"Water Assets" means all right, title, and interest at any time of Mortgagor (or any of its bailees, agents, or instrumentalities), whether now existing or hereafter arising or acquired, whether direct or indirect, whether owned legally, of record, equitably or beneficially, whether constituting real or personal property (or subject to any other characterizations), whether created or authorized under existing or future laws or regulations, and however arising in, without limitation, the water, water rights and entitlements of every kind or nature and other assets and items more specifically described hereinafter:

a. All water (including any water inventory in storage), water rights and entitlements, other rights to water and other rights to receive water or water rights of every kind or nature whatsoever and howsoever evidenced, including but not limited to the following: (i) the groundwater on, under, pumped from or otherwise available to the Land, whether as the result of groundwater rights, contractual rights or otherwise, together with Mortgagor's right to remove and extract any such groundwater including any permits, rights or licenses granted by any governmental authority or agency or any rights granted or created by any use, easement, covenant, agreement, or contract with any person or entity; (ii) any rights to which the Land is entitled with respect to surface water, whether such right is appropriative, riparian, prescriptive, decreed or otherwise and whether or not pursuant to permit or other governmental authorization, or the right to store any such water; (iii) any water, water right, water allocation, distribution right, delivery right, water storage right, or other water-related entitlement appurtenant or otherwise applicable to the Land by virtue of the Land being situated within the boundaries of any governmental district or agency, or within the boundaries of any private water company, mutual water company, irrigation company, ditch company or other non-governmental entity that owns, stores, diverts and/or delivers water including, any and all stock, interest or other rights Mortgagor has in such entity, including voting or decision rights, and any and all rights from any entity or other person to acquire, receive, exchange, sell, lease, or otherwise transfer any Water Assets, to store, deposit or otherwise create water credits in a water bank or similar or other arrangement for allocating water, to transport or deliver water, or otherwise to deal with any Water Asset; and (iv) all water and existing and future water rights, however evidenced, to the use of water for irrigation, livestock and domestic purposes. This conveyance is intended to secure performance of the covenants and agreements contained herein, and in any Loan Documents, except those Loan Documents that expressly state they are not secured by the Property described herein, and payment of the indebtedness under the terms of the Note(s) made to the order of Beneficiary, with interest and charges as provided therein and in the Loan Documents, and any extensions, modifications or renewals thereof.

DATE OF NOTE	PRINCIPAL AMOUNT	FINAL INSTALLMENT DATE
05/22/2018	\$43,200.00	06/01/2028

In addition, this Deed of Trust (hereafter also referred to as "Security Instrument") is intended to secure future loans and advances made by Beneficiary, no matter how evidenced. The continuing validity and priority of this Deed of Trust for future loans and advances shall not be impaired by the fact that at certain times no outstanding indebtedness to Beneficiary nor commitment from Beneficiary to make future loans exist.

The terms of the Note(s) and Loan Documents, described above, provide that the interest rate, payment terms or amounts due may be indexed, adjusted, renewed or renegotiated.

Information about the adjustable rate is contained in Exhibit B attached hereto.

The Property does not exceed 40 acres in area.

Grantors and each of them REPRESENT, WARRANT, COVENANT and AGREE:

1. That they have title to the Property free from encumbrances, except as otherwise previously disclosed, they have good right and lawful authority to convey and encumber the same; they will warrant and defend the same forever against the lawful claims and demands of all persons whomsoever; and they agree this covenant shall not be extinguished by foreclosure or other transfers. Grantors authorize Beneficiary to file a financing statement and any continuations thereof, describing any personal property or fixtures described herein, without further signature by Grantor.
2. That this Deed of Trust also constitutes a Security Agreement granting Beneficiary a security interest in any and all personal property described above.
3. To keep all buildings and other improvements, now or hereafter existing, in good repair; not to remove or demolish or permit the removal or demolition of any building or other improvement; to restore promptly in a good and workmanlike manner, any building or improvement, which may be damaged or destroyed; to maintain and cultivate the Property in a good and husbandlike manner; not to change or permit change in the use of the

Property; and not to do anything which would reduce the value of the Property; and Beneficiary shall have the right to enter upon the Property to make full inspection of the Property.

