This Deed of Trust, the Note, and any other instrument given to evidence or further secure the payment and performance of any obligation secured hereby may hereafter be referred to as the "Loan Documents."

SECTION 1 COVENANTS AND AGREEMENTS OF GRANTOR

Grantor hereby covenants and agrees:

1.1 Maintenance of the Property. To keep the Property in good condition and repair; not to remove or demolish any building; to complete and restore any building which may be constructed, damaged or destroyed; to comply with all laws affecting the Property or requiring any alterations or improvements to be made; not to commit or permit waste; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of the Property may be reasonably necessary.

1.2 Required Insurance. Grantor will continuously maintain hazard insurance against loss by fire, hazards included within the term "extended coverage," and any other hazards for which Beneficiary requires insurance. The insurance will be maintained in the amounts and for the periods Beneficiary requires. The insurance carrier shall be chosen by Grantor, subject to Beneficiary's approval, which will not be unreasonably withheld. All insurance policies must be acceptable to Beneficiary, and contain loss payable clauses acceptable to Beneficiary. Beneficiary will have the right to hold policies and renewals.

1.3 Delivery of Policies; Payment of Premiums; Proceeds.

(a) All policies of insurance shall be issued by companies and in amounts in each company satisfactory to Beneficiary. All policies of insurance shall have attached thereto a lender's loss payable endorsement for the benefit of Beneficiary in form satisfactory to Beneficiary. Grantor shall furnish Beneficiary with an original of all policies of required insurance. If Beneficiary consents to Grantor providing any of the required insurance through blanket policies carried by Grantor and covering more than one (1) location, then Grantor shall furnish Beneficiary with a certificate of insurance for each such policy setting forth the coverage, the limits of liability, the name of the carrier, the policy number, and the expiration date.

(b) At least thirty (30) days prior to the expiration of each such policy, Grantor shall furnish Beneficiary with evidence satisfactory to Beneficiary of the payment of premium and the reissuance of a policy continuing insurance in force as required by this Deed of Trust. All such policies shall contain a provision that such policies will not be canceled or materially amended, which term shall include any reduction in the scope or limits of coverage without at least thirty (30) days' prior written notice to Beneficiary. In the event Grantor fails to provide, maintain, keep in force, or deliver and furnish to Beneficiary the policies of insurance required and certificates by this section, Beneficiary may procure such insurance or single-interest insurance for such risks covering Beneficiary's interest, and Grantor will pay all premiums thereon promptly upon demand by Beneficiary and, until such payment is made by Grantor, the amount of all such premiums shall be secured by this Deed of Trust.

(c) If Grantor shall fail to obtain the insurance required by Section 1.2, make the payments required by Section 1.6 (other than payments that Grantor is contesting in accordance with Section 1.6), or perform or observe any of its other covenants or agreements under this Deed of Trust, Beneficiary may, without obligation to do so, obtain or pay the same or take other action that it deems appropriate to remedy such failure. All sums, including reasonable attorney fees, so expended to maintain the lien or estate of this Deed of Trust or its priority, or

to protect or enforce any of Beneficiary's rights, or to recover any indebtedness secured by this Deed of Trust, shall be a lien on the Property, shall be secured by this Deed of Trust, and shall be paid by Grantor upon demand, together with interest at the rate provided in the Note. No payment or other action by Beneficiary under this section shall impair any other right or remedy available to Beneficiary or constitute a waiver of any default. The following notice is given pursuant to ORS 746.201:

WARNING

Unless Grantor provides Beneficiary with evidence of the insurance coverage as required herein, Beneficiary may purchase insurance at Grantor's expense to protect Beneficiary's interest. This insurance may, but need not, also protect Grantor's interest. If the collateral becomes damaged, the coverage Beneficiary purchases may not pay any claim Grantor makes or any claim made against Grantor. Grantor may later cancel this coverage by providing evidence that Grantor has obtained property coverage elsewhere.

Grantor is responsible for the cost of any insurance purchased by Beneficiary. The cost of this insurance may be added to the indebtedness secured hereby. If the cost is added to the indebtedness secured hereby, the interest rate on the indebtedness secured hereby will apply to this added amount. The effective date of coverage may be the date the prior coverage lapsed or the date Grantor failed to provide proof of coverage.

