Deed of Trust constitutes a security agreement and a fixture filing as those terms are used in the Oregon Uniform Commercial Code.

2.3 Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing in the Official Records of the County in which the Property is located with respect to any and all fixtures included within the term "Trust Estate" as used herein and with respect to any goods or other personal property that may now or hereafter become such fixtures.

ARTICLE III ASSIGNMENT OF LEASES AND RENTS

3.1 Assignment. Grantor hereby assigns to Beneficiary and grants to Beneficiary a security interest in all Leases and the Ground Lease as security for performance of all obligations secured by this Deed of Trust.

3.2 Representations and Warranties. Grantor represents and warrants as follows:

(a) Grantor has good right, title and interest in and to the Leases and Cash Collateral (as defined in the Loan Agreement) and good right to assign the same, and no other person has any right, title, or interest therein, except as disclosed by the Permitted Encumbrances.

(b) Grantor has duly and punctually performed all and singular the terms, covenants, conditions and warranties of the Leases on Grantor's part to be kept, observed and performed.

(c) The existing Leases, if any, are valid and unmodified and are in full force and effect.

(d) Grantor has not previously sold, assigned, transferred, mortgaged, pledged or granted a security interest in the Cash Collateral, whether now due or hereafter to become due.

(e) None of the Cash Collateral due and issuing from the Property or from any part thereof has been collected for any period in excess of one month from the date hereof, and payment of any of same has not otherwise been anticipated, waived, released, discounted, set off or otherwise discharged or compromised.

(f) None of the tenants under any existing Leases is in material default of any of the terms thereof.

3.3 Covenants of Performance. Grantor covenants and agrees as follows:

(a) Grantor shall observe, perform, and discharge, duly and punctually, all of the obligations of the Leases on the part of Grantor to be kept, observed, and performed; and shall give prompt notice to Beneficiary of any failure on the part of Grantor to observe, perform, and discharge same.

(b) Grantor shall enforce the performance of each and every obligation, term, covenant, condition, and agreement in the Leases by any tenant to be performed, and shall notify Beneficiary of the occurrence of any material default under the Leases.

(c) Grantor shall appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties, or liabilities of Grantor or any tenant thereunder at the expense of Grantor.

3.4 Prior Approval for Actions Affecting Leases. Grantor, without the prior written consent of Beneficiary, further covenants and agrees as follows:

(a) Grantor shall not receive or collect any Cash Collateral from any present or future tenant of the Property or any part thereof for a period of more than one month in advance (whether in cash or by promissory note) nor pledge, transfer, mortgage, grant a security interest in, or otherwise encumber or assign future payments of Cash Collateral.

(b) Grantor shall not waive, forgive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any tenant under any Leases having a term in excess of one year of or from any obligations, covenants, conditions, and agreements by such tenant to be kept, observed, and performed, including the obligation to pay the Cash Collateral thereunder in the manner and at the place and time specified therein.

3.5 License to Collect Cash Collateral. As long as there shall exist no default by Grantor in the payment of any indebtedness secured hereby or in the observance and performance of any other obligation, term, covenant or condition or warranty herein or in the other Loan Documents, Grantor shall have the right under a license granted hereby (but limited as provided herein) to collect, but not prior to accrual, all of the Cash Collateral arising from or out of said Leases or any renewals, extensions and replacements thereof, or from or out of the Property or any part thereof. Grantor shall receive such Cash Collateral and hold the Cash Collateral, together with the right and license herein granted as a trust fund to be applied, and Grantor hereby covenants to so apply them, as required by Beneficiary, first to the payment of taxes and assessments upon the Property before penalty or interest is due thereon; second to the costs of insurance, maintenance and repairs required by the terms of this Deed of Trust; third to satisfaction of all obligations under the Leases; and fourth to the payment of interest, principal and any other sums becoming due under the Loan Documents, before using any part of the same for any other purposes. Upon the conveyance by Grantor and its successors and assigns of Grantor's interest in the Property, all right, title, interest and powers granted under the license aforesaid shall automatically pass to and may be exercised by each subsequent owner.

