RELEASE OF NOTICE OF ENVIRONMENTAL CONTAMINATION

On May 13, 2004, the State of Oregon, acting by and through its Department of Environmental Quality ("DEQ") issued a Notice of Environmental Contamination (Notice) over certain real property in Klamath County, Oregon, described in the attached Exhibit A (the "Property") to provide notice of the potential presence of friable and/or asbestos-containing materials (ACM) on the Property.

The Notice was subsequently recorded on May 18, 2004, in the real property records of Klamath County at Page 30887 of Volume M04.

Remedial activities were completed on the Property by the U.S. Environmental Protection Agency in 2018. To protect human health and the environment at the Property, an easement and equitable servitudes (EES) will be recorded on the Property to ensure the protective cap installed on the Property in areas of asbestos contamination remains intact and protective. In consideration of the EES being recorded on the Property, DEQ hereby releases all of DEQ's interest in the Notice describe in this instrument. Interested parties may contact the DEQ Eastern Region office at 800 SE Emigrant Ave., Suite 330, Pendleton, to review detailed information about the Property.

The consideration for this release is other value given.

Given this 19 day of June, 2019.

The State of Oregon, acting by and through its Department of Environmental Quality