The coverage Beneficiary purchases may be considerably more expensive than insurance Grantor can obtain on Grantor's own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

(d) In the event of loss, Grantor shall immediately notify Beneficiary, who may make proof of loss if it is not made promptly by Grantor. Proceeds shall be paid directly to Beneficiary who may compromise with any insurance company and make a final settlement which shall be binding upon Grantor. Beneficiary may, at its election, apply the proceeds to the reduction of any indebtedness secured hereby whether or not then due and payable or to the restoration or repair of the Property, subject to such disbursements procedures as Beneficiary may deem advisable.

1.4 Assignment of Policies Upon Foreclosure. In the event of foreclosure of this Deed of Trust or other transfer of title or assignment of the Trust Estate in extinguishment, in whole or in part, of the debt secured hereby, all right, title, and interest of Grantor in and to all policies of insurance required by Section 1.2 shall inure to the benefit of and pass to the successor in interest to Grantor or the purchaser or grantee of the Trust Estate.

1.5 Indemnification; Subrogation; Waiver of Offset.

(a) If Beneficiary is made a party defendant to any litigation concerning this Deed of Trust or the Trust Estate or any part thereof or interest therein, or the occupancy thereof by Grantor, then Grantor shall indemnify, defend, and hold Beneficiary and its directors, officers, employees, agents, and representatives (hereafter referred to as the "Indemnitees") harmless from all liability, loss, cost, or damage, by reason of said litigation, including reasonable attorney's fees and expenses incurred by Beneficiary in any such litigation, whether or not any such litigation is prosecuted to judgment.

(b) Grantor waives any and all right to claim or recover against Beneficiary, its officers, employees, agents, and representatives, for loss of or damage to Grantor, the Trust Estate, Grantor's property, or the property of others under Grantor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust.

(c) All sums payable by Grantor hereunder shall be paid without notice, demand, counterclaim, setoff, deduction, or defense and without abatement, suspension, deferment, diminution, or reduction; and the obligations and liabilities of Grantor hereunder shall in no way be released, discharged, or otherwise affected (except as expressly provided herein) by reason of (i) any damage to or destruction of or any condemnation or

similar taking of the Trust Estate or any part thereof; (ii) any restriction or prevention of or interference with any use of the Trust Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Property or the Improvements or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation, or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (v) any claim which Grantor has or might have against Beneficiary; (vi) any default or failure on the part of Beneficiary to perform or comply with any of the terms hereof or of any other agreement with Grantor; or (vii) any other occurrence whatsoever, whether similar or dissimilar to the foregoing and whether or not Grantor shall have notice or knowledge of any of the foregoing. Except as expressly provided herein, Grantor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution, or reduction of any sum secured hereby and payable by Grantor.

1.6 Taxes and Liens. Grantor shall pay before they become delinquent all taxes and assessments levied against or on account of the Trust Estate and shall pay as due all claims for work done on or for services rendered or material furnished to the Property. Special assessments shall be paid currently, without deferral, unless the lien for deferred assessments is subordinate to the interest of Beneficiary under this Deed of Trust, or Beneficiary gives its prior written consent to the deferral. Grantor shall maintain the Trust Estate free of any liens having priority over or equal to the interest of Beneficiary under this Deed of Trust, the lien of taxes and assessments not delinquent, and except as hereinafter otherwise provided. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Beneficiary's interest in the Trust Estate is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within 15 days after the lien arises or, if a lien is filed, within 15 days after Grantor has notice of the filing, secure the discharge of the lien or deposit with Beneficiary cash or a sufficient corporate surety bond or other security satisfactory to Beneficiary in an amount sufficient to discharge the lien plus any costs, attorney fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. The assessor or tax collector of the county in which the Property is located is authorized to deliver to Beneficiary a written statement of the property taxes assessed or owing at any time.