4. To maintain casualty insurance, naming Beneficiary as loss payee, on all buildings and improvements, against loss or damage by fire or other risks; to maintain liability insurance; to obtain flood insurance at any time it is determined that any building or improvement is located, in whole or in part, within a special flood hazard area; to pay all premiums and charges on all such insurance when due; and to provide Beneficiary satisfactory evidence of such insurance upon request. All such insurance shall be in such form(s), with such company(ies) and in such amount(s) as shall be satisfactory to Beneficiary.
5. To pay all debts and money, secured hereby, when due; to pay, when due, all taxes, assessments, rents and other charges upon the Property and to suffer no other encumbrance, charge or lien on the Property, which would be superior to this Deed of Trust, except as stated above.
6. To specifically assign and deliver to Beneficiary all rents, royalties, damages and payments of every kind, including without limitation insurance reimbursements and condemnation awards, at any time accruing, for any transfer, loss or seizure of the Property, any portion thereof or any rights therein; Beneficiary may, at its option, apply such amounts in any proportion to any of the indebtedness hereby secured; and application or release of such amounts shall not cure or waive any default or notice of default or invalidate any act done pursuant to such notice.
7. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property and its use, including without limitation all environmental laws; not to use or permit the use of the Property for any unlawful or objectionable purpose or for any purpose that poses an unreasonable risk of harm, or that impairs or may impair the value of the Property, or any part thereof; not to apply residue from waste water treatment facilities to the Property without prior written notice to Beneficiary; to remedy any environmental contamination or violation of environmental laws that may occur or be discovered in the future; to allow Beneficiary access to the Property to inspect its condition and to test and monitor for compliance with applicable laws (any inspections or tests made by Beneficiary shall be for Beneficiary's purposes only and shall not be construed to create any responsibility or liability on the part of Beneficiary to Grantors or to any other person); to forward copies of any notices received from any environmental agencies to Beneficiary; to provide Beneficiary copies of any independent test or inspection reports on the environmental status of the Property; and to indemnify and hold Beneficiary, its directors, employees, agents and its successors and assigns, harmless from and against any environmental claims of any kind, and all costs and expenses incurred in connection therewith, including, without limitation, attorney's fees.
8. That neither Grantors nor, to the best of Grantors' knowledge, any prior owner has created or permitted conditions on the Property, which may give rise to environmental liability; no enforcement actions are pending or threatened; no underground tanks are located on the Property except as already disclosed; any such underground tanks currently or previously located on the Property do not now and never have leaked and no contaminated soil is located on the Property; and Grantor's representations, warranties, covenants and indemnities herein and in the Loan Documents shall survive satisfaction of the Note(s) and Loan Documents, foreclosure of this Deed of Trust, acceptance of a deed in lieu of foreclosure or any transfer or abandonment of the Property.
9. To perform all terms and conditions of each water or other contract, described above, if any, and to promptly pay all sums due or to become due under each contract so that no delinquency or default will occur under such contract(s); not to apply or enter into any federal, state or local program which limits or restricts the use of the Property, in any way without prior written consent of Beneficiary; to perform all acts necessary to perfect and maintain any water permit, certificate, license or other water interest, however designated, described in or used in

conjunction with the real property described above; any assignment of any such interest during the term of this Deed of Trust, naming Beneficiary as an assignee shall be for security purposes and shall not alter Grantors' obligations hereunder; and any failure of Grantors to perform any such obligation shall constitute an event of default.

