Without limiting the Trustee's disclaimer of representations or warranties, Oregon law requires the Trustee to state in this notice that some residential property sold at a Trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. In construing this notice, the singular gender includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.
