AMERITITLE , has recorded this instrument by request as an accompaction only, and has not examined it for regularity and sufficiency or as to its effect upon the title to any real property that may be described therein.

WARNING: Unless buyer provides seller with evidence of insurance coverage as required by the contract or loan agreement between them, seller may purchase insurance at buyer's expense to protect seller's interest. This insurance may, but need not, also protect buyer's interest. If the collateral becomes damaged, the coverage purchased by seller may not pay any claim made by or against buyer. Buyer may later cancel the coverage by providing evidence that buyer has obtained property coverage elsewhere. Buyer is responsible for the cost of any insurance coverage purchased by seller, which cost may be added to buyer's contract or loan balance. If it is so added, the interest rate on the underlying contract or loan will apply to it. The effective date of coverage may be the date buyer's prior coverage lapsed or the date buyer failed to provide proof of coverage. The coverage seller purchases may be considerably more expensive than insurance buyer might otherwise obtain alone and may not satisfy any need for property damage

ing all liens and encumbrances created by the buyer or buyer's assigns.

And it is understood and agreed between the parties that time is of the essence of this contract, and in case the buyer shall fail to make the payments above required, or any of them, punctually within 20 days of the time limited therefor, or fail to keep any agreement herein contained, then the seller shall have the following rights and options:

(1) To declare this contract cancelled for default and null and void, and to declare the purchaser's rights forfeited and the debt extinguished, and to retain

(1) To declare this contract cancelled for default and from and vote, and to declare this contract cancelled for default and from and vote, and to declare the whole unpaid principal balance of the purchase price with the interest thereon at once due and payable; and/or (3) To foreclose this contract by suit in equity.

In any of such cases, all rights and interest created or then existing in favor of the buyer as against the seller hereunder shall utterly cease and the right to the possession of the premises above described and all other rights acquired by the buyer hereunder shall revert to and revest in the seller without any act of re-entry, or any other act of the seller to be performed and without any right of the buyer of return, reclamation or compensation for moneys paid on account of the purchase of the property as absolutely, fully and perfectly as if this contract and such payments had never been made; and in case of such default. And the seller, in case of such default, shall have the right immediately, or at any time thereafter, to enter upon the land aforesaid, without any process of law, and take immediate possession thereof, together with all the improvements and appurtenances thereon or thereto belonging.

The buyer further agrees that failure by the seller at any time to require performance by the buyer of any provision hereof shall in no way affect seller's right hereunder to enforce the same, nor shall any waiver by the seller of any breach of any provision hereof be held to be a waiver of any succeeding breach of any such provision, or as a waiver of the provision itself.

Seller, seller's agents, and the holder of any existing encumbrance to which the lands and premises are subject may enter upon the lands and premises at reasonable times (upon reasonable prior notice to buyer) for the purpose of inspecting the property.