1.7 Reserves. At any time Beneficiary may require Grantor to maintain reserves for payment of taxes (including special assessments and other charges against the Trust Estate by governmental or quasi-governmental bodies) or premiums on property insurance or both. The reserves shall be created by payment each month to Beneficiary of an amount determined by Beneficiary to be sufficient to produce by the date they are due amounts equal to the estimated taxes and insurance premiums to be paid. If at the time that payments are to be made the reserve for either taxes or insurance premiums is insufficient, Grantor shall upon demand pay such additional sum as Beneficiary shall determine to be necessary to cover the required payment. If Grantor desires to carry a package plan of insurance that includes coverage in addition to that required under this Deed of Trust, Beneficiary, if allowed by law, may at its option establish and administer a reserve for that purpose. In such event the premium attributable to the required insurance coverage shall be quoted separately, and Beneficiary may permit Grantor to furnish a certificate of insurance rather than deposit the policy as required above. If at any time Beneficiary holds an insufficient amount in the insurance reserve to cover the premium for the entire package policy, Beneficiary may, at its discretion, pay only that portion of the premium attributable to the required insurance coverage. If the blanket policy does not permit such partial payment, Beneficiary may use the reserve funds for the premium on a new, separate policy providing the required insurance coverage and allow the package policy to lapse. Beneficiary shall not charge a service charge for collecting reserves and paying taxes and insurance premiums. The reserves shall not constitute a trust. Grantor agrees that Beneficiary may commingle reserve funds with other funds of Beneficiary and need not invest them for the benefit of Grantor. Grantor agrees that Beneficiary need not pay Grantor interest on reserves, unless applicable statutes require payment of interest notwithstanding any contrary agreement.

1.8 Expenditures by Beneficiary. If Grantor shall fail to comply with any provision of this Deed of Trust, Beneficiary may, at its option, on Grantor's behalf take the required action and any amount that it expends in so doing shall be added to the indebtedness secured hereby. Amounts so added shall be payable on demand with interest at the rate specified in the Note as the Default Rate (the "Default Rate") from the date of expenditure. The rights provided for in this section shall be in addition to any other rights or any remedies to which Beneficiary may be entitled on account of the default, and Beneficiary shall not by taking the required action cure the default so as to bar it from any remedy that it otherwise would have had.

1.9 Utilities. Grantor shall pay or cause to be paid when due all utility charges which are incurred by Grantor for the benefit of the Trust Estate or which may become a charge or lien against the Trust Estate for gas, electricity, water or sewer services furnished to the Trust Estate and all other assessments or charges of a similar nature, whether public or private, affecting the Trust Estate or any portion thereof, whether or not such assessments or charges are liens thereon.

1.10 Warranty; Defense of Title. Grantor warrants that Grantor holds merchantable title to the Property free of all encumbrances. Grantor warrants and will forever defend the title against the claims of all persons. Grantor shall pay any sums and do any other acts necessary to prevent a default or prevent any action or condition which with the lapse of time, the giving of notice, or any other action of a creditor, would be a default or enable any creditor to declare a default under or foreclose any Permitted Encumbrance. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Beneficiary under this Deed of Trust, including any proceeding to terminate Grantor's title to the Property, Grantor shall defend the action at Grantor's expense.

1.11 Condemnation. Should any part of or interest in the Property be taken or damaged by reason of any public improvement, eminent domain, condemnation proceeding, or in any similar manner (a "Condemnation"), or should Grantor receive any notice or other information regarding such action, Grantor shall give immediate notice of such action to Beneficiary. Beneficiary shall be entitled to all compensation, awards, and other payments or relief ("Condemnation Proceeds") up to the full amount of the obligations secured by this Deed of Trust, and shall be entitled, at its option, to commence, appear in, and prosecute any Condemnation proceeding in its own or Grantor's name and make any compromise or settlement in connection with such Condemnation. The proceeds of the award shall first be applied to all reasonable costs, expenses, and attorney fees necessarily paid or incurred by Beneficiary in connection with the Condemnation. In the event all or substantially all the Property is taken by Condemnation, all obligations secured by this Deed of Trust, at Beneficiary's election, shall become immediately due and payable. Beneficiary may, at its sole option, apply the remaining Condemnation Proceeds to the reduction of the obligations secured hereby in such order as Beneficiary may determine, or, if less than all the Property has been taken, Beneficiary may allow Grantor to use all or any portion of the remaining Condemnation Proceeds to pay the cost of restoring and improving the remaining Property. In the event that Beneficiary elects in its sole discretion to allow the Condemnation Proceeds to be used for restoration and improvement, the proceeds shall be held by Beneficiary and shall be released only upon such terms and conditions as Beneficiary shall require, including but not limited to, prior approval of plans and release of liens.

