Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for the sale, to have the foreclosure proceeding dismissed and the Deed of Trust reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred), and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Deed of Trust, and in addition to paying the sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Deed of Trust, together with trustee's and attorneys' fees not exceeding the amounts provided by ORS 86.778.

Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.

In construing this notice, the singular includes the plural, the word "grantor" includes any successor in interest to this grantor as well as any other person owing an obligation, the performance of which is secured by the Deed of Trust, and the words "trustee" and "beneficiary" include their respective successors in interest, if any.