ARTICLE IV DEFAULT

4.1 Events of Default. Any of the following events shall be deemed an event of default hereunder ("Event of Default"):

- (a) Failure to pay any amount due under the Note, the Loan Agreement, or any other Loan Document, or any other sum secured hereby when due; or
- (b) The Trust Estate or any portion thereof or other interest is transferred in violation of the terms of Section 4.5 of this Deed of Trust; or
- (c) Grantor fails to perform any other covenant contained in this Deed of Trust when due; or
- (d) A writ of execution or attachment or any similar process shall be issued or levied against all or any part of or interest in the Trust Estate, or any judgment involving monetary damages shall be entered against Grantor which shall become a lien on the Trust Estate or any portion thereof or interest therein and such execution, attachment or similar process or judgment is not released, bonded, satisfied, vacated or stayed within 30 days after its entry or levy; or
- (e) Grantor or any guarantor of the indebtedness secured hereby as applicable shall file a voluntary petition in bankruptcy or such a petition shall be filed against Grantor or any guarantor and is not dismissed within 60 days after filing; or Grantor or any guarantor shall file any petition or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief for itself under any present or future federal, state, or other statute, law, or regulation relating to bankruptcy, insolvency, or other relief for debtors; or a court of competent jurisdiction shall enter an order, judgment, or

decree approving a petition filed against Grantor or any guarantor seeking any such relief and such order, judgment, or decree shall remain unvacated and unstayed for an aggregate of 60 days (whether or not consecutive) from the first date of entry thereof; or

(f) Grantor or any guarantor shall seek or consent to or acquiesce in the appointment of any trustee, receiver, or liquidator of Grantor, any guarantor, or of all or any part of the Trust Estate, or of any or all of the royalties, revenues, rents, issues, or profits thereof, or any trustee, receiver, or liquidator of Grantor or any guarantor or of all or any part of the Trust Estate, or of any or all of the royalties, revenues, rents, issues, or profits thereof, shall be appointed without the consent or acquiescence of Grantor or any affected guarantor and such appointment shall remain unvacated and unstayed for an aggregate of 60 days (whether or not consecutive); or

(g) Grantor or any guarantor shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due; or

(h) There has occurred a breach of or default under any term, covenant, agreement, condition, provision, representation, or warranty contained in any other Loan Document (after expiration of any applicable cure period contained therein); or

(i) Any guaranty of the obligations secured hereby ceases to be in full force and effect or any guarantor dies, is dissolved or terminated, or asserts that any guaranty is not in full force and effect; or

(j) There has occurred a breach or default, subject to any applicable cure period, under any mortgage, trust deed, or lien on the Property that is either senior or subordinate to this Deed of Trust.

Notwithstanding the foregoing, if during any cure period in this Deed of Trust or any other Loan Document Beneficiary reasonably determines that during such cure period all or any material portion of the Trust Estate will be lost, misappropriated, destroyed, or damaged, will become uninsured, or that for any other reason the value of the Trust Estate will materially decline, then Beneficiary may proceed immediately to declare that an Event of Default exists and thereafter to exercise any remedy available to it.

4.2 Rights and Remedies on Default. Upon the occurrence of any Event of Default and at any time thereafter, Beneficiary may exercise any one or more of the following rights and remedies:

(a) The right at its option by notice to Grantor to declare the entire indebtedness secured hereby immediately due and payable.

(b) With respect to all or any part of the Property, the right to foreclose by judicial foreclosure in accordance with applicable law.

(c) The right to have the Trustee sell all or any portion of the Trust Estate, or any estate that forms a part of the Trust Estate in accordance with Oregon Revised Statutes Sections 86.705 through 86.795 and the Oregon Uniform Commercial Code where applicable, at public auction to the highest bidder. Any person except the Trustee may bid at the Trustee's sale. The power of sale conferred by this Deed of Trust and the law is not an exclusive remedy and when not exercised, Beneficiary may foreclose this Deed of Trust as a mortgage. The Trustee is not obligated to notify any party hereto of a pending sale under any other deed of trust or of any action or proceeding in which Grantor, Trustee, or Beneficiary shall be a party, unless such action or proceeding is brought by the Trustee.

(d) With respect to all or any part of the Trust Estate that constitutes personalty, the rights and remedies of a secured party under the Oregon Uniform Commercial Code.