10. That the term "Grazing Rights," as hereinafter used refers to that portion of the Property, if any, consisting of grazing leases, permits, licenses, privileges, and preferences, or any of them, which have or will be assigned, conveyed or waived to Trustee or Beneficiary, together with any additions, renewals, replacements or substitutions thereof; if any portion of the Grazing Rights is a leasehold interest in state lands, such leasehold shall be considered to be real property; such leasehold and all other real property portions of the Property constitute a single operating unit; and in the event of foreclosure, Beneficiary shall have the right to have such leasehold and the other real property sold as a unit and not in parcels; any statements and representations in any applications for Grazing Rights are true and correct; Grantors have received no notice that the Grazing Rights have or are to be terminated, cancelled or modified; and any termination or cancellation of any of the Grazing Rights shall constitute an event of default under this Deed of Trust.
11. To execute any instrument deemed necessary by the Beneficiary to assign, convey or waive such Grazing Rights to the Trustee; to pay all fees and charges, and to perform all acts and things necessary to preserve and keep in good standing the Grazing Rights; to take no action which would adversely affect the Grazing Rights; to procure renewals of the Grazing Rights upon or prior to their expiration date; to operate the lands covered by the Grazing Rights in conjunction with the other real estate portion of the Property and not to convey or attempt to convey either separately; to forward to Beneficiary copies of any notices received by Grantors regarding the Grazing Rights; and in the event of foreclosure of this Deed of Trust, to waive all claims for preference in the Grazing Rights upon demand from the purchaser of the Property at Trustee's or foreclosure sale, or from any successor to such purchaser.
12. That if the Property is within an irrigation block and/or subject to water service contract(s) governed by the provisions of "Federal reclamation law," and the regulations issued thereunder, Grantors shall comply with the terms and provisions of said laws, regulations and contracts; Grantors, and each of them, for themselves, their heirs, successors and assigns, hereby appoint Beneficiary their attorney-in-fact to select and designate the portion of the property to be subject to a recordable contract, in the event Grantors become subject to the excess land limitation; if Grantors fail to comply with the terms of said law, regulations or contracts, or if the delivery of water for the irrigation of the Property is discontinued in whole or in part, Grantors shall be in default; in the event the Bureau of Reclamation determines that continued drainage maintenance on the Property is no longer feasible, and Grantors purchase other lands offered as a preference purchase right (as an adjustment for wetlands), Grantors shall execute a supplemental deed of trust on such lands in favor of the Beneficiary; and failure to execute such deed of trust on demand, shall constitute an event of default.
13. That in the event of default in any of the covenants or agreements herein, or in any of the Loan Documents, Beneficiary may, at its option, perform the same, in whole or in part; any advances, attorney fees or costs, paid or incurred by Beneficiary to protect or enforce its rights under the Loan Documents, in bankruptcy, appellate proceedings or otherwise, shall be payable on demand and shall become a part of the obligation secured by this Deed of Trust.
14. That the indebtedness and obligations secured by this Deed of Trust are personal to the Grantors and are not assignable by Grantors; Beneficiary relied upon the credit of Grantors, the interest of Grantors in the Property and the financial market conditions then existing when making this loan; if Grantors sell, transfer or convey or contract to sell, transfer or convey the Property, or any portion thereof, or if the ownership of any corporation or partnership, owning all or any portion of the Property shall be changed either by voluntary or involuntary sale or transfer or by operation of law, without prior written consent of Beneficiary, or if Grantors default in the

payment of the indebtedness, or with respect to any warranty, covenant or agreement in the Loan Documents or if a receiver or trustee for any part of the Property is appointed, or if any proceedings under the bankruptcy or insolvency laws is commenced by or against Grantors, or if Grantors become insolvent, or if any action is commenced to foreclose or enforce a lien on any portion of the Property, then, Grantors shall be in default hereunder.

