AMPLIFYING PROVISIONS

2.1. Determination of Incapacity. For all purposes under this Power, I shall be deemed "incapacitated" if and so long as a court of competent jurisdiction has made a finding to that effect or a guardian or conservator of my person or estate duly appointed by a court of competent jurisdiction is serving, or upon certification by two physicians (licensed to practice under the laws of the state where I am domiciled at the time of the certification) that I am unable to properly care for myself or for my person or property, which certification shall be made by each physician in a written declaration under penalty of perjury. A certified copy of the decree declaring incapacity or appointing a guardian or conservator, or the physicians' certificate shall be attached to the original of this document and recorded in the same county or counties as the original if the original is recorded.

2.2. Capacity Regained. After a determination of incapacity, I shall be deemed to have regained capacity by a finding of a court of competent jurisdiction to that effect, or when the guardianship or conservatorship for me has been judicially terminated, or upon certification by two physicians (licensed to practice under the laws of the state where I am domiciled at the time of the certification) that I am capable of properly caring for myself or am able to manage my person or property, which certification shall be made by each physician in a written declaration under penalty of perjury. If my medical records support the fact that I am incapacitated or incompetent then my agent may obtain my medical records to the extent that as directed below:

I intend for my agent to be treated as I would be with respect to my rights regarding the use and disclosure of my individually identifiable health information or other medical records. This release authority applies to any information governed by the Health Insurance Portability and Accounting Act of 1996 (a.k.a. HIPAA), 42 USC 1320d and 45 CFR 160-164, or any successor statutes.

Any physician, healthcare professional, dentist, health plan, hospital, clinic, laboratory, pharmacy or other covered health care provider, any insurance company and the Medical Information Bureau Inc. or other health care clearing house that has provided treatment or services to me or that has paid for or is seeking payment from me for such services to give, disclose and release to my agent, without restriction all of my individually identifiable health information and medical records regarding any past, present or future medical or mental health condition, to include all information relating to the diagnosis and treatment of HIV/AIDS, sexually transmitted diseases, mental illness and drug or alcohol abuse.

The authority given to my agent shall supersede any prior agreement that I may have made with my health care providers to restrict access or to disclosure of my individually identifiable health information. The authority

2.4. Reimbursement for Costs and Expenses. My attorney in fact shall be entitled to reimbursement from my property for expenditures properly made in the execution of any of the powers conferred by me in this Power. My attorney in fact shall keep records of any such expenditures and reimbursement.

My attorney in fact may make the payment of such amount from my assets every year, and shall keep records that include the amount of time spent in performing the services, a description of the services performed, and the amount of compensation paid to himself for each such time period.

2.7. Reliance by Third Parties. To induce third parties to act in accordance with the powers granted to my attorney in fact in this document, I represent and warrant that:

(a) If this document is revoked or amended for any reason, I, my estate, my heirs, successors, and assigns will hold any third party harmless from any loss suffered, or liability incurred, by the third party in acting in accordance with this document before the third party's receipt of written notice of termination or amendment.

(b) The powers conferred on my attorney in fact may be exercised alone and my attorney in fact's signature or act under the authority granted in this document may be accepted by third parties as fully authorized by me and with the same force and effect as if I were personally present, competent, and acting on my own behalf.

(c) No person who acts in reliance upon any representation of my attorney in fact as to the scope of my attorney in fact's authority granted under this document shall incur any liability to me, my estate, my heirs, successors, or assigns for permitting my attorney in fact to exercise any such power, nor shall any person who deals with my attorney in fact be responsible to determine or ensure the proper application of funds or property.

(d) My attorney in fact shall make any payments required for the provision and/or release of information or photocopies of any records to my agent under my power of attorney for health care (advance directive) regarding my personal affairs or my physical or mental health, including medical, dental, and hospital records, as directed by my health care agent. My attorney in fact shall hereby be released from any and all liability for making any such payments.

2.8. Ratification. I ratify and confirm all that my attorney in fact does or causes to be done under the authority granted in this Power. All contracts, promissory notes, checks, or other bills of exchange, drafts, other obligations, stock powers, instruments, and other documents signed,