(e) The right, without notice to Grantor, to terminate the license granted to Grantor to collect the Cash Collateral without taking possession, and to demand, collect, receive, sue for, attach and levy against the Cash Collateral in Beneficiary's name; to give proper receipts, releases and acquittances therefor; and after deducting all necessary and proper costs and expenses of operation and collection as determined by Beneficiary, including reasonable attorney fees, to apply the net proceeds thereof, together with any funds of Grantor deposited with Beneficiary, upon any indebtedness secured hereby and in such order as Beneficiary may determine. In furtherance of this right, Beneficiary may require any tenant or other user to make payments of rent or use fees directly to Beneficiary, and payments by such tenant or user to Beneficiary in response to its demand shall satisfy the obligation for which the payments are made, whether or not any proper grounds for the demand existed.

(f) The right to have a receiver appointed to take possession of any or all of the Trust Estate, with the power to protect and preserve the Trust Estate and to operate the Trust Estate preceding foreclosure or sale and apply the proceeds, over and above cost of the receivership, against the indebtedness secured hereby. The receiver may serve without bond if permitted by law. Beneficiary's right to the appointment of a receiver shall exist whether or not apparent value of the Trust Estate exceeds the indebtedness by a substantial amount. Grantor hereby irrevocably consents to the appointment of a receiver on the terms set forth herein. Employment by Beneficiary shall not disqualify a person from serving as receiver. Upon taking possession of all or any part of the Trust Estate, the receiver may, subject to the terms of any restrictive covenants that are senior to this Deed of Trust:

(i) Use, operate, manage, control, and conduct business on the Trust Estate;

(ii) Make expenditure for all maintenance, renewals, replacements, alterations, additions, and improvements to the Trust Estate as in its judgment are proper;

(iii) Insure and reinsure the Trust Estate and all risks incidental to the possession, operation, and management of the Trust Estate;

(iv) Collect the Cash Collateral and any other revenues and income from the Trust Estate and apply such sums to the expenses of use, operation, and management in such priority as the receiver deems appropriate. Grantor shall promptly turn over to the receiver all documents, books, records, papers, and accounts, together with the amount of any deposits, rentals, and use fees from any tenant or other user. The receiver may appear in any proceeding or bring suit on Grantor's behalf, as necessary to enforce obligations of any tenant or other user, including actions for the recovery of rent and actions in forcible detainer;

(v) Cancel or terminate any Lease or agreement for any cause for which Grantor would be entitled to cancel the same;

(vi) Extend or modify any Lease and make any new Lease on any portion of the Trust Estate. Any such instruments shall be binding upon Grantor and all persons whose interests in the Trust Estate are subordinate to this Deed of Trust, and upon the purchaser or purchasers at any foreclosure sale, notwithstanding any redemption from sale, discharge, or indebtedness, satisfaction of the foreclosure decree or issuance of any certificate of sale or deed to any purchaser;

(vii) Complete any construction in progress on the Property, and in that connection, pay bills, borrow funds, employ contractors, and make any changes in plans or specifications as the receiver deems appropriate; or

(viii) If the revenues and income are insufficient to pay expenses, the receiver may borrow such sums as the receiver deems necessary for the purposes stated in this paragraph. The amounts borrowed shall bear interest from the date of expenditure until repaid at the Default Rate. Such sums shall become a part of the balance secured by this Deed of Trust and shall be payable by Grantor on demand.

(g) Any other right or remedy provided in this Deed of Trust, the Note, any other Loan Documents, or under law.

4.3 Foreclosure by Power of Sale. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust and the Note and such receipts and evidence of expenditures made and secured hereby as Trustee may require.

(a) Upon receipt of such notice from Beneficiary, Trustee shall cause to be given such Notice of Default as then required by law. Trustee shall, without demand on Grantor, after lapse of such time as may then be required by law and after Notice of Sale having been given as required by law, sell the Trust Estate, or only the Fee Title Estate or the Leasehold Estate or any other estate in the Trust Estate, at the time and place of sale fixed by it in such Notice of Sale, either as a whole, or in separate lots or parcels or items as Trustee shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any

matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Grantor, Beneficiary or Beneficiary's assignee, may purchase at such sale.

(b) After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title and reasonable counsel fees in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest, all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto.

4.4 Sale of Personal Property. Beneficiary shall give Grantor reasonable notice of the time and place of any public sale of any Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten days before the time of the sale or disposition.