15. Due on Sale. Lender may at its option, without prior notice, declare all indebtedness and obligations secured by this Security Instrument, immediately due and payable without presentment, demand, protest or further notice of any kind, and may exercise all rights and remedies provided in the Loan Documents or under applicable law if all or part of the Property is sold, conveyed, leased, or otherwise transferred without the prior written consent of Lender.
16. That time is of the essence and in the event of default, at Beneficiary's option, the entire indebtedness secured hereby shall forthwith become due and payable and bear interest at the rate set forth in the Loan Documents for delinquent payments; Beneficiary shall have the right to foreclose the lien of this Deed of Trust or to direct Trustee, in writing, to foreclose this Deed of Trust by notice and sale, to have a receiver appointed in any court proceeding, to collect any rents, issues and profits from the Property and to deliver them to Beneficiary to be applied as provided above and to exercise any rights and remedies available under the Uniform Commercial Code for the state in which the property is located; and reasonable notice if required by such Code shall be five (5) days.
17. That Beneficiary may from time to time, in writing and without further notice or consent, release any person from liability for payment of any of the indebtedness or extend the time or otherwise alter the terms of payment of any of the indebtedness; and Trustee may, with written consent of Beneficiary, at any time and from time to time, and without affecting the liability of any person:
 - a. Join in any subordination or other agreement affecting this Deed of Trust or lien or charge thereof.
 - b. Reconvey, without warranty, any or all of the Property.
18. That after all sums secured hereby have been paid, upon receipt of the Deed of Trust and note and payment of its fees, Trustee shall reconvey without warranty the Property, as provided by law. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."
19. That, in the event of foreclosure of this Deed of Trust by notice and sale, the power of sale shall be exercised by the Trustee according to and under the authority of the law pertaining to deeds of trust then in effect in the state in which the Property is situated; Trustee shall deliver to purchaser its deed, without warranty, containing recitals demonstrating compliance with the requirements of such law.
20. To surrender possession of such premises within the time period provided by law; in the event Beneficiary is purchaser of the Property and possession is not delivered, as provided by law, to pay Beneficiary the costs and the expenses, including reasonable attorney fees, incurred in any suit or action by Beneficiary to obtain possession of the premises.
21. That Trustee accepts this trust when this deed, duly executed and acknowledged is recorded as provided by law; any Trustee lawfully appointed by Beneficiary as a substitute or successor Trustee shall succeed to all the powers and duties of the Trustee named herein; Trustee is not obligated to notify any party hereto of the pending sale under any other deed of trust or any action or proceeding in which Grantors, Trustee, or Beneficiary shall be a party unless such action or proceeding is brought by Trustee.
22. That as used herein, the term "Deed of Trust" shall be synonymous with the terms "trust indenture" and "trust deed"; the term "Grantors" shall be synonymous with the term "Trustors" as used in any of the laws of the state

**DEED OF TRUST
PAGE 7 OF 13**

in which the Property is situated; the term "Beneficiary" shall mean the holder and owner of any Note secured hereby, or if any Note(s) has been pledged, the pledgee thereof.

23. That the failure of Beneficiary to exercise any right or option provided herein, at any time shall not preclude Beneficiary from exercising any of such rights at any other time; the covenants and agreements contained herein shall be binding on and inure to the benefit of the parties and their respective heirs, successors and assigns; all rights conferred on Beneficiary or on Trustee are cumulative and additional to any rights conferred by law; and if any provision is found to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof and the Deed of Trust shall be construed as though such provision had been omitted.
24. That Grantors and each of them join in this instrument for the purpose of subjecting each of their right, title and interest, if any, in the Property, whether of record or otherwise and including any right to possession, to the lien of this Deed of Trust. All Exhibits hereto, if applicable, are incorporated herein and made a part of this Deed of Trust. This Deed of Trust may be executed in any number of counterparts, each of which, when executed, shall be deemed to be an original, and all of which together shall be deemed to be one and the same instrument.
25. At origination or at any time during the term of the loan, Borrower (as defined in the Loan Documents) or any other vested party (collectively "Escrow Obligor") shall pay to Beneficiary on the day installment payments are due under the Note(s), until the Note(s) is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Deed of Trust as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; and (c) premiums for any and all insurance required by Beneficiary under this Deed of Trust. These items are called "Escrow Items". At origination or at any time during the term of the loan, Beneficiary may require that community association dues, fees, and assessments, if any, be escrowed by Escrow Obligor, and such dues, fees and assessments shall be an Escrow Item. Escrow Obligor shall promptly furnish to Beneficiary all notices of amounts to be paid under this section. Escrow Obligor shall pay Beneficiary the Funds for Escrow Items unless Beneficiary waives Escrow Obligor's obligation to pay the Funds for any or all Escrow Items. Beneficiary may waive Escrow Obligor's obligation to pay to Beneficiary Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Escrow Obligor shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Beneficiary and, if Beneficiary requires, shall furnish to Beneficiary receipts evidencing such payment within such time period as Beneficiary may require. Escrow Obligor's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Deed of Trust. If Escrow Obligor is obligated to pay Escrow Items directly, pursuant to a waiver, and Escrow Obligor fails to pay the amount due for an Escrow Item, Beneficiary may exercise its rights under the Covenants section and pay such amount and Borrower shall then be obligated under this Deed of Trust to repay to Beneficiary any such amount. Beneficiary may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with this Deed of Trust and, upon such revocation, Escrow Obligor shall pay to Beneficiary all Funds, and in such amounts, that are then required under this section.