1.12 Imposition of Tax. The following shall constitute taxes to which this paragraph applies: (a) a specific tax upon deeds of trust or upon all or any part of the indebtedness secured by a deed of trust; (b) a specific tax on the owner of property covered by a deed of trust which the taxpayer is authorized or required to deduct from payments on the deed of trust; (c) a tax on premises covered by a deed of trust chargeable against Beneficiary under the deed of trust or the holder of the note secured; and (d) a specific tax on all or any portion of the indebtedness secured hereby or on payments of principal and interest made by a Grantor under a deed of trust. If any federal, state, or local tax to which this paragraph applies is enacted subsequent to the date of this Deed of Trust, this shall have the same effect as a default and Beneficiary may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met: (i) Grantor may lawfully pay the tax or charge imposed without causing any resulting economic disadvantage or increase of tax to Beneficiary or Trustee; and (ii) Grantor pays the tax or charge within 30 days after notice from Beneficiary that the tax law has been enacted.

1.13 Inspections. Beneficiary, or its agents, representatives or workmen, are authorized to enter at any reasonable time upon or in any part of the Property for the purpose of inspecting the same and for the purpose of performing any of the acts it is authorized to perform under the terms of any of the Loan Documents.

1.14 No Waiver. By accepting payment of any obligation herein mentioned after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other obligations herein mentioned or to declare default for failure so to pay.

1.15 Accounting. Grantor will keep and maintain or will cause to be kept and maintained in accordance with sound accounting practice accurate and proper books of record and account relating to the Property. Grantor shall permit Beneficiary to examine the books of account and other records of Grantor, to discuss the

affairs, finances and accounts of Grantor and to be informed as to the same by Grantor, all at such reasonable times and intervals as Beneficiary may desire. At the request of Beneficiary, Grantor will, at its own cost and expense, furnish to Beneficiary annual financial statements of Grantor and copies of the balance sheet and operating statements relating to the Property for such year, in reasonable detail and in form and substance satisfactory to Beneficiary. In addition, at the request of Beneficiary, Grantor shall furnish monthly to Beneficiary reservations reports and future bookings reports, together with unaudited statements setting forth income (itemized as to source, itemized operating expenses, and net income before federal income taxes) relating to the Property for such month, certified to as being correct by the Grantor. In the event Grantor fails to furnish any of the financial statements hereinabove required, Beneficiary may cause an audit to be made of Grantor's books and records, at Grantor's sole cost and expense.

1.16 Repayment of Advances. Upon receipt of notice, the Grantor shall repay immediately all sums expended or advanced hereunder by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the Default Rate, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within ten (10) days of such notice will, at Beneficiary's option, constitute an event of default hereunder; or Beneficiary may, at its option, commence an action against Grantor for the recovery of such expenditure or advance and interest thereon, and in such event Grantor agrees to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee at trial and on appeal.

1.17 Hazardous Substances.

(a) Grantor represents and warrants to Beneficiary that to the best of Grantor's knowledge after due and diligent inquiry based upon the environmental reports previously delivered to Beneficiary, no hazardous or toxic waste or substances are being stored on the Property or any adjacent property nor have any such waste or substances been stored or used on the Property or any adjacent property prior to Grantor's ownership, possession or control of the Property, except as previously disclosed in writing to Beneficiary. Grantor agrees to provide written notice to Beneficiary immediately upon Grantor becoming aware that the Property or any adjacent property is being or has been contaminated with hazardous or toxic waste or substances. Grantor will not cause nor permit any activities on the Property which directly or indirectly could result in the Property or any other property becoming contaminated with hazardous or toxic waste or substances. For purposes of this Deed of Trust, the term "hazardous or toxic waste or substances" means any substance or material defined or designated as hazardous or toxic wastes, hazardous or toxic material, a hazardous, toxic or radioactive substance or other similar term by any applicable federal, state or local statute, regulation or ordinance now or hereafter in effect.