4.5 Due on Sale or Increase in Interest Rate on Sale.

(a) Grantor agrees and acknowledges that the indebtedness evidenced by the Loan Documents is personal to Grantor, and that Grantor's personal responsibility and/or control of the Property is a material inducement to Beneficiary to agree to enter into this transaction. Any conveyance of the whole or any part of the Property, whether by deed, contract, or otherwise, lease of the same (other than a lease of any portion of the space in the improvements on the Property in the ordinary course of business without an option to purchase), any further encumbrance of the Property other than liens that constitute Permitted Encumbrances, any change in the legal or beneficial ownership or control of Grantor, any of its partners, or any guarantor of the Grantor's obligations under the Loan Documents, or any transfer of capital stock, partnership interests, or limited liability company interests in Grantor, any member or partner of Grantor or any guarantor that is an organization without Beneficiary's prior written consent, shall be deemed to increase the risk of Beneficiary, and Beneficiary or other holder may discontinue any advances under the Note and declare all amounts due under the Loan Documents immediately due and payable, or, at its sole option, it may consent to such conveyance, encumbrance, transfer, or change in writing and may increase the interest rate under the Note, modify the loan terms, or impose whatever other conditions it shall deem necessary to compensate it for such increased risk. The execution and delivery by Grantor of any joint venture agreement, partnership agreement, declaration of trust, option agreement, or other instrument whereunder any person, corporation, or other entity may become entitled, directly or indirectly, to the possession or enjoyment of the Property, or the income or other benefits derived or to be derived therefrom, shall in each case be deemed to be a conveyance or assignment of Grantor's interest in the Property for the purposes of this section, and shall require the prior written consent of Beneficiary.

(b) In the event Grantor shall request the consent of Beneficiary in accordance with the provisions of this Section 4.5, Grantor shall deliver a written request to Beneficiary, together with such information as Beneficiary may reasonably request regarding such conveyance, further encumbrance, transfer, lease, or change and shall allow Beneficiary 30 days to evaluate such request. In the event Beneficiary approves such conveyance, encumbrance, transfer, lease, or change, Grantor shall pay Beneficiary a processing fee in an amount to be

determined by Beneficiary to compensate Beneficiary for its costs in processing such request. Consent as to any one transaction shall not be deemed to be a waiver of the right to require consent to any further or successive transaction.

(c) In the event ownership of the Property or any portion thereof becomes vested in a person other than Grantor herein named, Beneficiary may, without notice to Grantor herein named, whether or not Beneficiary has given written consent to such change in ownership, deal with such successor or successors in interest with reference to this Deed of Trust and the obligations secured hereby, in the same manner as with Grantor herein named, without in any way vitiating or discharging Grantor's liability hereunder or the obligations hereby secured.

(d) Notwithstanding anything to the contrary contained in the Loan Documents, transfers of (i) investment interests in the Investor (as defined in the Loan Agreement) and (ii) the Investor's interest in the Borrower are permitted with written notice to Beneficiary, so long as (x) the Investor remains under the control of Alden Capital Partners, LLC, or (y) any transferee of the Investor's interest in Borrower, is an affiliate of, and is and remains under the control of, Alden Capital Partners, LLC.

(e) Notwithstanding anything to the contrary contained in the Loan Documents, the removal of the Managing Member (as defined in the Loan Agreement) for cause in accordance with the Operating Agreement (as defined in the Loan Agreement) and the admission of a substitute Managing Member that is an Affiliate (as defined in the Loan Agreement) of Alden Capital Partners, LLC shall require notice to but not the consent of Beneficiary and shall not constitute a default under any of the Loan Documents or accelerate the maturity of the Loan. If the Investor exercises its right to remove Managing Member, the admission of a substitute Managing Member that is not an Affiliate of Alden Capital Partners, LLC shall be subject to the prior written consent of Beneficiary. Notwithstanding the foregoing, the substitute Managing Member shall assume all of the rights and obligations of the removed Managing Member under all of the Loan Documents. The transfers permitted in Section 4.5(d) above and this Section 4.5(e) are referred to in the Loan Documents as "Permitted Transfers."