Beneficiary may, at any time, collect and hold Funds in an amount (a) sufficient to permit Beneficiary to apply the Funds at the time specified under Real Estate Settlement Procedures Act ("RESPA"), and (b) not to exceed the maximum amount a lender can require under RESPA. Beneficiary shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Funds shall be held in a special account set up by Beneficiary. The Funds in the special account are not insured by any federal financial regulator or agency. Funds are protected only by the financial condition of Beneficiary. Interest will accrue on the special account balance at such rates as are required by applicable state or federal law. Beneficiary shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA.

**DEED OF TRUST
PAGE 8 OF 13**

Beneficiary shall not charge Escrow Obligor for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Beneficiary pays Escrow Obligor interest on the Funds and applicable law permits Beneficiary to make such a charge. Unless an agreement is made in writing or applicable law requires interest to be paid on the Funds, Beneficiary shall not be required to pay Escrow Obligor any interest or earnings on the Funds. Escrow Obligor and Beneficiary can agree in writing, however, that interest shall be paid on the Funds. Beneficiary shall give to Escrow Obligor, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Beneficiary shall account to Escrow Obligor for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Beneficiary shall notify Escrow Obligor as required by RESPA, and Escrow Obligor shall pay to Beneficiary the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Beneficiary shall notify Escrow Obligor as required by RESPA, and Escrow Obligor shall pay to Beneficiary the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Deed of Trust, Beneficiary shall promptly refund to Escrow Obligor any Funds held by Beneficiary.

26. Trustee shall reconvey the Property, without warrant, to the person or persons legally entitled to it upon (a) written request of Beneficiary stating that all indebtedness has been paid and fully performed, which shall be in substantially the form of Exhibit A attached hereto and incorporated herein, (b) surrender by Beneficiary of this Deed of Trust, and (c) payment by Grantor of Trustee's fees and the costs and expenses of executing and recording any requested reconveyance. The grantee in any such reconveyance may be described as "the person or persons legally entitled thereto."

The following disclosure is made by Beneficiary and Trustee to Grantor pursuant to ORS 746.201:

WARNING

Unless you provide us with evidence of the insurance coverage as required by this Deed of Trust and the other Loan Documents, Beneficiary or Trustee may purchase insurance at your expense to protect its interest. This insurance may, but may not also protect your interest. If the collateral becomes damaged, the coverage Beneficiary or Trustee purchases may not pay any claim you make or any claim made against you. You may later request that Beneficiary cancel this coverage by providing evidence that you have obtained property coverage elsewhere.

You are responsible for the cost of any insurance purchased by Beneficiary or Trustee. The cost of this insurance may be added to your contract or loan balance. If the cost is added to your contract or loan balance, the interest rate on the underlying contract or loan will apply to this added amount. The effective date of coverage may be the date your prior coverage lapsed or the date you failed to provide proof of coverage.

The coverage Beneficiary or Trustee purchases may be considerably more expensive than insurance you can obtain on your own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on **06/01/2025**, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on Farm Credit Debt Securities adjusted to a constant maturity of one year, as made available by the Federal Farm Credit Banks Funding Corporation. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **2.750** percentage points (**2.750%**) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (**0.125%**). Subject to the limits stated in Section (D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **15.850%** or less than **2.750%**. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by

more than nine percentage points from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 15.850% or less than 2.750%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.