(b) Grantor will indemnify and hold Beneficiary harmless from and against any and all claims, demands, damages, costs, expenses, losses, liens, liabilities, penalties, fines and lawsuits and other proceedings, (including attorneys' fees), arising directly or indirectly from or out of, or in any way connected with (i) the inaccuracy of the certifications contained herein or in any other Loan Document, (ii) any activities on the Property during Grantor's ownership, possession or control of the Property which directly or indirectly result in the Property or any other property becoming contaminated with hazardous or toxic waste or substances, (iii) the discovery of hazardous or toxic waste or substances on the Property, or the discovery of hazardous or toxic waste or substances on any other property caused by activities on the Property, or (iv) the clean-up of hazardous or toxic waste or substances from the Property or the clean-up of hazardous or toxic waste or substances from any other property caused by activities on the Property. Grantor acknowledges that it will be solely responsible for all costs and expenses relating to the clean-up of hazardous or toxic waste or substances from the Property or from any other properties which become contaminated with hazardous or toxic waste or substances as a result of the contamination of or activities on the Property.

(c) Beneficiary and its representatives may enter the Property at any time for the purpose of conducting an environmental audit, committing only such injury to the Property as may be necessary to conduct the environmental audit. Beneficiary shall not be required to remedy any such injury or compensate Grantor therefor. Grantor shall cooperate in all respects in the performance of the audit. Grantor shall pay the costs of any environmental audit if either a default exists under this Deed of Trust at the time Beneficiary arranges to have the audit performed or the audit reveals a default pertaining to hazardous substances. If Grantor refuses to permit

Beneficiary or its representatives to conduct an environmental audit on the Property, Beneficiary may specifically enforce performance of this provision.

1.18 Access Laws.

(a) Grantor agrees that the Property shall at all times strictly comply with the applicable requirements of the Americans with Disabilities Act of 1990 (including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities); the Fair Housing Amendments Act of 1988; all other federal and state and local laws and ordinances related to disabled access; and all rules, regulations, and orders issued pursuant thereto; all as amended from time to time (collectively the "Access Laws"). At any time Beneficiary may require Grantor to provide a certificate of compliance with the Access Laws and indemnification in a form reasonably acceptable to Beneficiary. Beneficiary may also require a certificate of compliance with the Access Laws from an architect, engineer, or other third party acceptable to Beneficiary.

(b) Notwithstanding any provisions set forth herein or in any other Loan Document, Grantor shall not alter or permit any tenant or other person to alter the Property in any manner which would increase Grantor's responsibilities for compliance with the Access Laws without the prior written approval of Beneficiary. In connection with any such approval, Beneficiary may require a certificate of compliance with the Access Laws from an architect, engineer, or other person acceptable to Beneficiary.

(c) Grantor agrees to give prompt notice to Beneficiary of any claims of violations of any Access Laws and of the commencement of any proceedings or investigations which relate to compliance with any of the Access Laws.

(d) Grantor shall indemnify and hold harmless Beneficiary from and against any and all claims, demands, damages, costs, expenses, losses, liabilities, penalties, fines, and other proceedings, including without limitation reasonable attorney fees and expenses arising directly or indirectly from or out of or in any way connected with any failure of the Property to comply with any of the Access Laws. The obligations and liabilities of Grantor under this section shall survive any termination, satisfaction, assignment, judicial or nonjudicial foreclosure, or delivery of a deed in lieu of foreclosure.

SECTION 2 SECURITY AGREEMENT

2.1 Creation of Security Interest. Grantor hereby grants to Beneficiary a security interest in (a) the Personal Property, (b) the Cash Collateral for the purpose of securing all obligations of Grantor contained in any of the Loan Documents, and (c) any other item or portion of the Trust Estate in which a security interest may be granted under the Oregon Uniform Commercial Code. Grantor hereby consents to the filing by Beneficiary of one or more financing statements and renewals and amendments thereof pursuant to the Uniform Commercial Code of Oregon in form satisfactory to Beneficiary, and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable.

2.2 Warranties, Representations, and Covenants of Grantor. Grantor hereby warrants, represents and covenants as follows:

(a) Except for the security interest granted hereby, Grantor is, and as to portions of the Personal Property and Cash Collateral to be acquired after the date hereof will be, the sole owner of the Personal Property and the Cash Collateral, free from any adverse lien, security interest, encumbrance or adverse claims thereon of any kind whatsoever. Grantor will notify Beneficiary of, and will defend the Personal Property against, all claims and demands of all persons at any time claiming the same or any interest therein.

(b) Grantor will not sell, convey, or in any manner transfer the Personal Property or the Cash Collateral, without the prior written consent of Beneficiary.