4.6 Attorney Fees. In the event suit, action, or arbitration proceeding is instituted to enforce any of the terms of this Deed of Trust, Beneficiary shall be entitled to recover from Grantor such sum as the court or arbitrator may adjudge reasonable as attorney fees at trial, on any appeal, and in any bankruptcy proceeding. All reasonable expenses incurred by Beneficiary that are necessary at any time in Beneficiary's opinion for the protection of its interest or the enforcement of its rights, including without limitation, the cost of any appraisal of the Property, searching records, obtaining title reports, surveyors' reports, demanding payment, attorneys' opinions, or title insurance, whether or not any court action is involved, shall become a part of the indebtedness secured hereby, payable on demand, and shall bear interest at the Default Rate from the date of expenditure until paid.

4.7 Partial Foreclosure. Notwithstanding anything in this Deed of Trust to the contrary, Beneficiary may elect to foreclose, judicially or nonjudicially, only on the Leasehold Estate, in which event the Fee Title Estate shall not be affected and the Ground Lease shall

remain effective. Foreclosing only against the Leasehold Estate shall not preclude a subsequent foreclosure against the Ground Lessor's Fee Title Estate.

4.8 Surviving Obligations. The obligations and liabilities of Grantor for waste on the Property or for wrongful retention of any Cash Collateral, insurance proceeds, or condemnation awards shall survive any termination, satisfaction, assignment, entry of judgment of foreclosure, delivery of trustee's deed in a nonjudicial foreclosure proceeding, or delivery of a deed in lieu of foreclosure.

4.9 Cure Rights of Investor. Copies of all notices that are sent to Borrower under the terms of the Loan Documents shall also be sent to Investor. Notwithstanding anything to the contrary contained herein, Lender hereby agrees that any cure of any default made or tendered by Investor within the time for cure required herein shall be deemed to be a cure tendered by Borrower and shall be accepted or rejected by Lender on the same basis as if made or tendered by Borrower on its own behalf.

ARTICLE V MISCELLANEOUS

5.1 Governing Law. This Deed of Trust shall be governed by the laws of the State of Oregon (without regard to the rules for conflict of laws). In the event that any provision or clause of any of the Loan Documents conflicts with applicable laws, such conflicts shall not affect other provisions of such Loan Documents which can be given effect without the conflicting provision, and to this end the provisions of the Loan Documents are declared to be severable.

5.2 Modification. This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

5.3 Reappraisal Requirements. Grantor agrees that Beneficiary shall have the right to obtain, at Grantor's expense, an appraisal of the Property prepared by an appraiser selected by and acceptable to Beneficiary and in conformance with governmental regulations applicable to Beneficiary and approved by Beneficiary at any time that (a) an Event of Default has occurred hereunder, (b) any condemnation, damage or destruction of the Property occurs, (c) Beneficiary determines in its sole reasonable opinion that the security for the Loan has been physically or financially impaired in any material manner, or (d) such appraisal is required by then current banking laws or regulations. In the event that Beneficiary shall elect to obtain such an appraisal, Beneficiary may immediately commission an appraiser acceptable to Beneficiary, at Grantor's cost and expense, to prepare the appraisal and Grantor shall fully cooperate with Beneficiary and the appraiser in obtaining the necessary information to prepare such appraisal. In the event that any appraisal shall determine that the then outstanding principal balance of the Loan, together with the undisbursed portion of the Loan which Beneficiary may be obligated to disburse to Grantor in accordance with the terms and conditions hereof, is greater than 80 percent of the fair market value of the Project and Borrower fails to prepay, within 30 days after written notice from Lender to Borrower, the outstanding principal balance of the Loan to the extent necessary

to reduce the sum of said principal balance and such amounts Lender may be obligated to disburse to Borrower hereunder down to 80 percent of the fair market value, such event shall constitute an Event of Default.

5.4 Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums and other obligations secured hereby have been paid, and upon surrender of this Deed of Trust to Trustee for cancellation and retention and upon payment by Grantor of Trustee's fees, Trustee shall reconvey to Grantor, or the person or persons legally entitled thereto, without warranty, any portion of the Trust Estate then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto."

5.5 Notices. Whenever Beneficiary, Grantor or Trustee shall desire to give or serve any notice, demand, request or other communication with respect to this Deed of Trust, each such notice, demand, request or other communication shall be in writing and shall be effective only if the same is delivered by personal service or mailed by registered or certified mail, postage prepaid, return receipt requested, and addressed to the addresses set forth at the beginning of this Deed of Trust or otherwise in the Loan Agreement.

Any communication which is mailed as provided above shall be deemed delivered 72 hours after mailing. Any party may at any time change its address for such notices by delivering or mailing to the other parties hereto a notice of such change in accordance with this Section 5.5.

5.6 Acceptance by Trustee. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

5.7 Captions. The captions or headings at the beginning of each section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

5.8 Invalidity of Certain Provisions. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Trust Estate, the unsecured or partially unsecured portion of the debt shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of the debt which is not secured or fully secured by the lien of this Deed of Trust. Further, the invalidity or unenforceability of any portion or provision of this Deed of Trust shall in no way affect the validity or enforceability of the remainder hereof.

5.9 Subrogation. To the extent that proceeds of the credit evidenced by the Loan Documents are used to pay any outstanding lien, charge or prior encumbrance against the Trust Estate, such proceeds have been or will be advanced by Beneficiary at Grantor's request and Beneficiary shall be subrogated to any and all rights and liens held by any owner or holder of such outstanding liens, charges and prior encumbrances, irrespective of whether such liens, charges or encumbrances are released.

5.10 No Merger. If both the lessor's and lessee's estates under any lease or portion thereof which constitutes a part of the Trust Estate shall at any time become vested in one owner, this Deed of Trust and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger and, in such event, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Deed of Trust on the Trust Estate pursuant to the provisions hereof, any leases or subleases then existing and created by Grantor shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at any such foreclosure sale shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant.

5.11 Cross Collateralization. This Deed of Trust secures all obligations, debts and liabilities, plus interest thereon, of Grantor to Lender, or any one or more of them, as well as all claims by Lender against Grantor or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Grantor may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable. Notwithstanding the foregoing, this Deed of Trust does not secure a consumer purpose transaction or any leasing product between Grantor and Lender.

5.12 Joint and Several Liability. The liability for the obligations of each Grantor under this Deed of Trust shall be joint and several.

5.13 CONSENT TO JURISDICTION AND VENUE; WAIVER OF JURY TRIAL.

(a) GRANTOR CONSENTS TO AND SUBMITS TO IN PERSONAM JURISDICTION AND VENUE IN THE STATE OF OREGON AND IN THE FEDERAL DISTRICT COURTS THAT ARE LOCATED IN THE CITY OF PORTLAND OR IN THE COUNTY WHERE THE PROPERTY IS LOCATED. THIS SUBMISSION TO JURISDICTION IS NONEXCLUSIVE, AND DOES NOT PRECLUDE EITHER PARTY FROM OBTAINING JURISDICTION OVER THE OTHER IN ANY COURT OTHERWISE HAVING JURISDICTION.

(b) GRANTOR HEREBY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS.

5.14 NO ORAL AGREEMENTS. THE RIGHTS AND OBLIGATIONS OF GRANTOR AND BENEFICIARY SHALL BE DETERMINED SOLELY FROM THE WRITTEN LOAN DOCUMENTS, AND ANY PRIOR ORAL OR WRITTEN AGREEMENTS BETWEEN BENEFICIARY AND GRANTOR CONCERNING THE SUBJECT MATTER HEREOF AND OF THE OTHER LOAN DOCUMENTS ARE SUPERSEDED BY AND MERGED INTO THIS DEED OF TRUST AND THE OTHER LOAN DOCUMENTS. THIS DEED OF TRUST AND THE OTHER LOAN DOCUMENTS MAY NOT BE VARIED BY ANY ORAL AGREEMENTS OR DISCUSSIONS THAT OCCUR BEFORE, CONTEMPORANEOUSLY WITH, OR SUBSEQUENT TO THE EXECUTION OF THIS DEED OF TRUST OR THE OTHER LOAN DOCUMENTS. THIS DEED OF TRUST AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENTS BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

5.15 OREGON STATUTORY WARNING. UNDER OREGON LAW, MOST AGREEMENTS, PROMISES AND COMMITMENTS MADE BY A FINANCIAL INSTITUTION CONCERNING LOANS AND OTHER CREDIT EXTENSIONS WHICH ARE NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES OR SECURED SOLELY BY THE GRANTOR'S PRINCIPAL RESIDENCE MUST BE IN WRITING, EXPRESS CONSIDERATION AND BE SIGNED BY THE FINANCIAL INSTITUTION TO BE ENFORCEABLE.