(c) Omitted

(d) The Personal Property will be kept on or at the Property and Grantor will not remove the Personal Property from the Property without prior notice to the Beneficiary, except such portions or items of Personal Property which are consumed or worn out in ordinary usage, all of which shall be promptly replaced by Grantor with an article of equal suitability owned by Grantor free and clear of any lien or security interest except such as may be approved in writing by Beneficiary.

(e) Grantor maintains a place of business in the State of Oregon, and Grantor will immediately notify Beneficiary in writing of any change in its place of business.

(f) At the request of Beneficiary, Grantor will join Beneficiary in executing one or more financing statements and renewals and amendments thereof pursuant to the Uniform Commercial Code of Oregon in form satisfactory to Beneficiary, and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable.

Reasonable notice shall mean notice given at least ten days before the time of the sale or disposition.

4.5 Due on Sale or Increase in Interest Rate on Sale.

(a) Grantor agrees and acknowledges that the indebtedness evidenced by the Note is personal to Grantor, and that Grantor's personal responsibility and/or control of the Property is a material inducement to Beneficiary to agree to enter into this transaction. Any conveyance of the whole or any part of the Property, whether by deed, contract, further encumbrance, or otherwise, lease of the same (other than a lease of any portion of the space in the improvements on the Property in the ordinary course of business without an option to purchase) without Beneficiary's prior written consent, or any transfer of capital stock, partnership interests or limited liability company interests in Grantor without Beneficiary's prior written consent shall be deemed to increase the risk of Beneficiary, and Beneficiary or other holder may declare the entire unpaid balance immediately due and payable, or, at its sole option, it may consent to such conveyance, or transfer of capital stock, partnership interest, or limited liability company interest in writing and may increase the interest rate on the Note, change the maturity date of the Note, modify the terms, or impose whatever other conditions it shall deem necessary to compensate it for such increased risk. Any increase in interest shall entitle the holder to increase monthly payments on the indebtedness evidenced by the Note so as to retire the obligation within the original stipulated time. The execution and delivery by the Grantor of any joint venture agreement, partnership agreement, declaration of trust, option agreement, or other instrument whereunder any other person or corporation may become entitled, directly or indirectly, to the possession or enjoyment of the Property, or the income or other benefits derived or to be derived therefrom, shall in each case be deemed to be a conveyance or assignment of Grantor's interest in the Property for the purposes of this section, and shall require the prior written consent of Beneficiary.

(b) In the event Grantor shall request the consent of Beneficiary in accordance with the provisions of this Section 4.5, Grantor shall deliver a written request to Beneficiary, together with such information as Beneficiary may reasonably request regarding such conveyance, further encumbrance, lease or transfer of capital stock, partnership interest, or limited liability company interest and shall allow Beneficiary 30 days to evaluate such request. In the event Beneficiary approves such conveyance, encumbrance, lease, or transfer of capital stock, partnership interest, or limited liability company interest, Grantor shall pay Beneficiary a processing fee in an amount to be determined by Beneficiary but in no event less than Five Hundred Dollars to compensate Beneficiary for its costs in processing such request. Consent as to any one transaction shall not be deemed to be a waiver of the right to require consent to any further or successive transaction.

(c) In the event ownership of the Property or any portion thereof becomes vested in a person other than Grantor, Beneficiary may, without notice to Grantor herein named, whether or not Beneficiary has given written consent to such change in ownership, deal with such successor or successors in interest with reference to this Deed of Trust and the obligations secured hereby, in the same manner as with Grantor herein named, without in any way vitiating or discharging Grantor's liability hereunder or the obligations hereby secured.

4.6 Attorney Fees. In the event suit, action, or arbitration proceeding is instituted to enforce any of the terms of this Deed of Trust Beneficiary shall be entitled to recover from Grantor such sum as the court or arbitrator may adjudge reasonable as attorney fees at trial, on any appeal, and in any bankruptcy proceeding. All reasonable expenses incurred by Beneficiary that are necessary at any time in Beneficiary's opinion for the protection of its interest or the enforcement of its rights, including without limitation, the cost of searching records, obtaining title reports, surveyors' reports, demanding payment, attorneys' opinions, or title insurance, whether or not any court action is involved, shall become a part of the indebtedness secured hereby, payable on demand, and shall bear interest at the Default Rate from the date of expenditure until paid.
